SHIRE OF WICKEPIN QUESTIONS FROM THE PUBLIC

The Shire of Wickepin welcomes community participation during public question time. The following is a summary of procedure and a guide to completion of the required form.

- a. The person asking the question is to give their name and address prior to asking the question.
- b. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- c. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- d. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- e. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
- f. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
- g. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- h. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- i. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- j. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- k. To enable all members of the public a fair and equitable opportunity to participate in Public Question Time, each person shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- l. Questions to be asked at the meeting will be registered, and the priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- m. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask a further two questions (with a two minute time limit) until the initial period for Public Question Time has expired.
- n. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.

Enclosure/Attachments:

Audit Findings for the Financial Year Ended 30th June 2019, Report on Significant Matters.

Summary:

The Governance, Audit and Community Services Committee is being requested to receive the report on the adverse trend of the following ratios raised in the 2018/2019 Annual Report.

1. Asset Sustainability Ratio
2. Operating Surplus Ratio
3. Own Source Revenue Ratio

Background:

Under the *Local Government Act 1995* the Shire of Wickepin is required to prepare an audited Annual Financial Report each financial year.

The Shire's 2018/19 audit report was received from the Auditor General on 19 December 2019.

A key audit requirement requires the auditor to identify any financial trends which it considers adverse and of concern. For the 30 June 2019 year, the Auditor General has identified a significant adverse trend in relation to the financial position of the Shire. The Shire of Wickepin has not met the minimum standard as set by the Department of Local Government, Sport and Cultural Industries (the Department) for the Operating Surplus Ratio, Asset Sustainability Ratio and Own Source Revenue Ratio for the last three financial years.

Section 7.12A(4) of the Local Government Act 1995 requires that a local government must:

- *“(a) prepare a report addressing any matters identified as significant by the auditor in the audit report, and stating what action the local government has taken or intends to take with respect to each of those matters; and*
- *(b) give a copy of that report to the Minister within 3 months after the audit report is received by the local government.”*

Section 7.12A(5) further requires that:

- *“Within 14 days after a local government gives a report to the Minister under subsection (4)(b), the CEO must publish a copy of the report on the local government's official website.”*

Comments:

The Audit Committee is to consider the significant adverse trend in the Ratios identified in the 2018/2019 Audit Report issued by the Office of Auditor General for the 2019 Annual Financial Statements.

The Ratios have been below the Department of Local Government, Sport and Cultural Industries standard for the last three years on both an adjusted and non-adjusted basis.

Local governments must prepare a report addressing the significant matters identified in the report and state what action the local government has taken or intends to take. This report must be provided to the Minister within three months of receiving the audit report. Within 14 days after the local government gives the report to the Minister, the CEO must publish a copy of the report on its official website.

The Annual Financial Statements and Independent Audit Report was discussed at the Audit Committee Meeting held on 19 December 2019.

Moved Cr Sarah Hyde / Seconded Cr Nathan Astbury

That the Governance, Audit and Community Services committee adopts the Annual Report and Annual Audit and Management Reports provided by Office of Auditor General for the year ended 30 June 2019.

Carried by Absolute Majority

Statutory Environment:

Local Government Act 1995

7.12A. Duties of local government with respect to audits

- (3) A local government must —
- (aa) examine an audit report received by the local government; and
 - (a) determine if any matters raised by the audit report, require action to be taken by the local government; and
 - (b) ensure that appropriate action is taken in respect of those matters.
- (4) A local government must —
- (a) prepare a report addressing any matters identified as significant by the auditor in the audit report, and stating what action the local government has taken or intends to take with respect to each of those matters; and
 - (b) give a copy of that report to the Minister within 3 months after the audit report is received by the local government.
- (5) Within 14 days after a local government gives a report to the Minister under subsection (4)(b), the CEO must publish a copy of the report on the local government's official website.
