Waste Site Information

* Please follow the directions of the Site Attendant and dispose of your waste in the appropriate areas.

* As part of Occupational, Health and Safety and insurance guidelines, but also in the paramount interest of personal safety, the scavenging of materials and the collection of firewood at the refuse sites is not permitted.

* Asbestos disposal is only permitted at the Wickepin Waste Site. Before any disposal takes place, it is essential to contact the Shire of Wickepin Administration Office on (08) 9888 1005 to make an appointment and confirm the quantity of asbestos to be disposed of. An authorised staff member must be present at the time of disposal to ensure that the asbestos is properly wrapped and placed in the designated area in accordance with safety regulations. A disposal fee applies and must be paid in advance to the Shire of Wickepin. Additionally, all asbestos disposal must comply with specific conditions set by the Department of Environmental Protection. For further information about disposal requirements or to obtain a license, please contact the Department of Environmental Protection directly.
