It is my pleasure to invite all Elected Members, Chief Executive Officers and Senior Managers to attend the 2021 WA Local Government Convention, scheduled for Sunday, 19 – Tuesday, 21 September at Crown Perth.

The theme for the 2021 Local Government Convention is Leading the WAY: Looking Forward, Looking Back, taking place against the backdrop of generational change for the sector with reform of the Local Government Act on the horizon.

Additionally, 2020 and 2021 has seen an unprecedented level of uncertainty experienced in areas such as local and international politics; the economy; the environment, together with the ongoing impact and evolving nature of the COVID-19 pandemic. The Convention program has been developed to specifically support and encourage Local Government representatives.

We are pleased to welcome the Honourable Julie Bishop as our Opening Keynote Speaker, and Australian of the Year – Ms Grace Tame, has agreed to deliver the Closing Keynote Speech.

The event will commence with the AGM, followed by a day and a half of plenary and concurrent sessions. These sessions will discuss both contemporary and controversial topics, while the overarching conference format provides opportunity to converse, debate, discuss and share ideas in a welcoming and professional forum.

There is also an opportunity to register for one of the optional field trips scheduled for Wednesday, 22 September.

A significant contingent of industry suppliers will be on display in the trade exhibition to demonstrate their latest products to the Local Government sector. I encourage you to take this once a year opportunity to meet with these suppliers and be updated on what is currently available.

Finally, I would like to express appreciation for the valuable support provided by our Partnered Service – LGIS and Principal Sponsor – Civic Legal. Her outstanding career as a senior government official and government minister saw reforms in Family Law and more recently child protection, social and affordable housing and urban planning.

With her drive, New South Wales overhauled the State Government's approach to domestic violence and is the only Australian state or territory to witness a decline in assault rates.

Prior to this, Pru was Australia's Sex Discrimination Commissioner for six years, promoting the landmark introduction of paid maternity leave, now a national entitlement. She also oversaw Australia's first statistically valid sexual harassment survey which continues to be the benchmark for governments and business and reported on the state of work-life balance for men and women in Australia. Pru was also the commissioner responsible for age discrimination.

Greg Hire

Founder, A Stitch in Time

As the former Perth Wildcats Vice-Captain, Greg Hire undoubtedly made a huge impact on basketball, however it could be argued his greatest contribution to our State is the work he is doing off the court. A championship player with both the Wanneroo (now Joondalup) Wolves in the State Basketball League, and the Perth Wildcats in the NBL, Hire was named 2018 Western Australian of the Year (Youth) for his efforts as an advocate for youth mental health. Hire grew up around domestic violence, drugs, alcohol, depression and a lack of positive role models and is heavily involved in community and youth sporting activities and other initiatives that aim to combat mental illness and youth suicide.

Greg played for the Perth Wildcats from 2010 until 2019; accumulating 243 games, winning four NBL Championships as Vice-Captain and recently has represented Australia at the World Cup in 3 on 3 Basketball, winning a Gold Medal at 2020 Asia Cup. As the founder of charity A Stitch in Time, his passion and efforts are now transpiring off the court in the work he is doing in the mental health space.

Paul Kelly

Editor-at-Large, The Australian

Paul Kelly is currently the Editor-at-Large at *The Australian*. He was previously Editor-in-Chief and he writes on Australian politics, public policy and international affairs.

Paul has covered Australian governments from Gough Whitlam to Scott Morrison and is a regular television commentator on Sky News. He is the author of nine books including *The Hawke Ascendancy*, *The End of Certainty* and *The March of Patriots*. His most recent book, *Triumph and Demise* covered the Rudd-Gillard era.

Paul has been a Fellow at the Kennedy School of Government at Harvard University and a Fellow at the Menzies Centre, King's College, London.

Glenn Mitchell

Glenn is a former leading ABC sports broadcaster. During his 20 years with ABC Sport in Perth he became a familiar voice around the country with his commentaries on international and domestic cricket and AFL football.

He also commentated at four Olympic Games (Atlanta, Sydney, Athens and Beijing), and three Commonwealth Games.

One of the ABC's senior cricket commentators, Glenn broadcast over 110 Tests and One Day Internationals, covering overseas tours against Sri Lanka, India, Pakistan, England and New Zealand.

But all through this period, Glenn was a sufferer of mental illness and in early 2011 he descended into a highly depressive state that resulted in him inexplicably resigning his dream position at the ABC and making an attempt on his own life. After overcoming his personal demons and reshaping his life, Glenn now aims to try and prevent others from enduring the torturous path he did by candidly speaking about his own journey.

Glenn Mitchell appears by arrangement with Cheri Gardiner & Associates

Grace Tame

After being raped and sexually abused by her maths teacher when she was just 15 years old, Grace Tame has spent the last 10 years turning her traumatic experience into being an advocate for survivors of child sexual abuse and a leader of positive change.

Recognising the injustice of Tasmania's gag order that prevented survivors from self-identifying publicly, Grace offered her story to the #LetHerSpeak campaign created by Nina Funnell, along with the stories of 16 other brave survivors. In 2019, she finally won the court order to speak out under her own name, making her the state's first female child sexual abuse survivor to do so.

Now, 26 and based in Hobart, Grace is dedicated to eradicating child sexual abuse in Australia, and supporting the survivors of child sexual abuse.

Her focus is around enabling survivors to tell their stories without shame, educating the public around the process and lasting effects of grooming and working with policy and decision-makers to ensure we have a federal legal system that supports the survivors, not just perpetrators.

She is also a passionate yoga teacher, visual artist, and champion long-distance runner, having won the 2020 Ross Marathon in a female course record time of 2:59:31.

Grace is the 2021 Australian of the Year.

Liam Bartlett

60 Minutes reporter, host of Radio LPR's morning program, award winning broadcaster and journalist

Having spent nearly 30 years working in Australian media, Liam is one of Perth's highest profile journalists and public broadcasters.

With a Bachelor of Economics from the University of Western Australia, he has held a series of high profile positions across all three major platforms – television, radio and print. His roles have included hosting the State-based 7.30 Report on ABC TV,

news anchor at STW Channel Nine in Perth, reporting for the Nine Network's Melbourne bureau of A Current Affair, columnist and feature writer for News Limited through the Sunday Times and the host of prime-time talkback shifts on Radio 6PR and 720 ABC Perth.

Convention Breakfast – Jelena Dokic

Jelena Dokic has had a storied and well-documented life and tennis career both on and off the tennis court. She started playing tennis when she was six years old and very quickly became the national champion in multiple age groups. However, the war erupted in former Yugoslavia and the family was forced to escape twice. Jelena and her family were refugees before settling in Australia when she was 11 years old.

In 1998, as a 15-year-old, Jelena won the US Open junior title and the French Open doubles title. She became number 1 junior in the world in 1998 and also made a Fed Cup debut the same year winning both her singles matches and becoming the youngest player ever to represent Australia in the Fed Cup.

In early 1999, still only 15 she won the Hopman Cup for Australia partnering Mark Philippoussis and also reached the 3rd round of the Australian Open at 15. Later that year at the age of 16, she caused one of the biggest upsets in tennis history beating world number 1 Martina Hingis as a qualifier. It still remains the only time a world number 1 has lost to a qualifier at Wimbledon. She went on to reach the quarter-finals of Wimbledon that year and it catapulted Jelena to prominence on the world stage.

In 2001 Jelena won her first WTA singles title in Rome. She went on to win two more titles that year and reach the top 10 in the world at the age of 18. At the age of 19 she reached world number 4.

After a string of injuries and a battle with depression, Jelena made a comeback to tennis in 2008 and had an incredible run at the 2009 Australian Open,

reaching the quarterfinals and also winning her first WTA title in nine years in Kuala Lumpur. Jelena's latter part of her career was riddled with injury and illness which forced her to retire early.

Jelena has penned the best-selling autobiography *Unbreakable*, a book which details her career and her life. In the book, she details the struggles of being a refugee, dealing with poverty, racism, bullying, and discrimination. She also talks about the physical and emotional abuse she suffered for over 20 years at the hands of her father which started when she was just six years old.

Jelena now pours her efforts into commentary and TV work for Channel 9, Fox Sports and Tennis Australia. She does work for multiple radio stations and she regularly writes columns.

CONCURRENT SESSIONS

Recovery from Emergencies in WA

Western Australia communities have been hit hard by emergencies in 2021. In February, a fire ignited in the Wooroloo area in the Shire of Mundaring. The blaze rapidly escalated to a level 3 fire, burning for almost a week and crossing two Local Government areas, destroying 86 homes and causing widespread damage.

In April, Tropical Cyclone Seroja made landfall between Kalbarri and Port Gregory. Winds of up to 170 kilometres an hour left a trail of destruction over 35,000 square kilometres of Western Australia. Throughout 10 Local Government areas; it destroyed homes, businesses, resorts, sheds, fences and water stations, leaving thousands of people homeless and without power and communication for extended periods.

Whilst Local Government has the legislative responsibility for recovery, the scale and significance of both of these recovery effects, has seen the State appoint a State Recovery Controller for each of these events to lead the whole of government approach to recovery efforts.

During this session, we will hear the experience of those involved and learn about how they managed the unique challenges of these extensive recovery efforts.

Governance: Roles & Responsibilities

The purpose and intent of the Local Government Act 1995 is to provide efficient and effective good governance to communities. Inherent in this purpose and intent is the separation of powers principle which, as Parliament considered when the Act was introduced in 1993, stated '...there will be clear specifications of the roles of key players ... to promote efficiency ...and to avoid conflicts caused by uncertainty...".

The question of separation of powers remains a focus of Local Government advocacy and has featured in the Final Report of the Local Government Review Panel, Report of the Inquiry into the City of Perth and Select Committee into the Local Government Final Report.

This session will examine why this remains a topic of interest to the sector, scenarios that led to commentary in recent Reports and how proposals for improvements in role clarity will foster efficient and effective Local Government.

Elected Members:

Champions of economic resilience and community prosperity

As community leaders and key decision makers, Elected Members have an important role to play in supporting local economic development and prosperity. This session provides a valuable opportunity to get exclusive access to Economic Development Australia's (EDA's) new economic development education and training program and will cover important topics such as:

- principles for economic development planning
- leading recovery and building resilience for your community; and
- being an Economic Development Champion - promoting economic prosperity for your community

Economic Development Australia (EDA) is the national peak body for economic development professionals.

Tuesday, 21 September (continued)

12:45pm – 1:40pm

Lunch

1:40pm

CONCURRENT SESSIONS

Bushfire Volunteers

Western Australians in rural and pastoral areas rely heavily on Bush Fire Brigade volunteers to keep them safe from the threat of fire. Local Governments are responsible for administering and training the 19,500 volunteers in 565 bushfire brigades around the State.

This session will provide the latest information on volunteer workplace health and safety obligations, training opportunities and the changing landscape in attracting and retaining bushfire volunteers.

Local Government Audits

The WA State Government amended legislation and regulations to provide for the Auditor General to be responsible for undertaking Local Government audits effective from 1 July 2018. The Office of the Auditor General (OAG) phased in over three years the responsibility for undertaking the audits previously carried out by Local Government appointed commercial contract auditors.

This session will provide information on the:

- Experience of initial three years of financial audits
- Lessons learnt from the OAG perspective
- OAG perspective on Local Government financial statutory provisions
- Expectations for future auditing
- Overview of Local Government Performance Audits and future focus

Waste Avoidance and the impact of the Waste Export Bans

In WA, the majority of material that is recycled through the kerbside recycling bin is exported for reprocessing and use in new products. That's all set to change with the introduction of export bans for plastic, paper and cardboard. As of 1 July 2021, mixed plastic, which is about 4% of what is collected through the kerbside recycling bin, will no longer be able to be exported and will be reprocessed locally. While this is a good outcome in relation to increasing transparency of where material goes, it is likely to have a financial impact on the costs of kerbside recycling.

This session will outline the impact of the export bans, the local processing options being developed and ultimately the best thing that Local Government and the community can do with waste – avoid it completely.

3:10pm– 3:45pm

Afternoon Tea

3:45pm

Closing Speaker: Grace Tame

4:45pm

Official Close of the 2021 Local Government Convention

Wednesday, 22 September (post-conference)

The development which will eventually be home to around 950 new dwellings aims to minimise the environmental footprint and places high importance on the retention of trees within the development. Bushmead is also one of the few estates in Western Australia to have received 6-Leaf EnviroDevelopment Accreditation, ensuring sustainable living for residents.

The land developer, Cedar Woods, will discuss the sustainability features of the estate and the process involved around tree retention from planning to construction, and participants will view a development shaped by the natural site features and experience the parks and walking trails of this unique community.
