Hi all

we need to make some decisions.

I need someone to move a motion and a seconder. Then I can send out for everyone to vote on.

1. Community Grant; 2 suggestions so far.

install a colour bond fence around boundary of the butchers shop,

install a picket fence, the same around oval around the boundary of the butchers shop.

This community grant needs to be submitted to the shire by the end of the month, so please decide what you would like to do as I need to get onto quotes.

2. the cemetery sign; can this be taken down and given to Brett Connelly to put stickers on or get his option. Surely we can work out where loved ones have been laid to rest.

These need to be motions.

3. Veronica, any luck with the numbers for playgroup for last year. Can you please sort this out with Karen J.

4. The solar light, I haven't asked Bonnie yet, could we use it to light up the swan mural?

Thank you to you all for your understanding at this time. Its important that we all stay safe.

Happy Easter..

Kym

Wickepin Shire Council

Dear Mark & Councillors

On Wednesday 20th May 2020, settlement went through on the purchase of the Butchers Shop, Dalton St Yealering.

Progress plan to restore but keep the character of the building. Meeting with past residents of the town to get the insight to how it was.

The Butchers Shop turns 100 yrs old in 2022, hopefully we can have the building and yard presentable by then, if not before.

Again, I would like to thank the Wickepin Shire staff for maintaining our town and your support towards the Yealering Progress Association.

Kind Regards
