

Hi Diana,

I have been to the war memorial and taken some photos of the area to get an idea where the names of Wickepin's soldiers could be displayed, to enhance the current war memorial.

I do not believe the obelisk is a suitable place to attach plaques. There is not enough space on it to accommodate 267 WW1 and 244 WW2 and beyond soldiers. So I looked for alternate places and believe I have come up with a solution that fits into the existing design of the area and is also aesthetically pleasing.

As previously discussed, the biggest challenge will be the display of the WW2 and beyond names on account of 7 soldiers still not identified. Since the existing memorial board does not distinguish the conflicts, I am unable to ascertain if the unidentified soldiers served in WW2, Korea, Malaya, Vietnam or other conflicts. Therefore I am open to ideas on how to display their names. For the remaining 237 soldiers I would like them to be separately displayed, which means 215 for WW2, 3 for Korea, 6 for Vietnam and 15 for other conflicts (including Malaya). Please note that the numbers will not add up, as some soldiers served in more than one conflict. There are also two names on the existing board, which are incorrectly listed, as one was a police officer and the other served with the British Army. A decision will need to be made, if they should be on the new memorial

In regards to the WW1 soldiers, there are 4 who enlisted but did not see active service and 1 who served with the British Army. A decision will need to be made, if they should be on the new memorial.

Please present my proposal to the Townscape Committee for their comment.

Many thanks, Stefanie Green

**Proposed Cut Outs – Bugler and Soldier**

Cut outs to be made to look like rusted metal, to fit in with the column displaying the names of the fallen soldiers.

**Proposed Name Panels**

These are the panels of the new WW1 Memorial in Tammin. I propose the style of the centre panel to display the names. Possibly more than one panel or names front and back.
