#### **Disclaimer**

No responsibility whatsoever is implied or accepted by the Shire of Wickepin for any act, omission or statement or intimation occurring during council/committee meetings or during formal/informal conversations with staff. The Shire of Wickepin disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during council/committee meetings or discussions. Any person or legal entity that acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Wickepin during the course of any meeting is not intended to be and is not to be taken as notice of approval from the Shire of Wickepin. The Shire of Wickepin warns that anyone who has an application lodged with the Shire of Wickepin must obtain and only should rely on **written confirmation** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Wickepin in respect of the application.

# SHIRE OF WICKEPIN QUESTIONS FROM THE PUBLIC

Any member of the public wishing to participate in Public Question Time during Council or Committee meetings is welcome to do so; however, Council requires your name, address and written questions to be provided to the meeting secretary.

# SHIRE OF WICKEPIN QUESTIONS FROM THE PUBLIC

The Shire of Wickepin welcomes community participation during public question time. The following is a summary of procedure and a guide to completion of the required form.

- a. The person asking the question is to give their name and address prior to asking the question.
- b. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- c. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- d. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- e. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
- f. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
- g. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- h. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- j. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- k. To enable all members of the public a fair and equitable opportunity to participate in Public Question Time, each person shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- I. Questions to be asked at the meeting will be registered, and the priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- m. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask a further two questions (with a two minute time limit) until the initial period for Public Question Time has expired.
- n. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.

Cr Nathan Astbury

# 3. Objectives

The following objectives are to be considered by the Governance, Audit and Community Services Committee;

- This Committee deals with issues relating to Governance, Audit and Community Services in the Shire of Wickepin and makes recommendations to the Ordinary Council meeting.
- The Governance, Audit and Community Services Committee has no delegated authority, therefore the Committee cannot on-delegate the powers and duties delegated to it;
- The Committee is to provide an independent oversight of the financial systems of the Shire of Wickepin on behalf of the Council. As such, the Committee will operate to assist Council to fulfil its corporate governance, stewardship, leadership and control responsibilities in relation to the Shire of Wickepin's financial reporting and audit responsibilities.
- Support Council in its endeavours to provide effective corporate governance and fulfil its responsibilities in relation to directing and controlling the affairs of the Shire of Wickepin.

## 4. Function of the Committee

To provide guidance and assistance to the Shire of Wickepin;

- 1. as to the carrying out of its functions in relation to audits;
- 2. as to the development of a process to be used to select and appoint a person to be the auditor;
- 3. matters to be audited;
- 4. the scope of the audit;
- 5. its functions under Part 6 of the Act that relate to financial management; and
- 6. the carrying out of its functions relating to other audits and others matters related to financial management.

#### 5. Scope/Jurisdiction

The Committee is appointed and empowered in accordance with the provisions of the Local Government Act 1995.

A decision of the Committee is to be made by simple majority.

Resolutions/recommendations of the committee must first be considered and endorsed by Council prior to any action by a Committee Member or Chief Executive Officer.

The Shire of Wickepin shall provide secretarial and administrative support to the Governance, Audit and Community Services Committee.

Council's Governance, Audit and Community Services Committee brief includes the following roles and responsibilities;

- 1. Dog Act 1976
- 2. Cemeteries Act 1986
- 3. Litter Act 1979
- 4. Parts of the Local Government Act 1995 which control;
  - a) Trespass of cattle and pounds;
  - b) Aged persons welfare, centres and housing;
  - c) Management, advisory and community committees;
  - d) The protection and security of Council properties and facilities;
  - e) Aquatic centres;
  - f) Parking facilities;
  - g) Social welfare.
- 5. The Health Act 1911, as amended which includes;
  - a) Disposal of refuse, sewerage and liquid waste;
  - b) Offensive trades;
  - c) Distribution and sale of foods and drugs to the public;
  - d) Insects and pests;
  - e) Itinerant vendors of food;
  - f) Immunization;
  - g) Health education;
  - h) Child health centres;
  - i) Infectious diseases;
  - j) Drainage pertinent to health;
  - k) Stables;
  - Noxious industries;
  - m) Stalls and stall holders;
  - n) Hawking;
  - o) Child minding.
- 6. Environmental Protection Act (1986)
- 7. The Liquor Act 1970
- 8. Amendments, regulations, locals laws and enforcement of the above Acts
- 9. Prosecution for offences under the control of this Committee
- 10. Usage, sharing and hiring of Council controlled reserves and buildings
- 11. Ranger Services
- 12. Library Services
- 13. Civic Functions
- 14. Lease of land and buildings
- 15. Services for the aged and youth
- 16. Town Planning
- 17. Regulate use of land
- 18. Town Planning Scheme;
  - a) Preparation;
  - b) Amendments;
  - c) Submissions to Council.
- 19. Use of Land Classification
- 20. Subdivisions
- 21. Amalgamations
- 22. Residential density codes
- 23. Applications to commerce development
- 24. Change of use
- 25. Re-zonings
- 26. Buildings;
  - a) Plot ratios;
  - b) Setback;
  - c) General character;
  - d) Dimensions.
- 27. Location of;
  - a) Parks and reserves;
  - b) Recreation grounds;
  - c) Public open space;
  - d) Community facilities;

- e) Cultural facilities;
- f) Parking areas and functions;
- g) Civic developments;
- h) Urban design.
- 28. Buildings Statutory Control
- 29. Building Code of Australia
- 30. Private Swimming Pool Local Laws
- 31. Buildings part (xv) of the Local Government Act
- 32. Signs and hoardings
- 33. Fencing
- 34. Buildings Operations
- 35. Lightings
- 36. Maintenance of Council buildings
- 37. Cleaning of Council buildings
- 38. Construction of Council buildings
- 39. Local Laws for building
- 40. Any items referred by other Committees or Council
- 41. The calling and consideration of tenders for Council buildings
- 42. Review quarterly reports
- 43. Budget process and overview
- 44. The process of calling tenders and selecting the auditor
- 45. Recommending the auditor to Council
- 46. Managing the audit process from the Council perspective
- 47. Meeting with the auditor at least once each year to discuss the process and/or outcomes of the audit
- 48. Monitoring the administration's actions on, and responses to, any significant matters raised by the auditor in the report referred to in S7.9 of the Local Government Act 1995 and the Management Report
- 49. Submitting a copy of the audit contract to the Department each time a new one is entered into or the contract is amended
- 50. Submitting an annual report on the audit function to the Council and the Department
- 51. Considering the completed Statutory Compliance Return and monitoring the administration's corrective action on matters of non-compliance
- 52. Preparation and amendment of Principle Activities Plan
- 53. The calling of tenders and consideration of tenders for administrative matters
- 54. Elections
- 55. Elector meeting.

#### **6. Appointment of Committee Members**

The following guidelines are to be established when appointing members of the Governance, Audit and Community Services Committee;

- The Governance, Audit and Community Services Committee is to consist of three or more persons to exercise powers and discharge the duties conferred on it;
- Council calls for written nominations for members of the Governance, Audit and Community Services
   Committee at the end of each year. Committee members are appointed by Council at the December Ordinary
   Council meeting by an absolute majority decision;
- At least three of the members, and the majority of the members, are to be elected members;
- If the Shire of Wickepin wishes to appoint one or more persons other than elected members to the Committee, it should ensure that they have the requisite knowledge and skills to provide benefit to the Committee.
- The CEO is not to be a member of the Committee and may not nominate a person to be a member or have a
  person to represent him/her as a member of the Committee;
- An employee is not to be a member of the Committee;

# 7. Appointment of Committee Chair

A chairperson is appointed at the first Governance, Audit and Community Services Committee Meeting at the beginning of each year by the committee members.

# 8. Meeting Frequency

The Governance, Audit and Community Services Committee meet on the meeting dates for 2021 are as follows:

| Committee  | Day       | Date              | Time   |
|------------|-----------|-------------------|--------|
| Governance | Wednesday | February 17, 2021 | 1.30pm |
| Governance | Wednesday | June 16, 2021     | 1.30pm |
| Governance | Wednesday | November 17, 2021 | 1.30pm |
| Governance | Wednesday | December 15, 2021 | 1.30pm |

# SHIRE OF WICKEPIN QUESTIONS FROM THE PUBLIC

The Shire of Wickepin welcomes community participation during public question time. The following is a summary of procedure and a guide to completion of the required form.

- a. The person asking the question is to give their name and address prior to asking the question.
- b. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- c. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- d. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- e. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
- f. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
- g. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- h. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- i. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- j. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- k. To enable all members of the public a fair and equitable opportunity to participate in Public Question Time, each person shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- I. Questions to be asked at the meeting will be registered, and the priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- m. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask a further two questions (with a two minute time limit) until the initial period for Public Question Time has expired.
- n. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.

# 10.1.01 Manager Works and Services' Report

Submission To: Ordinary Council Location/Address: Whole Shire

Name of Applicant: Manager Works & Services, Gary Rasmussen

File Reference: CM.REP.1

Author: Manager Works & Services, Gary Rasmussen

Disclosure of any Interest: Nil

Date of Report: 15 July 2021

**Enclosure/Attachments:** Nil

## **Summary:**

Monthly report submitted from the Manager of Works & Services, Mr Gary Rasmussen.

Background: Nil

#### **Comments:**

# **Programmed Construction Works**

- Bin Rd white lines are with Main Roads program.
- Water harvesting at Wickepin Caravan Park drain on hold until November.
- WSFN Rabbit Proof Fence Rd we have started works on this project. We will do as much as we can, gravel pushing in a few weeks' time, pegging out the formation of the road and other associated works.

# **Maintenance Works**

- Maintenance Grader Colin has stopped due to the wet weather and will recommence mid next week.
- Pothole patching has been a lot with the wet weather. This is a good indicator to look at where we need to do reseal also underlining pavement problems where other treatments may be required.
- Signage maintenance a lot of signage and white posts around the network have been struck blatantly by oversized vehicles. One yellow sign costs the ratepayers of Wickepin around \$200 to buy and install. Over 40 have been hit so far by machinery. A white post (timber) cost the ratepayers around \$16.00 to buy and install. Over 400 of these have been hit. A white post (plastic) is \$80. This happens every year with seasonal movement of machinery. We cannot move the sign's back as it is a legal requirement for signs to be 1.5m from edge of road pavement.

# **Occupational Health and Safety**

Lost time injury – Nil

# **Parks and Gardens**

- General mowing and whipper snipping on going
- General maintenance at Yealering and Harrismith on going
- Sealed roads spraying- completed
- Street Trees the under pruning is on its way between other works that is required
- Rose pruning is done

# **Plant and Equipment**

General servicing

# **Other Information**

- Conplant combination roller due 24 July.
- Fuzo trucks Tipper truck due 24 July.
- Depot shed Rob still working on it between his normal duties.

Still working on Plover St, outlet drainage.

**Statutory Environment:** Local Government Act 1995.

**Policy Implications:** Not applicable

Financial Implications: Not applicable

Strategic Implications: Nil

## **Recommendations:**

That council notes the report from the Manager of Works and Services dated 15 July 2021.

**Voting Requirements:** Simple majority

# 10.1.02 Railway Dam Report

Submission To: Ordinary Council Location/Address: Whole Shire

Name of Applicant: Mark Hook, Chief Executive Officer

File Reference: A6745, GF.CC.1

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 13 July 2021

#### **Enclosure/Attachments:**

1. Railway Dam Report

## **Summary:**

The CEO is requesting council to receive the report from the CEO on the Railway Dam Reserve 15782 Williams Location 15727 in Wickepin.

## **Background:**

Council passed the following resolution at the 16 September 2020 Ordinary Meeting of Council.

### Resolution No 160920-13

### Moved Cr Lansdell / Seconded Cr Mearns

That the CEO advertise council's intent to request the Minister for Lands to amend Reserve No 15782 from water supply to recreational purposes including camping and tourism activities.

### Carried 8/0

Council passed the following resolution at the 16 December 2020 Ordinary Meeting of Council.

# Resolution No 161220-03

# **Moved Cr Lansdell / Seconded Cr Mearns**

That council request the CEO to undertake a full assessment of the Railway Dam and prepare a comprehensive Recreation Plan including possible future development and costs for the development of Reserve 15782, Williams Location 15727 Railway Dam, Wickepin.

### Carried 6/0

#### **Comments:**

The CEO has completed the report which is attached for Council's consideration and adoption.

Council needs to consider when it would be in a position to develop the Railway Dam to a recreational site or whether the change to the recreation reserve status is to allow the use of the area for passive recreation without camping.

Council would need to incorporate any costs to develop the area in future planning and budgets.

In relation to the fire requirements, council would have to put in place a recreation reserve plan, which would cover all the fire mitigation issues including strategic firebreaks. Council should undertake this if the FCO's believe the current water reserve vesting is at risk with the current firebreaks.

The decision for Council is the cost to develop the area as it is not currently within the strategic plan, as the strategic plan only covers the following in relation to tourism:

# economy

| SHORT TERM STRATEGY   | MEDIUM TERM STRATEGY   | POINT OF MEASUREMENT   | 10 YR OUTCOME   |
|---|--|--|---|
| 8.1 Continue to actively participate in the Living Lakes project 8.2 Develop and improve the foreshore amenities at Lake Yealering 8.3 Investigate camping grounds at Lake Yealering (cost v benefit analysis) 8.4 Partner with our neighbouring Shires on tourism promotion and initiatives 8.5 Review our engagement with the Dryandra Visitor Centre 8.6 Further develop rest stops across the Shire | 8.7 Develop a branding strategy for Lake Yealering in collaboration with residents and businesses 8.8 Develop a self drive route across the Shire which includes Lake Yealering, Harrismith and Wickepin attractions 8.9 Increase our online profile | Lake Yealering has enough water in it for water based activities for the majority of the year      Number of positive and negative reviews regarding the Lake Yealering experience - online and verbal      Yealering caravan park occupancy and length of stay increases      Number and length of overnight stays increases      Facilities used by locals and visitors are improved based on online and verbal feedback      Toolibin rest stop is improved | Tourism and recreationa activities can occur all year at Lake Yealering The length of overnight visitor stays is increased and visitors are aware of our unique attractions |

A reserve is a form of tenure of Crown land. It is not an interest in land. Under section 41 of the LAA the Minister may set aside Crown land as reserve for a particular purpose in the public interest. Every such reservation has a land description and designated purpose registered on a Crown Land Title (CLT) and is graphically depicted on a plan or diagram held by Landgate. Historically, some reserves have been created through gazettal by description and legislation that has now been superseded. Therefore, some reserves may not have a land description or a CLT. Reserve tenure is usually applied to land that

- a) holds intrinsic community value or is of high conservation value that should be preserved and maintained for the benefit of future generations;
- b) for core business/service delivery needs of general sector State agencies and local governments.

Reserves are not usually granted for long-term economic development or for a commercial purpose or benefit. Some examples include: Recreational activities (e.g. sporting ovals); Aboriginal uses; local community sporting clubs; foreshore reserves, national parks, conservation reserves, heritage reserves, community centres, Department of Fire Emergency facilities, sea rescue, state emergency services.

Council may request the Minister for Lands under section 51 of the *Land Administration Act 1997* to amend the vesting order to include recreational purposes if it so wishes.

The Minister is not compelled to amend the reserve and the changing of the vesting from Water Supply to include recreational purposes may invoke the Native title Act.

Council will have to draw up a management plan for Reserve No 15782 outlining what activities it wishes to allow within this area and what areas would be set aside for camping as outlined within the attached report.

Council has undertaken community consultation on the amending Reserve No 15782 from water supply to recreational purposes including camping and tourism activities.

Following is the results of the community consultation which closed 27 November 2021.

At the close of the submission period the CEO had received 11 submissions, of these 11 submissions 3 support the proposal, 6 object to the proposal and 2 are indifferent.

The breakdown of the comments received are as follows:

# **Support the Proposal**

### I support the proposal

I am emailing about the proposal of railway dam Wickepin to allow recreational pursuits including camping. I strongly believe this is a great idea. Being able to go bush walking, camping, bird watching are great things to do in our community and there are not enough areas to do these activities. Would also be good to allow the use of off-road motorbikes in this area as well.

I refer to the proposed development of the Railway Dam reserve, for recreational pursuits as advertised in the Narrogin Observer. We support the proposal to develop this area for an alternative camping and picnic site as this type of facility has become very popular for local tourism especially at this time. Most shires have this type of facility available for RV's and caravans and we feel it will add another dimension to the shire's tourism options. As the shire would be aware this area is a beautiful wildflower site in spring which is one of the main attractions of our shire. The Railway dam reserve is also quite an historic region, I have only recently come across some information relating to its history. We do however have concerns regarding the safety aspects of this development, particularly from a fire access point of view. It is imperative that fire and emergency vehicles have easy access in the event of a fire or accident. As far as we are aware there is only one road into the reserve, this would need to be addressed as a matter of priority so there is access in and out in the event of fire. It is essential that campers are able to evacuate safely if required and fire fighters can entry the area easily. There would also need to be ongoing maintenance in the form of back burns to protect local land holder's property. Tim is happy to speak further on this matter if required. The improvement of the camping facilities so the beauty of the reserve can be maintained is also essential. To have this area damaged or just left in a mess would be unacceptable which means regular monitoring will need to occur to ensure this doesn't happen. In recent years Wickepin has developed history and art attractions that enhance a visit to the Albert Facey Homestead for the selfdrive tourist. Encouraging visitors to stop in our town longer with additional accommodation options adds to our town's economy. I am happy to speak further on the tourist element of this proposal. We wish the shire well with this endeavour.

### Object to the Proposal

I would like to say no to the recreational pursuits including camping at the Railway Dam Wickepin as us our children and grandkids always go out there winter time riding motor bikes and a BBQ

As a ratepayer and adjoining landowner of Reserve 15782 I object to the proposed change of vesting to allow for recreation and camping. As I am deeply concerned about the real risk to public safety in the event of bushfires and accidents and also to the lack of consultation with local emergency services

personnel and adjoining neighbours who will have to deal with these issues. Hope the matter can be discussed at yor next meeting with more suitable outcome.

In response to the proposal to request to the Member of Lands to amend the vesting order for Reserve 15782 to allow for recreational pursuits and camping, please consider the following concerns;

1. Fire risks.

We would like to draw attention to the multiple number of campfires which have been left burning or unattended in the past. Many of these have then started fires which the local land holders discover and have had to extinguish. This could pose a risk to the reserve, surrounding farm land and Wickepin town due to its proximity. At least four fires have got away through the reserve requiring further assistance. We believe fire breaks are not the solution to stop the fires escaping the reserve. In our view the increased number of visitors and camping, will only increase the risk of an already growing problem. In the past this has not been able to be managed.

- 2. During harvest bans/movement bans restricted burning periods and permit burning periods we have observed people not adhering to these restrictions in the reserve (eg hooning, 4 wheel driving, camp fires) Would this be policed and how would people be made aware?
- 3. The constant motor bikes and hooning contributes to the fire risk, road damage, noise and possible danger to campers. Approximately 11 abandoned vehicles have been discarded in the past after being destroyed whilst hooning in the area.
- 4. Accessibility for emergency services may pose a problem.
- 5. The only access into the proposed campground is via Brooks Rd. Being an essential RAV 4 route, there are road trains and oversize machinery using the road regularly. Therefore, this could pose a safety risk to those entering/exiting the camp grounds with caravans or towing rec vehicles. For safety, Brooks Rd (being a minor road) would require increased regular maintenance and upgrades due to the increased traffic.
- 6. The proposed camping/recreation area is closely surrounded by farming land. There is already damage to fences, vandalism, theft and trespass occurring regularly. This behaviour could increase due to the extra visitors in the area.
- 7. The regular shooting in the area which does not seem to be controlled, is of major concern and danger to campers.
- 8. Environmental impact on the bush. Biodiversity risk.
- 9. Increase of domestic animals and their impact on flora and fauna as well as surrounding livestock. (This is already an existing problem).
- 10. Currently there is no ablutions, drinking water or waste management and rubbish removal. Rubbish has been a problem in the past. If these issues are not dealt with, it may be unattractive to campers and surrounding farmland contaminated. On enquiring about these issues it was mentioned that campers would probably be self-contained. This is not always the case.
- 11. The western side of the reserve (where the rock is situated) is land locked and is only accessible by crossing ARC infrastructure corridor. Entry across and in this corridor is prohibited and liable to prosecution, therefore this side of the reserve is unable to be accessed. (Photo attached).
- 12. We understand from conversations regarding the purpose of the proposed campground it is to bring money and visitors to the town. Does this mean the camping will have a fee? The shire already has money invested in a RV stop over and toilet amenities in Wickepin. Also caravan parks in Wickepin, Harrismith and Yealering, the Lake at Yealering, and Toolibin Lake just to name a few. We are not opposed to bringing money into our lovely shire, but would it not make sense to better use these fantastic existing facilities. This would eliminate the expense of preparing the rec and camp area and ongoing costs to maintain the grounds and roads.
- 13. Agriculture is the main enterprise within the shire. As revenue generated from this proposal will be limited, consideration to the agricultural industry and the safety of the town should be a priority.

Therefore this proposal should not be approved.

I Object to the proposal to request the Minister for Lands to amend the vesting order for this reserve to allow for recreational pursuits, including camping. There needs to be a full management plan undertaken prior to the reserve being amended into Recreation that covers all the fire implications with persons having camp fires etc. The management plan should include all the fire mitigations issues that would need to be carried out if there was Overnight Camping allowed on the reserve. This should include strategic fire breaks adjoining the land Owner's fire breaks to increase the width of them (ie increase width to 5 metres). If camping were to be allowed, the Reserve HAS to be able to be closed on Harvest Ban Days to keep campers out, and this includes over the Easter and Christmas periods where an automatic Harvest Ban and Fire Ban applies throughout the shire on Christmas Day, Boxing Day, New Year's Day, Good Friday and Easter Sunday of each year. The "Point of Interest" is approximately 1 km from the Railway Dam, so people are going to drive over, thus create more problems. There are NO fire breaks surrounding our adjoining boundary. This letter was written on 24th November, 2020, which had a Harvest and Movement of Vehicle in Paddock Ban put in place by the local Fire Control Officer's. The temperature is 40 degrees C and the wind is 35kph. Imagine having stray tourists going through this bush reserve on this day! As this site is a point of interest on the Shire's Face book page, I think all of the above need to be addressed, even if it doesn't get opened up.

We are Not in Favour of Reserve 15782 to be amended from its current status of "Water Storage" to "Recreation including Camping". This reserve is made up of 283 Ha (over 700 acres) of thick, virgin bushland with No gazetted road accesses throughout, or surrounding, the bush apart from the Railway Corridor which cuts the area in half; No boundary firebreaks; and is a nominated Bush Fire Prone area on the DFES WA map. Should this area be opened up for "Recreational Pursuits including Camping", there is a huge risk from the public safety point of view with extremely limited access for emergency service vehicles to be able to attend any incident that may, and will, occur. Two recent incidents of bushfire, and one of a vehicle crash requiring the RAC helicopter, in this inaccessible area has already proven the cost and inconvenience to local emergency service personnel, shire plant, equipment and staff and adjoining landowners - not to mention long term damage to the environment. The long term cost to Council for the provision of public amenities to keep this area pristine, installation of adequate firebreaks, and the installation of a road access network (both In and Out, Not just "one way") - for the allowance of access for emergency service vehicles when needed, as well as for any "campers and relevant vehicles" to escape should the necessity arise - is a cost that Council does not need to make. Within the Wickepin Shire, there are such natural phenomenon's as Toolibin Lake Nature Reserve (Home to more species of Waterbird than any other Wetland in South Western Australia); Lake Yealering (Recently awarded regenerative funding from Living Lakes and State Government Infrastructure funding) and Malyalling Rock (Bushwalking, Bird watching and Wildflower opportunities)- which are ALREADY geared up and accessible as tourist, recreational and camping sites; which are within easy driving distance from the 3 caravan parks and RV stops in the Shire; and which should be promoted as such by Council. Within our travels through other shires, we have noticed that they have actually CLOSED to the public, any camping in their Bush Blocks (eg Perenjori Shire) -with NO CAMPING signs erected strategically in the entrances, and the tracks blocked off to vehicle traffic. Before any decision is made with regards to allowing "Recreational Pursuits including Camping" within Reserve 15782, we strongly suggest that Council undertake consultation with the local Emergency Service Volunteer Personnel (both Bush Fire Brigade and Ambulance), DFES and EPA with respect to a Management Plan for the Reserve, as They will be the ones that will have to attend and manage any incidents - should and when they occur. We are of the opinion that this proposed request should NOT proceed, and that the Vesting Order of Reserve 15782 should remain "As-Is".

I am responding to a small ad in the Narrogin observer regarding the Shire of Wickepin seeking public comment on a proposal to request the Minister for Lands to amend the vesting order for Reserve 15782 (The Railway Dam) to allow for recreational pursuits including camping. I am not sure how far advanced your plans are for the use of the Railway Dam or what your budget may be in regards to facilities for potential campers, but being campers ourselves my minds eye immediately pictures roadside stopping areas and camping areas where there are no facilities (toilets) or rubbish bins provided and the many little

piles of toilet paper, human faeces, and much rubbish left around so that to camp, the area needs to be tidied up first. So I guess I have questions regarding the management of waste and the facilities to be provided in the area being considered for recreational use and camping. I also have questions regarding the value to the Wickepin Community from changing the status of the Railway Dam to Recreational use. If the area is to be "free camping" I consider that there would be minimal value returned to the community, as those that choose to free camp (ourselves included) are mostly self-sufficient, and do not need to spend money in the towns except to purchase fuel occasionally. No doubt you are aware that there is regularly folks using firearms in the area of the Railway Dam, it can be heard from the town, and is quite frightening to some town folks, and pets. I would be concerned that if there were campers in the area and people were shooting around them not knowing there were campers there (?) it would be very frightening for the campers, and could potentially cause an emergency. I have had conversations regarding the use of the Railway Dam area for camping with my adult children and considered what would be the value that would be returned to the Wickepin community from Recreational use of the Railway Dam. We consider that an attraction to the town to invite more people to stop in the town and spend more time in Wickepin would be more fruitful to the community, and provide value to the locals for recreation, social events and a meeting place for the local children/teens to meet and play. For example, Katanning has recently upgraded the Giants playground, it is always well utilised, lots of people stop there, it is near public toilets, and there is good food and coffee options in the townsite. It has also become an end destination, rather than a quick stop over. Williams have recently upgraded their local playground on Albany Highway, also now a destination in its own right, where families meet up and enjoy the facilities, often coming from afar, and enjoying what the town has to offer. Kulin has the water slide, people come from near and far to enjoy what the town has to offer, which includes the Tin Horse Highway and the facilities in the townsite, staying several nights in the areas provided for free camping with facilities available. Could the Wickepin Shire consider an attraction in the town that could cater for all children, rather than just little children, that would attract people to come to Wickepin, stop, stay overnight in the current facilities available, being the caravan park, and the overnight stay area in the townsite? Perhaps a large nature playground or similar, to cater for older children, encompassing picnic areas and other features and themes that would benefit travellers, encourage stop overs, and provide much value to the locals who currently take their children to Kulin, Williams and Katanning for example for recreation other than sport. Not at all relevant to the Railway Dam, but I have been considering discussing with the Shire the town public facilities for some time. Could the Shire please consider having hand soap and paper hand towel in the existing public facilities opposite the Newsagency, being an extensive traveller, especially in the current climate of Covid 19, I would consider that it is appropriate to provide soap at least, and preferably hand towel also. Good public facilities in the town, also encourage folks to stop, take some time to stretch, and potentially spend some money in the town. People who travel regularly get to know where the best facilities are to stop, stretch, get lunch, refuel etc. Thanks for considering my opinion and request.

# Indifferent

I am getting in touch to provide comment on behalf of Arc Infrastructure regarding the proposed amendment to the vesting order for Reserve 15782 to allow for recreational pursuits and camping on the reserve at Wickepin. As you may be aware, Arc Infrastructure manages the State's freight rail network in WA and has private Rail Corridor adjoining the reserve. Arc has recently been approached by neighbouring landowners with concerns about the potential increase of people in the area resulting in increased likelihood of trespass through the rail reserve and adjoining private properties. One landowner has noted that there are already a considerable number of people ignoring signage and accessing the rail reserve, four wheel driving, shooting signs and on occasion livestock. There are additional concerns that campers may be encouraged to trespass through Rail Corridor in order to reach the nearby rock formation on the

western side without using designated rail crossings. Arc Infrastructure requests that the above comments and concerns are noted by the Shire when further considering the amendment.

We are writing to you concerning the proposed development of the Railway Dam Reserve. It is good to see the Shire giving consideration to actively preserve the water catchment drainage rock work as it is an important history of that era. We understand that the new proposal for the area will be encouraging camping and as a stopover point for visitors to the area. We, as land holders do have concerns with the aspect of fires starting from campers, and given that we are down wind in a south/south westerly direction from Railway Dam consider it could become more of a risk. Currently the area seems to be mainly used by 4 x 4 enthusiasts, impacting on the landscape and the vegetation in the area. As some of the area has been altered using the Shire machinery and perhaps with the Shire's permission to construct 4 wheel drive tracks, it is of concern if the Shire then has become liable for any injuries that may occur. The use of firearms in the area currently is of great concern and could result in significant undesirable consequences. People using firearms are breaching the condition of their firearms licence buy using in the Railway Dam Reserve. So currently the area is not managed at all well and perhaps it is only a matter of time before a serious accident happens. Our question is; will developing the Reserve result in an significant improvement in the management and protection of its historic features, including the flora and fauna? The Railway Dam Reserve needs to have an improved management plan, which we would be keen to be a part of as we believe it is a very valuable historic aspect of the Wickepin Shire.

# **Statutory Environment:**

The Land Administration Act 1997 (LAA) is Western Australia's primary legislation dealing with the management of Crown land. The LAA is administered by the Minister for Lands (Minister), assisted by the Department of Planning, Lands and Heritage (DPLH). Part 4 of the LAA provides for the creation, administration and management of reserves over Crown land/waters.

Land Administration Act 1997

### 51. Cancelling, changing etc. reserves, Minister's powers as to

Subject to sections 42, 43 and 45, the Minister may by order cancel, change the purpose of or amend the boundaries of, or the locations or lots comprising, a reserve.

Policy Implications: Nil

### **Financial Implications:**

There is no cost to Council in having the vesting order for Reserve 15782 (Williams Location 15727 Railway Dam Wickepin) being amended to allow for recreational pursuits

# **Strategic Implications:**

The Shire of Wickepin Community Strategic Plan 2018/2028 only covers the following in relation to Tourism.

# economy

| SHORT TERM STRATEGY   | MEDIUM TERM STRATEGY   | POINT OF MEASUREMENT   | 10 YR OUTCOME   |
|---|--|--|---|
| 8.1 Continue to actively participate in the Living Lakes project 8.2 Develop and improve the foreshore amenities at Lake Yealering 8.3 Investigate camping grounds at Lake Yealering (cost v benefit analysis) 8.4 Partner with our neighbouring Shires on tourism promotion and initiatives 8.5 Review our engagement with the Dryandra Visitor Centre 8.6 Further develop rest stops across the Shire | 8.7 Develop a branding strategy for Lake Yealering in collaboration with residents and businesses 8.8 Develop a self drive route across the Shire which includes Lake Yealering. Harrismith and Wickepin attractions 8.9 Increase our online profile | - Lake Yealering has enough water in it for water based activities for the majority of the year  - Number of positive and negative reviews regarding the Lake Yealering experience - online and verbal  - Yealering caravan park occupancy and length of stay increases  - Number and length of overnight stays increases  - Facilities used by locals and visitors are improved based on online and verbal feedback  - Toolibin rest stop is improved | Tourism and recreations activities can occur all year at Lake Yealering The length of overnight visitor stays is increased and visitors are aware of our unique attractions |

# **Recommendations:**

- 1. That Council receives the report from the CEO in relation to the Railway Dam Wickepin Reserve 15782 Location 15727.
- 2. That the Shire of Wickepin request the Minister for Lands to amend the vesting order for Reserve 15782 (Williams Location 15727 Railway Dam Wickepin) from water supply to water supply and recreation.

**Voting Requirements:** Simple majority.

### **GOVERNANCE, AUDIT AND COMMUNITY SERVICES**

### **10.2.02 Financial Report**

Submission To: Ordinary Council Location / Address: Whole Shire

Name of Applicant: Erika Clement – Deputy Chief Executive Officer

File Reference: FM.FR.1212

Author: Erika Clement – Deputy Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 14 July 2021

**Enclosure/Attachments:** Monthly reports.

### **Background:**

In accordance with Section 6.4(2) of the Local Government Act 1995 and Regulation 35 of the Local Government (Financial Management) Regulations 1996, attached are the monthly financial reports.

- (1) Operating Statement by Function and Activity
- (2) Bank Balances and Investments
- (3) Outstanding Debtors.

#### **Comments:**

Council is required to prepare the Statement of Financial Activity as per Local Government (FM) Reg. 36, but can resolve to have supplementary information included as required.

### **Statutory Environment:**

Section 6.4(2) of the Local Government Act 1995.

Local Government (Financial Management) Regulations 1996.

- 34. Financial reports to be prepared s. 6.4
- (1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail -
- (a) Annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1) (b) or (c);
- (b) Budget estimates to the end of the month to which the statement relates;
- (c) Actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
- (d) Material variances between the comparable amounts referred to in paragraphs (b) and (c); and
- (e) The net current assets at the end of the month to which the statement relates.
- (2) Each statement of financial activity is to be accompanied by documents containing -
- (a) An explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
- (b) An explanation of each of the material variances referred to in sub regulation (1) (d); and
- (c) Such other supporting information as is considered relevant by the local government.

(3) The information in a statement of financial activity may be shown -

- (a) According to nature and type classification;
- (b) By program; or
- (c) By business unit.
- (4) A statement of financial activity, and the accompanying documents referred to in sub regulation (2), is to be -
- (a) Presented to the council -
  - (i) At the next ordinary meeting of the council following the end of the month to which the statement relates; or
  - (ii) if the statement is not prepared in time to present it to the meeting referred to in subparagraph (i), to the next ordinary meeting of the council after that meeting; and
- (b) Recorded in the minutes of the meeting at which it is presented.

Each financial year, a local government is to adopt a percentage or value, calculated in accordance with AAS 5, to be used in statements of financial activity for reporting material variances.

Policy Implications: Nil

Strategic Implications: Nil

#### **Recommendations:**

That the financial statements tabled for the period ending 30 June 2021 as presented be received.

**Voting Requirements:** Simple majority

#### Comments and graphs

#### 1. SIGNIFICANT ACCOUNTING POLICIES

#### (a) Basis of Accounting

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### **Critical Accounting Estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

#### (b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 12.

#### (c) Rounding Off Figures

All figures shown in this statement are rounded to the nearest dollar.

### (d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

#### (e) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

#### (g) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

#### (h) Inventories

#### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### Land Held for Resale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

#### (i) Fixed Assets

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

#### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (j) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates and periods are:

Buildings30 to 50 yearsFurniture and Equipment4 to 10 yearsPlant and Equipment5 to 15 yearsRoads20 to 50 yearsFootpaths20 yearsSewerage Piping100 yearsWater Supply Piping and Drainage Systems75 years

#### (k) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

#### (I) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

- (i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits) The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Shire has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Shire expects to pay and includes related on-costs.
- (ii) Annual Leave and Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Shire does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

#### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (m) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

#### **Borrowing Costs**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

#### (n) Provisions

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

#### (o) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

#### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (p) Nature or Type Classifications

#### Rates

All rates levied under the Local Government Act 1995. Includes general, differential, specific area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears and service charges.

#### **Operating Grants, Subsidies and Contributions**

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

#### **Non-Operating Grants, Subsidies and Contributions**

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

#### **Profit on Asset Disposal**

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

#### **Fees and Charges**

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

#### Service Charges

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies the These are television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### Interest Earnings

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### Other Revenue / Income

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

#### **Employee Costs**

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

#### **Materials and Contracts**

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

#### Utilities (Gas, Electricity, Water, etc.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

## 10.2.03 Development & Regulatory Services

Submission To: Ordinary Council Location / Address: Whole Shire

Name of Applicant: Azhar Awang, Executive Manager Development & Regulatory

Services, Shire of Narrogin

File Reference: CM.REP.2203

Author: Azhar Awang, Executive Manager Development & Regulatory

Services, Shire of Narrogin

Disclosure of any Interest: Nil

Date of Report: 14 July 2021

**Enclosure/Attachments:** Nil

#### **Summary:**

The Shire of Narrogin's Department of Development and Regulatory Services as requested by the Shire of Wickepin has prepared the following report for the works undertaken in the month of June 2021, for council's consideration.

#### **Background:**

On 20 September 2017, the Shire of Wickepin resolved to accept the RFQ 1 2017/2018 from the Shire of Narrogin for the provision of Health, Building and Planning Services to the Shire of Wickepin for a period of five years.

A monthly report is to be presented to the Shire of Wickepin from the Shire of Narrogin's Planning, Building and Environmental Health Services for the works undertaken during the month of May 2021.

#### **ENVIRONMENTAL HEALTH OFFICER'S REPORT**

Following complaints an inspection was carried out at the Wickepin Hotel and Harvest Café on Monday 28 June 2021. The complaint specified the following conditions:

- 1. Toilets filthy and mouldy;
- 2. Showers and hand washing facility at the accommodation units filthy;
- 3. Hot food being put into cold Bain Marie and not kept hot; and
- 4. Dogs being kept in car over the weekend, dogs in the Hotel.

## An inspection of the premises disclosed the following:

- The toilets in the hotel section of the premises were not clean with the proprietor advising that the toilets were cleaned every second day. The proprietor was verbally advised that the toilets need cleaning every day to prevent spilled urine being tramped through the hotel premises;
- b) The showers and toilets were generally clean when inspected and apart from some minor cleaning of fittings and equipment, such as a fan cover in the female showers;
- c) The proprietor advised that only hot food is placed in the bain marie with customers helping themselves and could not understand how the food could be cold. The proprietor was advised that under the current (pandemic) directions, self service (from a bain marie) is not permitted and a staff member is to be on hand to serve;
- d) The proprietor advised that the dogs are theirs and are kept in a room in the hotel and taken for a drive each day. The proprietor was advised that the dogs need to be restrained when in the hotel premises, on a lead, to prevent their escape into the hotel premises;
- e) There was minor cleaning required in the accommodation section of the hotel premises; and
- f) The exits lights to the hotel bar were not working and required to be fixed so they were working at all times.

A follow up inspection of the hotel premises will be carried out in July 2021.

Ming Zhuo, Environmental Health Officer has resigned from the Shire. Applications have been called and prospective applicants are currently being interviewed and assessed with an appointment likely to be made shortly.

#### **Statutory Environment:**

- 1) Shire of Wickepin Local Planning Scheme No. 4
- 2) National Construction Code,
- 3) Building Act 2011
- 4) Building Regulations 2012
- 5) Food Act 2008 and Food Regulations 2009
- 6) Health (Miscellaneous Provisions) Act 1911 and Regulations under the Act
- 7) Public Health Act 2016

#### Policy Implications: Nil

#### **Financial Implications:**

The fore mentioned services are provided at a cost to the Shire of Wickepin and has been allocated in the 2020/2021 budget.

# **Strategic Implications:**

| SHORT TERM STRATEGY   | MEDIUM TERM STRATEGY   | POINT OF MEASUREMENT  | 10 YR OUTCOME   |
|---|--|---|---|
| 9.10 Continue to help facilitate the best possible health and emergency services 9.11 Continue to work with RoadWise and the Office of Road Safety on road safety awareness initiatives | 9.12 Emergency service planning is coordinated and articulated 9.13 Recruiting volunteers is a partnership approach between the Shire and emergency services | - Number of emergency service volunteers are retained and increase - Number of Local Emergency Management Committee meetings held annually - Achievement of emergency service strategies Reduction in drink driving offences - No fatal road accidents in the Shire | Emergency and healt<br>services are retained<br>We have no fatalities<br>on our roads |
| 9.14 Connect with local and regional<br>Natural Resource Management<br>organisations to determine how<br>their priorities can benefit our<br>communities and businesses                 | 9.15 Partner with external bodies to<br>protect natural flora and fauna<br>9.16 Continue to provide weed and pest<br>management                              | - Invite Natural Resource Management organisations to present to Council  - Amount of external funding attracted for natural resource management activities in our Shire  | Our natural flora and<br>fauna is protected   |

## **Recommendation:**

That council receives the report from the Shire of Narrogin's Department of Development & Regulatory Services for the month of June 2021.

**Voting Requirements:** Simple majority

## 10.2.04 Caravan Park Agreements

Submission To: Ordinary Council

Location/Address: Yealering, Harrismith, Wickepin Caravan Park's

Name of Applicant: Various Expression of Interests

File Reference: CP.CTR.510

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 13 July 2021

#### **Enclosure/Attachments:**

2018/2021 Caravan Park Agreements

- 1. Wickepin
- 2. Harrismith
- 3. Yealering

#### **Summary:**

Council advertised for expression of interest for the running of its three Caravan Parks at Yealering, Harrismith and Wickepin. Council is being requested to accept an expression of interest from the ones received and for Council to enter into a formal agreement with that person or persons for the management of each of the shire caravan parks.

#### **Background:**

The existing Caravan Park Agreement for the Wickepin, Yealering and Harrismith Caravan Parks will expire on 30 June 2021. The previous agreements were with Wickepin - Ian Shedden, Yealering - Peter Stribling and Harrismith - Russel and Judy Gray Oasis Hotel.

The Chief Executive Officer advertised for an expression of interest with the following adverts in the Narrogin Observer and in the Watershed.

Following is the advert placed in the Narrogin Observer and Watershed:

# Expressions of Interest Management of Wickepin, Yealering and Harrismith Caravan Parks

Council seeks expressions of interest from interested persons to manage the day to day operation of the Wickepin, Yealering and Harrismith Caravan Parks. Expressions of interest can be for all parks or on an individual basis and must include all proposed terms and conditions, for the management of caravan parks.

Key responsibilities of the role are;

- Park and accommodation unit bookings;
- Cleaning and upkeep of park amenities and park grounds to an acceptable standard as determined by Council;
- Positive promotion of the Wickepin Shire community and tourist opportunities for visitors.

"Private & Confidential, EOI – Management of Wickepin, Yealering and Harrismith Caravan Park" PO Box 19, Wickepin WA 6370

Or email <a href="mailto:eso@wickepin.wa.gov.au">eso@wickepin.wa.gov.au</a> .

Expressions close with the undersigned on Friday 2 July 2021.

Mark J Hook

Chief Executive Officer

#### **Comments:**

Council has received the following expressions of interests from the following persons as of the closing date on 2 July 2021.

| Caravan<br>Park | Name              | Comments   |
|-----------------|-------------------|--|
| Wickepin        |                   |  |
|                 | lan Shedden       | I am pleased to apply to renew my contract for the caravan park. I would leave the shire's terms and conditions the same with the following payment changes. I would like the remuneration to be a flat rate of \$650.00 per month. I do not need the house so would like it to be furnished with the basics so it can be hired out for temporary group/family accommodation. This last stipulation is not contingent with my application for renewal, merely a logical request. I look forward to hearing from you with a favourable outcome. |
|                 | Leanne<br>Bransby | I am interested in the position at the Wickepin Caravan Park as advertised. If I took the position at Wickepin I would work on an average 21 hour week and that would take on the bookings, clean and maintain the grounds of the park and amenities, cleaning dongas when needed, do washing. To take this on I would be happy to at \$625 per week plus 10% of bookings. If you have any questions please call.  |
|                 | Beryle Holm       | With reference to your Expressions of Interest for Management of the Wickepin Caravan Park as set out in the Watershed News dated 1 June 2021.   |

|           |                                       | I believe that as a resident of Wickepin, I have the advantage of being aware of the attractions and facilities that are available. My proposed terms and conditions for the management of the caravan park, are as follows:  House, power, gas, water, free of charge and a 15% commission on bookings.  In return, I will keep facilities and grounds neat and clean and promote the Wickepin Shire together with their facilities and tourist attractions.  Please note that I have up to date Public Liability that covers caravan park |
|-----------|---------------------------------------|---|
|           |                                       | management. I also have the tools and equipment to maintain the grounds and facilities.   |
|           |                                       | For further information please contact me   |
| Yealering |                                       |   |
|           | Matthew<br>Pockran - The<br>Yealering | I would like to express my interest in the Management of the Yealering Caravan Park.  |
|           | Pantry                                | I would be happy to manage the bookings from our shop in town, The Yealering Pantry. We are open from 8.30am - 5pm Monday to Friday. The weekend booking scheme can remain similar to now. We are often available on the weekends to open our shop when needed and similarly, we could be available for the caravan park business if needed.  |
|           |                                       | With my experience at Yealering Primary school as cleaner and gardener, I feel I am capable of the cleaning and upkeep of the Caravan Park to the Shire's necessary standard. I have everything I need to do this at my disposal through our shop, which already supplies goods to the Wickepin Shire for the caravan park and hall.  |
|           |                                       | I have a very keen interest in the positive promotion of the Wickepin Shire community and tourist opportunities for visitors. We have many visitors call into The Yealering Pantry to enjoy coffee and a chat about things to see and do.   |
|           |                                       | I have lived in the area for many years giving me a sound knowledge of the area. In my time living here, my family and I have and still enjoy the local attractions, especially around Yealering my home town but also other areas of the shire.  |
|           |                                       | Proposed terms and conditions.  |
|           |                                       | I will take the bookings 5 days a week 8.30am - 5.00pm in person at The Yealering Pantry. After hours and weekend bookings can be made via my phone or honesty box at caravan park. Similar to what happens now.  |

|         | I would use a separate button on the cash register. Use eftpos when needed  |
|---------|---|
|         | and can offer bank transfer over the phone. I would run a ledger to keep bookings separate from our Yealering Pantry business.  |
|         | a coming separate mem can realize mg raina y a come com   |
|         | A percentage of the booking cost will be fine for this, which I would be happy to discuss with you.   |
|         | The cleaning and upkeep of the park amenities and yard could be invoiced to the Shire as I do for the lake maintenance and as stated above, I have the means and tools necessary to keep the Caravan Park to a neat and tidy standard. If the current cleaner is happy in the position, I would also be happy for her to continue the cleaning and I could do the yard and building upkeep. Anything deemed maintenance will be reported to the shire for attention.  |
|         | When I am unavailable, I have other family members that are capable of assisting. I would like to state that we could have possible time away over the year but have staff that are more than capable of assisting in The Pantry for bookings. I would be grateful if the shire staff could clean and maintain the Park for that short time.  |
| Peter S | tribling I Peter R Stribling would like to express an expression of interest in the management of the Yealering Caravan Park.   |
|         | I have been managing the park for over 10 years now and have a particularly good knowledge and understanding on how all the systems work to keep the flow of visitors happy and wanting to return in the future. I manage a business that during normal working hours can take registrations and bookings freely and easily.  I am on call 24 hours a day for any enquiries and bookings.   |
|         | I have a good working relationship with the cleaner who keep's the park clean and neat, this has led to many visitors commenting favourably about the park.   |
|         | I am positive about promoting both the town of Yealering and the wider district of Wickepin and so get many repeat visitors.  I would like to carry on the present working relationship I have with the shire in managing the Yealering caravan park.   |
| Tanya S | My name is Tanya Sands and I am the Owner/manager of the Yealering Hotel. I am writing to express my interest in taking on the role of the management of the Yealering Caravan Park only. I feel that with me taking on this role it would benefit both the park and the town. I have now been at the Yealering Hotel for just over 4 years and during that time I have constantly received calls and had people personally enquire about booking into the caravan park to which my reply to them is "please see the owner of the post office or call the Wickepin Shire" but this response is not always convenient on a weekend when both venues are shut. I feel that it would be more prosperous for these people to get a booking if they could book through me as I am at the Hotel 7 days a week from open till close (long hours). I am organised, consistent and I not only own the pub but I also own a house in Yealering. |

|            |          |      | The commission on this role is not overly important to me, I would be happy with the percentage that is offered currently (10% of each booking) (correct me if I am wrong).  As I am already running a business I would not have time to complete the cleaning/gardening of the park therefore I would require the shire to continue with these duties, but would definitely have/make time to communicate on a regular basis with the cleaners/gardeners as to what needs doing. Small maintenance jobs such as changing a gas bottle or light globe I would be able to do. Please contact me if you have any further questions or would like any more information. |
|------------|----------|------|--|
| Harrismith |          |      |  |
|            | Judy     | and  | We would like to express interest in the management of the Harrismith  |
|            | Russell  | Gray | Caravan Park once again.   |
|            | Oasis Ho | tel  |  |

The previous caravan park agreements were all for a three-year term. Council may wish to consider extending this out to five years.

The cost for each of the expression of interests are as follows.

| Caravan         | Name                 | Cocto   |
|-----------------|----------------------|---|
| Caravan<br>Park | Name                 | Costs   |
|                 |                      |   |
| Wickepin        |                      |   |
|                 | Ian Shedden          | Flat rate of \$650.00 per month.                                      |
|                 |                      | No house  |
|                 |                      | \$7,800 per year  |
|                 | Leanne Bransby       | \$625 per week plus 10% of bookings                                   |
|                 |                      | Based on 2021 takings \$32,508.63                                     |
|                 |                      | No house  |
|                 |                      | Total \$35,750  |
|                 | Beryle Holm          | House, power, gas, water free of charge                               |
|                 |                      | Estimated value \$2,000   |
|                 |                      | 15% commission on bookings  |
|                 |                      | Based on 2021 takings \$32,508.63                                     |

#### **Statutory Environment:**

Local Government Act 1995

#### 9.49A. Execution of documents

- (1) A document is duly executed by a local government if
  - (a) the common seal of the local government is affixed to it in accordance with subsections (2) and (3); or
  - (b) it is signed on behalf of the local government by a person or persons authorised under subsection (4) to do so.
- (2) The common seal of a local government is not to be affixed to any document except as authorised by the local government.
- (3) The common seal of the local government is to be affixed to a document in the presence of -
  - (a) the mayor or president; and
  - (b) the chief executive officer or a senior employee authorised by the chief executive officer, each of whom is to sign the document to attest that the common seal was so affixed.
- (4) A local government may, by resolution, authorise the chief executive officer, another employee or an agent of the local government to sign documents on behalf of the local government, either generally or subject to conditions or restrictions specified in the authorisation.
- (5) A document executed by a person under an authority under subsection (4) is not to be regarded as a deed unless the person executes it as a deed and is permitted to do so by the authorisation.
- (6) A document purporting to be executed in accordance with this section is to be presumed to be duly executed unless the contrary is shown.
- (7) When a document is produced bearing a seal purporting to be the common seal of the local government, it is to be presumed that the seal is the common seal of the local government unless the contrary is shown.

#### 9.49B. Contract formalities

- (1) Insofar as the formalities of making, varying or discharging a contract are concerned, a person acting under the authority of a local government may make, vary or discharge a contract in the name of or on behalf of the local government in the same manner as if that contract was made, varied or discharged by a natural person.
- (2) The making, variation or discharge of a contract in accordance with subsection (1) is effectual in law and binds the local government concerned and other parties to the contract.
- (3) Subsection (1) does not prevent a local government from making, varying or discharging a contract under its common seal.

Policy Implications: Nil

#### **Financial Implications:**

Costs for management of the caravan parks is included in the 2021/2022 budget estimates as follows:

Yealering \$2,500 Wickepin \$5,000

Strategic Implications: Nil

#### **Recommendations:**

- 1. That Council offer the management of the Harrismith Caravan Park to Russell and Judy Gray of the Oasis Hotel 28 Railway Avenue Harrismith under the same provisions as the previous agreement for a period of five years.
- 2. That Council offer the management of the Yealering Caravan Park to Tanya Sands of Yealering Hotel Yealering under same provisions as the previous agreement for a period of five years. With the following remuneration package.
  - a) a sum equal to 15% of the gross takings of all paid bookings at the Park, payable monthly;
  - b) Shire of Wickepin to do cleaning and gardening
  - c) Five year term
- 3. That Council offer the management of the Wickepin Caravan Park to Beryl Holm of Wickepin under the following provisions.
  - a) a sum equal to 15% of the gross takings of all paid bookings at the Park, payable monthly;
  - b) free occupation of residence located at 7 Fisher Street, Wickepin, Western Australia 6370 known as "Caretakers Residence";
  - c) free water, electricity and gas at Caretakers Residence (estimated annual value \$2,000);

**Voting Requirements:** Simple majority.

## 10.2.05 Day Care Report

Submission To: Ordinary Council Location/Address: Whole Shire

Name of Applicant: Mark Hook, Chief Executive Officer

File Reference: CS.SPR.310

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 12 July 2021

**Enclosure/Attachments:** Nil

#### **Summary:**

The CEO is requesting council to receive the report from the CEO on the provision of Day Care services in Wickepin.

## **Background:**

At the March 2021 Forum session the CEO was requested to provide a report on the provision of full time day care services at the Wickepin Play Group Centre.

| 17/03/2021 Da | ay Care Centre seven days | CEO | CEO   | to   | talk    | to | CEO   | has   | held t | he n | neetin | g with  | the |

#### **Comments:**

The CEO has held a meeting with the Shire of Williams. In short the meeting really showed that it is not viable for Council to run an Occasional Day Care Centre at the playgroup facility. The only option for Council is to support a person who wishes to set up a home day care centre in Wickepin. The home day care provider needs to be registered with an occasional day care provider; this could be the Shire of Williams as they have agreed to assist in this area. A home day care provider would require at least four to five clients a day to make it viable. The legislative requirements are quite onerous and the Shire of Williams will help a home care provider with this. The Shire of Williams are also putting out feelers within their network to see if there is anyone interested in providing a service to Wickepin.

The following requirements are mandatory before the educator can start operating a service;

- The educator must be 18 years of age.
- They must be prepared to study a minimum Certificate 3 in Child Care or already have this qualification, a Diploma or a recognised teaching degree.
- They must have a Police Clearance not more than 6 months old
- They must have a current Working with Children Check.
- They must have a current First Aid, Asthma and Anaphylaxis training.

During the registration process, they will undergo several other trainings that will be completed before they start with the support of the Service Provider.

The Approved Provider (could be the Shire of Williams) is responsible for collecting and passing on the Government Approved Child Care Subsidy (CCS) to the educator once care has been provided, meaning this type of service attracts the CCS for families, just as a long day care service does. Families will pay the educator the gap fee and the Approved Provider pay the difference to make up the educator's total fee charged. The Approved Provider will collect \$1.35 per hour of care provided per child and this is included in the educator fees.

The educator will receive all;

- Policies and Procedures for the Service
- Will be given a template of policies and procedures they must have as a service operator.
- They will receive all forms required to operate their service including parent handbooks and child enrolment forms, etc.
- Educators will be supported via email, text, face time and group chats and will receive face-to-face visits every 4-6 weeks or more if required.
- They will receive support throughout their studies if applicable.
- They are provided with access to the software program that is required to record children's attendances.
- Processing of these attendances will be done by the Service Provider.
- The educator will be responsible for;
  - Setting their work hours.
  - Setting their fees.
  - Providing a developmentally appropriate program for all children attending their service, following the National Quality Framework and the Early Years.
  - Ensuring they are compliant at all times with the Education and Care National Regulations and National Law.

The Shire of Williams has offered to offer support where they can. The Shire of Williams firmly believes in supporting small communities like Wickepin in providing children and families with the same opportunities for quality childcare just as our larger regional towns and city counterparts have access to.

The Shire of Wickepin could discreetly put out feelers for potential educators without formerly advertising in the Observer, this could be;

- The Wickepin Primary School part time teachers or assistants may want to increase their days of work and income, or families using the school parents may want to return to work or start a new career/business.
- Surrounding Primary schools Yealering and Kulin; a potential educator may live in these communities and be prepared to travel.
- Primary school newsletters
- Playgroup
- Sporting groups there may be some young men/farmers with new partners looking to relocate to Wickepin and want to work
- Mothers' group
- Facebook pages for the Shire, school, sporting clubs etc.

The CEO has done some of these and has had no interest shown from the Wickepin Community. The Shire of Williams will continue to discreetly try and recruit a possible educator for Wickepin.

For the service to be viable, it is paramount that the person is a suitable educator who can work autonomously as well as within a dynamic team so they can confidently offer high quality care at Wickepin.

Council needs to bear in mind that the building is utilised by the Wickepin Playgroup and if Council utilises the use of the Playgroup Building for five days a week then there would need to be some discussions with the playgroup as both would not be able to operate at the same time.

**Statutory Environment:** Nil

Policy Implications: Nil

#### **Financial Implications:**

The cost to Council of supporting a home care centre would be minimal as the cost would only be the provision of the Wickepin Playgroup Building. This may increase in costs if the building is required to have changes done due to legislative requirements for registration as a home Care Centre.

#### **Strategic Implications:**

The provision of a fulltime or part time day care centre is not within Councils strategic plan.

#### **Recommendations:**

That Council receives the report from the CEO in relation to the provision of a Day Care Centre in Wickepin.

**Voting Requirements:** Simple majority.

## 10.2.06 Lake Yealering Progress Association – Boat Ramp Lake Yealering

Submission To: Ordinary Council Location/Address: Lake Yealering

Name of Applicant: Lake Yealering Progress Association

File Reference: LP.PLA.1710

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 12 July 2021

**Enclosure/Attachments:** Nil

#### **Summary:**

The Lake Yealering Progress Association is requesting Council to apply for funding for the engineering and planning phase of a new boat ramp at Lake Yealering through the recreational boating facilities scheme.

## **Background:**

Council has received the following letter from the Lake Yealering Progress Association.

## Lake Yealering Progress Association Inc

C/- Post Office Yealering WA 6372 yealeringprogress@outlook.com.au

Monday 12th July 2020

Wickepin CEO & Shire Councillors

Dear Mark & Councillors,

RE: Recreational Boating Facilities Scheme - Opening of Round 26.

The Lake Yealering Progress Association moved a motion stating that we ask the Wickepin shire to apply for funding for the Engineering & Planning phase of a new boat ramp at Lake Yealering through the Recreational Boating Facilities Scheme.

We believe this is a good opportunity to get funding for the planning stage at very little cost to the shire.

We acknowledge that a new boat ramp facility will take serval years to reach competition.

Look forward to hearing from you Kind Regards

Kind Regards

Kym Smith Secretary

#### **Comments:**

The RBFS is a State Government grants program administered by the Department of Transport and funded directly from recreational boat registration fees. The RBFS provides grants to eligible authorities for the planning and construction of public boating infrastructure benefiting WA's recreational boating community.

Applications for the 2021/2022 RBFS Grants are now open, the closing date for applications is Wednesday 1 September 2021.

RBFS grants are available to local and state government departments and other statutory authorities directly responsible for the delivery and operation of recreational boating facilities.

Funding of \$1.5 million is available with successful applicants notified in December 2021. Grant funds can be accessed from 1 July 2022 with projects to be completed no later than 30 June 2023. Failure to do so may result in the termination of the grant agreement. The minimum grant is \$15,000 (GST exclusive) for a Works Application and \$10,000 (GST exclusive) for a Planning Application and the maximum grant limit is \$750,000 (GST exclusive).

Funding is available for up to 75 per cent of the total cost for all projects. The remainder of the project cost funded by the applicant, but can include:

- Funding from other sources, including government agencies, sponsorships and donations.
- In-kind contributions such as materials, labour and use of machinery.

As funds are not available until 1 July 2022 any decision by Council or the RBFS would not affect this year's budget allocations.

#### **Ineligible projects**

Applications for the following types of projects will not be assessed:

- General maintenance and maintenance dredging.
- Private facilities or those associated with private clubs.
- Facilities, which are not used primarily by recreational boat users, such as fishing platforms or toilets serving recreational parks.
- Maritime facilities, which are substantially commercial rather than recreational.
- Facilities, which are not available for use by the recreational boating public e.g. private boating clubs
- Projects which have already commenced/completed.
- Multiple applications for the same project eg two different jetty upgrade options for the same project.

A successful planning application does not guarantee that the construction project itself will be funded in future rounds.

Following is an extract from The Lake Yealering Foreshore Development Plan

5 Projects

**5B Boat Ramp Upgrade** 

Survey Results: 85.71% liked the idea of upgrading the boat ramp with 54.62% considering this to be high priority, 23.53 % medium priority and 13.45% low priority 3.

#### Issues, Condition and Concept Plan Consideration

Majority of boat users, utilise the eastern beach adjacent to the Yealering Golf Club. The current bituminised boat ramp is in poor condition and has limited use when water levels are low and when there is a build-up of silt (Figure 7). In this case, people have utilised an area on the eastern ski beach to launch boats, which has resulted in more vehicles parking in this area and a high amount of trailer parking. Golf club members are not happy with the increased usage and car parking, as people have parked and driven over the golf course3. This problem has been alleviated with the gravel road widened by the Wickepin Shire and the Golf Club members erecting a fence along the road to prevent car access onto the golf course with additional signage.

#### Boat Ramp Upgrade (Legend Item 11)

The upgrade of the boat ramp will need to take into consideration the varying water levels and possibly be extended into the lake at a further distance to cater for use over an extended period of time. Consideration needs to also be given to accommodate people being able to access their boats once launched ie an area to the side of the boat ramp.

## New Ski/Boat Trailer Parking (Legend item 6)

It is anticipated that users will unload boats at the upgraded boat ramp and leave cars and trailers in the designated trailer parking area on the eastern side of the Hall, which will ultimately relieve excess parking at the Eastern Beach and the Golf Club vicinity.

#### Formalised Ski Beach (legend Item 25)

It was requested that boat access closer to the main foreshore area was a consideration in the development of the concept plan3. Formerly, the swimming hole banks catered for boat access to the foreshore area, as people could use these banks as a base. With the banks removed, there is now limited access for boats to pull up near the foreshore and use the amenities. Boats need to launch and then be taken over to the Eastern Beach. The area to the west between the boat ramp and caravan park is shallow and provides limited boat access to the shore-line. For this reason it is proposed a ski beach be formalised on the eastern side of the swimming area. An area of turf on the bank in close proximity to this area is included and allows close access to the ablutions and other amenities.

Members of the Lake Yealering Progress have advised that the existing site would still be their proposed site.

Council could apply for a grant this round and undertake the community consultation and planning phase for the boat ramp at Lake Yealering through the 2022/2023 Financial Year.

#### **Statutory Environment:**

Policy Implications: Nil

#### **Financial Implications:**

As funds are not available until 1 July 2022, any decision by Council or the RBFS would not affect the 2021/2022 budget allocations.

Funding is on a 75% Recreational Boating Facilities Scheme 25% Local Government basis.

# **Strategic Implications:**

Fits within Goal 8 of the Shire of Wickepin Strategic community Plan 2018/2028

| GOAL 8: Tourism opp  | GOAL 8: Tourism opportunities create value to our communities  |  |  |  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|--|--|--|--|
| SHORT TERM<br>STRATEGY   | MEDIUM TERM<br>STRATEGY  | POINT OF<br>MEASUREMENT  | 10 YR<br>OUTCOME   |  |  |  |  |  |  |  |
| 8.1 Continue to actively participate in the Living Lakes project  8.2 Develop and improve the foreshore amenities at Lake Yealering  8.3 Investigate camping grounds at Lake Yealering (cost v benefit analysis)  8.4 Partner with our neighbouring Shires on tourism promotion and initiatives  8.5 Review our engagement with the Dryandra Visitor Centre  8.6 Further develop rest stops across the Shire | 8.7 Develop a branding strategy for Lake Yealering in collaboration with residents and businesses 8.8 Develop a self drive route across the Shire which includes Lake Yealering, Harrismith and Wickepin attractions 8.9 Increase our online profile | <ul> <li>Lake Yealering has enough water in it for water based activities for the majority of the year</li> <li>Number of positive and negative reviews regarding the Lake Yealering experience - online and verbal</li> <li>Yealering caravan park occupancy and length of stay increases</li> <li>Number and length of overnight stays increases</li> <li>Facilities used by locals and visitors are improved based on online and verbal feedback</li> <li>Toolibin rest stop is improved</li> </ul> | Tourism and recreational activities can occur all year at Lake Yealering The length of overnight visitor stays is increased and visitors are aware of our unique attractions |  |  |  |  |  |  |  |

## **Recommendations:**

That the CEO submit a planning phase application under round 26, 2021/2022 Recreational Boating Facilities Scheme for a boat ramp at Lake Yealering.

**Voting Requirements:** Simple majority.

# 10.2.07 Purchase Prisoner of War House Yealering

Submission To: Ordinary Council

Location/Address: 11 Congreve Street Yealering

Name of Applicant: Mark Hook, Chief Executive Officer

File Reference: CP.A&D.501

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 2 July 2021

## **Enclosure/Attachments:**

#### **Summary:**

Mrs Winter is asking Council if they would like to purchase the Old Prisoner of War House at 11 Congreve Street Yealering.

## **Background:**

Council has received the following request via Councils Website from Nancy Winter

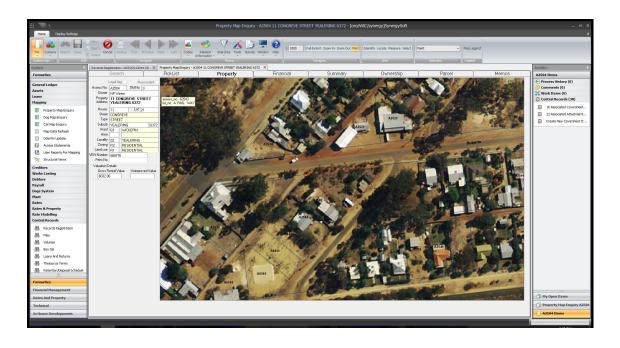

I was wanting to enquire as to whether the Wickepin Shire would be interested in purchasing the old PRISONERS OF WAR House in Lake Yealering?

I am struggling to pay the rates and I think it would be a great purchase. Kind

Nancy Winter

#### **Comments:**

Following is a picture showing location of 11 Congreve Street Yealering.

Following is an extract from Council's Inventory of Heritage Places on the POW depot at Lot 21 Congreve Street Yealering.

#### MUNICIPAL INVENTORY OF HERITAGE PLACES Shire of Wickepin

Reference No. 30

Page 91

Place name: Residence Former or other names: POW Depot

Type of Place: residence

Address of Property: Roberts Street southern corner of Congreve Street Yealering

Plan/Diagram Land Description: Lot 21 Loc No. C.T. Vol. Fol. Map References: Yealering Townsite

Owner: Streppel Address: Phone: Occupier: Public Access: nil/occupied Construction Date: c1920s Alterations/Additions Date:

Architect: Builder: owner: Bob Kew Associated Persons:

Original Use: residence Current Use: residence

Description: Timber framed cottage with weatherboard cladding and a corrugated iron roof. The two roomed frontage of the cottage has a separate skillion verandah across the width. The front door is central between two sets of French doors. The four square timber verandah posts form three bays, the two outside ones have a railing across them. It is formed from a steel wagon wheel central to the bay, an a rail extending to the posts each side of the wheel.

Condition: fair

Authenticity: high degree

Integrity: intact or redeemable

Historical theme: WAR IMMIGRATION During World War Two, the Italian Prisoners of war were
accommodated at this place. Each day the prisoners were taken to farms to work, and picked up in
the evening and returned to the depot at night. Some of those men immigrated to Australia after the war. With many of the able bodied men away from their own farms during the war, the assistance from the POWs was very helpful to the continued working of the land.

Statement of significance: The place represents a unique phase in the history of Yealering and the state. The place demonstrates an association with a significant aspect of the social and cultural history of Yealering.

Conservation Recommendation: 2 Research for submission to National Trust.

Existing Heritage Classification: none Bibliography: HOVELL E Unpublished research notes 1995 Date of Assessment: November 1995 Revision date:

Agenda July 2021

The POW depot at Lot 21 Congreve Street Yealering is a category two listing, which is

#### Category 2

A place of considerable cultural heritage significance; provide an appropriate level of recognition and protection. Recommend that maximum encouragement is provided to the owner to conserve the significance of the place. Nomination to the National Trust Classified List is recommended, to afford protection by means of moral persuasion. (TPS procedure also relevant)

May be nominated to the National Trust of Australia(WA) for National Trust Classification. A National Trust classification has no legal significance and does not infringe on the rights of ownership of a property in any way. National Trust Classification is a mark of recognition of the cultural heritage value of a property, and relies on moral persuasion for protection. A National Trust submission would be the responsibility of the community, not the Shire of Mickepin.

As the Old POW depot is listed in Council's Inventory of Heritage Places Council may wish to purchase the residence to preserve Yealering's history.

The CEO has not made any attempt at this stage to speak with the owner to see what the value of this property would be or what the owner is seeking for this property.

Although the Old POW depot is listed within Council's Inventory of Heritage Places, Council should be mindful that the building is old and if purchased by Council would require an amount to be placed in Council Budgets each year for the maintaining of the property.

#### **Statutory Environment:**

Shire of Wickepin TPS 4
Council's Inventory of Heritage Places

Policy Implications: Nil

## **Financial Implications:**

Unknown. There is no figure in the draft 2021/2022 budget estimates to purchase this property. Council however may wish to utilise funds from the current Building Reserve to purchase this property. The Building Reserve at 30 June 2021 has a balance of \$499,119

#### **Strategic Implications:**

The purchase of this property is not within Councils current Strategic Plan

## **Recommendations:**

That the CEO request from the owners of Lot 21 street Number 11 Congreve Street Yealering the asking price to purchase the Old POW depot, Lot 21 street Number 11 Congreve Street Yealering.

**Voting Requirements:** Simple majority.

## 11. President's Report

Submission To: Ordinary Council Location/Address: Whole Shire

Name of Applicant: Julie Russell, President

File Reference: GO.COU.5

Author: Julie Russell, President

Disclosure of any Interest: Nil

Date of Report: 15 July 2021

To be tabled.

#### **Recommendations:**

That council note the President's report dated July 2021.

**Voting Requirements:** Simple majority

## 12. Chief Executive Officer's Report

Submission To: Ordinary Council Location/Address: Whole Shire

Name of Applicant: Mark Hook, Chief Executive Officer

File Reference: CM.REP.2

Author: Mark Hook, Chief Executive Officer

Disclosure of any Interest: Nil

Date of Report: 14 July 2021

#### **Wogolin Recreation Area**

Below is the amended plan for the Wogolin Recreation Area to comply with Main Roads requirements. The complete date is set for 30 September 2021. There is some slight delay on equipment build so site works will commence 2 August 2021.

#### Staff

Applications for the general plant operator have closed, the CEO and MWS held interviews on the 13 July 2021. The successful applicant was James Williams from Yealering and he will be starting work with the construction crew shortly.

## **Councillor Vacancy**

Following is an extract from a letter received from the WA Electoral Commissioner in relation to the vacancy on Council as Steve Martin being elected as a member of the agricultural region for the Central Wheatbelt Region in the Legislative Council at the recent State Elections.

I have considered the information provided in your correspondence and advise that approval is given under section 4.16(4) of the Local Government Act 1995 to defer filling the vacancy until the October 2021 ordinary elections.

Councillor Martin's position was due to expire at the 2021 elections.

#### **Aged Units.**

Following is an email received from Katie Woodhams of KBuilt regarding the construction of the Johnston Park Independent Living Units on 12 July 2021.

I will have the fencing arranged to be sent up to site this week. I will need to send my guys from here to install it. I will confirm once I get a date for delivery when it will happen. I am just waiting on the windows and bricklayer. I will get the bricks delivered to site next week ready to go. We will try and wrap the building while my guys are on site so we can install windows. I cant do the roof without the bricks done. As you know, bricklayers are very scarce at the moment, and charging double the price. I have been in touch with DMIRS regarding the fence, and will have this rectified as soon as possible. Also looking at getting the boundary retaining and fencing installed as soon as possible as well. Will be in touch with some dates.

Dean Meredith, Inspector, Worksafe Industrial and Regional Industry Safety Directorate, Department of Mines, Industry Regulation and Safety has contacted the CEO as he had received a complaint regarding the building site at Johnston Street.

The CEO has been liaising with Dean and he has advised the CEO the following.

The Shire does have responsibility on site being "someone" who has control of the workplace. That means if obvious hazards are observed or known, they should be taken into account and a plan to mitigate hazards put in place. Since it is your site, you have the power to change things. In this situation, you have observed a hazard and made Kbuilt Construction aware of the hazard. Kbuilt has said they will rectify this issue. In my opinion, you have fulfilled your duties on this matter, and do not need to do any more (except make sure the hazards are rectified to your pleasing). However, if Kbuilt do not react in a timely manner, drag their feet, or break contract, as the principal contractor and someone having control of the workplace, I would then be starting to look towards the Shire to rectify these issues.

If KBuilt do not undertake the necessary requirements by 18 July 2021 the CEO has directed the Manager of Works to place the appropriate barrier around the excavation site.

#### **Town Teams**

Attached to this report is the Town Teams' report received by the CEO from David Snyder for Council's attention.
