Summary

For Council to formally 'receive' the Minutes of the Annual General Meeting of Electors held on 7 February 2024.

Background

At the Annual General Meeting (AGM) of Electors held on 7 February 2024, 7 electors, 3 councillors and 2 staff were present.

At the meeting motions were carried to confirm the minutes from the previous year's (2023) AGM and to receive the Annual Report (including therein the Annual Financial Statements and Auditor's Report) for the year ending 30 June 2023. No further action on those motions is required.

One other motion was carried at the AGM (pertaining to Council holding an annual Australia Day event) and that motion is being presented to Council via a separate agenda item.

Comments

As the Minutes from the AGM of Electors will not be confirmed until the next AGM of Electors, it is prudent for Council to formally receive the Minutes so that they become a 'record of Council'.

Statutory Environment

Sections 5.27, 5.29 and 5.33 of the *Local Government Act 1995* require an Annual Electors Meeting to be held each year and for decisions made at such meetings to be considered by the Council.

14.4 Request for Waiver of Hire Charges at Wickepin Community Centre

Submission to	Ordinary Council Meeting
Location / Address	-
Name of Applicant	Ruth Bailey
File Reference	CP.DAC.514
Author	T Clynch – Acting Chief Executive Officer
Interest Disclosures	-
Report Written Date	2 February 2024
Attachments	-

Summary

A request for waiver of hire charges at the Wickepin Community Centre has been received that is not covered by current delegations from Council to the Chief Executive Officer.

Background

A request for waiver of hire charges at the Wickepin Community Centre has been received from Ruth Bailey on behalf of a group of seniors wishing to play carpet bowls on the mezzanine level and use of the kitchen once per week.

The group proposes to play carpet bowls once per week.

Council has delegated authority to the Chief Executive Officer to approve waiver of hire charges to a maximum of \$200 per occasion. Council interpretation of this wording is being sought as it could be interpreted to allow the Chief Executive Officer to waive hire charges for ongoing programs or activities run by community groups or private individuals.

Assuming the limit of \$200 applies to a program/activity the Chief Executive Officer has exercised his delegation and waived the hire charges for the first 3 weeks which covers the period up to the February Council meeting.

In light of the above a determination from Council on the ongoing waiver of the hire charges and direction on the current wording of the delegation is being sought.

Comments

The applicant hasn't advised how long the weekly carpet bowls is intended to run but like most activities of this type it will no doubt continue to run whilst sufficient enthusiasm and interest from participants exists and as long as someone is prepared to run the activity.

It is noted that Council doesn't record hire charge waivers as income and expenditure (i.e. recording the hire charge as income and the donation/waiver as expenditure) therefore there is no reason why Council couldn't approve the waiver on a long-term or even permanent basis. For the purpose of the officer recommendation a term until 30 June 2024 has been proposed but Council may wish to grant a longer waiver period.

Supporting seniors' programs such as the carpet bowls initiative are important in keeping seniors active and allowing ageing in place to occur.

Statutory Environment

Nil

Policy Implications

Nil

Financial Implications

The value of the hire charge waiver has been calculated at \$63.00 per occasion (½ day) noting that a charge to use the kitchen hasn't been included as only minimal use (cups of tea and coffee) is expected. Any time a waiver of hire charges is granted the value can be viewed as foregone income however it is likely in this (and similar) requests that if the hire charge wasn't waived the use wouldn't proceed and no income would be received.

Strategic Implications

Goal 9 – our communities are engaged, have a healthy lifestyle and are safe.

Strategy 9.7 – seniors are encouraged and able to age in place.

Voting Requirement

Simple Majority

Officer Recommendation

That Council:

- 1. Approve a waiver of all hire charges at the Wickepin Community Centre for the playing of carpet bowls by seniors for the period up to 30 June 2024.*
- 2. That the organiser of the senior carpet bowls initiative be invited to seek a further waiver of hire charges if proposing to extend the initiative into 2024/25.*
- 3. Provide direction to the Chief Executive Officer on the process for considering waiving of hire charges for extended programs and amend Delegation A13 (Hire of Community Halls/Community Centre) accordingly.*

Report Written Date	15 February 2024

Summary

Council doesn't currently have a local law that details requirements for boundary fencing on properties within the Shire. Following discussion at the December Forum a draft Fencing Local Law has been prepared for Council's consideration. The draft Fencing Local Law is based on the model local law developed by WALGA.

Background

The Dividing Fences Act 1961 empowers local governments to make local laws to determine what constitutes a 'sufficient fence' in the local government district. Likewise, the Local Government Act 1995 allows a local government to make local laws for the good government of its district. The Local Government Act 1995 further allows local governments to make local laws for building work, demolition work, a standard for the construction or demolition of incidental structures, or the use and maintenance of, and requirements in relation to, incidental structures, such as fencing. Through this local law a local government can determine:

- a. what fences may look like;
- b. how fences are to be constructed;
- c. what materials can be used in construction; and
- d. to what standards they are to be built.

The Shire of Wickepin doesn't currently have a Fencing Local Law. The draft local law has been prepared using a model (template) local law prepared by WALGA.

Comments

In accordance with section 3.12 of the Local Government Act 1995 prior to making any local law, the Shire is required to give local public notice of the draft law and receive submissions from the public for at least six weeks.

Following the conclusion of the submission period, the local law will be resubmitted to Council for its consideration as to if it should be made.

Statutory Environment

Local Government Act 1995: Section 3.12: Procedure for making local laws.

Section 3.12 of the Local Government Act 1995 provides the procedure that must be followed in creating a new local law, with the initial steps being:

Summary

Council doesn't currently have a local law that details requirements for parking on public land within the Shire. Following discussion at the December Forum a draft Parking and Parking Facilities Local Law has been prepared for Council's consideration. The draft Local Law is based on the model local law developed by WALGA.

The Local Government Act 1995 allows a local government to make local laws for the good government of its district.

The Shire of Wickepin doesn't currently have a Parking Local Law. The draft local law been prepared using a model (template) local law prepared by WALGA.

In recent years there have been multiple instances of persons parking vehicles on footpaths and road verges and parking in parking bays contrary to markings. Without a specific local law it hasn't been possible to regulate these activities.

Comments

In accordance with section 3.12 of the Local Government Act 1995 prior to making any local law, the Shire is required to give local public notice of the draft law and receive submissions from the public for at least six weeks.

Summary

To consider a motion carried at the recent Annual General Meeting of Electors.

Background

At the Annual General Meeting (AGM) of Electors held on 7 February 2024 the following motion was moved, seconded and carried:

Moved **R Lewis**
Second **N Ballard**

That Council hold an annual Australia Day event.

Any motion carried at an electors meeting is in effect a recommendation to Council. Council is not bound by the Local Government Act to accept the recommendation; it can amend it or reject it as it is able to do with an officer recommendation.

Comments

The motion carried at the AGM requests that Council hold an annual Australia Day event. It doesn't offer any specifics on the type of event. Indeed the event need not be run or managed by the Shire and instead Council could seek expressions of interest from community groups to run an event with funding provided by the Council.

Assuming Council concurs with the direction of the motion from the AGM it could, at this point in time commit to having an annual Australia Day event with the details for the 2025 event to be determined later in the year.

Statutory Environment

Sections 5.27, 5.29 and 5.33 of the *Local Government Act 1995* require an Annual Electors Meeting to be held each year and for decisions made at such meetings to be considered by the Council.

Summary

To consider a proposal to release existing (vacant) crown land parcels within the Shire of Wickepin under the South West Native Title Settlement process. Council isn't the decision-maker in determining whether the lots should be released but has been provided the opportunity to make recommendations and comment for consideration

Background

The Department of Planning, Lands and Heritage has invited the Shire of Wickepin to comment on its proposal to consider release 15 parcels of crown land within the Shire. If released, the lots would be transferred to the Noongar Land Estate under the South West Native Title Settlement.

Noongar Land Estate Proposal

The South West Native Title Settlement (Settlement) is a landmark native title agreement, negotiated between the Noongar people and the Western Australia Government. The Settlement involves around 30,000 Noongar people and covers approximately 200,000 square kilometres of the greater southwest region. The Settlement creates a Noongar governance structure to represent the rights and interests of the six Noongar Agreement groups. The Settlement package will provide the Noongar people with sustainable assets and options for developing Noongar interests, including opportunities for the WA Government to work in partnership with the Noongar people to elevate economic, social and community outcomes. The Noongar peoples' strong relationship to the Noongar lands is reflected through the many components of the Settlement package. Relevant to this report the settlement package includes the creation of a future Noongar Land Estate.

A key negotiated benefit is the delivery of a 320,000 hectare Noongar Land Estate, in accordance with the Noongar Land Base Strategy. The Noongar Land Estate will contain up to 300,000 hectares of land transferred in reserve or leasehold, and up to 20,000 hectares of land transferred in freehold. The Landholding Body for all land transferred is the Noongar Boodja Land Sub Pty Ltd, which will hold and manage the land in the Noongar Land Estate in consultation with the soon to be established Noongar Regional Corporations. All land will be used and managed in line with Noongar cultural, social and economic aspirations for the benefit of generations to come.

Over the next three to five years, the Department of Planning, Lands and Heritage will progress selected land parcels through to transfer under the Settlement, subject to all necessary consultation and approvals with stakeholders. Land eligible for inclusion in the Noongar Land Estate includes:

- unallocated Crown land;
- unmanaged reserves;
- land owned or held by the Aboriginal Lands Trust / Aboriginal Affairs Planning Authority; and
- land owned or held by State agencies or Local Government Authorities, at the discretion of the State agency or Local Government Authority.

The Department of Planning, Lands and Heritage has advised that part of the assessment involves referral of land parcels to relevant agencies for comment (which includes the Shire of Wickepin). There are a number of specific questions that DPLH require answered and these responses can be compiled by Shire officers however the fundamental question that requires Council's formal consideration is whether the Shire supportive of the transfer of this land to the Noongar People under the Settlement.

Comments

The 15 parcels of crown land consist of unallocated crown land and reserves vested with Government agencies. No Shire vested reserves are included. The 15 land parcels are listed in the table below.

No details are provided in this process of what possibly will be the ultimate purpose of any land transferred under the South West Native Title Settlement. At this stage DPLH is simply looking at all possible land parcels that could be subject to transfer under the settlement process.

There has been previous lists of land parcels assessed within the Shire of Wickepin and these have been presented to Council. It is likely there will be more in the future. Taking into account the limited means that local government could object to possible transfer of the land under the South West Native Title Settlement it is recommended that Council delegate authority to the CEO to respond to similar requests in future without reference to Council. The majority of land parcels being considered are unallocated crown land and unvested reserves. If reserves vested in the Shire of Wickepin are nominated in future it is likely that some objection to their release would be made.

Statutory Environment

The full details of the Settlement are recorded in six Indigenous Land Use Agreements (ILUA) made in compliance with the Native Title Act 1993.
