Subject: Shire council nomination
Attachments: Shire Council Nomination 9.9.21.pdf

Mark,
I would like to nominate for Shire Council. I have attached the nomination form and also completed the induction course attached below. I've have lived in the Wickepin Shire my entire life and want to help continue to make Wickepin a great place to live. The direction of the community has always been important to me and by being on the council I think I can help make a difference. Please accept my nomination.

Thanks

Ty Miller
