INTRODUCTION

This delegations register has been prepared in accordance with the Local Government Act 1995 sections 5.16 to 5.18 and 5.42 to 5.46 and the Administration Regulations r.19.

All delegations require approval by an absolute majority of Council.

It is a requirement that the use of all delegated authority is recorded, but it is not a requirement to report the use of delegated authority to Council.

However, given the number of delegations, and their importance, it is not recommended that Council be advised of use of delegations, for their information. It is open to Council to make a policy direction that this is the case.

The Local Government Act s5.16 places limitations and conditions upon the delegations that may be made to various types of Committee. A Committee with delegated authority is not permitted to further delegate that authority.

The Local Government Act s5.42 places a limitation upon the delegations that may be made to the Chief Executive Officer. The Chief Executive Officer is not permitted to further delegate that authority.

The Local Government Act permits the Chief Executive Officer to delegate the exercise of, or the carrying out of, a function delegated to the Chief Executive Officer.

HEAD OF POWER

Unless stated otherwise, the Local Government Act 1995 sections 5.16 and 5.42 constitute the head of power for council to make the delegations.

The Council is responsible for functions and activities under numerous Acts and other legislation, many of which permit Council to delegate responsibilities and authority to various officers. In order to maintain consistency with the concepts of the Local Government Act 1995, all delegations to officer are made to the Chief Executive Officer, who is then responsible for the implementation of the delegated function, either personally or through management of officers and staff.

It is Council's expectation, that the Chief Executive Officer will assign delegations relevant to a specialist or specific position to that person.

PROCESS

It is a requirement of the Local Government Act s5.18 and s5.16 (1) that all delegations be reviewed at least once in each financial year.

In order to ensure that there is clear authority, Council and the appropriate officers will formally review this Delegations Register at the May Meeting each year, and their application confirmed.

In this way, the delegations will be reviewed at a time when there is less time pressure, and after a year of operation, with the formal motion of application made for the commencement of the new financial year.

NEW DELEGATIONS

Council may make new delegations at any time. However, unless specifically stated that the authority is to be included in the Delegations Register, it will be assumed that the authority to act is for a specific matter and is not a general or on-going delegation.

DEFINITIONS

The Local Government Act has not defined the term “delegation” or “delegated power”, however:

- s5.16 refers to “... the exercise of any of its powers and duties...”
- s5.42 refers to “... the exercise of any of its powers or the discharge of any of its duties...”

The term “policy” is not defined anywhere in the Local Government Act.

Accordingly, throughout this document, the following terms apply, insofar as they are consistent with all enabling legislation referred to within each of the specific delegations.

“Authority” means the permission or requirement for a committee or the Chief Executive Officer to act in accordance with:

- the Local Government Act or other legislation or regulation,
- a delegation made by Council,
- a policy made by Council, or
- a specific decision by Council.

“Delegation” means the authority for a committee or the Chief Executive Officer to act on behalf of Council where the power is either specifically or by implication, intended to be exercised by the elected members, rather than an organisational responsibility.

“Policy”, as the context requires mean either:

- a procedural direction to officers to implement Council’s wishes or instructions in a particular way; or
- the authority for officers to act, where that authority is not considered to be a delegation, but more procedural in nature.

CERTIFICATIONS

The delegations contained in this register were formally reviewed by Council on 17 August 2022 and a resolution confirming their application to the 2022/2023 financial year was made.
