Local Government Act Review Process

WALGA through consultation with the Local Government Sector endorsed sector advocacy positions relating to Local Government Act amendments in March 2019 and December 2020. These advocacy positions were developed considering (but not limited to);

- The Department of Local Government, Sport and Cultural Industries (DLGSC) consultation on Act Reform (2017-2020)
- The City of Perth Inquiry Report (mid 2020)
- The State Parliament's Select Committee Report into Local Government (late 2020)

In December 2020, WALGA endorsed the following principles for any review of the Local Government Act.

Local Government Reform – WALGA Principles

That the following key principles be embodied in the Local Government Act:

1. Uphold the general competence principle currently embodied in the Local Government Act
2. Provide for a flexible, principles-based legislative framework
3. Promote a size and scale compliance regime
4. Promote enabling legislation that empowers Local Government to carry out activities beneficial to its community taking into consideration Local Governments' role in creating a sustainable and resilient community through:
 - i. Economic development
 - ii. Environmental protection, and
 - iii. Social advancement
5. Avoid red tape and 'de-clutter' the extensive regulatory regime that underpins the Local Government Act, and
6. The State Government must not assign legislative responsibilities to Local Governments unless there is provision for resources required to fulfil the responsibilities.

It is worth noting that of the above principles, items 1, 2, and 3 are addressed in these legislative reform proposals and principles 4 and 5 are partially addressed.

Theme 1: Early Intervention, Effective Regulation and Stronger Penalties

CURRENT PROVISIONS	PROPOSED REFORMS	COMMENTS
1.1 Early Intervention Powers		
<ul style="list-style-type: none"> • The Act provides the means to regulate the conduct of local government staff and council members and sets out powers to scrutinise the affairs of local government. The Act provides certain limited powers to: <ul style="list-style-type: none"> ○ Suspend or dismiss councils ○ Appoint Commissioners ○ Suspend or, order remedial action (such as training) for individual councillors. • The Act also provides the Director General with the power to: <ul style="list-style-type: none"> ○ Conduct Authorised Inquiries ○ Refer allegations of serious or recurrent breaches to the State Administrative Tribunal ○ Commence prosecution for an offence under the Act. • Authorised Inquiries are a costly and a relatively slow response to significant issues. Authorised Inquiries are currently the only significant tool for addressing significant issues within a local government. • The Panel Report, City of Perth Inquiry, and the Select Committee Report made various recommendations related to the establishment of a specific office for local government oversight. 	<ul style="list-style-type: none"> • It is proposed to establish a Chief Inspector of Local Government (the Inspector), supported by an Office of the Local Government Inspector (the Inspectorate). • The Inspector would receive minor and serious complaints about elected members. • The Inspector would oversee complaints relating to local government CEOs. • Local Governments would still be responsible for dealing with minor behavioural complaints. • The Inspector would have powers of a standing inquiry, able to investigate and intervene in any local government where potential issues are identified. • The Inspector would have the authority to assess, triage, refer, investigate, or close complaints, having regard to various public interest criteria – considering laws such as the <i>Corruption, Crime and Misconduct Act 2003</i>, the <i>Occupational Safety and Health Act 1984</i>, the <i>Building Act 2011</i>, and other legislation. • The Inspector would have powers to implement minor penalties for less serious breaches of the Act, with an appeal mechanism. • The Inspector would also have the power to order a local government to address non-compliance with the Act or Regulations. • The Inspector would be supported by a panel of Local Government Monitors (see item 	<p><u>Current Local Government Position</u></p> <p>Items 1.1, 1.2 and 1.3 generally align with WALGA Advocacy Position 2.6.8 - ‘Establish Office of Independent Assessor’</p> <p><i>The Local Government sector supports:</i></p> <ol style="list-style-type: none"> 1. <i>Establishing an Office of the Independent Assessor to replace the Standards Panel to provide an independent body to receive, investigate and assess complaints against Elected Members and undertake inquiries.</i> 2. <i>Remove the CEO from being involved in processing complaints.</i> 3. <i>That an early intervention framework of monitoring to support Local Governments be provided with any associated costs to be the responsibility of the State Government.</i> 4. <i>An external oversight model for local level behavioural complaints made under Council Member, Committee Member and Candidate Codes of Conduct, that is closely aligned to the Victorian Councillor Complaints Framework.</i> <p>Comment</p> <p>The Local Government sector is in favour of early intervention and a swift response to potentially disruptive or dysfunctional behaviours. Penalties for breaches to the Local Government Act and Regulations will be reviewed and are proposed to be generally strengthened (see item 1.4). These reforms would be supported by new powers to more quickly resolve issues within local government (see items 1.5 and 1.6). 	<p>oversight model for the independent assessment of local level complaints (State Council Res: 264.5/2021 – September 2021). However this will be mitigated with the Inspector able to respond to a Local Government having unresolved matters by appointing a monitor to assist the Local Government.</p> <p>It is expected the Local Government Inspector would be funded by the State Government, however it is noted that the cost of the Local Government Monitors and the Conduct Panel would be borne by the Local Government concerned.</p> <p>Recommendation</p> <ol style="list-style-type: none"> Support the proposed reforms as they align with the sectors position on external oversight and support. Request the Minister to explore alternate mechanisms for resolving local level complaints.
<p>1.2 Local Government Monitors</p>		
<ul style="list-style-type: none"> There are currently no legislative powers for the provision of monitors/ temporary advisors. The DLGSC provides support and advice to local governments, however there is no existing mechanism for pre-qualified, specialised assistance to manage complex cases. 	<ul style="list-style-type: none"> A panel of Local Government Monitors would be established. Monitors could be appointed by the Inspector to go into a local government and try to resolve problems. The purpose of Monitors would be to proactively fix problems, rather than to identify blame or collect evidence. Monitors would be qualified specialists, such 	<p>As above</p>

Upon initial review, the Inspector identifies that there may be a problem. The Inspector appoints a Monitor who specialises in financial management in local government. The Monitor visits the local government and identifies that the system used to manage rates is not correctly issuing rates notices. The Monitor works with the local government to rectify the error, and issue corrections to impacted ratepayers.</p>	

CURRENT PROVISIONS	PROPOSED REFORMS	COMMENTS
	<p>Monitor Case Study 2 – Dispute Resolution</p> <p>The Inspector receives a complaint from one councillor that another councillor is repeatedly publishing derogatory personal attacks against another councillor on social media, and that the issue has not been able to be resolved at the local government level. The Inspector identifies that there has been a relationship breakdown between the two councillors due to a disagreement on council.</p> <p>The Inspector appoints a Monitor to host mediation sessions between the councillors. The Monitor works with the councillors to address the dispute. Through regular meetings, the councillors agree to a working relationship based on the council’s code of conduct. After the mediation, the Monitor occasionally makes contact with both councillors to ensure there is a cordial working relationship between the councillors.</p>	
1.3 Conduct Panel		
<ul style="list-style-type: none"> • The Local Government Standards Panel was established in 2007 to resolve minor breach complaints relatively quickly and provide the sector with guidance and benchmarks about acceptable standards of behaviour. • Currently, the Panel makes findings about alleged breaches based on written submissions. • The City of Perth Inquiry report made various recommendations that functions of the Local Government Standards Panel be reformed. 	<ul style="list-style-type: none"> • The Standards Panel is proposed to be replaced with a new Local Government Conduct Panel. • The Conduct Panel would be comprised of suitably qualified and experienced professionals. Sitting councillors will not be eligible to serve on the Conduct Panel. • The Inspector would provide evidence to the Conduct Panel for adjudication. • The Conduct Panel would have powers to impose stronger penalties – potentially including being able to suspend councillors for 	<p>As above</p>

	<p>up to three months, with an appeal mechanism.</p> <ul style="list-style-type: none"> • For very serious or repeated breaches of the Local Government Act, the Conduct Panel would have the power to recommend prosecution through the courts. • Any person who is subject to a complaint before the Conduct Panel would have the right to address the Conduct Panel before the Panel makes a decision. 	
1.4 Review of Penalties		
<ul style="list-style-type: none"> • There are currently limited penalties in the Act for certain types of non-compliance with the Local Government Act. 	<ul style="list-style-type: none"> • Penalties for breaching the Local Government Act are proposed to be strengthened. • It is proposed that the suspension of councillors (for up to three months) is established as the main penalty where a councillor breaches the Local Government Act or Regulations on more than one occasion. • Councillors who are disqualified would not be eligible for sitting fees or allowances. They will also not be able to attend meetings, or use their official office (such as their title or council email address). • It is proposed that a councillor who is suspended multiple times may become disqualified from office. • Councillors who do not complete mandatory training within a certain timeframe will also not be able to receive sitting fees or allowances. 	<p><u>Current Local Government Position</u></p> <p>Items 1.4 and 1.5 <u>expand upon</u> Advocacy Position 2.6.9 - 'Stand Down Proposal'</p> <p><i>WALGA supports, in principle, a proposal for an individual elected member to be 'stood down' from their duties when they are under investigation, have been charged, or when their continued presence prevents Council from properly discharging its functions or affects the Council's reputation, subject to further policy development work being undertaken. Further policy development of the Stand Down Provisions must involve active consultation with WALGA and specific consideration of the following issues of concern to the Sector:</i></p> <ol style="list-style-type: none"> <i>1. That the Department of Local Government endeavour to ensure established principles of natural justice and procedural fairness are embodied in all aspects of the proposed Stand Down Provisions; and</i> <i>2. Clear guidance will be required to ensure there is consistent application of the power given to Presiding Members.</p> <p>Recommendation</p> <p>Supported</p>
1.5 Rapid Red Card Resolutions		
<ul style="list-style-type: none"> • Currently, local governments have different local laws and standing orders that govern the way meetings run. Presiding members (Mayors and Presidents) are reliant on the powers provided in the local government standing orders local laws. • Differences between local governments is a source of confusion about the powers that presiding members have to deal with disruptive behaviours at council meetings. • Disruptive behaviour at council meetings is a very common cause of complaints. Having the Presiding Member be able to deal with these problems should more quickly resolve problems that occur at council meetings. 	<ul style="list-style-type: none"> • It is proposed that Standing Orders are made consistent across Western Australia (see item 2.6). Published recordings of all meetings would also become standard (item 3.1). • It is proposed that Presiding Members have the power to “red card” any attendee (including councillors) who unreasonably and repeatedly interrupt council meetings. This power would: <ul style="list-style-type: none"> ○ Require the Presiding Member to issue a clear first warning ○ If the disruptions continue, the Presiding Member will have the power to “red card” that person, who must be silent for the rest of the meeting. Where an elected member refuses to comply with an instruction to be silent or leave, or where it can be demonstrated that the presiding member has not followed the law in using these powers, penalties can be imposed through a review by the Inspector. 	
<p>1.6 Vexatious Complaint Referrals</p>		
<ul style="list-style-type: none"> No current provisions. The Act already provides a requirement for Public Question Time at council meetings. 	<ul style="list-style-type: none"> Local governments already have a general responsibility to provide ratepayers and members of the public with assistance in responding to queries about the local government’s operations. Local governments should resolve queries and complaints in a respectful, transparent and equitable manner. Unfortunately, local government resources can become unreasonably diverted when a person makes repeated vexatious queries, especially after a local government has already provided a substantial response to the person’s query. It is proposed that if a person makes repeated complaints to a local government CEO that are vexatious, the CEO will have the power to refer that person’s complaints to the Inspectorate, which after assessment of the facts may then rule the complaint vexatious. 	<p><u>Current Local Government Position</u> Item 1.6 <u>expands upon</u> Advocacy Position 2.6.11 – ‘Vexatious complainants in relation to FOI applications’ <i>WALGA advocates for the Freedom of Information Act 1992 (WA) to be reviewed, including consideration of:</i></p> <ol style="list-style-type: none"> <i>Enabling the Information Commissioner to declare vexatious applicants similar to the provisions of section 114 of the Right to Information Act 2009 (QLD);</i> <i>Enabling an agency to recover reasonable costs incurred through the processing of a Freedom of Information access application where the application is subsequently withdrawn; and</i> <i>Modernisation to address the use of electronic communications and information.</i> <p>Comment The Act has been expanded significantly in recent</p>

<p>1.7 Minor Other Reforms</p>		

CURRENT PROVISIONS	PROPOSED REFORMS	COMMENTS
<ul style="list-style-type: none"> Other minor reforms are being considered to enhance the oversight of local government. Ministerial Circulars have traditionally been used to provide guidance to the local government sector. 	<ul style="list-style-type: none"> Potential other reforms to strengthen guidance for local governments are being considered. For example, one option being considered is the potential use of sector-wide guidance notices. Guidance notices could be published by the Minister or Inspector, to give specific direction for how local governments should meet the requirements of the Local Government Act and Regulations. For instance, the Minister could publish guidance notices to clarify the process for how potential conflicts of interests should be managed. It is also proposed (see item 1.1) that the Inspector has the power to issue notices to individual local governments to require them to rectify non-compliance with the Act or Regulations. 	<p><u>Current Local Government Position</u></p> <p>Item 1.7 aligns with Advocacy Position 2.6 - 'Support DLGSC as service provider / capacity builder'</p> <p><i>WALGA supports the continuance of the Department of Local Government, Sport and Cultural Industries as a direct service provider of compliance and recommend the Department fund its capacity building role through the utilisation of third party service providers. In addition, WALGA calls on the State Government to ensure there is proper resourcing of the Department of Local Government, Sport and Cultural Industries to conduct timely inquiries and interventions when instigated under the provisions of the Local Government Act 1995.</i></p> <p>Comment</p> <p>Operational guidance from the Department of Local Government, Sport and Cultural Industries leads to consistent understanding and application of statutory provisions by Local Government. The proposed reform that the Inspector issue non-compliance notices appears to replicate the Minister's powers under Section 9.14A – 'Notice to prevent continuing contravention'</p> <p>Recommendation</p> <p>Supported</p>

Theme 2: Reducing Red Tape, Increasing Consistency and Simplicity

CURRENT REQUIREMENTS	PROPOSED REFORMS	COMMENTS
2.1 Resource Sharing		
<ul style="list-style-type: none"> The Act does not currently include specific provisions to allow for certain types of resource sharing – especially for sharing CEOs. Regional local governments would benefit from having clearer mechanisms for voluntary resource-sharing. 	<ul style="list-style-type: none"> Amendments are proposed to encourage and enable local governments, especially smaller regional local governments, to share resources, including Chief Executive Officers and senior employees. Local governments in bands 2, 3 or 4 would be able to appoint a shared CEO at up to two salary bands above the highest band. For example, a band 3 and a band 4 council sharing a CEO could remunerate to the level of band 1. 	<p><u>Current Local Government Position</u></p> <p>Item 2.1 <u>aligns</u> with Advocacy Position 2.6 – Local Government Legislation – ‘Avoid red tape and ‘de-clutter’ the extensive regulatory regime that underpins the Local Government Act’ and Advocacy Position 2.3.1 - ‘Regional Collaboration’.</p> <p><i>Local Governments should be empowered to form single and joint subsidiaries, and beneficial enterprises. In addition, compliance requirements of Regional Councils should be reviewed and reduced.</i></p> <p>Comment</p> <p>The proposed reforms will rely upon statutory provisions that enable and enhance regional collaboration. Recent over-regulation of Regional Subsidiaries in 2016 resulted in no subsidiaries being formed since that time.</p> <p>Recommendation</p> <p>Supported</p>
2.2 Standardisation of Crossovers		
<ul style="list-style-type: none"> Approvals and standards for crossovers (the section of driveways that run between the kerb and private property) are inconsistent between local government areas, often with very minor differences. 	<ul style="list-style-type: none"> It is proposed to amend the <i>Local Government (Uniform Local Provisions) Regulations 1996</i> to standardise the process for approving crossovers for residential properties and residential developments on 	<p><u>Current Local Government Position</u></p> <p>Comment</p> <p>WALGA developed the Template Crossover Guideline and Specification resource in 2017 and have been part of the Minister’s working group on</p>

<p>2.3 Introduce Innovation Provisions</p>		
<ul style="list-style-type: none"> The <i>Local Government Act 1995</i> currently has very limited provisions to allow for innovations and responses to emergencies to (such as the Shire of Bruce Rock Supermarket). 	<ul style="list-style-type: none"> New provisions are proposed to allow exemptions from certain requirements of the <i>Local Government Act 1995</i>, for: <ul style="list-style-type: none"> Short-term trials and pilot projects Urgent responses to emergencies. 	<p><u>Current Local Government Position</u></p> <p>There is currently no advocacy position in relation to Item 2.3.</p> <p>Comment</p> <p>It is arguable communities expect all levels of Government will apply innovative solutions to complex and emerging issues difficult to resolve by traditional means. Exemptions constructed with appropriate checks and balances, particularly where expenditure of public funds are concerned, has potential to facilitate efficient and effective outcomes.</p> <p>Recommendation</p> <p>Supported</p>
<p>2.4 Streamline Local Laws</p>

Local Governments, by administering local laws, will determine when it is necessary to amend or revoke a local law; and</i> <i>Introduce certification of local laws by a legal practitioner in place of scrutiny by Parliament's Delegated Legislation Committee.</i> <p>Comment</p> <p>Proposed reforms meet the Sector's preference for simplified local law-making processes. Model local laws are supported, whilst recognising the models themselves will require review by State Government departments with the relevant head of power. For example, the Model Local Law (Standing Orders) 1998 formed the basis of many Local Government meeting procedures local laws but no review was completed. This model was superseded by individual local laws with added contemporary provisions. This pattern will repeat itself if model local laws are not reviewed to remain contemporary to the Sector's requirements.</p> <p>Recommendation</p> <p>Supported</p>

2.5 Simplifying Approvals for Small Business and Community Events		
<ul style="list-style-type: none"> • Inconsistency between local laws and approvals processes for events, street activation, and initiatives by local businesses is frustrating for business and local communities. 	<ul style="list-style-type: none"> • Proposed reforms would introduce greater consistency for approvals for: <ul style="list-style-type: none"> ○ alfresco and outdoor dining ○ minor small business signage rules ○ running community events. 2.6 Standardised Meeting Procedures, Including Public Question Time		
<ul style="list-style-type: none"> • Local governments currently prepare individual standing order local laws. • The <i>Local Government Act 1995</i> and regulations require local governments to allocate time at meetings for questions from the public. • Inconsistency among the meeting procedures between local governments is a common source of complaints. 	<ul style="list-style-type: none"> • To provide greater clarity for ratepayers and applicants for decisions made by council, it is proposed that the meeting procedures and standing orders for all local government meetings, including for public question time, are standardised across the State. • Regulations would introduce standard requirements for public question time, and the procedures for meetings generally. • Members of the public across all local governments would have the same opportunities to address council and ask questions. <p>2.7 Regional Subsidiaries</p>		
<ul style="list-style-type: none"> • Initiatives by multiple local governments may be managed through formal Regional Councils, or through less formal “organisations of councils”, such as NEWROC and WESROC. • These initiatives typically have to be managed by a lead local government. • In 2016-17, provisions were introduced to allow for the formation of Regional Subsidiaries. Regional Subsidiaries can be formed in line with the <i>Local Government (Regional Subsidiaries) Regulations 2017</i>. • So far, no Regional Subsidiary has been formed. 	<ul style="list-style-type: none"> • Work is continuing to consider how Regional Subsidiaries can be best established to: <ul style="list-style-type: none"> ○ Enable Regional Subsidiaries to provide a clear and defined public benefit for people within member local governments ○ Provide for flexibility and innovation while ensuring appropriate transparency and accountability of ratepayer funds ○ Where appropriate, facilitate financing of initiatives by Regional Subsidiaries within a reasonable and defined limit of risk ○ Ensure all employees of a Regional Subsidiary have the same employment conditions as those directly employed by member local governments. 	<p><u>Current Local Government Position</u></p> <p>Item 2.7 aligns with Advocacy Position 2.3.1 - ‘Regional Collaboration’</p> <p><i>Local Governments should be empowered to form single and joint subsidiaries, and beneficial enterprises. In addition, compliance requirements of Regional Councils should be reviewed and reduced.</i></p> <p>Comment</p> <p>Under the Regional Subsidiary model, two or more Local Governments are able to establish a regional subsidiary to undertake a shared service function on behalf of its constituent Local Governments. The model provides increased flexibility when compared to the Regional Local Government model because regional subsidiaries are primarily governed and regulated by a charter rather than legislation. While the regional subsidiary model’s governance structure is primarily representative, the model also allows independent and commercially focussed directors to be appointed to the board of management.</p> <p>A key advantage of the regional subsidiary model is the use of a charter, as opposed to legislation, as the primary governance and regulatory instrument. Accordingly, the legislative provisions governing the establishment of regional subsidiaries should be light, leaving most of the regulation to the regional subsidiary charter, which can be adapted to suit the specific circumstances of each regional subsidiary.</p>

3.2 Recording All Votes in Council Minutes		
<ul style="list-style-type: none"> A local government is only required to record which councillor voted for or against a motion in the minutes of that meeting if a request is made by an elected member at the time of the resolution during the meeting. The existing provision does not mandate transparency. 	<ul style="list-style-type: none"> To support the transparency of decision-making by councillors, it is proposed that the individual votes cast by all councillors for all council resolutions would be required to be published in the council minutes, and identify those for, against, on leave, absent or who left the chamber. 3.3 Clearer Guidance for Meeting Items that may be Confidential		
<ul style="list-style-type: none"> The Act currently provides broad definitions of what type of matters may be discussed as a confidential item. All confidential items would be required to be audio recorded, with those recordings submitted to the DLGSC. 	<p><u>Current Local Government Position</u> There is currently no advocacy position in relation to Item 3.3.</p> <p>Comment Clarifying the provisions of the Act has broad support within the sector. 5.8 CEO Recruitment		
<ul style="list-style-type: none"> Recent amendments introduced provisions to standardise CEO recruitment. The recruitment of a CEO is a very important decision by a local government. 	<ul style="list-style-type: none"> It is proposed that DLGSC establishes a panel of approved panel members to perform the role of the independent person on CEO recruitment panels. Councils will be able to select an independent person from the approved list. Councils will still be able to appoint people outside of the panel with the approval of the Inspector. 	<p><u>Current Local Government Position</u> There is no advocacy position in relation to Item 5.8.</p> <p>Comment The proposed reform augments the CEO Standards in relation to recruitment introduced in February 2021.</p> <p>Recommendation Supported</p>

Theme 6: Improved Financial Management and Reporting

6.1 Model Financial Statements and Tiered Financial Reporting		
<ul style="list-style-type: none"> The financial statements published in the Annual Report is the main financial reporting currently published by local governments. Reporting obligations are the same for large (Stirling, Perth, Fremantle) and small (Sandstone, Wiluna, Dalwallinu) local governments, even though they vary significantly in complexity. The Office of the Auditor General has said that some existing reporting requirements are unnecessary or onerous - for instance, information that is not relevant to certain local governments, or that is a duplicate of other published information. 	<ul style="list-style-type: none"> The Minister strongly believes in transparency and accountability in local government. The public rightly expects the highest standards of integrity, good governance, and prudent financial management in local government. It is critically important that clear information about the financial position of local governments is openly available to ratepayers. Financial information also supports community decision-making about local government services and projects. Local governments differ significantly in the complexity of their operations. Smaller local governments generally have much less operating complexity than larger local governments. The Office of the Auditor General has identified opportunities to improve financial 	<p><u>Current Local Government Position</u></p> <p>Items 6.1 and 6.2 generally align with Advocacy Position 2.6 – Support a size and scale compliance regime and Advocacy Position 2.6.24 – Financial Management and Procurement.</p> <p><i>The Local Government sector:</i></p> <ol style="list-style-type: none"> 1. 	<p>reporting, to make statements clearer, and reduce unnecessary complexity.</p> <ul style="list-style-type: none"> Recognising the difference in the complexity of smaller and larger local governments, it is proposed that financial reporting requirements should be tiered – meaning that larger local governments will have greater financial reporting requirements than smaller local governments. It is proposed to establish standard templates for Annual Financial Statements for band 1 and 2 councils, and simpler, clearer financial statements for band 3 and 4. Online Registers, updated quarterly (see item 3.4), would provide faster and greater transparency than current annual reports. Standard templates will be published for use by local governments. Simpler Strategic and Financial Planning (item 6.2) would also improve the budgeting process. 	<p>Comment</p> <p>The Sector has a long-standing position for a broad review of the financial management and reporting provisions of the Act, which remain largely unchanged since commencing in 1996.</p> <p>Recommendation</p> <p>Supported</p>
6.2 Simplify Strategic and Financial Planning		
<ul style="list-style-type: none"> Requirements for plans are outlined in the Local Government Financial Management and Administration Regulations. There is also the Integrated Planning and Reporting (IPR) framework. While many councils successfully apply IPR to their budgeting and reporting, IPR may seem complicated or difficult, especially for smaller local governments. 	<ul style="list-style-type: none"> Having clear information about the finances of local government is an important part of enabling informed public and ratepayer engagement and input to decision-making. The framework for financial planning should be based around information being clear, transparent, and easy to understand for all ratepayers and members of the public. In order to provide more consistency and clarity across the State, it is proposed that greater use of templates is introduced to make planning 	<p>As above</p>

These will be short-form plans, with a template available from the DLGSC ○ Simplified Asset Management Plans to consistently forecast costs of maintaining the local government’s assets. A new plan will be required at least every ten years, though local governments should update the plan regularly if the local government gains or disposes of major assets (e.g. land, buildings, or roads). A template will be provided, and methods of valuations will be simplified to reduce red tape ○ Simplified Long Term Financial Plans will outline any long term financial management and sustainability issues, and any investments and debts. A template will be provided, and these plans will be required to be reviewed in detail at least every four years ○ A new Rates and Revenue Policy (see item 6.3) that identifies the approximate value of rates that will need to be collected

These will become Service Plans and Project Plans added to the yearly budget if approved by council. This provides clear transparency for what the functions and initiatives of the local government cost to deliver. Templates will be available for use by local governments. 	
6.3 Rates and Revenue Policy		
<ul style="list-style-type: none"> • Local governments are not required to have a rates and revenue policy. • Some councils defer rate rises, resulting in the eventual need to drastically raise rates to cover unavoidable costs – especially for the repair of infrastructure. 	<ul style="list-style-type: none"> • The Rates and Revenue Policy is proposed to increase transparency for ratepayers by linking rates to basic operating costs and the minimum costs for maintaining essential infrastructure. • A Rates and Revenue Policy would be required to provide ratepayers with a forecast of future costs of providing local government services. • The Policy would need to reflect the Asset Management Plan and the Long Term Financial Plan (see item 6.2), providing a forecast of what rates would need to be, to cover unavoidable costs. • A template would be published for use or adaption by all local governments. • The Local Government Panel Report included this recommendation. 	<p><u>Current Local Government Position</u></p> <p>Item 6.3 generally aligns with Advocacy Position 2.1.6 - Rate Setting and WALGA's Rate Setting Policy Statement.</p> <p><i>Councils' deliberative rate setting processes reference their Integrated Planning Framework – a thorough strategic, financial and asset management planning process – and draw upon the community's willingness and capacity to pay.</i></p> <p>Recommendation</p> <p>Supported</p>

6.4 Monthly Reporting of Credit Card Statements		
<ul style="list-style-type: none"> No legislative requirement. Disclosure requirements brought in by individual councils have shown significant reduction of expenditure of funds. 	<ul style="list-style-type: none"> The statements of a local government’s credit cards used by local government employees will be required to be tabled at council at meetings on a monthly basis. 6.5 Amended Financial Ratios		
<ul style="list-style-type: none"> Local governments are required to report seven ratios in their annual financial statements. These are reported on the MyCouncil website. These ratios are intended to provide an indication of the financial health of every local government. 	<ul style="list-style-type: none"> Financial ratios will be reviewed in detail, building on work already underway by the DLGSC. The methods of calculating ratios and indicators will be reviewed to ensure that the results are accurate and useful. 	<p><u>Current Local Government Position</u></p> <p>Item 6.5 <u>aligns</u> with Advocacy Position 2.6.25 - Review and reduce financial ratios.</p> <p><i>Advocate to the Minister for Local Government to amend the Local Government (Financial Management) Regulations 1996 to prescribe the following ratios:</i></p> <ol style="list-style-type: none"> Operating Surplus Ratio, Net Financial Liabilities Ratio, Debt Service Coverage Ratio, and Current Ratio. <p>Recommendation</p> <p>Supported</p>
6.6 Audit Committees		

CURRENT REQUIREMENTS	PROPOSED REFORMS	COMMENTS
<ul style="list-style-type: none"> Local governments must establish an Audit Committee that has three or more persons, with the majority to be council members. The Audit Committee is to guide and assist the local government in carrying out the local government’s functions in relation to audits conducted under the Act. The Panel Report identified that Audit Committees should be expanded, including to provide improved risk management. 	<ul style="list-style-type: none"> To ensure independent oversight, it is proposed the Chair of any Audit Committee be required to be an independent person who is not on council or an employee of the local government. Audit Committees would also need to consider proactive risk management. To reduce costs, it is proposed that local governments should be able to establish shared Regional Audit Committees. The Committees would be able to include council members but would be required to include a majority of independent members and an independent chairperson. 	<p><u>Current Local Government Position</u></p> <p>Item 6.6 <u>does not align</u> with Advocacy Position 2.2.4 – Accountability and Audit <i>That audit committees of Local Government, led and overseen by the Council, have a clearly defined role with an Elected Member majority and chair.</i></p> <p>Comment The Sector’s view is well established, that the Council must maintain, and be seen by the community to have, majority involvement and investment in the purpose of an Audit Committee. There is sector support for some independent members on the Audit Committee, however not a majority.</p> <p>The dual effect of the proposed reform is to guarantee a place for a majority of independent persons on Audit Committees, with the additional requirement that an independent person Chair this Committee. Presently, not all Local Government Audit Committees are able to include an independent person. This may be for a variety of reasons not least of which is a lack of suitable, available candidates with the required qualification, skill and experience.</p> <p>It would be counter-productive if the proposed reforms led to the appointment of unsuitable independent persons to a skills-based role. The concept of Regional Audit Committees has apparent merit in this case but there is no detail regarding practicalities; for example, is the Regional Audit Committee intended to include the same independent persons who will meet</p>

<p>6.7 Building Upgrade Finance</p>		
<ul style="list-style-type: none"> • The local government sector has sought reforms that would enable local governments to provide loans to property owners to finance for building improvements. • This is not currently provided for under the Act. • The Local Government Panel Report included this recommendation. 	<ul style="list-style-type: none"> • Reforms would allow local governments to provide loans to third parties for specific building improvements - such as cladding, heritage and green energy fixtures. • This would allow local governments to lend funds to improve buildings within their district. • Limits and checks and balances would be established to ensure that financial risks are proactively managed. 	<p><u>Current Local Government Position</u></p> <p>Item 6.7 aligns with Advocacy Position 2.6.26 - Building Upgrade Finance.</p> <p><i>The Local Government Act 1995 should be amended to enable a Building Upgrade Finance mechanism in Western Australia.</i></p> <p>Comment</p> <p>Building Upgrade Finance would enable Local Governments to guarantee finance for building upgrades for non-residential property owners.
