BLAZEID THANKS THE WICKEPIN AND DISTRICTS COMMUNITY

As the Wickepin Blazeaid Camp heads towards closing time for the winter we would like to sincerely thank the community, firstly for allowing us the great privilege of assisting with the recovery from the devastating February bushfire and secondly for your outstanding generosity, it seems the whole community donated in some form or another, the Wickepin Shire has provided all kinds of assistance as well as allowing us to take over the Rec centre, so comfortable and suitable for us, Narrogin Shire has assisted in various ways, Cuballing Shire loaned a generator until the Bridgetown Shire generator that was powering the Blazeaid camp at Denmark, became available.

Huge thanks to all those individuals who donated so much wonderful, tasty cooked food, fruit, eggs, preserves, vegies, dressed lambs, cakes, biscuits, desserts, soups and so on, washed our tea towels and vests and volunteered to go out with the crews, you are all wonderful and so appreciated.

Thanks to Joan and the craft ladies, Marion and the P and C and many other groups that organized food for us.

Thanks too, to those who donated money to Blazeaid, directly or via our account at Ewens, Blazeaid runs entirely on donations and every cent is put to good use.

The grocery box at Ewens was well supported too, how fortunate this community is to have such a great variety of groceries right here in town and lovely staff that have been so supportive. The HDCC from Highbury have been a huge support financially, an amazing group and a pleasure to deal with.

The Facey Group was helping us right from the start, providing information about affected farms and loaning appliances for the duration of the camp.

Lions clubs, always great supporters of Blazeaid donated generously of time and towards our grocery expenses.

The She Shed, He Shed are another amazing group, generously providing storage and producing folding stools for use in the paddocks in addition to happily joining work crews.

Various businesses in Narrogin have also very kindly supported us, we are most grateful to them all. The work crews were very well looked after by farm cooks who provided many a tasty morning tea or lunch despite their already busy days.

Many friendships have been forged out on the fence lines and you can be sure that many of the volunteers will return to the area for various reasons of a more leisurely nature.

Blazeaid CEO Melissa Jones is keen for the Wickepin camp to re-open in September, hopefully by then the ground will have dried out enough to re-commence work and enable us to help those farmers who would still like assistance with re-fencing.

With kindest regards
Ed and Judy Bland
WA co-ordinators and Board members.

Birthday wishes to Corey Dougall, Ricky Dougall, Cheryl Groom, Asher Bushby, Bailee Pike, Chris Ewen, Charlotte Ballard, Zoe Lang, Olivia Miller, Deacon Mullan, Rhys Mullan, Clinton White

Welcome to Ringo and Shelley, new arrivals to Wickepin and who are taking part in The Village. Looking forward to receiving some stories from you in the future.

Get well wishes to Paul Ellis recovering from knee surgery. Hope you will be on all twos soon Paul.

Congratulations to Kenneth Heaney and Chloe McDonald on the safe arrival of their son Kingston Brax on Wednesday 27th July. A little brother for Amelia. Born at Joondalup hospital at 12.16pm, weighing 7lb 0.1oz. First grandchild for Amanda Heaney, great-grandchild to Shirley and Ric Elson and great-great grandchild for Betty Halliday and Lesley and Peter Elson.

Former Yealering resident, John Melvin passed away on the 26th July 2020 in Mandurah. John and his wife Shirley are well-known identities, as they farmed at Yealering and were very involved in the community and most of the sporting clubs throughout their time in the shire. Deepest sympathy to Shirley, Jan and Mark, Kerry and Denis, Wendy and Brad, Kim and Emma, and to the grandchildren and great-grandchild. Our thoughts are with you all.

A funeral service for John will be held in the West Chapel of Fremantle Crematorium, Carrington Street, Palmyra on Thursday 11th August 2022 commencing at 12pm.

There was a good roll up to the Croquet Club busy bee at Yealering on the 23rd of July to weed, plant, and mulch the garden. It drizzled rain for most of the morning, but the workers soldiered on completing the work that was to be done. A lovely morning tea was supplied by Kym and Veronica. Thanks to all that attended, it was a great team effort, and the croquet garden looks fantastic.

I would like to say a big thank you to the former Wickepin Shire CEO, Mark Hook on all the help, imparting of knowledge & a good friendship over my 3 years on Council.

I feel sure that fellow Councillors will agree with the article written by President Julie Russell for the Watershed News on his 10 years with us & wish him, Marion & his beloved North Melbourne a safe & happy future.

As BlazeAid will soon be packing up, anyone who donated food and hasn't yet collected plates, pans, dishes, etc. would you please go to the Community Centre to collect same.

DAVID ASHLEY WILSON – 17/10/1978 – 20/6/2022

Born 27/10/1978 at Glengarry Hospital in Perth.

The only son of Robyn & Michael Wilson, little brother to Leanne and Tanya and big brother to Debbie.

Beloved grandson to Amy & Arthur Clout.

David was a cheeky child who loved to get his hands dirty building things.

Attended primary school at Balga Primary before the family decided to hitchhike back to the eastern states. They spent the days walking Great Eastern Highway and slept on the side of the road at El Caballo where the little house is. The next day they were hitchhiking and were picked up by a truck driver by the name of Mick and dropped in Northam. This is where they ended up staying for the next 11 years. Robyn married Mick on the 9th April 1988, David was the groomsman.

We had a new dad and David loved to stir him up. One time David was in trouble, Dad said "come here" (he was going to give him a smack) but David was always a little bit cocky, so he said come and get me old man ... he thought there was no way Dad would catch him ... so it was on! Guess what ... Dad caught him and David got his smack too!!

David was always right into cricket. Debbie and David played regularly as kid and boy was David mean when he bowled to her! There was no holding back. One day Debbie had enough of it and karate chopped him in the nose making it bleed ... he was a bit kinder after that! David continued to play cricket winning cricketer of the year twice at the Koorda Cougars cricket club. As a young boy David also enjoyed basketball.

David finished primary school at Northam Primary School and completed high school to year 10 at Northam Senior High School.

David's first car was a panel and from there he bought his beloved VL Commodore. He definitely loved that car, and also loved trying out the power regularly if you know what I mean.

David also loved motorbikes, building one with his brother in-in-law David for Christmas one year and after that his love was stronger ... regularly riding with Shannon up and down the railway line in Seabrook.

David's first job was at Woolworths in Northam. He went from Woolworths to The Shamrock Hotel where he enjoyed working as a yardman, from then on David enjoyed farm work with a small stint on CBH in Cleary and from then on he went farming in Wickiepin.

We spent many family holidays fishing at Moore River and Greenhead. I remember a couple of funny trips, one time we were fishing off the small jetty in Greenhead and David's line took off ... he was struggling to reel it in. He looked up and he had hooked the seagull that was flying past as he cast. Also in Greenhead he was snorkelling between the two reefs of Dynamite Bay. Next minute he was swimming super fast out to the furthers reef. He jumps on top of the reef and shouts out to Mum and Dad "there's a shark". He stayed on the reef for what seemed like forever – Dad went out to get him and they swam back without getting eaten.

David's kids were born Sarah – 10th June 1999, James – 5th May 2000, Mark – 14 February 2002, Ryan – 27 November 2006 and Claudia – 18 September 2010. Sarah was the apple of David's eye when she was little. Such a Dad's girl. They lived in Cleary with mum and dad, then came James and Mark – David loved his kids. In 2006 Ryan was born and in 1920 – Claudia, his little Chicken was born.

David lost our Uncle Norm on 15th April 1998.

On the 27th September 2008, AFL Grand Final day, David's world was shattered when he lost his best friend, the person he looked up to and loved with all his heart – passed away. Our Mum was our rock and losing her was definitely the hardest day. What made it a little easier for David was that his beloved Hawthorn played in and won that day with a margin of 26 points. Mum obviously pulled some strings for her favourite child.

On the 1st October 2011, AFL Grand Final Day, David's hero, our amazing Pop passed away followed by our Nan on June 25th 2015. Our Auntie in December 2016 and our amazing sister Tanya on the 26th June 2017.

Dad recalls the time at the Carnarvon jetty when they broke in and caught a shark, they couldn't reel it in so they cut the line, rejiggered it and cast again and they were pretty sure they caught the same shark. They reeled it in to the surface but couldn't bring it up. By this time there were lots of boats watching them wondering what they had caught.

Dad loved watching David play cricket at Wickiepin, he enjoyed playing golf at Yealering with him, Dad says. He was a reasonable golfer but couldn't beat dad. He could hit a ball a long way but wasn't very accurate. When he was working at Kolindale Dad and David used to go shooting. The dog would bring back more foxes than they could shoot.

Coonacking at Kolindale and a big storm came through, all coonack nets got lost because of so much rain.

RIP DAVE WILSON

From Leanne

Dave and I met in 2007. We got to know each other for awhile and then in 2009 not long after chicken was born Dave and old pop were on holidays in Carnarvon and Dave flew us up to join him and old pop. We all drove back together and Dave then moved in with Leanne, Aaron, Taylor, Brody and chicken in Wickiepin. Dave took on all the kids as his own and they loved him as their dad. There was good times and some hard but Dave taught them everything he could. Dave's life was for his kids and family and would do anything for myself and the kids. He was such a loving caring man.

James, Aaron, Taylor, Brody and chicken knew Dave as "dodgie Dave"

Dave loved his cricket. He was also known as dinkum. He played in Wickiepin for around 20 years. He won many trophies for many reasons. He was a very competitive player. Not only did he love playing cricket he was also a great player.

Every chance Dave got we would all go fishing. Dave started a tradition, each time we went fishing with the family he would tell them he would give \$10 to who ever would catch the most fish and \$10 who could catch the biggest. We had many holidays all together and at times we had old pop join us which was great for all cause old pop would make us laugh and also the boys made him laugh too. Dave enjoyed the holidays with everyone together. at different times different family members joined us so was always nice.

A few times Dave and I snuck off on our own to go fishing or to spend time together. One time we went away we went to green head and the weather wasn't the best and showers were going thru all day but we decided to battle the weather. Anyways we went out and went fishing. Everytime it rained we sheltered under a rock ledge till it blew over the continued fishing. Turned out to be one of the best days of fishing for us both as we caught loads of good size skippy. Dave cooked them on the BBQ that night and turned out a great day. Many times we went away we would just spend the day with our line in the water not really concerned if we did catch anything or not but just enjoying or time together and relaxing.

Dave worked at Gary Langs for around 10 years. Dave enjoyed working at Gary's. Gary was a great boss and great friend to Dave. The kids spent time with Dave out the farm and learnt lots from him and enjoyed their timeout there. I remember Dave always talking about Rick Clint or someone at work and the photos he had of one of them bogged badly or pulling them out,

Dave was a handyman and could fix anything and if he didn't know how he googled that. Dave was good at what he did and was proud of what he did. Dave was kind and caring and would do anything for anyone.

2014 Dave and Leanne married. Close family and friends attended. It was a small wedding but that was perfect for Dave and myself. That was the first and last time I saw Dave in a suit and he looked perfect and it was a perfect day.

Dave was a big softy really. He was always saving animals, he added 2 cats to our collection and bought many lambs home to be saved.

I remember the time I was bitten by a snake and was taken to hospital in the ambulance. On the way they rang Dave to let him know what happened, Dave was working at Gary's at the time. By the time I arrived there Dave turned up 2 mins later. Dave said he needed to be there for me so he got there as soon as he could and he did. I think he was panicking more than me. He was such a caring man and had so much love for me as did I.

One of Dave's favourite songs was "Eye of the Tigers". He would sing away and tell us all no one could sing better than him.

As the boys got older with getting licences and cars Dave would be constantly going out pulling them from a bog or picking them up or taking them wherever to buy a new car and would spend hours or days fixing their cars. But as much as he complained about it to them he also enjoyed helping them and doing what he could for them. And they loved and respected each other for it.

Dave called Claudia "chicken" or "beautiful" that was his nickname for her. According to him she could do no wrong and was a softie towards her. They were always so cheeky to each other. Dave and chickens thing

Dave Wilson Eulogy (Cont'd)

they had together was her netball. If Dave could he would take her to trainings and to her games. They would talk about the game all the way in and all the way home. That is just what they did.

Dave had a fear of heights but in 2018 while in Queensland he decided to do the sling shot. He got Brody to go with him and though he said it wasn't so bad I think the video showed it really was.

Though our time together ended way to soon and all the plans we had will never be, I am grateful Dave was in my life and the kids life for the time we had. He will always be a part of us all...always.

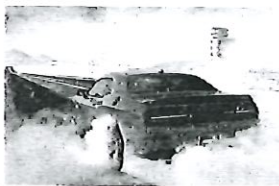

From Brody

By far the thing I'm most grateful about is you. And I wish I could thank you one more time on everything you have done and achieved in this family. Although we had our ups and downs you are a fucking legend for the things you've taught me and shown me to be able to go ahead in life and put those skills to use and to have a good life for myself, with you pushing me all the time to do better and not give up I'd honestly don't know what I'd be doing, so thanks for everything, I wish I could say goodbye to you and have a chat about work an general shit but until we meet again

From Taylor

The couple main things I'll remember about Dave is the time me and James just got home from a party at Harrismith for a mates birthday and we came screaming into town up and down and up and down the roads in James's SS and pulled into mums driveway around midnight and there was Dave standing there in his speedo looking jocks having a smoke waiting to tear us. And sure enough he started too but me and James were laughing too much at the fact that he was standing there like a criminal. The other thing I'll remember is wedding just near Yealering and the tractor ran out of diesel and it was raining, my ute obviously was at the opposite end of the paddock so I thought hmmm... who would come out and pick me up and my first thought was Dave. I called him and asked him to come take me to my ute and without hesitation he asked "where are you and how do I get there" I'll miss the bloke I used to call all the time to ask for help with mechanical issues or anything I needed help with because I think we all know he was a jack of all trades bloke. He was the bloke I could talk to about anything and he'd try his best to help. He would either spend hours on the iPad googling stuff that helps. I'm going to miss being able to call you just to take the piss out of each other about whose done the most hours in a week or worked the hardest as we did. I see nowhere was doing that so I pushed myself to chase my dreams. Going to miss you Dave and our chats about life and everything. Not going to forget the \$440 you still owe me for my BA falcon you sold snake.

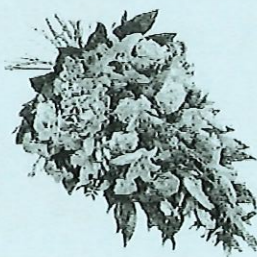

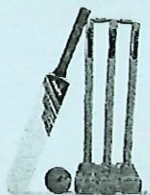

From Claudia

My dad died the 20th June 2022. It was really sad, all my brothers were crying like me. I am a little happy because I got his ring, I am going to put it on a necklace because he had big fingers and it won't fit mine. Dad was a handy man to have, he took me to netball, fixed my bike and actually fixed everything. If you ask me he was funny, except when rounding up sheep, he was angry, but he loved animals. His full name is David Ashley Wilson and my brothers called him dodgy Dave. He was always working and his eyes are blue and his hair was grey, he taught people how to fish and he liked cricket. Dad you were a loved man and everyone loved you. You were so loved, I love you, you were always behind me to catch me if I fell, you were always there for me. You taught me how to play netball. I love you dad.

From Aaron

The times I remember with Dave mainly remind me of all the great times and all the competitive times like all the years we played cricket together the premiership we won together but it wasn't till a few years later I decided to play for the opposition in Towns cricket club and all pre season. Dave was telling me he was gonna bring himself on as soon as I came into bat and bounce me but I thought whatever anyway round 1 comes and Towns play Wicky and Taylor and Brody are also playing for Wicky so you could imagine the sledging I was getting and we lost a few quick wickets and I walk out to bat with no helmet just my baggy Maroon. I'm on strike with 1 to come I reverse sweep for 1 to take strike next over then comes Dave dinkum Wilson for his 5th over and I'm thinking he was bowling spin I'm alright I turn around to face and he's standing in Harrismith ready to run in and I'm thinking holyshit he comes in 2 bowl the first 2 and they flew thru to the keeper next one he comes in and bowls a bouncer at my head which I duck away from it. Next one comes straight at my head so I put my arm up to block it and smashed my arm. I shake off the pain and Dave runs up and says you better put a helmet on and I said no way is that happening. Anyway next bowl I couldn't hold onto the bat the pain was that bad. Anyway he come in and bowls at my toes. All I could do was hold the bat out and scoop it straight back to him caught and bowled the walk back to the pavilion couldn't be longer as I got sledged the whole way back.

Lewisdale performance and productivity drives clients' profits

> Lewisdale stud representative of 55 years John Sherlock (left) and Lewisdale stud principal Ray Lewis.

> 31kg Lewisdale dual purpose lamb carcasses.

> Long-time Lewisdale clients Rebecca and Fenton Dean (37 years), Sancta Monica Farms, Tardun and Stephen Fowler (40 years), Jumbuk Plains, Boyatup via Esperance, were Elders Supreme Clip of the Sale winners for the 2021/22 wool selling season.

LEWISDALE stud principal Ray Lewis believes the two 'Ps,' performance and productivity, drive profitability in a commercial Merino sheep enterprise.

He said commercial sheepman should capitalise on the true dual purpose traits of the Merino which Lewisdale has been hinging its breeding objectives on for decades.

This sees the Lewisdale Poll Merino stud, situated at Wickopin, focus primarily on fertility and high lambing percentages, quick maturity, carcass weight and heavy cutting, quality white wool to remain at the forefront of dual purpose breeding.

"This ensures our clients capitalise on sheep meat and wool markets with a true dual purpose Merino, Ray said.

"Our breeding philosophies have been in place for a long time and positions Lewisdale well to maximise profits for our commercial clients with a high carcass and wool value Merino."

Ray said commercial sheep producers need to wean more meat and cut more wool and selecting the correct genetics is critical to maximising productivity and profitability.

"Profitability is in the number of weaned lambs and surplus sheep sold and with the right type of early maturing, dual purpose Merino, producers can wean lambs early and carry more ewes," he said.

"Lewisdale clients are achieving lambing rates up to 130 per cent and with sheepmeat prices selling at more than 650c/kg dressed weight for mutton and 800c/kg DWT for lamb in the

past 12 months, plus the value in the wool cut, the true dual purpose Merino is a valuable product."

Symbolising the dual purpose traits of Lewisdale's breeding is long-time Lewisdale client Joe Della Vedova, Condongup, who has been sourcing Lewisdale rams since the late 1970s.

The Della Vedova family join 12,500 Lewisdale blood ewes to Lewisdale Merino rams and Joe said the dual purpose traits of the Lewisdale sheep provide superior returns in their sheep enterprise.

The operation's late April-drop wether lambs are shorn and weaned onto pastures in late September and confinement finished on pellets if and when paddock protein finishes.

The wethers are shorn again prior to being turned off as lambs to WAMMCO at target weights of 25 to 30 kilograms dressed weight.

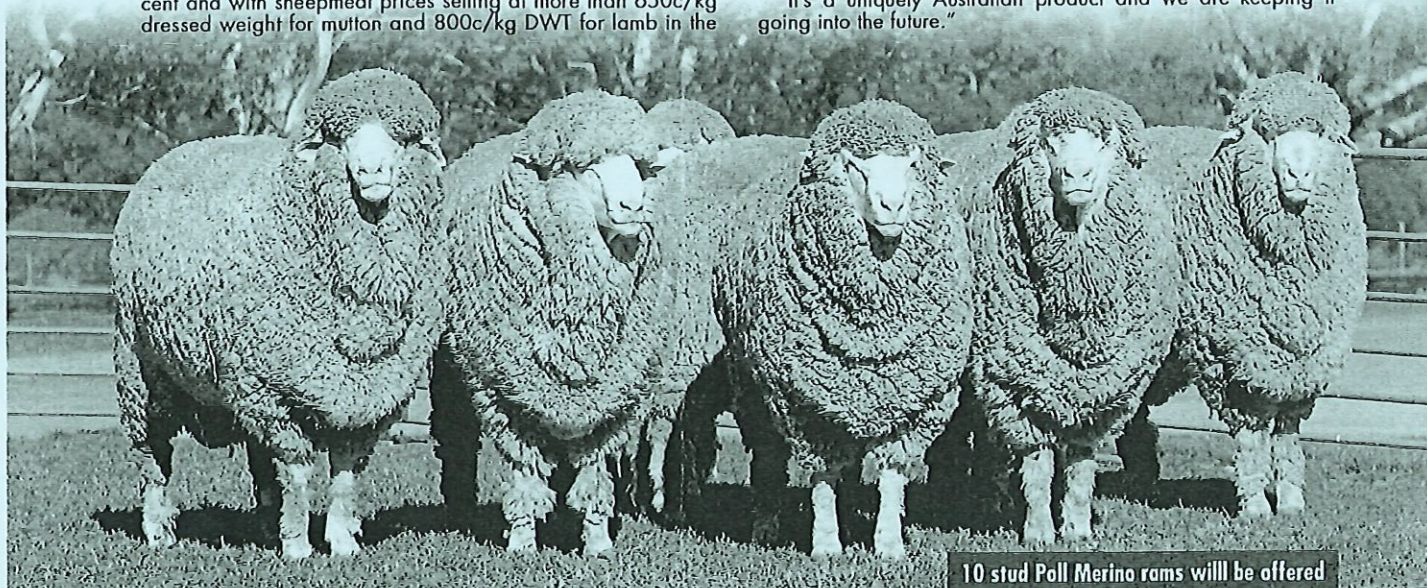

Joe said with the lambs cutting around 3kg of wool at each shearing and the carcass value, it's a profitable part of his sheep enterprise.

"The Lewisdale genetics allow the lambs to grow out and we have found the carcass to wool gross margin outdo a prime lamb enterprise," he said.

"We have always come back to Lewisdale, their sheep shine."

"They present well and perform well and the numbers are here, as well as the wealth of information that comes from Ray."

"It's a uniquely Australian product and we are keeping it going into the future."

TEMPTATION

Grandpa knocked on the Pearly Gates
Calling "How about me,
I've lived an absolute blameless life
Ninety percent sin free."

"Born on a station way out west -
It must be on your files
There wasn't a pub, a TAB
Or a prostitute for miles."

"I worked all day and half the night
Seems like I couldn't win,
In fact I always worked so hard
I was far too tired to sin".

Saint Peter said, "To live your life
Out there on a station
Means you weren't subjected to
The worry of temptation".

"Unless you have been tempted thus
Then turned away from sin -
I'm afraid it is impossible
For me to let you in".

Grandpa thought a little while,
Then he scratched his head,
And after he had thought some more
Eventually he said.

"I was tempted once to shoot this bloke
The lousy rotten creep,
He didn't shut the boundary gate
And let out all me sheep."

"I'd left me ute to fix the fence
I seen him on the track
It took me all the afternoon
To go and chase them back."

Saint Peter nodded thoughtfully
As if he understood
Then speaking in a saintly voice
He said, "That's very good."

"I find it most commendable
That you chose not to shoot".
"Well I would have but I couldn't
'cause me gun was in the ute".

So should you climb the golden stairs
And sign Saint Peter's Book-
You won't find Grandpa anywhere
No matter how. you look.

ADULT FICTION INSOMNIA: SARAH PINBOROUGH

In the dead of night, madness lies... Emma can't sleep. **CHECK THE WINDOWS!** It's been like this since her big 4-0 started getting closer. **LOCK THE DOORS!** Her mother stopped sleeping just before her 40th birthday too. She went mad and did the unthinkable because of it. **LOOK IN ON THE CHILDREN!** Is that what's happening to Emma?

WHY CAN'T SHE SLEEP?

BIOGRAPHY QUEEN OF OUR TIMES -

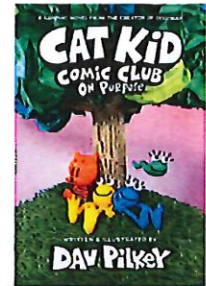

THE LIFE OF QUEEN ELIZABETH II: ROBERT HARDMAN

With original insights from those who know her best, new interviews with world leaders and access to unseen papers. Elizabeth II was not born to be queen. Yet from her accession as a young mother of two in 1952 to the age of Covid-19, she has proved an astute and quietly determined figure, leading her family and her people through more than seventy years of unprecedented social change. She has faced constitutional crises, confronted threats against her life, rescued the Commonwealth, seen her prime ministers come and go, charmed world leaders, been criticised as well as feted by the media, and steered her family through a lifetime in the public eye.

JUNIOR FICTION CAT KID COMIC CLUB - ON PURPOSE: DAV PILKEY

The comic club is going in all different directions! Naomi, Melvin, and siblings are each trying to find their purpose. Naomi has an idea to get rich quick that causes a lot of commotion and emotion. And when faced with rejections, the friends try and try again to stay true to their vision. To top it off, a surprise visitor comes to class to stir things up. Will a desire for money and power cloud Naomi's purpose? Is it quitting time? Will the club ever be the same?

Will You find the Amethyst Feather?

A trip to your local library just got even more magical, hidden inside a children's book is a feather shaped bookmark.

Find it to claim your prize!!

Every young reader checking out a book this month will also receive a white feather bookmark to decorate.

Melting lemon potatoes

An easy side dish for main meal

1.5kg desiree potatoes, scrubbed, cut into slices
50g butter melted
2tbsp extra virgin olive oil

1 cup chicken or vegetable stock
¼ lemon juice
2tsp finely grated lemon rind
3 garlic cloves, crushed
2 tbsp chopped fresh oregano

Preheat oven to 200C/180C fan forced. Grease a large roasting pan with oil.

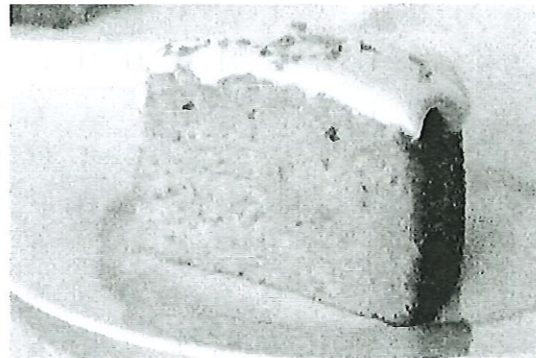

Place the potato in the pan. Drizzle over the butter and oil. Toss until coated. Spread out to an even layer. Roast for 30 minutes.

Turn potato and rearrange layers, moving the bottom layers to the top. Whisk together the stock, lemon juice, rind, and garlic in a jug. Pour over and around the potato. Bake for a further 30 minutes or until the liquid has reduced and the potato is tender and golden.

Season, sprinkle with oregano to serve.

Moist Lemon cake

250g butter, at room temperature
1 cup caster sugar
1 tbsp finely grated lemon rind
4 eggs
1 + 2/3 cups self-raising flour
100ml fresh lemon juice
1 ¼ icing sugar
1 tbsp lemon juice plus ½ tbsp extra
Finely grated lemon rind to sprinkle

Preheat the oven to 180C/160C fan forced. Grease a 20cm (base size) round cake pan. Line the base and side with baking paper.

Use electric beaters to beat the butter, sugar and lemon rind in a bowl until pale and creamy. Add the eggs, 1 at a time, beating well after each addition until well combined.

Use a spatula to fold the flour into the butter mixture until almost combined. Add the lemon juice and fold into mixture until just combined. Transfer to the prepared pan. Smooth the surface. Bake for 50 minutes or until golden and cake springs back when lightly touched. Set aside in pan for 10 minutes to cool slightly before transferring to a wire rack to cool completely.

To make the icing, sift the icing sugar into a bowl. Add 1 tbsp lemon juice and stir until combined. (Add the extra 1/2 tbsp juice if necessary to reach a smooth, spreadable consistency). Spread over the cooled cake and sprinkle with the lemon rind, if using. Set aside for 2 hours or until icing sets. Serve.

Recipes taken from [www. taste .com](http://www.taste.com)

Lemon Curd

125g unsalted butter
Juice and zest of 3 lemons
1 cup caster sugar
6 egg yolks

Melt butter in saucepan and whisk in lemon juice, zest and sugar. Add the egg yolks and whisk until mixture is smooth. Continue to heat and stir for 15 minutes. Look for consistency to coat a wooden spoon.

Do not allow to boil. *Recipe taken from 'Lemons' by Diane & Jon Sutherland*

The Wicky Weekly

Volume LXXXVIII Number 10

25 July 2022

Dear Parents and Carers,

Welcome back to Term 3, I hope this newsletter finds you all rested, yet, back into the swing of things. Unfortunately, my start to term has not been smooth sailing with a family emergency keeping me out Week 1 and now Week 2 I have managed to get Covid, I guess the old saying "When it rains, it pours" is relevant right now.

I look forward to returning and having a wonderful Term 3 filled with carnivals, assemblies, highlights and lots of meaningful learning.

Wicky Way Role Model and Work

The month of July's Wicky Way Role Model is awarded to Flynn Anderson. Flynn is a kind, compassionate, caring student who always ensures other students are okay. He is inclusive when in the playground and ensures others, especially the younger students, are safe and happy. Congratulations, Flynn.

The July Wicky Way Work of the month is awarded to the following students;

Art - Flynn Anderson
Room 3 - Lara Bayley

Room 4 - Rhayne Holmes-Park

Room 8 - Asher Bushby

Room 9 - Sophie Orchard

Congratulations to this month's worthy recipients. Please come into the office to see these students wonderful work.

Year 6 Students Enrolments

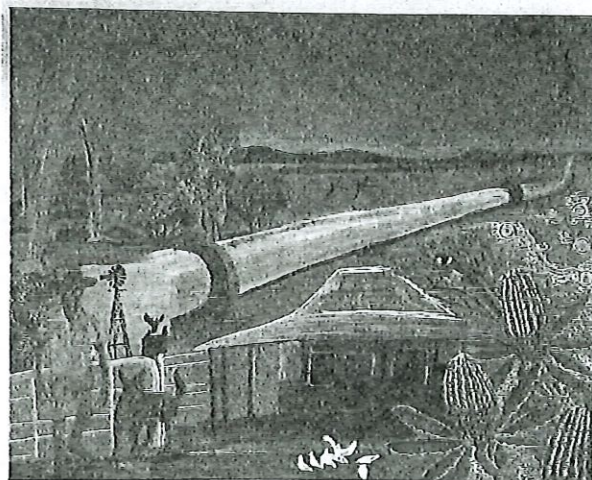

If your child is attending Narrogin SHS next year, could you please ensure you hand in your enrolment forms to the front office as soon as possible. NSHS would like to start getting to know your child and involving them in any transition days and further information sessions.

Office Mural & Tiling project

During Week 10 last term, we invited in Ross Storey, an

Indigenous artist, to help us celebrate NAIDOC week. Students were shown various examples of Aboriginal art and symbols and then were given a tile to create their own work. We are hoping to mount these tiles on the end brick wall of the administration veranda as a commemorative reminder of NAIDOC 2022, *Get Up! Stand Up! Show Up!*

In our office, we now have a stunning piece of original art that depicts Wickepin and culture combined. It definitely brightens the space and adds life to the wall.

School Photos

Thursday 22 September, the last week of Term 3, is now booked for school photos with Fotoworks.

Staff First Aid Course

Last Monday, our staff attended a first aid course run by St John Ambulance. I think it is imperative that staff skills are up to date and maintained. The day was a success and by 11 August 2022 we will have all staff that are onsite, qualified first aiders. Thank you to the staff for participating in this course.

Kind regards,
Kerriane Mills

TRIP TO TOOLIBIN

On Wednesday at the last Village social, a group took a trip to Toolibin. They enjoyed a sausage sizzle, a walk around the lake, viewed local wildlife, and told some stories of the history of the Lake and all the work that has been done there over the years. A great time was had by all. If you would like more information about the Virtual Village contact Wickepin CRC or Libby on 0427886046.
