2.2 Additional Information

The specifications listed above to be taken as minimum criteria only. Submissions that exceed or come under these specifications will still be considered and determined by the works manger if they are accepted or not

Suppliers are requested to ensure quote includes the above items:

3. REGISTRATION DETAILS

The machine shall be licensed to the 30th June 2020. All costs associated with the registration of the vehicle will be met by the supplier. Council wants to retain original number plates which is on the current truck plate change on the day of delivery will be needed this is a part of associated cost

4. DELIVERY AND INSPECTION

The supplier shall supply a date for the delivery of the new truck completed to specification's and offered and ready for immediate use at the Shire of Wickepin's depot.

Suppliers shall take into account any possible delay in delivery of the new machine and factor this into their price. Council will not be liable for price increases or wear and tear on the trade-in machine should an extended delay in delivery be encored.

If requested, the supplier shall make the machine offered in their submission available for a demonstration and/or inspection by Council's Works Manager prior to the acceptance of any quote.

The machine will be deemed as accepted when the Works Manager or his representative has inspected it, completed all operating tests and is satisfied that the machine is complete as specified and ready for immediate use.

5. PRODUCT WARRANTY

The supplier shall outline all warranty and defect replacement details with the submission of the quotation documents. Please note the option for pricing on an extended warranty.

6. PRODUCT STANDARD

The product will be to a standard all relevant specifications and standards currently in place in Western Australia. At the request of the Works Manager the contractor will supply appropriate details to confirm and verify the product standard in accordance with those specifications.

7. TRADE-IN MACHINE

The machine offered for trade-in in this quotation is a 2015 Hino Tare 3500kg AGG 6500 kg GVM the current kilometres are 81636. This machine is offered on a 'as is where is' basis. Inspection of the machine can be arranged by contacting Council's Works Manager, Gary Rasmussen on 0429 882 871.

Council will continue to utilise the trade-in machine until the replacement machine is supplied and accepted. It is the responsibility of the supplier to price in a factor for usage in that above-mentioned period.

8. SELECTION CRITERIA

The following criteria will be taken into consideration in determining the successful Supplier:

- Price.60%

- Demonstrated experience with after sales support and on-site service of the machine. 10%
- Operators feedback form demonstration up to 30%

Please note that the Shire of Wickepin will not be submitting a price for any part of this quote as per the *Local Government (Functions & General Regulations) Clause 14(4) (d)*.

9. LODGEMENT/ACCEPTANCE OF QUOTE

Quotes are to be no later than 4pm Friday 25th October 2019 .

Council shall not be bound to accept the lowest or any quotation.

The quote is deemed to be accepted when Council emails written notification of such acceptance to the successful Supplier.

Price Schedule

HINO & THE TOYOTA GROUP:

Under the Hino brand, we represent the Toyota Group in the global global market for heavy-duty trucks and buses. We also produce Toyota-badged vehicles on commission, including Toyota's popular sport-utility vehicle, the 4Runner, Dyna trucks, and Toyoace commercial vehicles. We use the Toyota Production System to achieve continuing gains in productivity and in quality throughout our operations. We have adapted that system to our model line to offer our customers the best-possible products at competitive prices. Our operations are growing globally in step with the globalization of the Toyota Group.

PARTS & SERVICE:

We at WA Hino Sales & Service offer you our full Service and Spare Parts facilities, which have a reputation second to none. Our normal trading hours in the Service Centre are 7.30am to 11.30pm Monday through Friday, also Saturday mornings.

Yours sincerely,

Robert Tot
