This section is designed to help you provide information that will give some general background about your organisation, the service it provides and the reasons for your request to council.

What are the main purposes of your organisation?

Tennis club - main purpose is for people to come together to play tennis.

What are the main services it provides?

Facility for people to play tennis. Toolibin has a growing membership of both players and social members.

Describe how your organisation operates ie: by volunteers, paid staff, combination of both. Please indicate how many staff and volunteers you have.

Fully volunteer run. As far as I can see the club has never asked the Shire for a dollar. The courts are quite labour intensive to prepare for play & having this new set up will lessen the demand on volunteer. If not clearly specified in your financial statements, describe your main funding sources eg: government grants (please state source), fundraising, members fees, fees for services, etc. member fees & a small bar facility. Some localised fund raising such as wool drive.

Approximately how many people are members of your organisation or how many community members benefit from the services provided by your organisation? Please describe any eligibility requirements for membership or access to services.

Approx 40 members. 3 life members members must pay an annual membership to have facility access.

- Infrastructure such as significant construction or improvement of facilities. (Please include building and planning approvals if required.)
- Funding for specific events or programs.
- In kind assistance (venue/bus hire etc). Separate letter of request addressed to CEO will be required.

Which of the Shire of Wickepin's Strategic Goal themes does your project align with?

- To develop and maintain quality services and infrastructure.
- To ensure the protection and improvement of the environment.
- To promote the development of a viable and diversified local economy.
- To provide and encourage the use of a variety of recreational, educational and cultural facilities.
- To provide efficient, effective and accountable governance.
- To promote the Shire as the focal point in the development of the greater region.

How?

Improve the infrastructure so that courts can be prepared more easily for playing on.

#### Project Description

Attach photos, plans or diagrams to illustrate your request if relevant.

We would like to install a tank & pressure pump to allow for just 1 or 2 members to water our courts prior to play each week. Currently, we rely on 3-5 firefighters to take time out on a Friday to water them. This is a very time consuming and labour intensive way of doing it. If we install a tank & hose system 1 or 2 people could easily do the job. We currently, dont have enough mains pressure to use the scheme flow.

Start Date: 1<sup>st</sup> July 2020

Finish Date: 1<sup>st</sup> Nov 2020

Would it be possible to share with another group? (ie is your proposal duplicating an existing service?)

Yes  No

If yes – please comment.

It was stated no vice president's were required – Janice Sieber looking at the new constitution.

#### **GENERAL BUSINESS**

1. Constitution – New version. Andrew Borthwick and Tim Quartermaine have been through it and the main change to note are:
  - a. It is now a required % of members for quorum instead of a set number.
  - b. Change of financial period to 1 July – 30 June.
  - c. Vice captains are removed from the committee.
  - d. Mostly changes in wording to keep up with the legalities.

Seven (7) positions make up the Committee of Management and we need to move to adopt it, send it to the Department to accept. There is slight variation in the structure. Everyone is encouraged to read and know the constitution.

2. DTTA General Meeting will be held on the 10<sup>th</sup> September. New constitution to be done prior to this meeting.  
Zone Meeting will be held at Narrogin Tennis Club on 2<sup>nd</sup> September.
3. Water connections – Water pressure is down. The pipe has been dug up – it is all PVC our side, the main to the elbow is galvanised. Suggested we get outside knowledge (possibly Scott Fowler) to look at the metre. The metre tap is not sealing properly.  
Suggestion was made that a water tank with pressure pump would address the water problem allowing for adequate storage and the pressure to water the courts.  
Suggestion was made that members providing their firefighters to assist with watering to address the problem.  
There is an ongoing issue with wetting the courts that needs to be addressed. It was also noted at this time that courts 3 & 4 are different clays.
4. Funding – The issue to purchase water tanks, pressure pumps, etc was raised as it was noted that part of the tennis club in on crown land and it was believed that Wickiepin Shire would not support the donation of money due to this being the case. Carly Smith was willing to look into this and possible funding available to the club.
5. SEC account currently sent to Andrew Borthwick and to be transferred to Kyle Angwin.
6. The Toolibin Tennis Club bank account details/signatories to be changed to the current President and Secretary/Treasurer  

Moved: Carly Smith	Seconded: Janice Sieber	CARRIED
Electronic banking to be set up and accessed for the tennis club		
Moved: Janice Sieber	Seconded: Tim Quartermaine	CARRIED
7. Changes to Tennis West Affiliation Fees will move from a fee based on membership numbers to a fee based on number of courts. Per court we will pay \$125. We will be one of the few tennis clubs that will be penalised by this change and as so will have a few years of gradual change/increase. The coming season will remain the same that we paid this season. Discussion arose to the benefits of the continuing affiliation (opposed to being able to participate in Country Week). More benefits can be accessed and we will be looking into this in the coming years.
8. Job rotation/rosters could be considered to increase the participation and flow of the club.
9. A “Drinks” sheet will be provided to allow for a tally and lump sum payments.
10. Senior Fees: Increased to \$60. Junior Fees: remain at \$20  

Moved: Carly Smith	Seconded: Angus Armstrong	CARRIED
--------------------	---------------------------	---------
11. New Shirts – a lot of discussion and investigation has occurred in relation to new shirts. The club would like new team shirts for the start of the season. It is recommended that 3 suggestions be put to the vote. Trish Armstrong to follow up.
12. Junior tennis development/involvement – Vicki Williams is happy to oversee.
13. Bumper Board – Query to structural soundness. Tim Quartermaine to address.
14. Clubhouse – cracks in the concrete need to be addressed as quite a trips hazard. Synthetic turf between the concrete and the fence with shade cloth overhead would be welcomed.
15. Water cooler/fountain – It is accepted that a water cooler would be a good investment to look into.
16. Ball machine – Encouraged to look at getting a ball machine/sourcing one for tennis development lessons.

17. Future direction – Kyle thanked everyone for the opportunity as President. He had received feedback from the Singles Tournament that was both positive and negative. He would like our club attitude to be welcoming and encouraging to families to come down. It is desirable to see the coming season hold a Singles Championship again, a Doubles Day (which was disappointingly put off by the weather this season) and a Vets Day.
18. Special mention and thanks was given to Andrew and Maureen Borthwick for their tenacity to keep the club going at a very delicate time. The club had come close to closing down during those 15 years, yet here we stand growing in numbers again.

**MEETING CLOSED**

Kyle Angwin thanked everyone for their attendance and declared the meeting closed at 9.35pm.
