a. Additional Information

The specifications listed above to be taken as minimum criteria only. Submissions that exceed or come under these specifications will still be considered and determined by the works manger if they are accepted or not

Suppliers are requested to ensure quote includes the above items:

4. DELIVERY AND INSPECTION

The supplier shall supply a date for the delivery of the new machine complete as specified and offered and ready for immediate use to the Shire of Wickepin's depot.

Suppliers shall take into account any possible delay in delivery of the new machine and factor this into their price. Council will not be liable for price increases or wear and tear on the trade-in machine should an extended delay in delivery be encountered.

If requested, the supplier shall make the Ute offered in their submission available for a demonstration and/or inspection by Council's Works Manager prior to the acceptance of any quote.

The Ute will be deemed as accepted when the Works Manager or his representative has inspected it, completed all operating tests and is satisfied that the machine is complete as specified and ready for immediate use.

5. PRODUCT WARRANTY

The supplier shall outline all warranty and defect replacement details with the submission of the quotation documents. Please note the option for pricing on an extended warranty.

6. PRODUCT STANDARD

The product will be to a standard commensurate with all relevant specifications and standards currently in place in Western Australia. At the request of the Works Manager the contractor will supply appropriate details to confirm and verify the product standard in accordance with those specifications.

7. REGISTRATION DETAILS

The machine shall be licensed to the 30th June 2021. All costs associated with the registration of the vehicle will be met by the supplier. Council wants to retain original number plates which is on the current Ute so a plate change on the day of delivery will [Can you change name and address be needed](#) .

8. TRADE-IN MACHINE

The Ute offered for trade-in in this quotation

A 2018 Toyota crew cab around 52000 km Ute is offered on a 'as is where is' basis.

A 2016 Holden single cab tipping tray around 87000 km Ute is offered on a 'as is where is' basis.

A 2014 Holden single cab around 115.000 km Ute is offered on a 'as is where is' basis.

A 2019 SUV Wagon Holden around 19.000 km SUV is offered on a 'as is where is' basis.

Inspection of the Utes can be arranged by contacting the works manager Gary Rasmussen on 0429 882 871

Council will continue to utilise the trade-in ute until such time as the replacement machine is supplied and accepted. It is the responsibility of the supplier to price in a factor for usage in that above-mentioned period.

9. SELECTION CRITERIA

The following criteria will be taken into consideration in determining the successful Supplier:

- Price.
- The demonstrated ability of the Company to supply the machine on time and with all requested options and extras.
- Demonstrated experience with after sales support and on-site service of the machine.

Please note that the Shire of Wickepin will not be submitting a price for any part of this quote as per the *Local Government (Functions & General Regulations) Clause 14(4) (d)*.

9. LODGEMENT/ACCEPTANCE OF QUOTE

Quotes are to be received no later than 4:00 p.m. on Friday 9 October 2020.

Quotation shall be valid for 3 months after lodgement date above.

Council shall not be bound to accept the lowest or any quotation.

The quote is deemed to be accepted when Council emails written notification of such acceptance to the successful Supplier.

All quotes are to be emailed to admin@wickepin.wa.gov.au and named as **Quote New SUV/Utes**
