Community News

Birthday wishes to: Jake Martin, Hazel Green, Jamie Mutton, Jessica Gray, Shirley Hemley, Sandy Williamson, Griffin Pike, Cath McDougall, Carmen Payne, Adam Jespersen, Judy Lock, Cejay Hill, Daniel Fleay, Ruth Bailey and Jacqui Martin.

John and Daphne Mckenzie were seen at the Lake Grace Regional Art Scape viewing the Weird Art exhibition designed to challenge logical thinking on Tuesday 8th June 2021. Artist Vandan McKenzie's exhibition featured 77 artworks ranging from canvas paintings to pencil drawings – all designed not to make sense.

A big “thankyou” to John Menegola from the Watershed News Team for filling in doing the stapling for the last two editions.

Please note, there will be no Arts and Crafts this Wednesday 16th June 2021, due to maintenance being done at the Centre.

Four school-day girlfriends met up in Wickepin last weekend (May 22) to explore the townships & Shire of Wickepin. Our visitors were sure to pop over to see Lake Yealering filling up ! In wonderful light and very calm weather, we enjoyed all aspects of life here and the rich history,.. so very well preserved.

Kevin Pilkington, Vince Cusworth, Lex McCulloch & Geoff Gamble, our city friends, were most impressed with the *cleanness* of the towns, the memorials to Service Personnel and the fine collecting of local history, ..which truly is remarkable !

“It all shows a great pride in their community”, Lex said.
A big thanks to Jean & staff, who patiently produced various varieties of coffee & lovely toasties, Mr David Astbury, Amanda at CRC, She Shed He Shed (by nature of their works)& also Ian Shedden, who's always on-call at the Caravan Park.
Thank you, Wickepin !

Wickepin Public Library News

Adult Fiction Sally Thorne - **Second First Impressions**

Ruthie Midona is twenty-four (going on ninety-four) and fully committed to her job at a luxury retirement village. Keeping herself busy caring for the eccentric residents means that Ruthie can safely ignore her own life. Teddy Prescott is practically allergic to a hard day's work. When he rocks up as the retirement village's newest employee, Ruthie is less than impressed. The last thing she needs is a distraction as irritating (and handsome) as this selfish rich kid. Lucky for Ruthie, her favourite pair of mischievous residents need a new assistant to torture . . . so she hands over Teddy, ready for them to send him running. Except Teddy may be about to surprise her...

Adult Fiction Nicola Moriarty - **You Need to Know**

Jill, her three sons, their wives and children are driving in convoy on Christmas Eve. But something sinister is simmering behind their happy smiles. Mimi is struggling with her new twins, but at least a glass of wine smooths out life's jagged edges. Andrea's starting to wonder if her marriage is as happy as she'd thought. Darren is reeling from a surprise request and teenager Callie has become increasingly withdrawn. On the way to their holiday house, a terrifying car accident devastates them all. But someone unexpected was in one of the cars. No one is searching for them. And their time is running out

Large Print Cynthia D'Aprix Sweeny - **Good Company**

Flora Mancini has been happily married for more than twenty years. But everything she thought she knew about herself, her marriage, and her relationship with her best friend, Margot, is upended when she stumbles upon an envelope containing her husband's wedding ring—the one he claimed he lost one summer when their daughter, Ruby, was five. Flora and Julian struggled for years, scraping together just enough acting work to raise Ruby in Manhattan and keep Julian's small theater company afloat. A move to Los Angeles brought their first real career successes, a chance to breathe easier, and a reunion with Margot, now a bona fide television star. But has their new life been built on lies What happened that summer all those years ago And what happens now.

DVD Angel of Mine

Seven years after the death of her daughter, Lizzie locks eyes on a sight she thought she'd never see again: a girl, Lola, who is the spitting image of her own lost child. As she battles for custody of her surviving son, Lizzie's obsession with Lola only grows--befriending the young girl's mother, following her everywhere and forcing long-held secrets out into the open.

Our library is stocked with a large array of fiction and non fiction books, DVDs audio books, children's books and activity packs so come in have a browse and if you don't find what you're looking for, ask one of our team is they can order it in for you

WICKEPIN HOCKEY CLUB

ALL BLACKS VS WICKY @ WICKEPIN @ 3pm 22nd May 2021

Rather cloudy day but still warm. A big thank you to Amy Turner for being an extra player today. Line up in defence, Steph Cook (goalie), Holly Eales and Jody Matthews full backs. Aleiah and Stretch half backs. The attack line consisting of Trish Armstrong and Kiara Richards (Kiki) as wings with Renae Bransby and Stacey Halstead inners and Sarah and Amy Oats centre field.

It was a ping pong game 1st quarter with no scores. From memory everyone playing good hockey, training paying off. Renae hits toward goals from the right in D off by inches, bugger. Raymond from sidelines (coach) saying it's in it's in, now apparently Renae owes him a goal.

2nd half, wow, after talk about pressure etc where the team could improve wow, Kiara and Halstead racking up some great tackles and controlling of the ball giving it their all. All Blacks having win on fitness with some younger players having the ball, but defence was immaculate by Steph, Jody and Holly getting some nice passes for Renae through to Amy up to our attacking D and shoots for a score but unlucky All Blacks feet. Few shorts given, Halstead pushing out mixing it around between Renae, Amy and Sarah, hitting into goals, still not enough to put it in the goals. Up and back, All Blacks not making it easier. Aleiah gets some good control of ball, taking it up the line passing to Sarah and Renae, HOLY WOW, Renae hits from the left and it goes past the goalie. Score 1-0.

Up and back we go again, Wickepin defence staying strong, All Blacks take the ball to their attacking D and bugger Wicky's foot, short to All Blacks. All Blacks hit in from top of D excellent save by Steph, she kicks it out, between Holly and Jody they take it out wide, unfortunately gets turned back over by All Blacks. Sarah defending strong, whistle blown, she's off field for 2 minutes. Kiki running legless, swoops in and takes the ball giving it a 120% she passes off into centre-field. Between Sarah, Halstead and Amy passing through midfield, GETTING REALLY EXCITED (few of us on sidelines), Renae smashes the ball past All Blacks players and ding, the back of the goals. YEEHAAA! Score 2-0.

What an interesting half this is! All Blacks taking ball again and Kiki bringing out what she's been doing at training, comes in and wants the ball, unfortunately oops All Blacks player on ground, Kiki gets carded for 5 minutes. Wicky defence holding strong, Trish and Aleiah playing awesome together and whistle is blown. Final score 2-0. Umpire votes went to Sarah, Stretch and Renae

We have started super 66 now, and first week winners were no. 61 not sold and no. 88 Kye Armstrong

SUN 23RD MAY ON NARROGIN TURF WICKEPIN VS WARRIORS AT 3.30PM

First of all a big thanks to Warriors for letting us reschedule our game to today. Apologising to everyone in advance - memory short on this game. All I can say is thank you to all spectators for coming to watch, I'm not sure if we can consider the hail that came down 4th quarter to be very warm, but it was different. Shirts soaked, sticks wet, hard to hold onto, however this didn't slow Kiki down. Second quarter, Kiara being in wing position received an excellent ball from Renae in Wicky's attacking D and scored her first goal. Wow, everyone rather excited, and Kiki you own the wing position, which was repeatedly said by team mates and spectators. 3rd quarter Warriors received penalty lucky miss for us though, but Steph was raring and waiting. Warriors having most of the play for now, Wicky showing strong defence, we let one slip in for Warriors.

Final score 1-1

Votes went to Holly, Renae and Amy. Many saying we were little disappointed as we thought Kiki should have received some. Oh well next time. Hope everyone got home safe and got warm.

WICKEPIN HOCKEY CLUB

A rather cloudy and drizzling day. Thanks to Amy Turner again for filling in as a sub. The defence line consisting of (well known goalie now) Steph Cook, Jody, Holly, Trish, Sarah and Aleiah and attacking line with Renae, Amy, Halstead, Stretch, Kiki, Tiffany Preadaux and Amy Turner.

Everyone feeling a bit off in ways, before we started, well first quarter showed different. It took us a while but holy cow, Renae wanted that first goal and she got it. Everyone showing some great skill and team work is really coming together, this is great to see from sidelines and on field. Everyone playing a great game, whether it be with control of the ball, passing back and in 2s, reoffering, defending or attacking everyone was shining. The ball getting around midfield Renae striking the ball from Wagin's attacking 25 line all the way down to the left wing, Kiki picks up the ball swoops between a couple of Wagin players and taps it in. Kiki scores. 2-0

Communication on field was very encouraging and there was plenty of it. Well done to Renae for directing and assisting the positioning. I on a personal note, think that this game was one of our best games for communication so far. Lots of encouragement and self esteem boosting goes a long way, we sure proved that today. Wagin scoring a short, they have a go, great save by Steph deflects it with her left boot, Wagin players scrap around and Steph kicks it out again. Wicky players take ball out wide - great passing, control and use of the line, not letting Wagin get close, Renae receives the ball and a hit into our attacking D through Wagin players and onto Amy Oats hook of stick and she scores.

Wow, been trying that forever and it finally has paid off. Excellent ladies, great work was heard from the sidelines. Not sure who was more excited. Great work ladies. Everyone needs to give themselves a pat on the back, the plays all the way up and down the field were spectacular to watch, and the team environment, this had to be one of the better games. Wagin playing some real young ones in midfield keeping us on the ball, we stayed strong and kept up holding our grounds. Wagin scoring a few shorts repeatedly, it eventually paid off for them they scored in the third quarter. No one scored fourth quarter both teams fought til the end. Final score 3-1.

Well deserved umpire votes went to Renae, Kiki and Sarah.

Training is still 6pm Thursdays at Wickepin please comment on hockey page or inform Raymond please if you can't make it.
