WELCOME

Welcome to the Strategic Community Plan 2018-2028, the guiding document for the Shire of Wickepin over the next 10 years.

This Strategic Community Plan outlines the community's priorities and visions for the future of the Shire of Wickepin as a whole, and sets out the key short term and medium term strategies required to implement and achieve these aspirations.

It is the responsibility of all Local Governments to demonstrate, through their strategic plan, the planning for the social, environmental and economic future of the whole Shire.

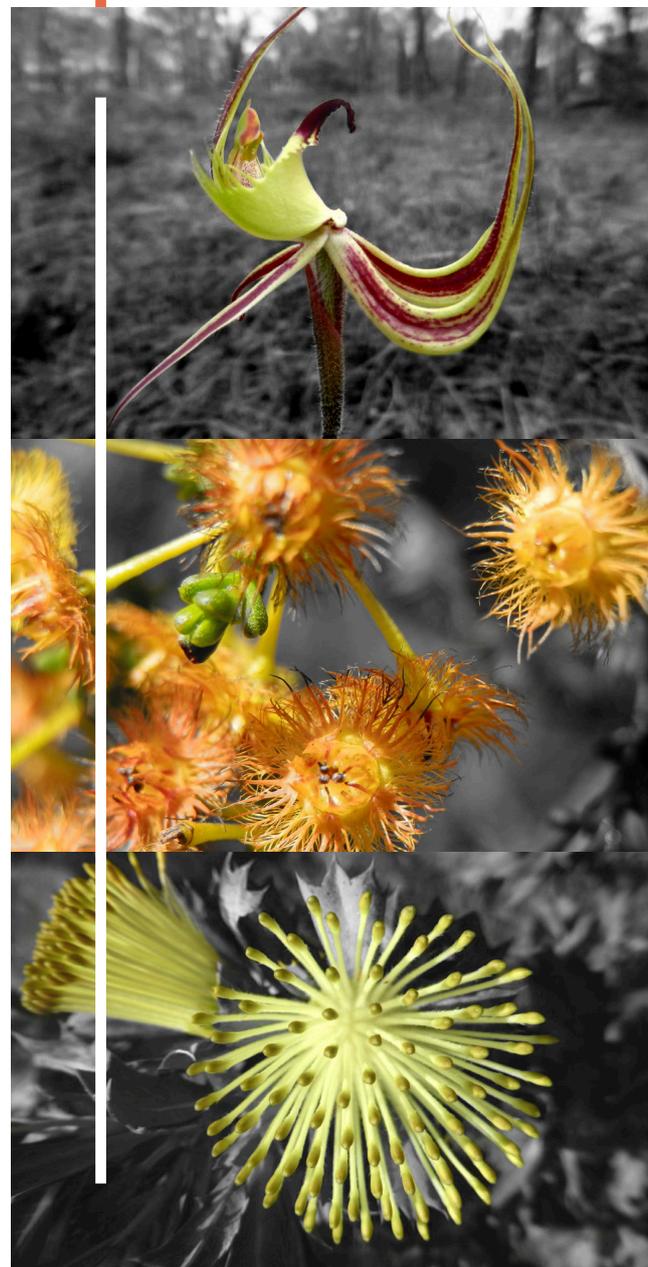

Council needs clear directions to enable it to make tough decisions between many competing priorities, and this direction is given through the Shire of Wickepin's overarching document – The Strategic Community Plan, ensuring that all moves are towards achieving the community's vision for the future.

This plan could not have been produced without the involvement of the local community.

I am very grateful to those members of the community who became involved and took the time to provide input for the plan. Your responses gave Council valuable insight towards the priorities and visions for the future of the Shire of Wickepin as a whole, and I Thank You Very Much.

Council now looks forward to working together with you all in bringing this new Strategic Community Plan to life.

Cr Julie Russell
SHIRE PRESIDENT – July 2018

YOUR COUNCIL

Councillors have a specific role in relation to developing the local government's vision and long term goal setting. The development and implementation of our community's aspirations and goals will be facilitated by the Shire's Councillors. The Councillors meet regularly to discuss issues and imperative areas arising in the community. Councillors act to ensure that they:

- Represent the interests of electors, ratepayers and residents of the district;
- Facilitate communication between the community and the Shire;
- Participate in the local government decision-making processes at council and committee meetings;
- Provide appropriate services and facilities are efficient, effective, adequate and equitable;
- Properly manage the environment, consistent with the principles of ecologically sustainable development; and
- Take into account the long-term cumulative effects of the Shire's decisions.

THE PURPOSE OF THE STRATEGIC PLAN

This Strategic Community Plan will help shape the services that the Shire will deliver over the next ten years to support the community. The Strategic Community Plan was developed using feedback received by the community, staff and Councillors of the Shire of Wickepin. It has a key place in the Shire’s delivery and management of services and infrastructure, and it is important to our community because it:

- Provides short term and medium term strategies with a long term vision in mind
- Includes core drivers to use as a decision making criteria in the future - developed by Council
- Identifies our strengths, the risks and opportunities for Council
- Identifies who the plan is for (community - electors, ratepayers, permanent residents and temporary visitors) and who the Shire needs to work with to achieve its goals
- Provides points of measurement which can be linked to Council and staff key performance indicators

Under the Local Government (Administration) Regulations 1996, state government legislated an integrated framework for corporate planning and reporting. This framework requires all local governments in Western Australia to have two key documents: a Strategic Community Plan and a Corporate Business Plan, which are supported by informing strategies including the Workforce Plan, Asset Management Plan and Long Term Financial Plan.

The Strategic Community Plan identifies what the Shire is seeking to achieve and the Corporate Business Plan outlines how it will achieve this.

SHIRE SNAPSHOT

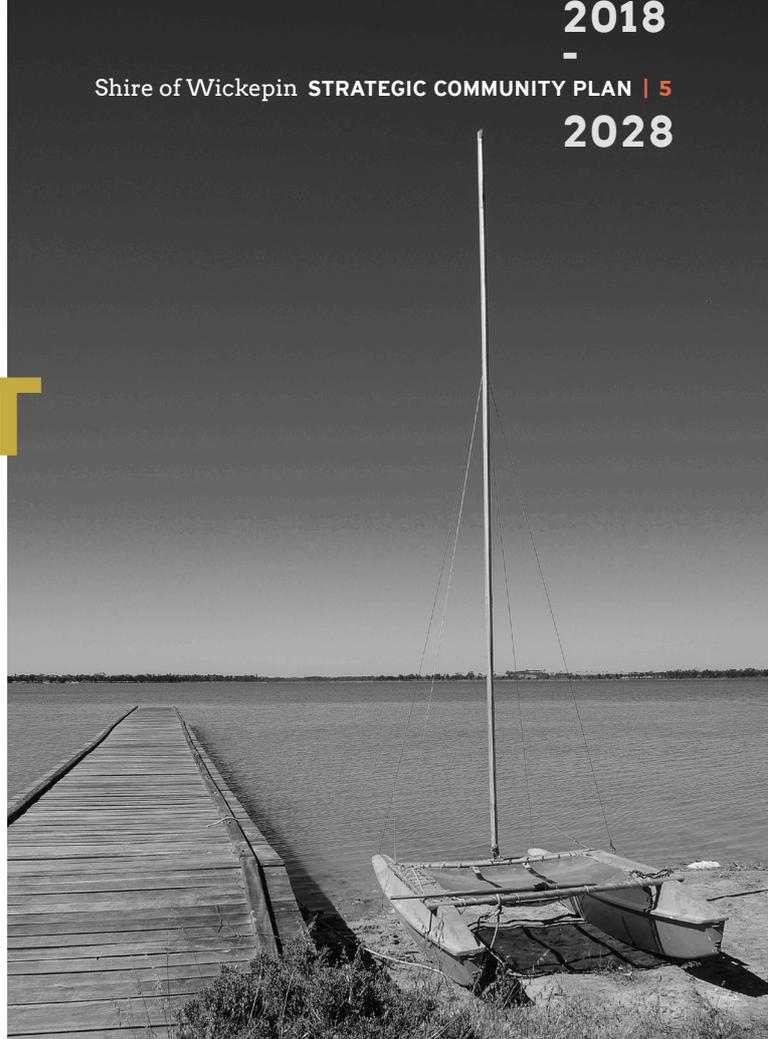

- Sealed Roads **157 Km**,
Unsealed Roads **717 Km**
- Rates levied **\$1.3m**,
Turnover **\$6.7m**
- Number of employees: **24**

Wickepin contains rich agricultural lands that were opened for settlement in 1893. The locality began as a watering point known as Yarling and was used by early sandalwood cutters.

The Shire covers an area of 198,900 hectares and includes the towns of Wickepin, Yealering, Harrismith and Tincurrin. The Avon, Blackwood and Murray Rivers rise in the Shire.

The Shire is a prosperous farming area with excellent wool and lamb production. Cropping is done on a large scale with wheat, oats, barley, lupins and canola grown. Wickepin is also home to the Facey Group, a prominent grower group in Western Australia that is committed to improving the economic, social and environmental sustainability of broad acre farming through research, development and information in the region.

Wickepin is known for being the home of Albert Facey, an Australian Biographer. His house has been moved to the centre of the town as a tourist attraction. The Homestead was built in 1924 and has been fully restored.

The town offers excellent facilities for locals and travellers. Great walks, a BBQ area, children's' playgrounds plus there are two primary schools in the Shire – Yealering and Wickepin – a medical centre, police station, church, and Community Resource Centre in Wickepin, as well as Bushfire Brigades, sporting and community groups across the Shire. St John Ambulance covers the Shire of Wickepin with Ambulances in Wickepin, Harrismith and Yealering.

CONSIDERED RISKS

Throughout the Strategic Planning process a number of internal and external risks have been discussed and presented to Council for consideration, additionally Council conducted an analysis of the organisations strengths, weaknesses, opportunities and threats. The risks identified and being considered in the development of this Strategic Community Plan include:

INTERNAL RISKS

- Resources are split across multiple town sites
- Participation in regional groupings
- Shire is a major employer
- Competitive nature of external funding

EXTERNAL RISKS
