QUESTIONS FROM THE PUBLIC

The Shire of Wickepin welcomes community participation during public question time. The following is a summary of procedure and a guide to completion of the required form.

- a. The person asking the question is to give their name and address prior to asking the question.
- b. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- c. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- d. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- e. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
- f. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
- g. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- h. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- i. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- j. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- k. To enable all members of the public a fair and equitable opportunity to participate in Public Question Time, each person shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- l. Questions to be asked at the meeting will be registered, and the priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- m. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask a further two questions (with a two minute time limit) until the initial period for Public Question Time has expired.
- n. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.

Townscape & Cultural Planning Committee needs to site the Blue Tree made by the Shedder Group.

Background:

Council staff removed the blue tree from its current location in the Main Street of Wickepin, as it was inside the construction site for the new Wogolin Road Playground area. The blue tree has been moved to the Shire of Wickepin Works Depot.

Comments:

The Shire staff removed the blue tree to the Shire of Wickepin Works Depot as it was inside the new Wogolin Playground Area. The Townscape & Cultural Planning Committee need to advise where to site the blue tree within the Shire of Wickepin.

Following is an extract from the blue tree website <https://www.bluetreeproject.com.au/our-story>

WHAT IS The BLUE TREE PROJECT?

Our mission is to help spark difficult conversations and encourage people to speak up when battling mental health concerns. By spreading the paint and spreading the message that "it's OK to not be OK", we can help break down the stigma that is still largely attached to mental health.

Spread the Paint - Spread the MESSAGE

More needs to be done to help people with mental health concerns. Stronger support of our professional health system is necessary so we can help people like Jayden - those brave enough to seek help. Tragically, Jayden took his life after being released from hospital twice in one day.

He was overlooked in an overwhelmed system which is not made for modern society mental health. With this project, we hope to raise awareness around mental wellbeing and help reduce the stigma.

Following is an article in relation to the blue tree that was printed in the Narrogin Observer on the 16th January 2020.

Resolution No 160621-10

Moved Cr W Astbury / Seconded Cr Hyde

That recommendation No. 2 regarding the Information Board on Tank Road be laid on the table.

Carried 7/0

Comments:

Following is a current picture of the Tank Road sign the blue square is deleting the rude graffiti on the current sign.

The previous resolution was to site the sign in the Wickepin Town site. Council felt this was non-prescriptive and the actual siting of the sign needed to be set prior to any decision being made.

The CEO believes the best site for the sign would be to replace the sign in its original site, at the pull off bay on Tank Road.

There is some concern that as the sign has faded and the CEO is unable to read or copy the section of how our lands was formed, the CEO is unable to replicate the sign. The Wheatbelt NRM are helping the CEO with the new wording for the sign.

Statutory Environment: Nil

Policy Implications: Nil

Financial Implications: Cost of sign is approximately \$500

Strategic Implications: Nil

Recommendations:

1. That the CEO replace the sign as near as to the original and that the sign be placed back in the Tank Road information Bay.

The front entrance of the Yealering Town Hall requires repair work / maintenance. The front entrance of the Hall cannot be accessed for funerals etc. as the paving does not extend all the way out of the garden.
