Disclaimer

No responsibility whatsoever is implied or accepted by the Shire of Wickepin for any act, omission or statement or intimation occurring during council/committee meetings or during formal/informal conversations with staff. The Shire of Wickepin disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during council/committee meetings or discussions. Any person or legal entity that acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Wickepin during the course of any meeting is not intended to be and is not to be taken as notice of approval from the Shire of Wickepin. The Shire of Wickepin warns that anyone who has an application lodged with the Shire of Wickepin must obtain and only should rely on written confirmation of the outcome of the application, and any conditions attaching to the decision made by the Shire of Wickepin in respect of the application.

SHIRE OF WICKEPIN QUESTIONS FROM THE PUBLIC

The Shire of Wickepin welcomes community participation during public question time. The following is a summary of procedure and a guide to completion of the required form.

- a. The person asking the question is to give their name and address prior to asking the question.
- b. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- c. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- d. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- e. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
- f. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
- g. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- h. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- i. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- j. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- k. To enable all members of the public a fair and equitable opportunity to participate in Public Question Time, each person shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- l. Questions to be asked at the meeting will be registered, and the priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- m. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask a further two questions (with a two minute time limit) until the initial period for Public Question Time has expired.
- n. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.

8.1- WA Housing Co-Operative LTD – Aged Housing Proposal

Enclosure/Attachments:

WA Housing Co-Operative Ltd – Wheatbelt South Aged Housing Proposal.

Summary:

WA Housing Co-operative have presented their proposal to facilitate the development of aged person accommodation within the Shires of Wickepin, Kondinin, Corrigin, Narrogin and Cuballing.

They have developed two options to progress and deliver the project:

Option 1 – Options paper outlining how to progress Wheatbelt South Aged Housing Project

Option 2 – Undertake work to Progress Wheatbelt South Aged Housing Project to construction commencement Phase.

Background:

The Wheatbelt South Aged Housing Alliance, Shire of Wickepin and the Lifestyle Retirement Committee requested Eugenie Stockman of the WA Housing Co-Operative Ltd to prepare a proposal to the Shire of Wickepin on providing aged accommodation within the Shires of Wickepin, Kondinin, Corrigin, Narrogin and Cuballing. The CEO has received their proposal, which is attached in full under separate cover.

Comments:

The CEO has discussed the proposal with Eugenie and advised that the proposal will be presented to the next Lifestyle Meeting for discussion and if the proposal is accepted, it will then be passed onto the Wheatbelt South Aged Housing Alliance for consideration.

The CEO has also received the following email from Jenny Mattila of MATTILA Advisory who is part of the WA Housing Co-Operative Ltd and was one of the presenters that met with the Wheat Belt South Aged Housing to discuss the need for Aged Housing.

I understand you spoke to Eugenie this morning. It may be a good idea to complete Stage 1 Preliminary of Option 2 before you complete your Budget process. This will clarify:

- *How many dwellings are required in each Shire*
- *Who the potential occupants will be (owner occupier or rental) and*
- *The financing arrangements*
- *It also gives Shire by Shire clearer information for each site.*

This will give you a clearer idea about the funding required to be included in each Shire's Budget. Westpac has also indicated that it is interested in discussing in potentially leaving the Guarantee in place a for Council owned dwellings so the councils would only be paying interest on the funds and the guarantee would possibly remain in the shire accounts as a contingent liability. The proposal was drafted this way so that Shire's had the ability to review where they wanted to go at this stage. Probably best to do this before the Budget commitments?

Stage 1 Information below:

STAGE 1 - PRELIMINARY

This stage includes gathering and preparing all information required to make an informed decision on what number of dwellings and sites to proceed with, including:

- *Confirm which Shires will participate in the project and confirmation of portion payable of the costs.*
- *Confirm arrangement with the bank/s and discuss pro-forma guarantee.*
- *Seek quotes from a shortlist of builders based on existing specifications.*
- *Each Shire to provide site details required for the co-op disclosure statement.*
- *Shires to contact proposed Co-op Members from existing list (tenants, owner occupiers, ILN) to ask if still interested and invite them to a meeting to discuss the proposal.*
- *Hold preliminary meeting with potential members to explain what is being proposed, take feedback for discussion with Shires. Our preference if possible is to have single centralised meeting of members to maximise the time for discussion. If meetings are held in each Shire only a small number of people may attend and depending on questions different groups will get different information.*
- *Report back to the Alliance.*

Costs for this stage include 1 full day of meetings with potential Members.

DECISION:

Following Stage 1, each Shire to determine if it wishes to proceed.

Shires who withdraw pay their share of costs to the end of the Preliminary Stage.

Remaining Shires to agree which sites are to proceed and number of dwellings for each site. This will limit the project, and therefore the co-operative's rules and disclosure statement, to those sites that have sufficient numbers of proposed members to proceed

Stage 1 Preliminary

Funded by Joint Shires

Estimated cost:

Fees \$30,000.00 + GST

Our Disbursements \$ 2,000.00 + GST

TOTAL \$32,000.00 + GST

Payment for the Preliminary Stage would be in stages as follows:

- *20% of fees upon acceptance.*
- *30% of fees upon completion and submission of First Draft Information Report.*
- *15% of fees upon meeting with potential Members to discuss interest after Preliminary Report finalised, plus disbursements.*
- *15% of fees upon Joint Meeting with Shires to discuss progress, plus disbursements.*
- *20% upon finalising Draft Information Report.*

The Co-Operative idea is still a viable option but the Committee really needs to exhaust all funding avenues for the Wickepin Aged Housing project for four units to be constructed at Johnston Park, Wickepin.

The Shire of Wickepin would also need some Legal Advice on this matter to ensure that Councils would be able to be part of such a proposal under the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996.

Statutory Environment:

Local Government Act 1995

Local Government (Financial Management) Regulations 1996

Policy Implications:

Nil.

Financial Implications:

The cost of the proposal for stage 1 only is \$32,000.00 + GST and would be part of the 2019/2020 Budget Estimates if proceeded with.

Council as at the 31st March 2019 has the following amounts sitting in the following reserve funds.

| | |
|-----------------------------------|-------------------------|
| Aged Person Accommodation Reserve | \$188,416 |
| Building Reserve | <u>\$505,100</u> |
| TOTAL | <u>\$693,516</u> |

Council has made an allowance for the transfer of \$75,673 in the 2019/2020 Budget, this will give a balance of \$264,089 in the Aged Person Accommodation Reserve at the 30/06/2019, and a total of both Reserves of \$769,189 at the 30/06/2019.

These figures do not include any interest on the current term deposit with the ANZ bank.

Strategic Implications:

Fits within Goal 9.6 and 9.7 of the Shire of Wickepin Strategic Community Plan.

SHIRE OF WICKEPIN
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
For the Period Ended 30 April 2019

1. SIGNIFICANT ACCOUNTING POLICIES**(a) Basis of Accounting**

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 12.

(c) Rounding Off Figures

All figures shown in this statement are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Note 13

Receivables and payables are stated inclusive of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

SHIRE OF WICKEPIN
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
For the Period Ended 30 April 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

(g) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(h) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(i) Fixed Assets

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

SHIRE OF WICKEPIN
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
For the Period Ended 30 April 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates and periods are:

| | |
|--|----------------|
| Buildings | 30 to 50 years |
| Furniture and Equipment | 4 to 10 years |
| Plant and Equipment | 5 to 15 years |
| Roads | 20 to 50 years |
| Footpaths | 20 years |
| Sewerage Piping | 100 years |
| Water Supply Piping and Drainage Systems | 75 years |

(k) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

(l) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Shire has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Shire expects to pay and includes related on-costs.

(ii) Annual Leave and Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Shire does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

SHIRE OF WICKEPIN
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
For the Period Ended 30 April 2019

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(n) Provisions

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

(o) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

Based upon feedback received from the community the vision of the Shire is:

A Collaborative Council, dedicated to maintaining and developing our community assets for the benefit of our residents whilst supporting a strong community, vibrant economy, successful businesses and a sound environment

The Strategic Community Plan defines the key objectives of the Shire as:

- (1) Social – This theme describes the social aspects of life in the Shire incorporating community safety, recreation and leisure, as well as arts, culture and heritage.*
- (2) Environmental – This theme relates to valuing the environment, including natural resource management; sustainable land use, waste management, and recycling.*
- (3) Economic – This theme describes infrastructure planning, transport infrastructure, facilities and services and asset management and inclusive community engagement*
- (4) Civic leadership – This theme describes how the Shire embraces a culture of leadership, customer service .*

Council operations as disclosed in this statement encompass the following service orientated activities/programs:

(s) GOVERNANCE

Expenses associated with provision of services to members of council and elections. Also included are costs associated with computer operations, corporate accounting, corporate records and asset management. Attachment 1 – Application for Planning Approval

Attachment 2 – Site Plan

Attachment 3 – Manufacturer specifications

Summary:

Council is requested to consider the application for planning approval – outbuilding (side and rear setback) at Lot 20 Curley Way, Wickepin.

Background:

On 13 March 2019, the Shire's Planning Officer received the subject application for planning approval for an outbuilding (shed) at the aforementioned property. The proposed outbuilding measures 16 metres in length, 12 meters in width (192m²) and has a wall height of 3.6 metres with the height at the apex measuring 4.88m. The materials used for the outbuilding are to be Colourbond and Steel Trimclad. Under the Shire of Wickepin – Town Planning Scheme No. 4 the subject property is zoned 'Rural Residential' and measures 4002m² with the primary frontage facing Curley Way and a secondary frontage on Old Cemetery Road.

Assessment of the proposal determined that it would not comply with the setback requirements of the Shire of Wickepin – Town Planning Scheme No. 4 and would therefore require advertising. Advertising of the proposal was conducted from 5 April 2019 to 19 April 2019. Upon the closure of public advertising one neutral submission was received seeking clarification and justification to the setback requirements of the 'Rural Residential' zone.

Under the current delegations register Council has granted delegated authority to the CEO to;

"Issue planning consent for development applications that fully comply with all requirements" (delegation A5).

As a variation is required it is the officer's view that there is insufficient delegated authority to grant planning approval for any variations under the current delegations register. Therefore the item is presented to Council for consideration.

Comments:

Zoning

The subject property is zoned 'Rural Residential' and is surrounded rural residential properties of similar size and rural setting. An outbuilding in a Rural Residential zone is listed as a Permitted use if it complies with the following standards as outlines in clause 4.18 of the Scheme and section 10.3.4.1 of Council's adopted policy manual;

"4.18.1 In addition to a building license, all development, including a single house will require an application for development approval to be made to local government, unless it is within a defined building envelope accepted by local government.

4.18.2 Only one dwelling will be permitted on any lot in the Rural Residential zone.

4.18.3 Local government may permit ancillary accommodation providing it is located within the same building envelope or building clearance as the first or primary dwelling, or otherwise complies with the Residential Design Codes.

4.18.4 Outbuildings in excess of 65m² floor area will not be granted development approval on any lot within the Rural Residential Zone, unless a single dwelling exists on the lot, or is to be constructed as the first stage of the development proposal.

4.18.5 The minimum setbacks for dwellings, outbuildings, or any other structure shall be in accordance with the Development Table – General (Table 2) or as varied by the provisions of this Scheme.

4.18.6 In the case where a lot has more than one street frontage, local government may at its discretion permit the construction of buildings nearer to the secondary street frontage nominated by local government, but not nearer than 10m to that street or streets.

4.18.7 For the purposes of guiding subdivision and development in specific rural residential zones, the provisions set out in schedule 7 (where different to Scheme Provisions) shall apply to the specified zones. Further subdivision will be required to generally accord with a Structure Plan prepared for the specified area referred to in Schedule 7 and such a plan of subdivision shall form part of the Scheme.

4.18.8 Proposals for Rural Residential zones shall have due regard to local government's Local Planning Policy – Rural Residential Development".

Setbacks

The minimum setbacks for buildings referred to in clause 4.18.5 above are; Front: 15 metres, Side 10 metres and Rear: 10 metres. The proposed setbacks for the subject outbuilding are; Front approximately 39 metres (not provided), east Side approximately 48 metres (not provided), west Side 4 metres and Rear: 2 metres. Clause 4.18.6 will not apply as it only relevant if the proposed shed was on the eastern side of the dwelling.

The applicant has advised that the setbacks are being sought to avoid building on the Aerobic Treatment Unit (ATU). At a site visit undertaken on 28 March 2019 by the Planning Officer and attended by the applicant, the applicant discussed their intention to continue the planting of ornamental pears down the western boundary of the property. It is the officer's view that the proposed and existing planting will screen the proposed outbuilding to a satisfactory standard on the western side. It is recommended that should Council support the proposal the following condition be included;

"Additional landscaping of ornamental pears shall be planted along the western boundary to the satisfaction of the Chief Executive Officer"

The policy provisions of clause 10.3.4.2 restricting the wall height of outbuildings to 3 metres only applies to the 'Residential Zone' and therefore does not apply to the proposal.

Statutory Environment:

Shire of Wickepin Local Planning Scheme No. 4.

Policy Implications:

Not applicable.

Financial Implications:

An application for planning approval fee to the value of \$147 has been paid to the Shire of Wickepin.

Strategic Implications:

Nil.

Recommendations:

That with respect to the Application for Planning Approval – Outbuilding (Side and Rear Setback variation) at Lot 20 Curlew Way, Wickepin Council approve the application subject to the following conditions:

1. The approval shall expire if the development permitted is not completed within two years of approval, or within any extension of that time which, upon written application (made before or within 21 days after the expiry of the approval) to the Shire is granted by it in writing.
2. The development approved shall be in accordance with the plans and specifications submitted with the application and these shall not be altered or modified without the prior written approval of Council.
3. Any use, additions to and further intensification of any part of the development or land which is not in accordance with the original application or conditions of approval shall be subject to a further development application and consent for that use.
4. All drainage run-off associated with the development shall be contained on site or connected to the Shire's storm water drainage system to the satisfaction of the Chief Executive Officer.
5. Additional landscaping of ornamental pears shall be planted along the western lot boundary to the satisfaction of the Chief Executive Officer.
6. The building materials and colours used shall match existing buildings on the lot and are to be of non-reflective and muted tones i.e. not zinalume.
7. The proposed outbuilding is for domestic purposes only and shall not be used for commercial or habitation purposes.
8. Construction of the outbuilding shall be kept clear from all service connections.

WALGA Information and Registration Brochure.

Summary:

Council is being requested to register delegates for the 2019 WALGA Local Government Week Convention and voting delegates for the WALGS AGM being held on the 7 August 2019 at the Perth Convention Centre.

Background:

The 2019 WA Local Government Convention and Trade Exhibition will be held at the Perth Convention and Exhibition Centre, commencing on Wednesday 7 – Friday 9 August. This annual event provides a valuable opportunity to meet other Council CEOs and Elected Members from around the State, share stories and experiences and learn from one another. Registrations are now open. Registrations for the Convention are to be made online. If you would like to attend please visit www.walga.asn.au/LGC19 – then go to the Registration tab to complete registrations online. The registration deadline is Tuesday, 16 July.

Comments:

Council needs to choose the voting delegate to the Annual General Meeting (AGM) of WALGA.

All Member Councils are entitled to be represented by two (2) voting delegates at the Annual General Meeting of the WA Local Government Association.

Council must complete and return the following form to the Association by 16 July 2019 to register the attendance and voting entitlements of Council’s delegates to the Annual General Meeting.

In the event that a Voting Delegate is unable to attend, provision is made for proxy delegates to be registered. Only registered delegates or proxy registered delegates are permitted to exercise voting entitlements on behalf of Member Councils. Delegates may be Elected Members or serving officers.

All Voting Delegates, whether registered for the Convention or not, will need to present at the WALGA Delegate Service Desk prior to the AGM to collect their electronic voting device (keypad) for voting and identification tag to gain entry into the Annual General Meeting.

Councils Policy 2.1.1 Councillors Attendance at Conferences, Seminars, Training and Induction Courses States the following:

All Councillors, CEO and partners may attend Local Government Week.

Councilor Julie Russell has been nominated for the Long and Loyal service award.

Parking

WALGA can arrange for a multi-entry (24 hour access) parking space in the underground car park at the PCEC at a daily cost of \$39. Parking space requests must be indicated when registering – please note the non-extendable deadline for these requests is Tuesday, 9 July 2019.

The City hotels generally have limited guest parking so the PCEC parking is a good alternative.

Policy Implications:

2.1 Members of Council

2.1.1 COUNCILLORS Attendance at Conferences, Seminars, Training and Induction Courses

OBJECTIVE: Council supports relevant training opportunities for Councillors and will meet reasonable costs associated with attending conferences, seminars, training and induction courses. To determine the nature and extent of Elected Member attendance at conferences and/or seminars, and ensure the application of this policy provides for fairness, equity and opportunity for all Elected Members.

Priority is given to induction or training courses specifically organised for the benefit of new Councillors.

All Councillors, CEO and partners may attend Local Government Week.

All Councillors and CEO may attend conferences, seminars or courses held by organisations of which Council is a member or has an interest in (e.g. Central Country Zone of WALGA) may be attended by Council's appointed representatives to those organisations or other nominated delegates.

The Council or CEO may authorise payment of costs of attending any conference, seminar, training or induction course including travel, accommodation, meals, telephone expenses, childcare and other reasonable expenses. Councillors must provide all receipts to the CEO or DCEO.

Conference Costs, Travel and Related Expenses

1. For each Council delegate authorised to attend a conference or seminar in accordance with this policy, Council would cover direct expenses with such attendances, including the cost of registration, official conference functions, dinners, tours, travel arrangements, accommodation, and reasonable out-of-pocket expenses for the duration of the conference.
2. Reasonable out-of-pocket expenses would not include excessive in-room charges; or personal costs such as dry-cleaning or personal care appointments.
3. Where the conference or seminar is held at a hotel, accommodation in the first instance will be sought from that particular hotel, or if not available, from an accommodation provider as near as practicable to the conference or seminar venue.

4. In the event that accommodation is not onsite, the Shire will reimburse Elected Members any taxi or public transport costs incurred for travel to or from the conference or seminar.
5. Where the mode of transport to attend a conference or seminar is a motor vehicle, the Shire will pay for parking costs incurred relating to attendance at the conference or seminar.

Elected Member Delegate and CEO – Accompanying Person

Where an Elected Member or the CEO is accompanied at a conference, all reasonable costs for or incurred by the accompanying person will be borne by the Shire of Wickepin.

Reasonable out-of-pocket expenses would not include excessive in-room charges; or personal costs such as dry-cleaning or personal care appointments.

Reports on attendance at any conference should be provided to Council upon return.

Financial Implications:

Costs for the convention registration fees at Local Government week 2019 are \$1,475 per delegate plus accommodation and other conference extras such as Gala Dinner \$140 Each or Breakfast with Rodney Eade \$88

Strategic Implications:

Nil.

Recommendations:

| Author: | Mark Hook, Chief Executive Officer |
| Disclosure of any Interest: | Nil |
| Date of Report: | 6 May 2019 |

Enclosure/Attachments:

Nil.

Summary:

Council is being requested to appoint the following as dual fire control officer from the Shire of Cuballing for the 2019/2020 Bushfire Season.

1. Shire of Cuballing – Mike Burgess

Background:

Council received a written request from the Shire of Cuballing on the 24th April 2019 to appoint Mr Mike Burgess as a joint Fire Control Officer with the Shire of Wickepin.

Comments:

Fire Control Officers who adjoin neighboring shires require the adjoining Shires approval to act as a Dual Fire Control Officers.

Mr Mike Burgess was appointed as a Joint Fire Control Officer from the Shire of Cuballing for the 2018/2019 fire season.

Statutory Environment:

Bushfires Act 1954

38. Local government may appoint bush fire control officer

- (1) A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A (2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may determine the respective seniority of the other bush fire control officers appointed by it.
- (2A) the local government shall cause notice of an appointment made under the provisions of subsection (1) to be published at least once in a newspaper circulating in its district.
- [(b) Deleted]
- (2C) The local government shall fill any vacancy occurring in the office of Chief Bush Fire Control Officer or Deputy Chief Bush Fire Control Officer within one month after the vacancy occurs and if the local government fails or neglects to do so within that time, the Authority may by notice in writing require the local government to appoint a person to the vacant office within one month after service on it of such notice.
- (2D) Where a local government that has been served with a notice pursuant to subsection (2C) fails or neglects to comply with the requirements of that notice, the Authority may appoint a person who is not a member of staff (as defined in the FESA Act) to the vacant office.
- (2E) A bush fire control officer appointed by a local government under the provisions of this section shall be issued with a certificate of appointment by the local government or, if he is appointed by the Authority, by the Authority.

- (3) The local government may, in respect to bush fire control officers appointed under the provisions of this section, exercise so far as they can be made applicable the same powers as it may exercise in respect to its other officers, under the provisions of the Acts under which those other officers are appointed.
- (4) A bush fire control officer appointed under the provisions of this section shall, subject to such directions as may be given by the local government, and subject to this Act take such measures as appear to him to be necessary or expedient and practicable for —
- (a) carrying out normal brigade activities;
 - [(b), (c) deleted]*
 - (d) exercising an authority or carrying out a duty conferred or imposed upon him by any of the provisions of Part III;
 - (e) procuring the due observance by all persons of the provisions of Part III.
- (5A) A local government may issue directions to a bush fire control officer appointed by the local government, or to an officer of a bush fire brigade registered by the local government to burn, subject to the provisions of this Act, bush on, or at the margins of, streets, roads, and ways, under the care, control and management of the local government.
- (5B) The bush fire control officer, or officer of the bush fire brigade, may by authority of any directions issued under subsection (5A) carry out the directions but subject to the provisions of this Act.
- (5C) The provisions of subsections (5A) and (5B) are not in derogation of those of subsection (4).
- (6) In this section —
approved local government means a local government approved under subsection (7) by the Authority.
- (7) If it appears to the Authority that the standard of efficiency of a local government in fire prevention and control justifies the Authority doing so, the Authority, by notice published in the *Government Gazette* —
- (a) may approve the local government as one to which subsections (6) to (18) apply; and
 - (b) may from time to time cancel or vary any previous approval given under this subsection.
- (8) An approved local government may appoint to the office of fire weather officer such number of senior bush fire control officers as it thinks necessary.
- (9) Where more than one fire weather officer is appointed by a local government the local government shall define a part of its district in which each fire weather officer shall have the exclusive right to exercise the power conferred by subsection (17).
- (10) An approved local government may appoint one or more persons, as it thinks necessary, to be the deputy or deputies, as the case may be, of a fire weather officer appointed by the local government and where 2 or more deputies are so appointed they shall have seniority in the order determined by the local government.
- (11) Where the office of a fire weather officer is vacant or whilst the occupant is absent or unable to act in the discharge of the duties of the office, any deputy appointed in respect of that office under subsection (10) is, subject to subsection (12), entitled to act in the discharge of the duties of that office.
- (12) A deputy who is one of 2 or more deputies of a fire weather officer is not entitled to act in the discharge of the duties of the office of that fire weather officer if a deputy who has precedence over him in the order of seniority determined under subsection (10) is available and able to discharge those duties.
- (13) The local government shall give notice of an appointment made under subsection (8) or (10) to the Authority and cause notice of the appointment to be published at least once in a newspaper circulating in its district and the Authority shall cause notice of the appointment to be published once in the *Government Gazette*.
- (14) An approved local government may appoint a committee for the purpose of advising and assisting a fire weather officer or any deputy of a fire weather officer acting in the place of that officer under this subsections (6) to (18).

- (15) Where a committee is appointed, a fire weather officer, or, as the case may be, a deputy of a fire weather officer while acting in the place of that officer, may exercise the authority conferred on him by subsection (17), notwithstanding the advice and assistance tendered to him by the committee.
- (16) The provisions of subsections (6) to (18) are not in derogation of those of any other subsection of this section.
- (17) A fire weather officer of an approved local government, or a deputy of that fire weather officer while acting in the place of that officer, may authorise a person who has received a permit under section 18(6)(a), to burn the bush in the district of the local government notwithstanding that for any day, or any period of a day, specified in the notice the fire danger forecast issued by the Bureau of Meteorology in Perth, in respect to the locality where the bush proposed to be burnt is situated, is "catastrophic", "extreme", "severe" or "very high", and upon the authority being given the person, if he has otherwise complied with the conditions prescribed for the purposes of section 18, may burn the bush.
- (18) Subsections (6) to (18) do not authorise the burning of bush —
 - (i) during the prohibited burning times; or
 - (ii) during the period in which, and in the area of the State in respect of which, a total fire ban is declared under section 22A to have effect.

39. *Special powers of bush fire control officers*

- (1) Subject to the provisions of this Act a bush fire control officer appointed under this Act by a local government may, in the exercise of his functions and the performance of his duties under this Act, do all or any of the following things —
 - (a) exercise any of the appropriate powers of the Director of Operations under the *Fire Brigades Act 1942*, in so far as the same may be necessary or expedient, for extinguishing a bush fire or for preventing the spread or extension of the fire;
 - (b) enter any land or building, whether private property or not;
 - (c) pull down, cut, and remove fences on land, whether private property or not, if in his opinion it is necessary or expedient so to do for the purpose of taking effective measures for extinguishing a bush fire, or for preventing the spread or extension of the fire;
 - (d) cause fire-breaks to be ploughed or cleared on land, whether private land or not, and take such other appropriate measures on the land as he may deem necessary for the purpose of controlling or extinguishing a bush fire or for preventing the spread or extension of the fire;
 - (e) take and use water, other than that for use at a school or the domestic supply of an occupier contained in a tank at his dwelling-house, and other fire extinguishing material from any source whatever on land, whether private property or not;
 - (f) take charge of and give directions to any bush fire brigade present at a bush fire with respect to its operations or activities in connection with the extinguishment or control of the bush fire, or the prevention of the spread or extension of the fire;
 - (g) any other thing which in his opinion is incidental to the exercise of any of the foregoing powers;
 - (h) employ a person or use the voluntary services of a person to assist him, subject to his directions in the exercise of any of the foregoing powers; and
 - (i) either alone or with others under his command or direction enter a building which he believes to be on fire and take such steps as he considers necessary to extinguish the fire or prevent it from spreading, but except as arranged with or requested by an officer in charge of a fire brigade under the *Fire Brigades Act 1942*, this power shall not be exercised in a townsite in an area which has been declared a fire district under that Act or in a townsite in which there is a fire brigade or volunteer fire brigade formed under the provisions of that Act.

Attached are the following Shires Fire Break Orders for 2018/2019:

1. Corrigin
2. Wandering
3. Pingelly
4. Narrogin
5. Dumbleyung
6. Kulin
7. Wickepin

Summary:

Council is being requested by the FCO's to include in the 2019/2020 fire break order provision for a fire unit to be within 3km of harvesting or bailing operations with a minimum of 400 litres of water.

Background:

The following resolution was put forward to the 17 April 2019 Ordinary Council Meeting from the BFO Meeting held on the 26 March 2019.

Moved: Tim Heffernan / Seconded Nathan Astbury

That Council include in the 2019/2020 Fire Break Order provision for a fire unit to be within 3km of harvesting or bailing operations with a minimum of 400 litres of water.

Comments:

The CEO has downloaded the following Fire Break Orders from the following Shires and they are attached in full under separate cover.

1. Corrigin
2. Wandering
3. Pingelly
4. Narrogin
5. Dumbleyung
6. Kulin
7. Wickepin

Following are the sections from the fire break orders in relation to the provision of firefighting appliances in attendance during harvesting.

Shire of Corrigin

During any period when harvesting operations are being conducted, there shall be provided an operational mobile firefighting unit with a minimum capacity of 500 litres of water located in or immediately adjacent to the paddock being harvested. The responsibility to supply the unit is that of the landowner/occupier.

Shire of Wandering

Combined Rural Holdings in the Shire of Wandering greater than 80 hectares:

Satisfy a least one of the following conditions:

Have on stand-by an operational mobile fire-fighting unit of minimum 450 litre capacity. If you own more than one land holding in the Shire of Wandering, a minimum of one unit is required for the total land holding;

Harvest Bailing and Chaff Cutting – During Restricted and Prohibited Burning Periods.

- During harvest an operational mobile fire-fighting unit of minimum 450 litre capacity, must be in close proximity to the harvest activities at all times
- During harvest and Bailing an operational fire extinguisher must be provided.
- During chaff cutting a fire extinguisher together with a container at least 450 litres of water is to be provided at the site of chaff cutting operations.

Shire of Pingelly

During any period when harvesting operations are being conducted there shall be provided in the same paddock or within close proximity of that paddock, an operational independent mobile firefighting unit having an engine driven pump and a water capacity of not less than 600 litres; the tank of the unit shall be kept full of water at all times during harvesting, and the responsibility to supply the unit is that of the landholder. Harvesting operations include the use of mobile augers and seed cleaning units.

Firefighting trailers for fire suppression are regarded as out dated and dangerous—both to their operators and to other fire fighters on a fire ground. Their use at wild fires is not encouraged.

Shire of Narrogin

Mobile Fire Fighting Unit: is defined as having a minimum water carrying capacity of four hundred (400) litres, fitted with a hose and pump capable of delivering water through an adjustable nozzle in the spray and jet configuration

Fire Fighting Equipment – Where the land owners total land holding is 100 hectares or greater a readily mobile operational firefighting unit containing a minimum of 400 litres of water on standby and available for inspection is required during the period 1 November and 1 May, inclusive.

Harvesting – A person shall not undertake or allow harvesting during the Prohibited Burning period unless – (a) one hand held water filled fire extinguisher with a minimum capacity of 7.5 litres is filled in a readily accessible position on the machine, and (b) a readily mobile firefighting unit of a minimum of 400 litre capacity powered by an engine driven pump is in attendance in or adjacent to the entrance of the paddock being harvested.

Harvest bans and other bans – permitted activities (a) Loading and offloading of grain, fertiliser and feed is only permitted on sites, which are clear of all flammable material save live standing trees to a radius of at least 50 metres with an internal vehicle access. A mobile firefighting unit shall be in attendance at all times.

Shire of Dumbleyung

HARVESTING OPERATION - MOBILE FIRE FIGHTING UNIT

Pursuant to the power under the Bush Fires Act 1954 it is compulsory that an operational mobile engine powered firefighting pump unit with not less than 450 – 600 litres of water be in attendance during grain harvesting operations. Self-powered mobile units are the preferred fire fighting vehicle. Firefighting units mounted on trailers must be connected to a towing vehicle at all times. Trailer units are not recommended for use in firefighting situations and are better used for mopping up operations.

Shire of Kulin

Harvesting Operations - Mobile Fire Fighting Units

An operational mobile engine powered firefighting pump unit with no less than 500 litres of water shall be in attendance during grain harvesting operations. If the unit is trailer mounted the trailer must be attached to a vehicle at all times during harvesting operations and the unit must be in the paddock, or adjoining paddock, where the harvesting operation is being carried out.

The CEO recommends the following changes to the 2019/2020 Shire of Wickepin Fire Break Notice.

During any period of Harvesting and Bailing operations, there shall be provided an operational mobile firefighting unit with a minimum capacity of 400 litres of water located in or immediately adjacent to the paddock being harvested. The responsibility to supply the firefighting unit is that of the landowner/occupier.

This would make the Shire of Wickepin 2019/2020 Fire Break Notice look like the following.

Bush Fires Act 1954

Shire of Wickepin
Annual Firebreak Notice 2019/2020

Action is required by owners and/or occupiers of all land in the Shire of Wickepin. Please read this notice carefully. Any queries should be directed to the Shire of Wickepin Administration Centre or Local Shire Bush Fire Control Officer.

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, owners and occupiers of property within the Shire of Wickepin are hereby required on or before 1 October 2019 and thereafter to 14 April 2020 to plough, scarify or otherwise provide and maintain firebreaks clear of all inflammable material at least 2.5 metres wide as follows:

Rural Land

Inside the boundary of all land held by each owner or occupier, their firebreaks need not follow the perimeter of any paddock but will be acceptable following land contours in an endeavour to overcome water erosion;
To subdivide each holding into lots of no greater than 200 hectares; and
To surround the homestead, out buildings and fuel storages on any such land.

During any period of Harvesting and Bailing operations, there shall be provided an operational mobile firefighting unit with a minimum capacity of 400 litres of water located in or immediately adjacent to the paddock being harvested. The responsibility to supply the firefighting unit is that of the landowner/occupier.

Townsite Land

All lots within the townsites of Harrismith, Tincurrin, Toolibin, Wickepin and Yealering are required to be cleared and maintained free of all debris or inflammable material. Failure to comply with these requirements renders the owner or occupier liable to a penalty not more than \$400.

Clearing of Fence Lines

When clearing for new fence lines, landholders are asked to consider locating the fence three (3) metres inside their boundary to avoid any clearing on road reserves. Old fences should first be removed. If landholders wish to place their fence on the boundary, they may clear no more than one (1) metre beyond their boundary. This may be varied in special circumstances at the discretion of the CEO and Manager Works & Services. Any timber removed from the road reserve is to be pushed onto the owner's property.

Fencing of Road Reserves

Council encourages farmers to fence off road reserves running through their properties to protect trees on these reserves and to allow new growth of vegetation.

Burning on Roadsides

Should property owners wish to carry out burning of the road reserve adjacent to their property, it is necessary to obtain council approval prior to any burning taking place.

Burning Periods

Restricted Burning – 1 October 2019 to 13 November 2019

Prohibited Burning – 14 November 2019 to 7 February 2020

Restricted Burning – 8 February 2020 to 14 April 2020

Harvest and Fire Ban 2019/2020 Season

Harvesting is banned on Christmas Day and New Year's Day.

Lighting of fires is banned on Good Friday and Easter Sunday.

Statutory Environment:

Bushfires Act 1954

33. *Local government may require occupier of land to plough or clear fire-break*

- (1) Subject to subsection (2) a local government at any time, and from time to time, may, and if so required by the Minister shall, as a measure for preventing the outbreak of a bush fire, or for preventing the spread or extension of a bush fire which may occur, give notice in writing to an owner or occupier of land situate within the district of the local government or shall give notice to all owners or occupiers of land in its district by publishing a notice in the *Government Gazette* and in a newspaper circulating in the area requiring him or them as the case may be within a time specified in the notice to do or to commence to do at a time so specified all or any of the following things —
 - (a) to plough, cultivate, scarify, burn or otherwise clear upon the land fire-breaks in such manner, at such places, of such dimensions, and to such number, and whether in parallel or otherwise, as the local

government may and is hereby empowered to determine and as are specified in the notice, and thereafter to maintain the fire-breaks clear of inflammable matter;

- (b) to act as and when specified in the notice with respect to anything which is upon the land, and which in the opinion of the local government or its duly authorised officer, is or is likely to be conducive to the outbreak of a bush fire or the spread or extension of a bush fire,

and the notice may require the owner or occupier to do so —

- (c) as a separate operation, or in co-ordination with any other person, carrying out a similar operation on adjoining or neighbouring land; and
- (d) in any event, to the satisfaction of either the local government or its duly authorised officer, according to which of them is specified in the notice.

(2) A notice in writing under subsection (1) may be given to an owner or occupier of land by posting it to him at his last postal address known to the local government and may be given to an owner of land by posting it to him at the address shown in the rate record kept by the local government pursuant to the Local Government Act 1995, as his address for the service of rate notices.

(2a) The provisions of subsection (2) are in addition to and not in derogation of those of sections 75 and 76 of the Interpretation Act 1984.

(3) The owner or occupier of land to whom a notice has been given under subsection (1) and who fails or neglects in any respect duly to comply with the requisitions of the notice is guilty of an offence.
Penalty: \$5 000.

(4) Where an owner or occupier of land who has received notice under subsection (1) fails or neglects to comply with the requisitions of the notice within the time specified in the notice —

- (a) the local government may direct its bush fire control officer, or any other officer of the local government, to enter upon the land of the owner or occupier and to carry out the requisitions of the notice which have not been complied with;

And

- (b) the bush fire control officer or other officer may, in pursuance of the direction, enter upon the land of the owner or occupier with such servants, workmen, or contractors, and with such vehicles, machinery, and appliances as he deems fit, and may do such acts, matters and things as may be necessary to carry out the requisitions of the notice.

(5) The amount of any costs and expenses incurred by the bush fire control officer or other officer in doing the acts, matters, or things provided for in subsection (4) —

- (a) shall be ascertained and fixed by the local government and a certificate signed by the mayor or president of the local government shall be prima facie evidence of the amount; and
- (b) may be recovered by the local government in any court of competent jurisdiction as a debt due from the owner or occupier of land to the local government.

(5a) A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the Local Government Act 1995 —

- (a) requiring owners and occupiers of land in its district to clear fire breaks in such manner, at such places, at such times, of such dimensions and to such number, and whether in parallel or otherwise, as are specified in the local laws and to maintain the fire-breaks clear of inflammable matter;
- (b) providing that things required by the local laws to be done shall be done to the satisfaction of the local government or its duly authorised officer.

- (5b) Where an owner or occupier of land fails or neglects in any respect to comply with the requirements of local laws made under subsection (5a) the provisions of subsections (3), (4) and (5) apply mutatis mutandis as if those requirements were the requisitions of a notice given under subsection (1). (5c) Nothing in subsection (5a) affects the power of a local government to give notice under subsection (1) nor its duty to do so if so required by the Minister.
- (5d) Where the provisions of local laws made under subsection (5a) are inconsistent with those of a notice given under subsection (1) or under section 34 or 35, the provisions of that notice shall, to the extent of the inconsistency, prevail.
- (6) A local government may, at the request of the owner or occupier of land within its district, carry out on the land, at the expense of the owner or occupier, any works for the removal or abatement of a fire danger, and the amount of the expense, if not paid on demand, may be recovered from the owner or occupier by the local government in a court of competent jurisdiction as a debt due from the owner or occupier to the local government.
- (7) Nothing in this section authorises a local government —
- (a) to set fire to the bush, or to require an owner or occupier of land to set fire to the bush, contrary to the provisions of section 17; or
 - (b) to make local laws authorising or requiring bush to be set on fire contrary to the provisions of section 17.
- (8) Any amount recoverable by a local government under this section as a debt due from the owner or occupier of land is, until paid in full —
- (a) a debt due from each subsequent owner in succession;
 - (b) a charge against the land with the same consequences as if it were a charge under the Local Government Act 1995 for unpaid rates; and
 - (c) recoverable by the local government in the same manner as rates imposed in respect of the land are recoverable under that Act.
- (9) In this section —
owner or occupier of land includes a prescribed department of the Public Service that occupies land or a prescribed State agency or instrumentality that owns or occupies land.

10.2.08 – Wheatbelt Secondary Freight Network – Financial Contribution

Enclosure/Attachments:

Summary:

For Council to consider support for the Wheatbelt Secondary Freight Network project by reallocation of funds from Building Better Regions fund co-contribution to role of Lead Consultant Project Management in support of successful Regional Economic Development grant.

Background:

The CEO received the following email from Cr Katrina Crute Shire President Shire of Brookton and Chair of the Wheatbelt South Regional Road Group.

The Wheatbelt Secondary Freight Network Team recently met in Perth where we discussed “where to from here”, acknowledging the \$70m from the Federal Government, the fact we weren’t successful with our BBRF application or Commodity Route Funding application and the successful application to State Government for \$100,000 under the Regional Economical Development Fund.

Previously 42 local governments were asked to financially contribute to the WSNF project via a budget allocation of \$6,000 which was proposed to be part of a co-contribution towards BBRF. With the unsuccessful BBRF bid, it is proposed that the \$6,000 in financial contributions from each of the 42 local governments totalling \$252,000 be allocated to combine with the RED funding of \$100,000 to become project management pool of approximately \$350,000. This would contribute towards the overall project management requirements associated with the delivery of Stage 1 Priority Works over the course of an estimated 3 year delivery timeframe. Funding would contribute towards the following nominal requirements:

- *Project Coordinator*
 - *Nominal \$60,000 per annum (\$180,000 across 3 years)*
- *Project Administration and Communications Officer.*
 - *Nominal \$20,000 per annum (\$60,000 across 3 years)*
- *Technical Consultancy Resources*
 - *Nominal \$100,000*

The WSNF Working Group are now requesting that all 42 LG’s reaffirm their commitment to the WSNF project and make a budget allocation of \$6000 in the 19/20 budget to the Project Management Pool (Stage 1 Priority Works). We acknowledge there was a request to reaffirm the commitment to the BBRF Co-contribution, this request was made before we knew the outcome of the application, and we needed to make sure LG’s we continuing that commitment into the next financial year. If your council has formally made that commitment already, then the attached draft recommendation will no doubt need to be reworded to redirect that commitment from BBRF to Project Management Pool.

Garrick Yandle has kindly assisted in drafting an agenda item for all LG's to use to ensure that the commitment made by all 42 LG's is the same. As per the BBRF commitment we will require each LG to submit to me (on a Shire Letterhead) their council's commitment to the project management fund, and we will need those letters by 5th June so that the WDC can collate them and put them with our RED funding agreement. As per the RED application the Shire of Koorda is the applicant and will be handling the funding arrangements.

Comments:

This Agenda item has been based on the drafted Agenda by Garrick Yandle CEO Shire of Kulin.

The Wheatbelt Secondary Freight Network (WSFN) network comprises 4,400km of Local Government managed roads that connect with State and National highways to provide access for heavy vehicles into the region. These roads are intended to enable large, high productivity trucks safe and cost effective access to business.

The project is being driven by local government authorities with a Working Group established consisting of representatives from the following organisations:

- Wheatbelt North Regional Road Group (WN RRG)
- Wheatbelt South Regional Road Group (WS RRG)
- WA Local Government Association (WALGA)
- Regional Development Australia - Wheatbelt (RDA-W)
- Main Roads WA-Wheatbelt Region (MRWA-WR)
- Wheatbelt Development Commission (WDC)

Over the last 2 years, 42 Local Government authorities across the region have collaborated to identify priority routes and have also participated in a technical data collection process, preparation of a pre-feasibility business case and a cost benefit analysis of the planning process. The in-kind investment by local government to date is estimated to be in excess of \$750,000. The process has been an excellent example of a large number of local governments working together on a common strategic regional priority. The key undertakings of the project so far are:

1. Identification of nominated WSFN roads based upon a simple criteria developed by RRG.
2. Determination of basic project framework and minimum design standards.
3. Road condition assessment against minimum design standards.
4. High level scope of works and order of magnitude costs for upgrades required.
5. A summary of data collection and assessment across the 42 local of governments is:

| | Route Length (km) | Proposed Works (km) | Proposed Length (%) | Indicative Costs (\$) |
|-------|----------------------|------------------------|------------------------|--------------------------|
| TOTAL | 4,337 | 2,851 | 66 | \$ 493,000,000 |

This initial approach was to assist the Working Group to work towards an Infrastructure Australia Stage 3/4 submission for inclusion of the WSFN project on the Infrastructure Australia Infrastructure Priority List (IPL). The long term goal is to obtain funding support for a broadly estimated, \$500 million capital works program over 10 - 20 year timeframe to bring the network up to a fit for purpose standard for current and anticipated future needs. The group is working towards submitting an IA Stage 4 Business Case submission for the WSFR. The project development costs associated with the business case submission are estimated to be \$5M, which is in the order of 1% of the estimated capital investment.

The following provides an outline of the proposed budget and funding applications that were submitted to assist with the development and planning stages the WSFN project.

| Stages | Budget and Funding Sources |
|--|---|
| Stage 1 – Strategic Planning | \$1,000,000 |

Building Better Regions Fund (BBRF) submission

The Building Better Regions Fund (BBRF) submission is only intended to contribute towards funding activities associated with Stage 1 – Strategic Planning at an estimated budget of \$1M.

Funding and the associated BBRF application can be summarised as follows:

- Budget
 - Total Cash \$1M
- Funding
 - BBRF \$750K
 - LGA cash co-contribution \$250K.

This strategic planning work will inform the strategic allocation of road capital works funding provided to LGAs in the region, the economically optimal sequence for developing the network and ensure that roads are designed and constructed to an optimal standard from a 'whole-of-life' asset management perspective. The detailed planning exercise is expected to achieve a net benefit in the order of \$20 million based solely on the benefits gained from freight route prioritisation.

Commodity Freight Roads Fund (CFRF)

The Commodity Freight Roads Fund submission is intended to contribute towards funding of activities associated with Stage 2 – Detailed Planning. This will specifically entail \$1M for consultants to undertake Preliminary Design Investigations. The remainder of Stage 2 is intended to be undertaken via in-kind by local governments and other funding sources currently being investigated, should they become available.

Regional Economic Development (RED) Grant

The Regional Economic Development (RED) Grants submission is intended to contribute towards funding activities associated with Stage 3 – IA Stage 3/4 Submission. This will specifically entail \$100K for a Lead Consultant to undertake project management. The remainder of Stage 3 is intended to be undertaken via in-kind by local governments and other funding sources being investigated should they become available.

Major Project Business Case Fund (MPBCF) Initiative

The Australian Government is investing \$100 billion over 10 years from 2019–20 through its rolling infrastructure plan to help manage our growing population, meet our national freight challenge and get Australians home sooner and safer. This includes \$250 million allocated to the Major Project Business Case Fund (MPBCF) initiative. Projects with clear strategic merit that has:

- Engagement in the project planning stage
- View of future priorities
- Ready to invest to enable economic activity
- Address nationally significant deficits in the transport system
- Drive economic productivity growth and liveability in cities and regions through transport infrastructure investment

The WSFR Working Group sees the \$5M sought for the Stage 4 IA submission for this regionally significant project as an ideal candidate for the MPBCF.

Roads of Strategic Importance (ROSI) Initiative

The Australian Government will invest \$4.5 billion, including \$1 billion of additional funding committed in the 2019-20 Budget, to the Roads of Strategic Importance (ROSI) initiative to help connect regional businesses to local and international markets, and better connect regional communities. ROSI has the following principles:

- Key freight corridors that connect primary agricultural areas and mining resource regions to ports and other transport hubs.
- Support communities along the corridors and provide better access for tourists and other road users
- Characterised by narrow sections of road, low capacity bridges and deteriorating pavements,
- Constrains the productivity and efficiency of freight movements.
- Catalyse economic activity and improve access to communities and tourist attractions.

From an estimated total of \$500,000,000 in funding the Working Group sought \$125,000,000 over the next 3 years for the delivery of the first stage of capital works.

The Working Group put in separate funding submissions for each of the abovementioned funding sources for the various stages of the project. The project has been successful in obtaining funding from the following sources:

- ROSI initiative funding
 - Stage 1 Priority Works – Wheatbelt Secondary Freight Network.
 - The Australian Government has committed \$70 million towards the project.

“Upgrades will be prioritised based on linkages to state and national roads and highways and the rail network. Consideration will also be given to links to six ports and two livestock centres, as well as regional and metro grain Receiving sites, accessed by the producers of the Wheatbelt region.

Benefits of the project include:

- improve road safety
- improve freight efficiency, connectivity and travel time
- ensure consistent Restricted Access Vehicles (RAVs) ratings across the network, which will provide improved access for agricultural and mining regions to transport hubs”
- RED Grants (Supported by the WA State Government’s Royalties for Regions Program)
 - Lead Consultant Project Coordinator – Wheatbelt Secondary Freight Network.
 - \$100,000.

“The Lead Consultant will form part of the Project Management Team and work with the member organisation Working Group.

The Lead Consultant - Project Management is an integral key to successful project delivery. The complexity and scale of this project is significant and well beyond the technical and financial capabilities of the Wheatbelt shires

on an individual basis. Engaging a Lead Consultant – Project Management with the skills and expertise required to work with all technical consultants and the PMT will ensure a cohesive collaborative environment is established for optimum outputs.

The project is planned to be managed via oversight from the WSFR Steering Committee with a nominated Project Manager and the Project Management Team (PMT) representing the WSFR.

Lead Consultant – Project Management will direct the work of the external technical consultants and will be the main contact for communication between the Project Management Team and external consultants.

The WSFN Project will require the specialised skills of a range of external technical consultants. Key areas of technical expertise identified for the project are:

- Civil Design
- Surveying
- Environmental
- Economic Assessment”

Previously 42 local governments were asked to financially contribute to the WSFN project via a budget allocation of \$6,000 which was proposed to be part of a co-contribution towards BBRF. With the unsuccessful BBRF bid, it is proposed that the \$6,000 in financial contributions from each of the 42 local governments totalling \$252,000 be allocated to combine with the RED funding of \$100,000 to become project management pool of approximately \$350,000. This would contribute towards the overall project management requirements associated with the delivery of Stage 1 Priority Works over the course of an estimated 3 year delivery timeframe. Funding would contribute towards the following nominal requirements:

- Project Coordinator
 - Nominal \$60,000 per annum (\$180,000 across 3 years)
- Project Administration and Communications Officer.
 - Nominal \$20,000 per annum (\$60,000 across 3 years)
- Technical Consultancy Resources
 - Nominal \$100,000.

Council has passed the following resolutions in relation to this matter:

Financial Implications:

Reallocation of the \$6,000 funds from Building Better Regions fund co-contribution to role of Lead Consultant Project Management in support of successful Regional Economic Development grant.

Strategic Implications:

Fits within goal one of the 2018 - 2028 Strategic Community Plan

The key priorities (based upon survey results and number of discussions in which arose) that the community identified during the process included:

HIGH PRIORITY — Maintenance and improvement of road infrastructure.

infrastructure

GOAL 1: Roads are a key economic driver across the Shire

| SHORT TERM STRATEGY | MEDIUM TERM STRATEGY | POINT OF MEASUREMENT | 10 YR OUTCOME |
|---|---|---|--|
| 1.1 Annual review of the performance and structure of Shire owned roads | 1.2 Plant and equipment maintenance and replacement is planned for 1.3 Identification of road maintenance and improvements in the Asset Management Plan 1.4 Engagement of neighbouring Shires and key stakeholders in the Secondary Freight Route Project | <ul style="list-style-type: none"> - RAV ratings - Number of positive and negative complaints received - Traffic count data reflects usage and investment required - Number of accidents attributed to road condition - Retention of works staff is higher than industry average - Roads can handle weather conditions - Level of funding secured and % spent in the Shire | Road infrastructure meets the freight task and is sustainable in the long term |

Recommendations:

That Council:

1. Continues to support the strategic intent of the Wheatbelt Secondary Freight Network Project;
2. Authorises the Chief Executive Officer to prepare and sign a letter of support that endorses the re-allocation of \$6,000 in 2019/20 budget to co-fund the project management of the Wheatbelt Secondary Freight Network in combination with the WA State Government's \$100,000 of Regional Economic Development Grant funding, as part of the delivery of its Stage 1 Priority Works.

Summary:

Council is being requested to give Pivotel Satellite Enterprise and Government Solutions permission to house Pivotel core equipment at the Community Agricultural Centre Building.

Background:

The CEO has been dealing with Mr. Nicholas Hart of Pivotel Satellite Enterprise and Government Solutions regarding installing the Core system for the Pivotel network at the Community Agricultural Centre Building.

The CEO has been advised that the CAC building is not suitable and they would like to place the equipment in the Administration Centre Building 77 Wogolin Road Wickepin.

Following is a copy of the letter received from Pivotel Satellite Enterprise and Government Solutions regarding this matter:

5th April 2019

Mark Hook
CEO Shire of Wickepin
77 Wogolin Road
Wickepin WA 6370
File Ref: CS.AGR.300

Dear Mark,

Re; Pivotel Digital Farm Initiative

Further to your letter dated 12th June 2018, with conditions associated with housing Pivotel core equipment at the Facey office, we have completed a review of the radio paths from this building and identified its very challenging to make this site work.

We would seek the Council permission to house the equipment at the Council Offices site which is much better located to East of the Town and at a higher elevation.

A photograph of the small sized rack that would need to be installed in the office area is shown in Attachment 1, and a small microwave antenna circa 0.4m would need to be located on the roof of the council building at height of 5 to 7m. This antenna would provide a radio link to Tower 1 location to the South of the Town.

Please do not hesitate to contact me if you have any questions or issues requiring clarification.

Yours sincerely,

Nicholas Hart

Comments:

The CEO has no issue with the installation of the necessary equipment at the Shire Administration Centre subject to there being a legal agreement drawn up, at the expense of Pivotal Satellite Enterprise and Government Solutions outlining all the responsibilities off each party and that Pivotal Satellite Enterprise and Government Solutions make a reasonable contribution towards power etc.

Following is a picture of the proposed equipment:

10.2.10 – Preservation and Display of District Records

Summary:

Council is being requested to consider the possibility of constructing a museum attached to the existing Shire of Wickepin Administration centre to house and display historical records along with historical items of interest.

Background:

The CEO received the following letter from Mrs. Mulvie Corke:

Dear Mark, RE: Preservation and Display of District Records

Recently the subject of the History of the various localities in the Wickepin Shire area has been discussed. Over the years a lot of work has been carried out by people in Wickepin, Yealering and Harrismith to gather and record histories in these localities.

For a number of years, an excellent display was in place at the Yealering Co-op building. It was able to be open to the public as people could walk through the business area of the shop to the rooms beyond. It was open during business hours and staff could keep an eye on who came and went and possibly answer questions if required. This saved volunteers from having to be on roster to keep the display open when a day or days may go by without a visit. As we all know, volunteers are scarce and becoming more so. This display was packed up when the building was sold, broken up and stored in safe places. None of this material has been on display for some years.

Wickepin also has been fortunate in having citizens keen on history, and the recording of it. It would be great if a display of this material too was accessible to the public without volunteers having to give their time further to supervise its availability to passing visitors. A great job is done already with visits to the Facey House. Harrismith too has had a book produced, and there are no doubt items and records that could be displayed.

This leads us to submit a proposal for consideration by Council, perhaps to be put to Electors:

A Museum room to be built attached to the existing Shire Offices, large enough to house records and items of interest from the three localities in the Shire. The fact of the Shire Offices being open during business hours would enable monitoring of the facility, without staff having to devote time to it. There are enough local people who would have the expertise to arrange an interesting display as volunteers, then know that it was available to the public, centrally located and safely housed.

While it would be nice for the localities to keep their own displays and records, realistically, keeping them suitably housed, secure and manned is not going to happen. In one of the locations they were stored at Yealering, the building was broken into and items taken.

Possibly Grant money or a Loan could be obtained to start this project, then funds set aside over several years to get it going. Obviously this could not happen overnight, but it would certainly be a relief to those who in different ways have dedicated time to gathering and conserving the history of the district, to know that it was safe, and conserved for future interested people to see.

We offer this suggestion in the hope it will be given serious consideration.
Best wishes from members of the former Yealering History Group.

Mulvie Corke (President and producer of Publications) Doug Corke (Member) Margaret Hodgson (Member and holder of records) Shire Councillor 1989 – 1995; Ken Beattie (Member and major custodian of Items and Photographic Display)

Mulvie Corke *Doug Corke* *Margaret Hodgson* *Ken Beattie*

Comments:

Most of the Wickepin heritage items are currently stored at the Wickepin Town hall and are looked after by a local group of volunteers. This building would be able to house most of the items mentioned in Mrs Corke's letter.

Council has for some time tossed around the idea of constructing a new building for the Wickepin CRC and the construction of such a building could also be used as a museum and would be in the main street and manned by the CRC staff and volunteers.

This project is not within the Shire of Wickepin Strategic Plan and the CEO has not undertaken any research on available grants to fund such a project. There has also been no work undertaken on suitable buildings or designs for such an extension to the Shire of Wickepin Administration Centre or a new building for the Wickepin CRC.

The CEO could have the CDO look into grant funding for such a building if such an item is a priority for Council.

Statutory Environment:

Nil.

Policy Implications:

Nil.

Financial Implications:

If Council was looking at constructing such a building it would be in the vicinity of \$250,000 plus.

Strategic Implications:

This project is not within the Shire of Wickepin 2018/2028 Strategic Plan.

Recommendations:

That the CEO thank Mrs. Mulvie Corke for her letter and advise that Council will need to research and discuss this matter further and in the interim offer the Wickepin Town hall as a place to store the Yealering records and items of interest.

Simple majority.

That Council appoint a Lobbyist to pursue funding for the Wheatbelt South Aged Housing Alliance project on behalf of the Shire of Wickepin.

Carried 7 / 0

The CEO is undertaking the necessary research to ascertain the cost of sourcing a suitable Lobbyist. It is the belief of the CEO that this matter should be forwarded to the Wheatbelt South Aged Housing Alliance Group, as the grant application is in the name of the WSAHA and therefore the cost of the Lobbyist should be borne by the WSAHA and not the Shire of Wickepin.

Yealering Emporium

The CEO has received a number of complaints regarding the Yealering Emporium operating a coffee shop from its premises. The premises had not been licensed under the Health Act by the Shire of Wickepin so the Narrogin Health Officers were requested by the CEO to visit Yealering Emporium to resolve this issue. They are working with the owner of the Emporium to register the premises as a food premises.

Council has received a *Food Act 2008* Notification/Registration form from Darius and Kathleen Smith of 14 Dalton Street Yealering and will continue to deal with this issue once the \$110 fee has been paid.

Section 113 of the *Food Act 2008* makes it an offence to conduct a food business unless the food business is registered under the Act before commencing trade.

The Narrogin health officer visited the Yealering Emporium on Tuesday 7th May 2019 and delivered a written notice advising the process to be followed and to cease operation of the Coffee shop until all the necessary requirements of the *Food Act 2008* have been met.

The Owners of the Yealering Emporium have since advised by email on the 8th May 2019 the following:

I wish to advise we have ceased operation of the said food service at this premises. We will be following up on the information passed onto us today from the visit by your officers and wish to comply with all requirements mentioned and arising from any developments to do with such. It may be some time before we are able to procure those items and wherewithal to proceed with the licensing process and other requirements so in the meantime we will effectively be mothballing the project apart from basic maintenance and care-taking of the property.

Staff

The CEO advertised for the current vacant staff position and as at the 5th April 2019 there were two applicants. Interviews were held and unfortunately neither applicant was suitable for the advertised position. The CEO has advertised the position with applications closing on the 24th May 2019.
