Dear Mark,

On behalf of the Wickein Football Club, we wish to request permission for a semi-permanent structure to be erected at the Wickein Community Centre to hold our honour boards.

Currently, the two honour boards are housed at the Wickein Hotel and after many years above the fireplace are in dire need of refurbishment. Our plan is to have both boards refurbished and hopefully, with your approval, have them on display at the clubrooms during football season.

We are still in the early stages of research into how they can be displayed but wish to have your permission before going ahead with our plan.

Please call me with any queries you may have and we look forward to your reply.

Kind regards
