Peter Thompson
428 Wedin Road North
Tincurrin 6361

To all electoral voters,

My name is Peter Thompson and running for a position on the council for the shire of Wickepin.

I have lived in the Wickepin shire for 18 years after moving here from Esperance in 2003.

I now run a transport business in the Wickepin shire with my wife.

I have always been involved in committee's and get a great sense of achievement out of them, after being involved in the upper great southern hockey association and bringing international hockey games to Narrogin and seeing the sport thrive in Narrogin.

I was vice president of the association for 12 years and resigned in 2019 and was given a life membership to the association in the same year.

I feel that I would bring a great sense of sporting background to the committee.

Also as running a transport business I feel that I could bring a lot of transport knowledge to the council.

I feel that the Shire council is a forward-thinking committee of which I strongly feel that I could be a great asset.

Thankyou for allowing me to apply for a councillors position

Regards

Peter Thompson
