=====

Birthday wishes to: Caleb Murray, Elly Dowdell, Leonard Bushby, Stacey Halstead, Gemma Pauley, Jared Wing, Tatum Anderson, Lara Marchei, Sarah Butler, Tony Dunn, Kate Poultney, Murray Lang, Taylor Mutton and Tia Dunn.

=====

Deepest sympathy to Christine and Ricky Baker, Tony (dec), and Harry Rigby and families on the loss of their much loved mother, mother-in-law, devoted grandmother and great grandmother.

Joy Rigby, who passed away on Saturday, was a well-known identity in Yealering who always welcomed family, friends and visitors into her home for a chat and a cuppa. RIP Joy

=====

Roy McLeod (Cloudy) from Bullaring, celebrated his birthday with many friends and relatives at the Lake Yealering Hotel on Saturday 9th May 2021. This celebration was meant to be held last year but because of Covid it was rescheduled for this year. Instead of having a 85th Birthday Party it became a 85th plus 1 Birthday celebration. The Lake Yealering Caravan Park provided accommodation for many of Roy's guests who travelled for the event. Big surprise for Roy was the arrival of his Son Mac and wife Linda from NSW. An avid Essendon supporter, guests were asked to dress in Black and Red. Cloudy was thrilled with the gathering and wishes to thank everyone for helping to make his birthday special.

=====

Congratulations to Chloe and Cameron Nelson on the birth of their son William James on the 29th April 2021 at St John of God Hospital Midland. Proud first-time grandparents are Matt and Bronwyn Pockran of Yealering. Best wishes to all.

WATERSHED NEWS

From **"YARNS FROM THE FARM"**.

Submitted by Daphne Mckenzie.

Someone asked me a few days ago what happens at seeding time. And the simple answer of "it's when we plant the crops" just didn't do it justice. Seeding time is... a combination of little moments.

It's the unspoken tension as the weather forecasts show up empty handed each morning. It's the chaos that comes with trying to coordinate tractors, and the trucks to fill the tractors, and the utes to fuel the trucks. It's the satisfaction of finishing the last run on a big paddock. It's trying to navigate your way around the trees and rock piles while your tractor cab is engulfed in a cloud of dust. It's the amazing sunrises and sunsets that leave the sky dripping with colour. It's working alongside each other in silence, too tired to talk while clambering up over tyres and metal bars to unblock seeding hoses. It's the relief of falling asleep to the sound of rain on the tin roof. It's the 9pm fill ups underneath the Milky Way that put life back into perspective. It's the family two-way talk back that starts up after listening to Richard Fidler or the Country Hour on ABC radio in 3 different vehicles. It's the familiar glow of tractor headlights on the horizon as evening falls. It's the 180km round trip into town for machinery parts and veggies. It's figuring out the perfect lunchbox combination as you draw to the end of the season. It's the constant tag team between jobs to keep the sheep happy as well as the airseeder moving. It's lots of big decisions like which crop to plant on which soil type, which paddock to start first or how much of the program to put in given the weather conditions. It's trying to remember the one million tractor grease points that Dad has pointed out to you. It's stopping for a chat with your neighbours at the cross roads to see which side of the fence got more rain.

But yeah... essentially it's when we plant the crop

“Wild About Wickein”

“Mother Moving House”

Photo by Reece Gamble, in April.

Mother wolf spider makes an egg sac of white papery silk shaped like a ball, which she carries around attached by strong silk.

When the spiderlings hatch, she carries them around on her back until they are ready to disperse, ballooning-off or on the ground.

Such a high degree of parental care is relatively unusual among spiders.

Wolf Spiders live for up to two years.

PLEASE BE AWARE OF PHONE SCAMS

I answered the phone last Wednesday 12th May 2021 to be told the person calling was from the Fraud Squad in Sydney and they were enquiring if I had made a purchase of \$4,800.00 in the last few moments. My response was "No Way". His reply was to say that my account has been activated and did I have my card handy. It was then that I started to get suspicious and asked if I could ring him back and asked for his contact phone number. At that point he hung up. On thinking back he never mentioned a Bank just that he was from the Fraud Squad. Written by Daphne McKenzie.

## News

### Adult Fiction **Diane Allen - The Girl from the Tanner's Yard**

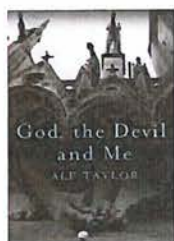

After facing the horrors of the Crimean War, Adam Brooksbank returns to Black Moss Farm filled with regret over the path in life he has chosen. Starting anew, he decides to focus on rebuilding his family's rundown farm and make it a home again. Lucy Bancroft lives with her parents on Prospect Terrace which backs onto the local tannery, and is the most beautiful girl in the village. But unfortunately her wealth doesn't match her looks, and she soon realizes that nobody wants to court a girl from the filthy Flay Pits, let alone marry her. Yet when Lucy comes to work for Adam as his maid she finds herself falling in love with the farm set high upon the wild Moors of Haworth. Furthermore she begins to imagine a life with her new employer that goes beyond just being his maid. As they spend more time together, their feelings develop for one another despite her parents warning her nothing good will come of it. As rumours swirl around the village igniting jealousies and unearthing deeply buried secrets, will love find a way?

### Large Print **Ali Berg & Michelle Kalus - While You Were Reading**

Meet Beatrix Babbage – 29-year-old dog-earer of books and accidental destroyer of weddings. After ruining her best friend's nuptials, Bea relocates to the other side of the country in search of a fresh start, including meeting new people, living life to the fullest and finally pulling off balayage. But after a few months, life is more stagnant than ever. Bea's job is dead-end. Her romantic life? Non-existent. And her only friends are her books, her barista and her cleaning lady. Then Bea stumbles across a second-hand novel, inscribed with notes. Besotted with the poetic inscriptions, Bea is determined to find the author ... and finds herself entangled in one hell of a love quadrangle.

Funny, poignant and insightful, *While You Were Reading* reveals that there's no such thing as perfection, the value of true friendship and, most importantly, the power of not living in fiction, but still reading it ... Often.

### Adult Autobiography **Denise Hunter - Carolina Breeze**

In this unique and highly entertaining autobiography, Alf Taylor chronicles his life growing up in the infamous New Norcia Mission, north of Perth in the fifties and sixties. Darkly humorous and achingly tragic, *God, The Devil and Me* tells of the life and desperation of the young children forced into the care of the Spanish Nuns and Brothers who ran the Mission. Their lives made up of varying degrees of cruelty and punishments, these children were the 'little black devils' that God and religion forgot. As a child, underfed, poorly clothed and missing his family, Alf sought refuge in the library in the company of Shakespeare and Michelangelo. He writes with joy about the camaraderie of the boys, their love of sport and their own company, but also notes that many descended into despair upon leaving. Most died early. Alf Taylor is one of the 'lucky ones'.

### DVD **Dead Still**

Photographer Brock Blennerhasset (Michael Smiley, ) makes a living out of photographing the dead in Victorian Ireland, commemorating the recently deceased for grieving families. With a killer on the loose--and a growing black market for illicit pictures threatening his livelihood, Blennerhasset must track down the serial killer before he strikes again. This fascinating historical series blends murder mystery with delightfully macabre humour.

*Our library has DVD's, Audio Books, children's and many more.  
So come in, have a browse, and if you don't find what you are looking

## WICKEPIN NETBALL CLUB

### Round 2: Sets: V Pingelly

At training this week our focus was getting in front of our players to receive the pass – the girls tried their hardest to put this in to play with some great passages starting to be shown on court.

The game was very even, back & forth with lots of intercepts made by all players. We will continue to develop our dodging skills & work on finding space over the coming weeks. Well done girls.

*Coach – Danni Astbury & Emily Davey*

### Go: V Cuballing

Last week we came up against a challenging Cuballing side. Well done to all of our players who kept their heads up and continued the game with great sportsmanship. Some fantastic defence meant we had a lot of the play heading back down the court but our opponents were a little taller and adept at intercepting our passes. Player of the match to Dylan Green for supporting his team mates. *Coach -Kelly Steere*

### JD3: V Flames

Right out from the starting block, our shooting combo of Claudia & Hannah was the perfect choice who could do no wrong. Strong performances through the middle by Lucy & Mia had the flames girls on edge with every pass they made. We came away with a very convincing win in the end, with an amazing game played play all.

Special mention to Lucy & Kiesha for umpires votes, & Mia with coaches votes for 100% effort through the whole game, your improvement is showing every week Mia with your confidence at every pass and interception you make. Well Done Wallabies!!!! *Coach- Michelle Miller*

### A1 & A3 – Game's Rescheduled

### Round 3: Sets: Bye Go: Bye

### JD3: V Flames Flames 22 - Wallabies 6

With a strong start from flames our little wallabies had to make sure they were in front & every pass needed to be spot on. All girls put in  Especially Mia & Emily who went head first into each other, which then had our fill in Kate take the court. Even though the scoreboard wasn't in our favour, all the girls played so hard, plenty of intercepts & pressure on the ball. Big thank you to Kate as our fill in who got my coaches votes, think you need to give up the stick & come back to the big ball, it's like you've never missed a game.

Also a shout out to Mia, you were a super star coming back on the court after coping a belter head knock (with a fancy bruise to prove it) your ferociousness when you came back on was inspiring.

Bye this weekend, enjoy the sleep in mummies 😊 *Coach – Michelle Miller*

### A3: V Waves Wickepin 26- Waves 53

Embracing the cold late Friday night the A3 girls came out blazing!

However Wave's quickly jumped ahead which kept our girls on their toes but resulted in them pulling away from us a little in the first quarter. Wicky soon found their feet in the second quarter and contested every ball. Centre passes were a struggle but the girls persevered and between Emma Tait, Jess Joldescu and Karli Martin the girls managed to feed the ball into our goalies. Sarah Corke, again with her eye in certainly kept us in the game and the agility and determination given by Jenna Lansdell did not go unnoticed. Great hands from our defenders Alyce Donaldson, Alyce Tropiano and Marion Hook ensured we got every opportunity at the rebounds and defended every pass. With assistance from Amelia Holmes Thorne and Meg Wyllie the girls were able to get the ball back out of the opponents attacking end and feed down the Court. By the fourth quarter our little legs were a bit puffed and Waves pulled away from us. The team as a whole put up a great fight and fought to the end. I look forward to getting back on the court with you all next week!!

Our next scheduled game is at home on Monday 24 May 2021 at 6pm followed by A1 at 7.30pm. Would be great to see some spectators and supporters come along and cheer the girls on!!!! *Coach – Mel Martin*

### A1:

This weekend the ladies faced a very talented Wagin team. The Wicky ladies were pumped and our main objective was to balance the court, short sharp passes, strong man on man defence and play at our pace. Wicky got the first goal and went goal for goal majority of the first and second quarter but by the end of the first half had Wagin with a 10 point lead. The Wagin shooters were on point, so my strategy was to put more pressure on the circle for the last half. It was a strong fast game by both sides and all the ladies put their all in, however Wicky was unable to chase down Wagin come the 4th quarter. Very pleased with the effort the ladies put in and adapting to the changes. A special mention to Zoe Liddel for her explosive entrance into the game and taking home "queen of the court". Well done!! We will get em next time :) *Coach – Jess Joldescu*

**Please come down and show your support for the seniors who are set to take on Cuballing at home on Monday 24<sup>th</sup> May – A3 at 6pm & A1 at 7:30pm.**

## Wickepin Hockey Club Juniors J7s & J11s

J7s Team Coach Aiden White

Manager Jody Matthews

Players ; Mercy Matthews, Flynn Anderson, Kaylan Halstead, Anabelle Turner, Leo White, Harvey White, Mason Vitalone, James Oats, Ashley Erkelens, Bailee O'Brien, Jesse Coonz, Isaac Coonz,

Just refreshing everyone's understanding of the J7s concept. J7s is the Associations approach in educating young players, keeping them in a safe, controlled, learning hockey experience. 7 players on the field at once and played on a half field. Years 2 – 4. J7s scores are not

recorded to ensure its more about participating and learning.

### 1<sup>st</sup> May Vs Stingrays @ Woodinilling

Umpire votes – James Oats, Kaylan Halstead, Mercy Matthews

This was a very fast moving game from start to finish. The team passed to each other well and moved the ball well throughout the field. The defence tackles were strong, and the attackers carried the ball well passing down the field and heading for goal at every opportunity. Coach was impressed with the play especially as it was the first game for the season. We were missing a few players and look forward to them joining us next week.

### 8<sup>th</sup> May VS Devils @ Bevan George Stadium (Turf)

Umpire votes – Mercy Matthews, Mason Vitalone, Jenaveve Page

Turf games have the advantage of being quicker than grass and our J7s handled themselves very well. There was play all over the field by both teams and the improvement of placement of ball and positioning, developed throughout the game. All the players had time with the ball either tackling, dribbling and passing along to another team member. Our defensive play was impressive, as too the work through the field to score some goals!

### 15<sup>th</sup> May VS Dingoes @ Bevan George Stadium (Turf)

Umpire votes – James Oats, Mercy Matthews, Mason Vitalone

Flynn had a great run out to the side where he passed onto Anabelle and Jesse in the forward line. Isaac positioned himself well and went to tackle at every opportunity.

Mercy positioned herself and tackled well, she moved the ball forward to goals to pass to Isaac, Jesse and James. Bailee held her defence position well and travelled with the ball towards goals.

Mason had a HUGE job in goals today, he was challenged by some really fast play and he positioned himself well.

James made some great use of his skills, weaving around players to travel down the field with the ball to goals. Ashley covered a lot of the field tackled, and lead for the ball making good positions. Anabelle made some strong tackles and dribbled the ball well past players.

Our J11s players are combining with Woodanilling this year. They have been training at home and joining in at the games. They have adjusted really well and are getting used to playing in a full field game, playing different positions and starting to get to know their teammates. It is a credit to them how they have embraced all these new things!! Stirling, Tiffany and Lucas are all making a great contribution to their new team.

## WICKEPIN HOCKEY CLUB

### 15th May - BROOKTON VS WICKEPIN @ BROOKTON 3PM

It was a cloudy day with only 1 sub, and thankyou to Kiralee Harris for playing again, much appreciated. Everyone giving it their all, great tackles, great runs, Renae swooping through Brookton players scoring us a couple of shorts! Not quite enough to forfill a score, bugger.

Second quarter couple more shots, still not enough. Brookton making it little harder this quarter! Renae, Amy and Sarah working through middle field all the way down to our Wicky goals and score! Wow great score Renae. Brookton take ball and not long after they score too, half time 1 all.

Everyone played very well, game looking little untidy, but we improved. No score in the second half at all!

Umpire votes went to Renae, Sarah and Holly. Exceptional and well deserved ladies

I would also like to thank Brookton ladies and Wickepin ladies for your help with situation after game! And a big thanks to Brookton ambulance officers Phillip Crute, Chloe and Aleisha Coote for your assistance.

We have double header this week. Next game is on Wicky grounds against all blacks at 3pm and 3pm on turf also against Warriors on Sunday.

Love to see community support.
