Community News

Birthday wishes to Adam Jespersen, Judy Lock, Cejay Hill, Daniel Fleay, Ruth Bailey, Jacqui Martin, Kyle Flavel, Travis Talbot, Sarah Woods, Aiden White, Jade Bushby, Lucy Miller.

The last Pump Class will be Tuesday 21st June 2022, due to decreasing numbers will cease the classes. After 6 years of setting up for Pump, the time has come to give it away, thanks to all who have attended over the years it has been great. Helen Sands

Our deepest sympathy goes to Jean Robbie and the McInnes family from Kulin following the sudden death during his sleep of their second son Michael (Mick). His funeral will be at the Freebairn Centre in Kulin on Thursday 23rd June at 11:00am.

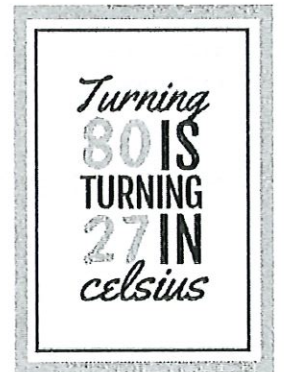

Hazel Green turns 80.

Hazel Green has had a few days celebrating her 80th birthday. Firstly last Tuesday the HACC bus went to Narrogin where 10 ladies went to the Duke of York Hotel for lunch, Bev Chapman came up from Bunbury and spent the night before at Marj White's, caught up with a few friends around Wicky and joined us in Narrogin. 1st birthday candles.

On Thurs which was Hazel's actual birthday, she went up and joined the Blaze Aid crew for tea. She caught up with her cousin Greg McColl and his wife Nan who spent last week working with Blaze Aid. Another lot of candles to blow out.

Hazel's daughter Susan was OIC in charge of Saturday's celebrations. They decorated the Community Centre with lots of fun balloons and organised lots of yummy food.

The guest list was very varied with people from Perth, Narrogin, Kulin and Wickepin surrounds and other places. Steffie was the cake maker and everyone helped with food. Grandson Tighe Drayton was the bar man and between them all it was a great afternoon. Thanks to all who made my 80th birthday memorable.

Elaine Bushby's granddaughter Tia, travelled to Narrogin by bus on Friday for the purpose of attending her nephew Zane Knight's 6th birthday party on Saturday. The party was also attended by Elaine & Keith Bushby who arrived back on Friday from a 2 week caravanning trip. Tia was taken back to Narrogin on Sunday to catch the bus back to Perth. A big achievement for a 20 year old on her own.

Australia's Biggest Morning Tea hosted by the Yealering Primary School at the Yealering Hall on the 10th June was a huge success. Everyone was greeted by the students who explained that the day was all about raising money for cancer. It was lovely to see so many people having a catch up with others they had not seen for a while. People travelled from Corrigin and Wickepin to join the Yealering folk with the festivities. A scrumptious morning tea was served, with lots of money raised for a good cause. Great day.

A huge thankyou to Judy Lock for her many, many years volunteering at Watershed News. We wish her the very best on her new adventure in Narrogin and look forward to receiving our morning tea invitation!!

The Arts & Crafts group are making items for the shoe boxes to be packaged up and sent overseas in October. If there is anyone out there who has a surplus of marbles, would you please drop them at the CRC so they can be put in the marble bags for the shoe boxes.

If you have a few hours every 2nd Tuesday commencing 5th July and would like to join the Watershed News team to collate our paper at 9am, we would love to see you.

Hark the Bleating Frogs !

If you live within 'cooee' of any still water, you'll be familiar with the common ground-dwelling and arid-adapted frog, called the "Bleating Froglet" *Crinia pseudinsignifera*.

In these parts, they're as familiar as bleating lambs !

They create quite a chorus at sundown.

Well ! They have much to catch up on, having spent 5 solitary months dwelling beneath our hot, dry earth.

Theirs are the tadpoles we find in the pools on granite outcrops, in clay dams and temporary streams, the adult 'bleaters' breeding & joyfully calling throughout Winter.

It takes three months for their tadpoles to grow to 3cm, (the size of an adult froglet) and to climb onto dry land with their long legs,.. so to start their cycle over again !

With those cool, calm evenings of a 'teasing', long Autumn, you may have heard,.. & perhaps seen, some other frogs out & about.

Notably, the large "Western Spotted Burrowing Frog" (aka the "Chocolate Spotted Frog").

Where did they come from?

After a decent rain in late Autumn, the male "burrowing" frog was drawn down from his home amongst leaf-litter in higher country ..to the edges of wetlands.

For a month, he called keenly and burrowed down to around 30cm,(always amongst tall sedges or rushes), to await his partner.

Following breeding, Winter rains flush the tiny, young tadpoles from their burrow & -*hopefully*, ..within a few months, they too become beautiful spotted frogs.

It's encouraging indeed, to learn that of twenty South-West frog species, 10 are apparently thriving in the Wheatbelt,..mainly in the more-or-less pristine reserves associated with granite outcrops.

For help identifying your frogs, you can visit **Wheatbelt Frogs** on the WA Museum website,- or borrow the "**Field Guide to Frogs of Western Australia**" by M J Tyloer & P Doughty, available now at the Wickepin Library.

Keeping our Town Tidy

WE MAKE A LIVING BY WHAT WE GET
BUT WE MAKE A LIFE BY WHAT WE GIVE (Winston Churchill)

Thank you to our COMMUNITY VOLUNTEERS who gave their time to Keep our Town Tidy. You all did such a FABULOUS job working together. A heartfelt THANK YOU to you all.

You too can do your part to Keep our Town Tidy

*Thank
you*

- Organise your own clean up event.
- Be a "waste-watcher" and pick up litter as you go on your walks.
- Call the council for any large scrap metal items on your residential property for collection
- Beautify with more green in your home garden.
- Clean up those over grown weeds and trim back shrubs in your garden

Our Shire workers do such a WONDERFUL JOB at beautifying our Town, let's pitch in and do our part.

DOGS

Stray dogs continue to be a nuisance in our community. ALL dogs MUST be registered with the Shire of Wickepin. The Shire's Ranger has been ordered to collect all stray dogs and impound them, and will only be released upon payment of pound fee AND payment of registration fee, if unregistered.

A bookseller conducting a market survey asked a woman, "Which book has helped you most in your life?"
She replied, "My husband's cheque book."

BEST MOBILITY EXERCISES FOR SENIORS

Bed Leg Lift

1. Lie on your back and bend one knee so the foot is flat on the bed.
2. Raise the straight leg as high as you can. A few inches is good, and so is way up off the bed.
3. Hold it for about 10 seconds.

Seated Row

1. Sit on the floor with your legs extended but your knees slightly bent.
2. Place the center of the band around the soles of your feet and hold the band in your hands. Grasp the band such that your arms are extended but the band has little or no slack. Your palms face inward.
3. Sitting tall, pull your elbows back and your shoulder blades toward each other.
4. Slowly return to the starting position. The best muscle building comes when you go slow on the return trip.
5. Do 1-2 sets of about 10 reps.

Energy to the Sky

1. Stand with your feet hip distance apart and arms at your sides.
2. Now bring your arms up and extend them straight out in front, palms down, fingertips pointing in.
3. Inhale, and watch your hands as you raise them above your head.
4. Exhale and bring your arms back to your sides.
5. Repeat 5-10 times.

Aqua Jogging

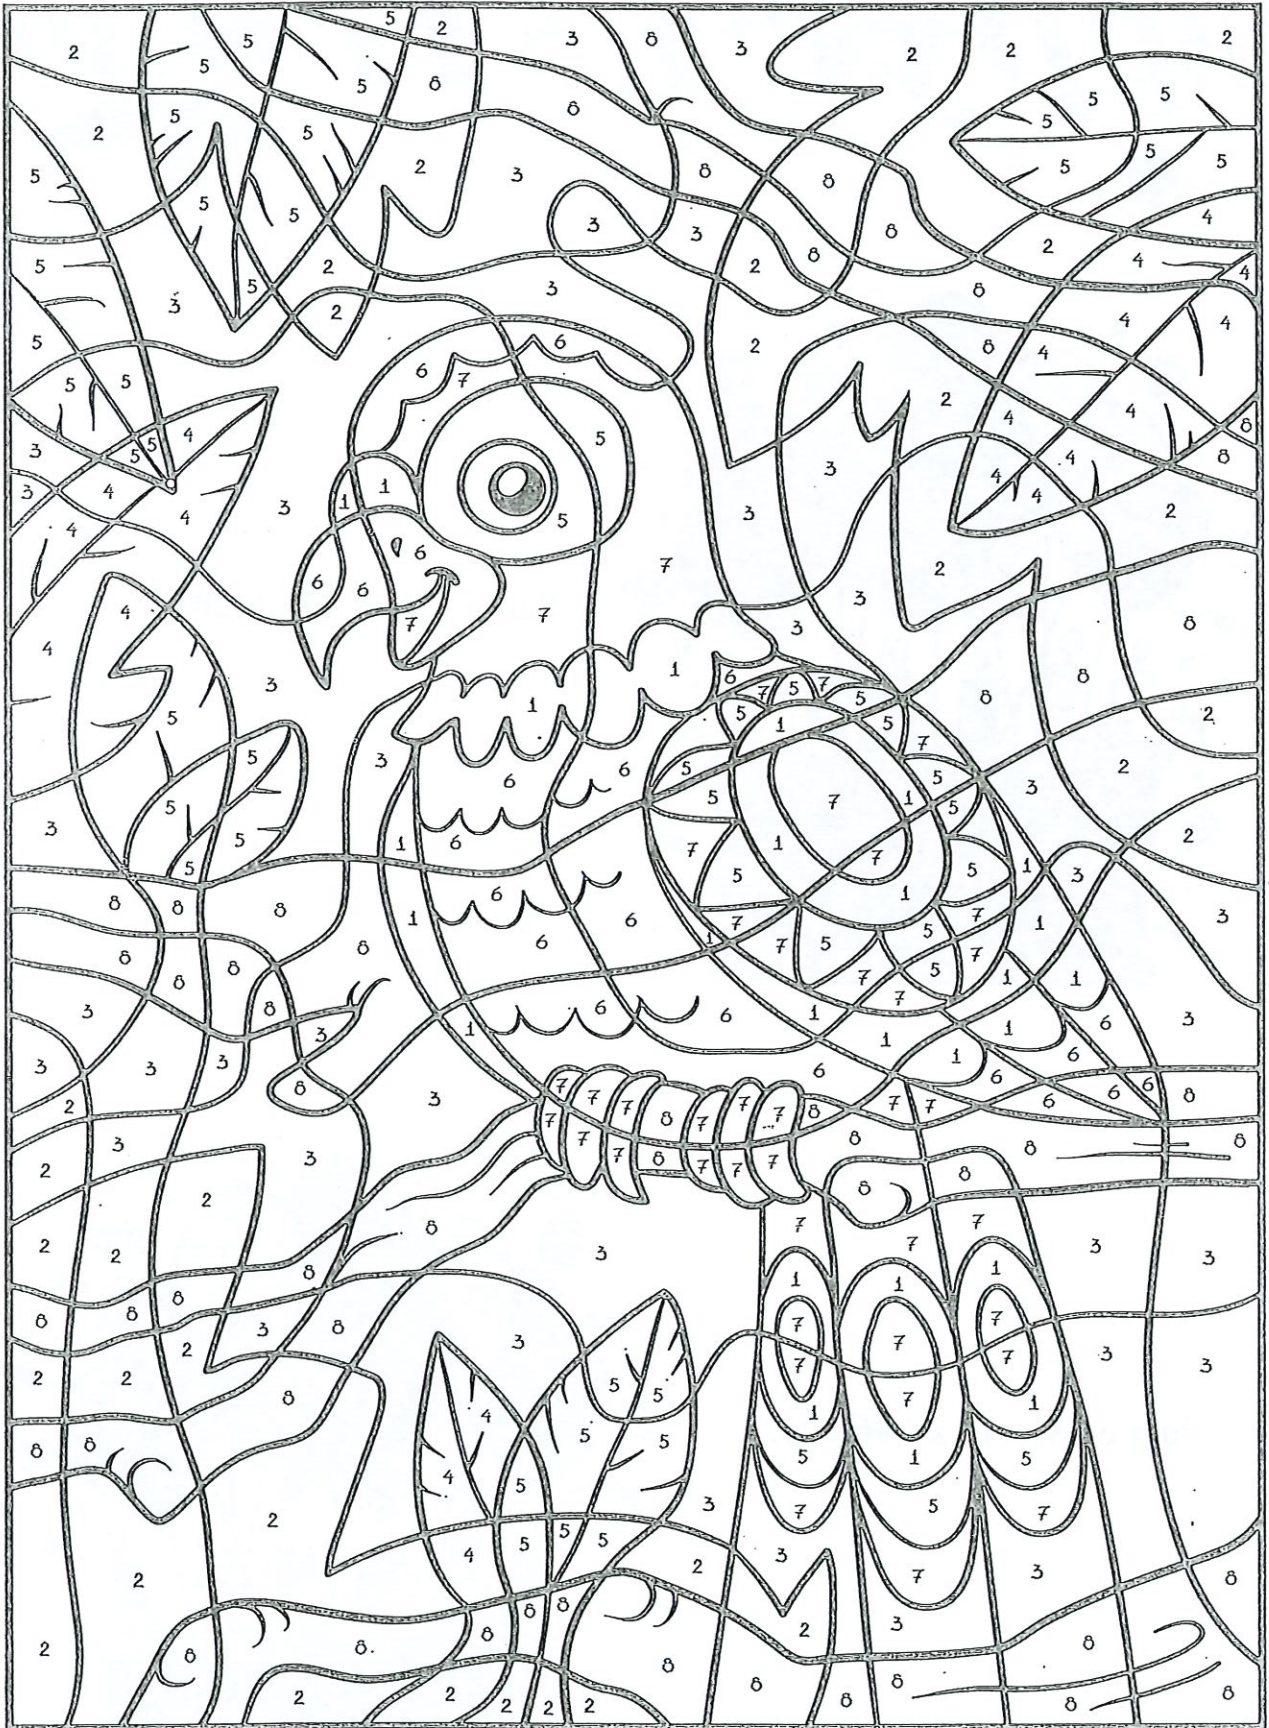

1. Jog or walk across the pool and back.
2. Jog, walk or march in place.

Walking

1. Find some hills. Walking up boosts your heart rate, and walking down challenges a different muscle group.
2. Do intervals. Walk fast for two minutes then at normal pace for five.
3. Is the weather lousy? March in place indoors. Or across the room and back.

Community Feral Animal Control Funding

Are foxes, cats and rabbits having an impact on your bottom line?

Feral animals impact Wheatbelt farms and take out large numbers of native species.

Our Healthy Bushlands program offers pest control support to anyone wanting to reduce the effects these animals are having on native species in bushland on, or adjacent to, their property.

Chicken saltimbocca

Main Ingredients:

8 chicken cutlets
8 thin slices of prosciutto
8 large leaves of fresh sage
1/2 teaspoon salt
1/4 freshly ground black pepper
1/2 cup flour
2 tablespoons extra-virgin olive oil
1/2 cup dry white wine
1/2 cup non-fat, reduced sodium chicken stock
1 tablespoon margarine

Cooking Preparation of the Recipe:

Place a slice of prosciutto along one side of each of the chicken cutlet slices, and top with a sage leaf. Fold the chicken over to cover the prosciutto and sage. Pound along the edge to seal or secure with toothpick. Sprinkle with salt and pepper. Dredge in flour.

Heat half the olive oil in a large skillet over medium-high heat. When the oil is hot, add half the chicken and cook for one minute, turning once until both sides are golden-brown. Reduce the heat if the flour coating begins to burn. Transfer to a plate. Repeat with remaining olive oil and chicken and remove chicken to a plate.

Add white wine to the pan and bring to a boil, while scraping the browned bits from the bottom of the pan. Reduce the liquid to about one-half, then add chicken broth. Return the chicken to the pan and cook an additional 5-6 minutes until the liquid reduces by 1/3 and the chicken is cooked throughout. Stir in the margarine and serve immediately.

Pumpkin Chocolate-Chip Squares ~ Gluten and Dairy Free

2 cups all-purpose flour
1 tsp. allspice
1 tsp. baking soda
3/4 tsp. salt
1 cup unsalted butter, room temp
1 1/4 cups sugar
1 large egg
2 tsp. vanilla extract
1 cup canned pumpkin puree
1 cup chocolate chips

Preheat oven to 180 Line bottom and sides of 9 x 13 inch baking pan with foil

In a medium bowl, whisk together flour, spice, baking soda, and salt; set aside.

With an electric mixer, cream butter and sugar on medium-high speed until smooth; beat in egg and vanilla until combined. Beat in pumpkin puree (mixture may appear curdled). Reduce speed to low, and mix in dry ingredients until just combined. Fold in chocolate chips.

Spread batter evenly in prepared pan. Bake until edges begin to pull away from sides of pan and a toothpick inserted in center comes out with just a few moist crumbs attached, 35 to 40 minutes. Cool completely in pan.

Garden Snippets...

...*Bromeliad Baby*

Originating from the tropical Americas, bromeliads come in an array of fascinating fluorescent colours, leaf characteristics and growing habits, bringing an instant touch of the tropics to any garden.

Many are epiphytes, and use other plants as a non parasitic host, growing happily in a fork of a tree or on a log. Most bromeliads will die after flowering, but new babies – called “Pups”- form before they die, rewarding you new plants and bracts for the next season. The pups can also be gently removed and transplanted elsewhere.

Like orchids, bromeliads use the soil they grow in more for anchorage than for sustenance. They grow very well in pots with a light, open potting mix, and also do well tied to boughs of trees. This can create extra ‘levels’ of interest in your garden, but make sure you don’t forget to water them in dry periods.

Bromeliads come from the tropical Americas where they grow as forest under-storey plants and tree-dwelling epiphytes. Most are shade lovers and need shelter from frost in very cold areas a despite their tropical origins, they grow happily in all but the coldest and driest of climates.

To Propagate, Here’s How:

1. Bromeliad “Pups” are the young offspring which can be found sprouting along the base of the parent plant at different times of the year. There can be as many as 12 pups in a litter, but usually there will be 3 or 4. Pups are the easiest way to propagate more of these fascinating plants for your garden.
2. Separate the pup from the parent plant by gently pulling it away at the base. Take special care to keep the pup’s roots intact.
3. The pup can then be planted directly into a pot of it’s own where it will happily remain for the rest of it’s life without needing re-potting. Most Bromeliads will live for 3 to 4 years during which time they will usually bear 2 of their own litters of pups. Most will take about 2 years to produce a bloom.
4. Bromeliads also self-propagate by producing seeds, but they take about 3 years to reach full maturity, so this method requires more patience than propagating by pups.

Watering tips for bromeliads

Most bromeliads form a ‘well’ structure in their centre where water pools and acts as a reservoir which can help sustain them during dry periods. It is often a heavenly poolside retreat for frogs. Whenever this “well” dries up, it’s time to water them again. Although bromeliads don’t necessarily need feeding, this “well” is the place to apply fertilisers if you wish – however, never drop slow release fertiliser pellets into the reservoir as they will quickly dissolve and overdose your plants

Adult Fiction This might hurt - Stephanie Wrobel

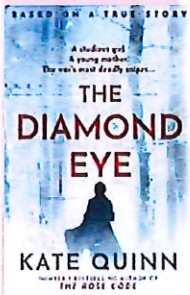

Natalie Collins always has a plan. Her troubled younger sister Kit rarely does. Until Kit finds Wisewood, a secretive self-help retreat on a secluded Maine island. It promises you'll leave a better, braver version of yourself. But why does it forbid contact with the outside world? Natalie fears it is some kind of cult. Then, after six months of silence, she receives an email from Wisewood: Would you like to come tell your sister what you did - or should we? Who is digging into the sisters' past? How did they discover Natalie's secret? A secret that will destroy Kit. She has no choice but to go to Wisewood, to find out if this place of healing has more sinister motives. But as she's about to discover, it is far easier to enter than to leave . . .

Adult Large Print The Coconut Children - Vivian Pham

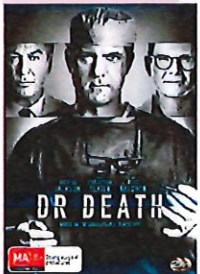

Growing up can feel like a death sentence. Life in the troubled neighbourhood of Cabramatta demands too much too young. But Sonny wouldn't really know. Watching the world from her bedroom window, she exists only in second-hand romance novels and falls for any fast-food employee who happens to spare her a glance. Everything changes with the return of Vince, a boy who became a legend after he was hauled away in handcuffs. Sonny and Vince used to be childhood friends. But with all that happened in-between, childhood seems so long ago. It will take two years of juvie, an inebriated grandmother and an unexpected discovery for them to meet again.

Adult Fiction The Diamond Eye - Kate Quinn

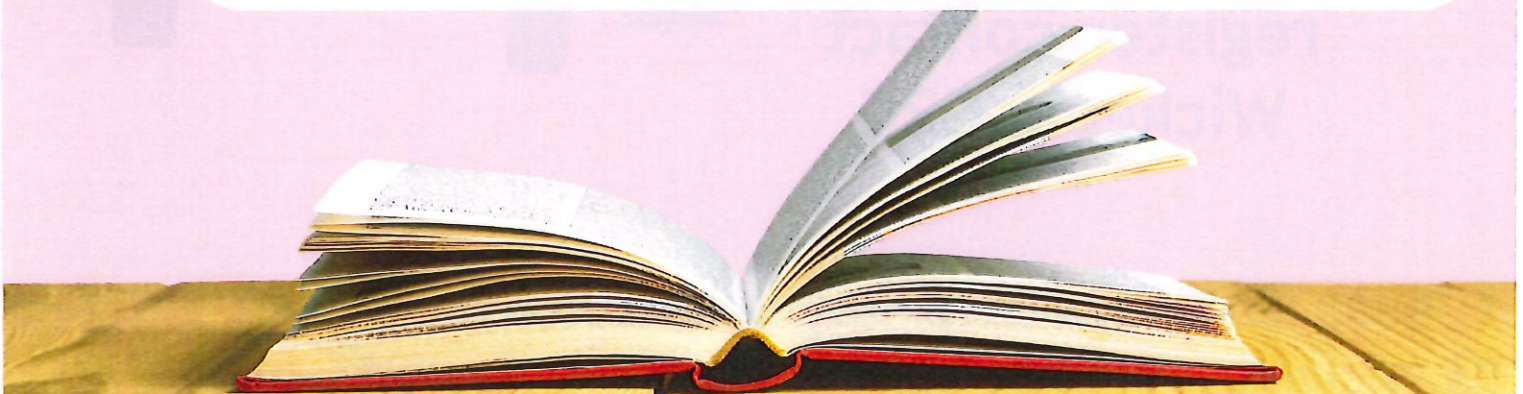

In the snowbound city of Kiev, aspiring historian Mila's life revolves around her young son – until Hitler's invasion of Russia changes everything. Suddenly, she and her friends must take up arms to save their country from destruction. Handed a rifle, Mila discovers a gift – and months of blood, sweat and tears turn the young woman into a deadly sniper. Yet success is bittersweet. Mila is torn from the battlefields and sent to America while the war still rages. There, she finds an unexpected ally in First Lady Eleanor Roosevelt, and a promise of a different future. But when an old enemy from Mila's past joins forces with a terrifying new foe, she finds herself in the deadliest duel of her life.

Adult DVD Dr Death

Based on the hit podcast from Wondery, "Dr. Death" tells the shocking true story of Dr. Christopher Duntsch (Joshua Jackson), a seemingly bright, young neurosurgeon with a thriving medical practice. But all is not as it seems. When a growing number of Dr. Duntsch's defenceless patients end up permanently maimed or worse, two fellow physicians, neurosurgeon Robert Henderson (Alec Baldwin) and vascular surgeon Randall Kirby (Christian Slater), attempt to stop him before he causes any more harm.

WICKEPIN NETBALL CLUB

Juniors

Round 7: Saturday 18th June

GO

Wickepin - 1 to Pingelly - 9

Our first game outside of Narrogin and first afternoon timeslot with the team traveling to Pingelly last Saturday and playing in an 'exhibition' match between the A1 and A2 games. The kids all pushed up and played hard with short numbers this week. Pingelly came through at the end but the kids never dropped their heads. It was great for our GO's to have the crowd there watching and cheering them on.

Just 2 games remain for this season.

Pingelly Netball Club awarded best player awards post game and for Wickepin this was awarded to Matilda Martin.

JD3

Wickepin - 13 to Wagin - 32

A tough opposition in Wagin with a 19 goal score line to finish the game. The kids are working hard at training and look forward to finishing their season strongly in the next few weeks.

Seniors

Round 6: Saturday 18th June

A2 / Division 1

Wickepin - 38 to Pingelly 30

This week saw the team outsource for players to field a full side and thankfully for Kelly Steere, Michelle Miller and Shanae Prater from Lake Grace jumping on board to fill in we were able to travel to Pingelly to complete our round 6 game after having to forfeit earlier in the week due to low numbers.

A close game throughout against Pingelly, it took the team a while to settle back into full game play after a very inconsistent few weeks with players being unavailable. Eventually finishing the game as 8 goal winners. We look forward to team players returning back in our next couple of games and hopefully a more consistent 2nd half to the season!

Umpire votes to Emily Davey and Briana McWhirter

A3

Wickepin - 23 to Williams 38

Much like the A2's, fill ins were required this week to get a full side on court so thank you to Coach Sam Flavel and Allysha Spurling for helping out this week!

Leaking courts meant this game had to be called early and the 15 goal margin at 3 quarter time was how the game ended.

Umpire votes to Jenna Lansdell

HOME GAME NOTICE

Wickepin A2 and A3 will be hosting Flames at Wickepin on Saturday 2nd July.

Game times;

A2 - 1pm

A3 - 2:30pm

WNC will also be providing dinner at the Wickepin Football Club that evening and encourage our netball and football supporters to enjoy a day of local sport and dinner after the games to support our clubs.

Cheers to Christine and Rachael.

Wickepin Bowling Club **Pot Club Winter Bowls News**

Sunday 12th June

Only three came along, but we had an interesting morning of bowls and a lot of fun as well, the weather holding off until we had finished. Peter Bransby was the outright winner with Bev Davidson the runner-up.

Sunday 19th June

Six were there to enjoy a morning of bowls. The rink winners were Greg White and Bev Davidson. After a close play off Greg White was the winner.

WHITE SPORTS SOCKS

To keep those white sports socks white and eliminate the discolouration you so often get on the bottoms of the feet, try boiling them in a pan of equal amounts of hot water and lemon juice.

The Wicky Weekly

Volume LXXXVIII Number 8

13 June 2022

Dear Parents and Carers,

Welcome back to another week where I feel the countdown has begun. The rain last week I am sure is keeping smiles on the faces of our farming families and has certainly freshened things up, I cannot believe how quickly the surroundings change from brown dirt paddocks to green. We truly do live in a beautiful part of the world.

I hope you all had a lovely long weekend last week and recharged ready to head on into the last 3 weeks of the term. I for one enjoyed heading back to Wicky last Saturday to watch the students participate in a nail biter in the D Grade football, congratulations to the Wicky students on their win. Reserves did well and we won't discuss League...

The past fortnight has seen a flurry of activity in the school with the NSHS staff talking to the students in the senior room, the Book Fair, School Development Day for staff held at Yealering PS and our THINK mental health free dress day.

On those activities, I would like to thank Mrs Dani Sims for coming into school and running the Book Fair for our students, this is a great way for our library to be rewarded with some Scholastic dollars to spend on further resources for the library and snag some new books. Thank you to all those who supported this day.

The students leaders THINK mental health day raised \$84, it was lovely seeing all the students relaxing about in their free dress and certainly brings a different feel to the school. Well done to the students leaders and thank you to those families that contributed.

Finally, it was so lovely to invite the community back into school grounds for the Week 6 assembly, presented by Room 3. Pingelly Rec Centre Talk

Dr Kristy Goodwin is holding a FREE session, KIDS, TEENS & SCREENS on Tuesday 14 June 2022, from 6.00pm - 8.00pm at the PRACC. Dr Goodwin delivers evidence-based information about the impact of digital technologies on children, adolescents' and adults' health, wellbeing & learning. See attached flyer for further information.

Year 5/6 Camp

Planning is under way for the 2022 Year 5/6 Camp. Rottnest has been booked for November 14 - 18 and I will be in touch as soon as I hear back from suppliers and services in regards to costing. If parents would like to start paying for this, please contact the ladies in the front office to have your payments deposited into your child's camp account.

Semester 1 Reports

Reports will be electronically sent home on Thursday 30 June. Please ensure if you have changed your email address to notify the school prior to this.

Staff Leave

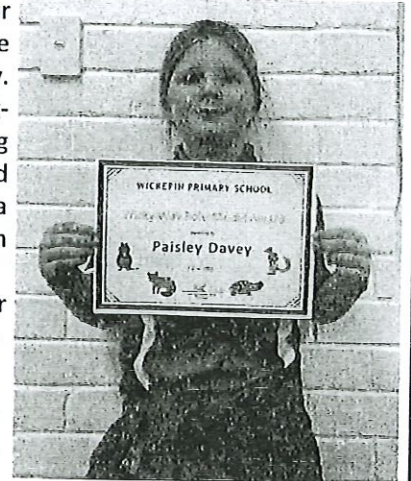

Mrs Michelle Hull will be taking an extended break and going on long service leave during Week 10 of this term. Mrs Jacqueline McBurney will be in the class as well as Mrs Kelly Steere to cover.

Miss Sally-Mae Downey is finally making the trip home to see her family after 3 years of being locked in Australia due to Covid. We know she will have a fabulous time and we wish her safe travels. She will be absent Weeks 9 and 10 and Ms Barbie Lawler will be her stand in.

Wicky Way Role Models and Work

Congratulations to our June Wicky Way Role Model, Paisley Davey. Paisley has been recognised for always being kind, considerate and helpful to others. She is a wonderful role model in our school.

The Wicky Way Work for June was awarded to;
Room 3 - Isla Astbury
Room 4 - Nate Lansdell
Room 8 - Lauren Martin
Room 9 - Sadie Jones
Art - Mason Pike

Congratulations to these students and please feel free to pop your head into our office to view these students work.

Wicky Way Focus

Week 7 & 8 Focus is represented by Respectful Rex and is a reminder to use our inside voice.

PEAC Testing

In Term 3 Week 3, PEAC testing will take place with the Year 4 students. A letter will be coming home today with further information. If you do not wish your child to take part in this test, please email or write to the school stating this, it is important that I receive your withdrawal in writing by Friday 22 July.

Kind regards,
Kerriane Mills
