10 Reports and Information

10.1 Chief Bush Fire Control Officer's Report

Thankyou to the Shire of Wickepin for continuing to provide equipment and staff at times of need, and for the admin support provided. Thanks to DFES for your work within our Shires and brigades also.

We received three new fast-fill pump trailers this year which are available throughout our Shire for our volunteers to use- Thanks to DFES and the Shire for securing these valuable resources for our brigades.

The Shire of Wickepin purchased 5 new Origo weather stations this year, and along with the Facey Groups' original stations are proving to be a useful tool for monitoring conditions across our Shire. I'd like to thank the Facey Group for their assistance with the stations and their ongoing support.

I was able to attend a number of Brigade meetings throughout the Shire in September/October and was pleased to see these meetings are well attended by the volunteers in each brigade. They are a great opportunity to ensure that contacts are up to date and that all members are enrolled correctly. Thankyou to Tim Haslam, from Popanyinning who was personally affected by Fire on his family farm in recent years, who volunteered his time to travel to a few of these brigade meetings and give a brief presentation which reminds us all on the importance of decision making and preparedness in fire situations.

A relatively quiet fire season for the Shire of Wickepin, with the main incidents over harvest attended by our Fire Control Officers and other volunteers being in neighbouring Shires.

Noted Fires

- 17/11/25 – Shipleys property – Caused by lightning.
- 19/11/25 – Micheal Greens property – Lightning strike, likely put out by rain
- 1/12/25- Greive's property, Cuballing Shire. Started by Header front. Town truck and volunteers attended.
- 5/12/25 – Butlers- Small fire at header, extinguished quickly by farmer. Incident 764127.

- 15/12/25 – Multiple Lightning Strikes
 - 1) Road Verge Wickepin-Kulin Rd and Fence Rd
 - 2) Wittwers paddock- neighbouring Shire, attended by Wickepin volunteers.
- 11/2/26 – McNamaras, Pingelly Shire. Pole top fires, attended by Wickepin Volunteers.
- 11/2/26, 12/2/26- Duckworths, Kulin Shire. Pole top fires, attended by Wickepin Volunteers.
- 26/2/26 – Multiple Lightning Strikes
 - 1) Malyalling Rd- Gary Langs property, leased by Lyneham.
 - 2) English Rd- Verge
 - 3) Hazeldene – Craig Jespersen’s property in Pine Tree plantation.

Thankyou to all Fire Control Officers for contributing their time and assistance with Harvest & Vehicle Movement Bans, the regular call-ups and of course their management of fires when needed. Communication has been well distributed to all brigades via the various WhatsApp groups over the harvest period, thanks to the FCO’s for doing so.

Special thankyou to Trevor for providing his support as outgoing CBFCO and to Toby, Deputy CBFCO, for stepping in when I have unavailable throughout the season.

11.7 Shire of Wickepin Fire Break Notice 2026/2027

That the Committee recommends to Council for the following wording for the 2026/2027 Fire Break Notice:

*Bush Fires Act 1954
Shire of Wickepin
Annual Firebreak Notice 2026/2027*

Action is required by owners and/or occupiers of all land in the Shire of Wickepin. Please read this notice carefully. Any queries should be directed to the Shire of Wickepin Administration Centre or Local Shire Bush Fire Control Officer. Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, owners and occupiers of property within the Shire of Wickepin are hereby required on or before 1 October 2026 and thereafter to 14 April 2027 to plough, scarify or otherwise provide and maintain firebreaks clear of all inflammable material at least 2.5 metres wide as follows:

Rural Land

Inside the boundary of all land held by each owner or occupier, their firebreaks need not follow the perimeter of any paddock but will be acceptable following land contours in an endeavour to overcome water erosion;

- To subdivide each holding into lots of no greater than 400 hectares; and*
- To surround the homestead, out buildings and fuel storages on any such land.*
- From 15 October all harvesting, baling and stubble crunching (including cutting and raking) operations, there shall be an operational mobile engine powered firefighting unit or units with a minimum combined capacity of 1,200 litres of available water, located in or immediately adjacent to the paddock being harvested and /or baled. The minimum capacity of any single firefighting unit shall be 600 litres of available water. The responsibility to supply and operate the firefighting unit lies with the occupier.*

Townsite Land

All lots within the townsites of Harrismith, Tincurrin, Toolibin, Wickepin and Yealering are required to be cleared and maintained free of all debris or inflammable material. Failure to comply with these requirements renders the owner or occupier liable to a penalty of \$5,000.

Clearing of Fence Lines

When clearing for new fence lines adjoining road reserves, you must have written approval from the Shire of Wickepin prior to commencement of clearing works. Landholders are asked to consider locating the fence three (3) metres inside their boundary to avoid any clearing on road reserves. Old fences should first be removed. If landholders wish to place their fence on the boundary, they may clear no more than one (1) metre beyond their boundary. This may be varied in special circumstances at the discretion of the Chief Executive Officer. Any timber removed from the road reserve is to be pushed onto the owner's property.

Fencing of Road Reserves

Council encourages farmers to fence off road reserves running through their properties to protect trees on these reserves and to allow new growth of vegetation.

Burning on Roadsides

Should property owners wish to carry out burning of the road reserve adjacent to their property, it is necessary to obtain council approval prior to any burning taking place.

Burning Periods

Restricted Burning – 1 October 2026 to 31 October 2026

Prohibited Burning – 1 November 2026 to 7 February 2027

Restricted Burning – 8 February 2027 to 14 April 2027

Harvest and Fire Ban 2026/2027 Season

Harvesting is banned on Christmas Day, Boxing Day and New Year's Day.

Lighting of fires is banned on Good Friday and Easter Sunday.

Summary

For Council to consider the priority of upgrading Bush Fire Brigade facilities around the Shire of Wickepin

Background

The current facilities for the various Bush Fire Brigades around the Shire are mostly old shed structures that have been able to house the bush fire units, but are now very outdated and not in keeping with DFES standards for maintaining the facilities for the various units and also providing a space for the volunteers of the brigade and facilities.

For a single fire unit and brigade building, the DFES standard from the LGGS funding is for a facility of the following:

The cost estimate for this facility would be approximately \$130,000 including sewerage connection, fitout and concrete.

The Shire is currently looking at upgrading the facilities at:

Yealering - Shed
Wickepin - Shed
Tincurren - Shed; and also
Townsendale - Fire Unit and Shed.

DFES have advised that the request for all the buildings can be done in a single application, but the priority of the buildings would need to be established so the buildings can be funded in separate years. For future years, the same application can be made, with updated information.

It is requested that the Bush Fire Brigades assist the Shire with a recommendation of the priority and style of the buildings that it would like to see on the various sites.

Officer Recommendation

That the Chief Executive Officer submit a funding request for upgrading the Bushfire Brigade facilities in the following priority:

*Yealering - small shed facility
Wickepin - DFES Brigade facility
Townsendale - small shed and permanent fire unit
Tincurren - small shed facility*

13 Closure

The next Bush Fire Control Officers Committee meeting will be held in September 2025.

There being no further business the Chairperson declared the meeting closed at [time].
