SECTION 2 - General Information about your organisation and services provided

This section is designed to help you provide information that will give some general background about your organisation, the service it provides and the reasons for your request to council.

What are the main purposes of your organisation?

Our main purpose is to document Wickepin's development in different areas including community, commercial, agriculture + families.

What are the main services it provides?

Our members have produced several local history books that document different aspects of Wickepin Shire. We have set up photographic displays for community events. We are called upon often to provide family information for people researching their family history.

Describe how your organisation operates ie: by volunteers, paid staff, combination of both. Please indicate how many staff and volunteers you have.

We are a group of core volunteers.

If not clearly specified in your financial statements, describe your main funding sources eg: government grants (please state source), fundraising, members fees, fees for services, etc.

Our main source of funding is from our history book sales through the CRC. We have received funding from the shire in recent years to support our ongoing works.

Approximately how many people are members of your organisation or how many community members benefit from the services provided by your organisation? Please describe any eligibility requirements for membership or access to services.

There are no requirements to gain information from our group or to join. The feedback we have received regarding the display of our photos from the community has been very positive.

From where does your organisation or service operate?

Wickepin Town Hall

If you are requesting a grant for capital works for a building, please indicate who owns the premises? A letter of support is required from the owner of the building. Will the project require a building permit? Yes No

Who owns the land on which your facility is or will be located?

Shire of Wickepin

Annual rent paid for use of premises?

\$ 0

What geographical areas does your organisation cover?

Shire of Wickepin area only?

Shire of Wickepin area and adjoining areas?

Would it be possible to share with another group? (ie is your proposal duplicating an existing service?)

Yes No

If yes – please comment.

Demonstrate how you have the full support of your members and the general community for your funding application. Attach minutes of meeting where project funding was discussed and approved. Provide letters of support.

Currently our meetings are very informal + in a discussion format only, therefore I have no minutes at present. The Wickepin Shed, Wickepin CRC and the Wickepin Shire have indicated their support verbally. The awarding of Community Group of the year for 2019 was an indication of support + a great motivator to continue our work.

Section 4 - Project Cost

Council's general philosophy is to fund only the following

- 100% up to \$2000
- 75% between \$2,000 and \$5,000
- 50% \$5,000 and above

Voluntary labour and equipment may be included in the applicant's contribution at a value of \$25 per hour. Council employees or equipment may be used in lieu of a cash contribution from Council. Council will favour applications that would not otherwise be funded through other government grants eg: Department of Sport and recreation CSRFF Grants.
