A jolly time was held by The Village – Wandering in Wandering. A group of about 15 met at the Wandering Caravan Park and embarked on the walk trail, about 1km around. On posts around the trail were pictures and stories of the various buildings in Wandering and on other smaller posts, were the names of people who had interests in Wandering, including their nick names. There was a lovely display of wildflowers including some beautiful kangaroo paw specimens. A creek which was gently flowing around the walk becomes a rushing creek after heavy rains. Following the walk, the group gathered at the Wandering Hotel for a scrumptious meal.

Chris Moore provided a few "old" items for attendees to guess what they might have been in their day.

Get well wishes are extended to Margret Watkins who is currently in hospital in Perth. Speedy recovery Margaret.

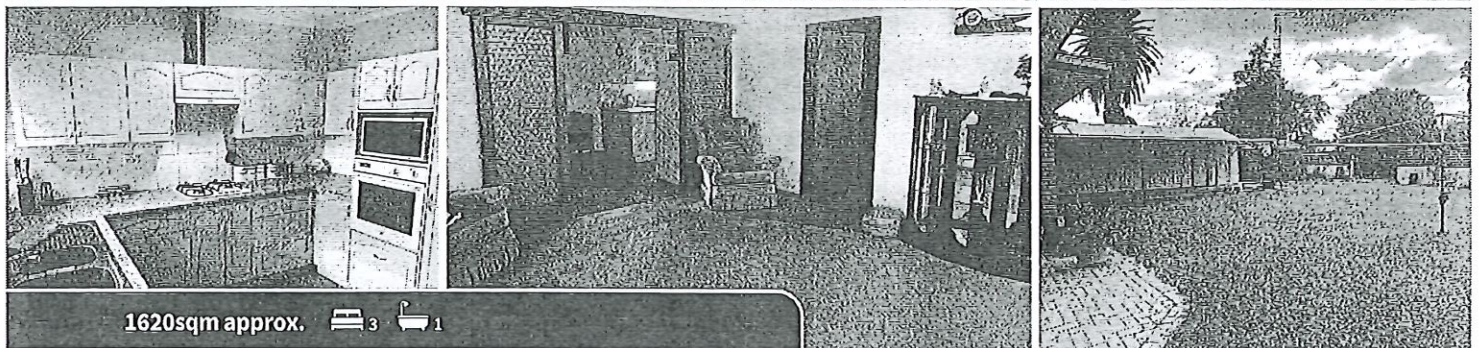

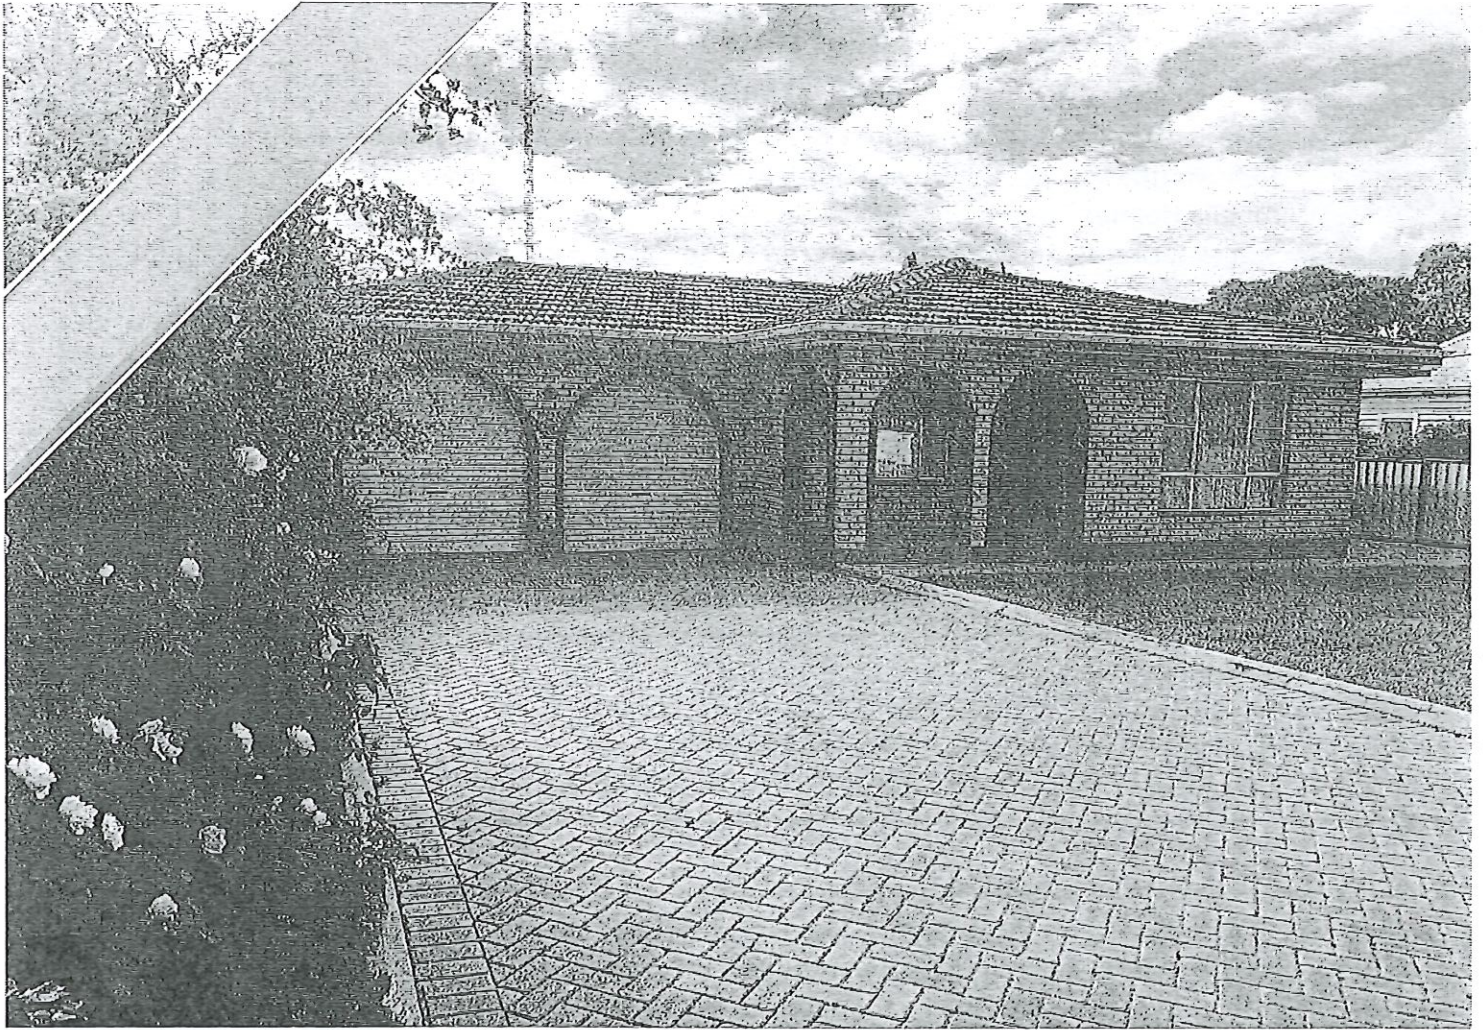

Best wishes to Murray Lang who is recovering after a hip operation.

Welcome to Jessie Davey who is home from hospital and looking good. Also to Jennifer McLaughlin who is home after a long absence. Great to see you back.

The Games Day and Devonshire afternoon tea at the Yealering CWA is on Friday, 18<sup>th</sup> November from 1.00pm. All welcome.

### Free mammograms for women in Wickepin

BreastScreen WA's FREE screening mammogram service is coming to Wickepin

from **16/12/2022 - 21/12/2022** and the mobile clinic will be located at:

**Wickepin Sports Club, Wogolin Road**

Women 40 years and over with no symptoms are eligible for a FREE screening mammogram.

Breast cancer is the most common life threatening cancer for women and 1 in 7 women in Australia will develop breast cancer in their lifetime.

Having a screening mammogram (breast x-ray) every two years significantly increases the chance of a woman surviving breast cancer and reduces the amount of treatment required. More than 75% of breast cancers occur in women over the age of 50. Research shows that screening is most effective for this age group.

BreastScreen WA's Medical Director Dr Elizabeth Wylie, said screening mammography was the most effective method for early detection of breast cancer.

"Screening every two years is vitally important to increase the chance of a breast cancer being detected when it is too small to feel or be noticed. Finding a cancer at this early stage often means that the breast cancer is small and more treatable".

"A free screening mammogram is one of the best things that women can do to look after their health. Breast screening saves lives and only takes 20 minutes," said Dr Wylie.

Screening mammograms may detect 70-90% of breast cancers.

Any woman with a persistent change in a breast should contact her doctor immediately.

Dates may be subject to change. If visit dates are not suitable participants are welcome to book at the clinic in a different town or at any of our permanent clinics. For more information please visit BreastScreen WA's website [www.breastscreen.health.wa.gov.au](http://www.breastscreen.health.wa.gov.au).

**To make your free screening mammogram appointment – book online [www.breastscreen.health.wa.gov.au](http://www.breastscreen.health.wa.gov.au) or call 13 20 50.**

**Early detection is your best protection.**

# The Wicky Weekly

Volume LXXXVIII Number 16

31 October 2022

## Dear Parents and Carers,

Welcome to the Week 4 Newsletter of Term 4.

This term has definitely hit the ground running, with so many things going on in the school. We have had the Space Music Incursion, school photos and plenty more in store. Camp is now only 2 weeks away, NSHS transition days, meetings, special lunches, graduation and presentation night plus the Year 6 Fun Day, I fear if we blink we will miss it.

I love this time of year when I drive to work, not only in daylight to and from school but also the paddocks full of lush crops and fat lambs, it is a lovely way to celebrate living in the county and get myself into my work day and then back out. I feel very fortunate to live in the Wheatbelt Region.

The Road Safety signs have been put up along the school fence and around the town at the Recreation Centre, Town Park and Pool. I am very excited about this project and for the HUGE effort Michelle Hull put into this project along with a GENEROUS donation from the Shire of Wickepin of not only funding the sign making but erecting the signs through out our community.

I wish you all a wonderful couple of weeks, until our next newsletter in a fortnight.

### Staffing 2023

I am extremely excited to announce that we have secured a Noongar Language and Culture Teacher for 2023. Kerry Winmar-Taylor will be joining our dynamic team to teach language and culture through out the school. I know you will all make her feel very welcome.

### Congratulations

Congratulations to our School Chaplain, Reet, who has become a Nanny again with her daughter having a beautiful baby boy last Sunday. Isaac James arrived into the world healthy and happy. She was not here last week due to being on Nanny duties.

### School Development Day

Friendly reminder that Friday 11 November is a School Development Day for staff. No students are required to attend school.

### Space Music Incursion

The students had their incursion for this event last Thursday and all feedback is that it was an engaging and unique experience for all involved. Don't forget that this all leads to the extravaganza discussed below;

The Foyer Activation for the Australian Baroque Space Music Concert is a community and school engagement process that will culminate in a collaborative installation and exhibition at the Wickepin Hall for the Space Music Concerts (matinee and evening show) on Saturday 29 April 2023. The project offers a deeply engaging creative experience for the local communities, art groups, individual artists and Schools in the Shire of Narrogin in Terms 4 and Term 1 (October 2022 to April 2023).

The project culminates in the creation of an interactive and immersive multi-group installation about Space that will be installed in a black out space at the Concert Venue for participants and the audience to experience pre-concert. This is an opportunity for individual artists and artist groups to showcase their art works inspired by Space and our amazing Universe or get involved in a group collaborative process mentored by Artist in Residence, Rachel Wyder.

### Wicky Way

This fortnight's focus has been on speaking up if you see someone doing something wrong. This value is not specific to our Wicky Way values but has been a noticeable point of need with our students. The staff have combined this message from some of Resilient Rosie's along with Respectful Rex. It is a message that we all can learn from.

### Drama

Unfortunately, Sue Spark is booked in for surgery for the upcoming weeks so there will be no drama lessons on a Tuesday. We have a very higgledy-piggledy timetable for next few weeks but Kelly Steere has stepped in on other days providing our students with extra sports lessons and our teaching staff with their much needed DOTT time. Thank you so very much Kelly and we wish Sue a speedy recovery.

### Year 5/6 Camp Update

Information packs went home last week for our upcoming camp. I am very excited to be attending and as you can see we have a jam packed week, although my tired, unfit muscles might feel differently with all the cycling and hiking. Any questions please contact the school office via phone or email.

### Attendance

After reviewing attendance for this year, it is quite concerning the level of absenteeism throughout the school. I appreciate it has been a challenging year with Covid-19 however, unauthorised holidays and unexplained absences are extremely high. As much as we do not want students at school who are clearly unwell, I ask that you please be mindful of the loss of learning that occurs when your child has several days away. The gaps, especially in the early years do have an impact on your child as they further through middle and upper primary.

% attendance in a school year	Days of absence in a school year	Weeks missed in a school year
98%	4	Less than 1 week
95%	9.5	Almost 2 weeks
90%	19	Almost 4 weeks
85%	28.5	Almost 6 weeks

*Going to the farmers market and talking with people who work on the farm inspires me to make recipes like this one, a quiche loaded with veggies. Great for packed lunches at harvest time.*

## FARM FRESH QUICHE:

### INGREDIENTS:

1/4 cup olive oil  
1 bunch broccoli, cut into florets  
1 small onion, finely chopped  
3 cups chopped fresh greens or spinach  
3 garlic cloves, minced  
1 sheet refrigerated pie crust  
4 large eggs  
1 cup milk  
1 tablespoon minced fresh rosemary or  
1 teaspoon dried rosemary, crushed  
1/2 teaspoon salt  
1/2 teaspoon pepper  
1/2 cup shredded smoked cheddar cheese,  
1/2 cup shredded  
Swiss cheese.

### METHOD:

Preheat oven to 375°.  
In a large skillet, heat oil over medium-high heat. Add broccoli and onion; cook and stir until broccoli is crisp-tender. Stir in greens and garlic; cook and stir 4-5 minutes longer or until greens are wilted.  
Unroll crust into a 9-in. pie plate; flute edge. Fill with broccoli mixture. In a small bowl, whisk eggs, milk, rosemary, salt and pepper. Stir in 1/4 cup cheddar cheese and 1/4 cup Swiss cheese; pour over vegetables. Sprinkle with remaining cheeses. Bake 30-35 minutes or until a knife inserted in the center comes out clean. Let stand 15 minutes before cutting.

*Also great for lunch boxes:*

## APPLE & SOUR CREAM SLICE

### INGREDIENTS:

125 g butter melted  
200 g (1 1/3 cups) self-raising flour  
150 g (3/4 cup) caster sugar  
65 g (3/4 cup) desiccated coconut  
2 tsp vanilla extract  
2 eggs  
250 g sour cream  
2 apples peeled and thinly sliced  
2 tsp ground cinnamon

### METHOD:

Preheat oven to 180 degrees celsius (160 if using a fan forced oven). Grease and line a 20cm square cake tin with baking paper.  
Place the melted butter, caster sugar, coconut and vanilla extract into a medium sized bowl. Sift over the self-raising flour. Mix until smooth and creamy.  
Press mixture into the tin and bake for 15-20 minutes or until lightly golden.  
Take the slice out of the oven and layer the thinly sliced apple over the top.  
In a bowl, beat the sour cream and eggs together until well combined. Pour the sour cream mixture over the top of the apple. Sprinkle the ground cinnamon over the top (or cinnamon sugar).  
Place back into the oven for another 20 minutes or until the sour cream has set in.  
Allow to cool in the tin before placing into the fridge to cool completely.  
Cut into slices when completely cold.

### ADULT FICTION THE CRIMINAL CLASS - PAUL A. MACNAMARA

The only door in the room was now closed and sitting before me was a murderer, a rapist, an armed robber and a guy serving six years for grievous bodily harm. Each of them had a sharpened pencil in their hands; a potential weapon. I had been forewarned yet I had handed them out willingly. I looked at these four brutes trying not to stare but conscious of not looking away in fear either. All four of them had their eyes fixed on me too; sussing out the new guy. In silence I shot back a tight-lipped grin. Slowly but purposefully, I glanced at the secured metal door and, next to it, the red duress button on the wall. I guessed the distance to be three metres. I looked back at the prisoners and wondered, if it came to it, would I be able to press that button or exit the doorway before they could get to me? The Criminal Class is based on the true-life experiences of an everyday teacher who makes the precarious career transition to an Education Officer in the prison system. His surreal experiences will compel you as they draw you in.

### ADULT FICTION CONVICTION - FRANK CHALMERS

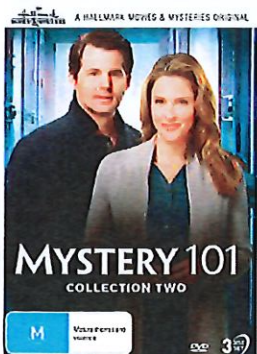

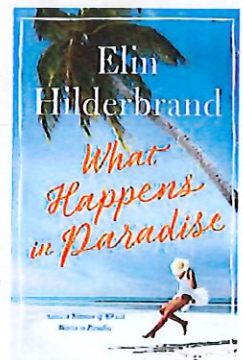

Queensland in 1976 churns with corruption. When Detective Ray Windsor defies it, he is exiled deep into the state's west. It's easy out there to feel alien in your own country. Royalton is a town on its knees, stricken by drought, riven by prejudice, and plagued by crimes left largely uninvestigated by the local police chief, Kennedy, and his elusive boss. Mutual dislike between Kennedy and Ray gradually turns ugly as Ray and his new partner, Arshag, uncover a pattern of crimes that no one seems concerned about solving. But when two girls from local immigrant families are found dead and another disappears, Ray and Arshag are forced to take the law into their own hands. Not knowing who to trust, nor how deep the corruption runs, how long will it be before their lives are also threatened?

A spare and uncompromising crime thriller that pulls no punches.

### LARGE PRINT WHAT HAPPENS IN PARADISE - ELIN HILDERBRAND

A year ago, Irene Steele had the shock of her life: her loving husband, father to their grown sons and successful businessman, was killed in a helicopter crash. But that wasn't Irene's only shattering news: he'd also been leading a double life on the island of St. John, where another woman loved him, too.

Now Irene and her sons are back on St. John, determined to learn the truth about the mysterious life -- and death -- of a man they thought they knew. Along the way, they're about to learn some surprising truths about their own lives, and their futures. Lush with the tropical details, romance, and drama that made *Winter in Paradise* a national bestseller, *What Happens in Paradise* is another immensely satisfying page-turner from one of America's most beloved and engaging storytellers

Susie has worked with us over the last few years and has welcomed the opportunity to step up to the Executive Officer's role which supersedes the Co-ordinator role. The Management Committee looks forward to working with Susie to strengthen the importance of the CRC in our community. Susie's team is made up of Lauren McColl and Jacqui Martin who enjoy organising community events, printing service, secretarial services, assisting with technology challenges especially for seniors, providing library services, exam supervision, training workshops, to mention some of activities that the CRC does. So, drop in and say hello to our friendly staff.

At our recent AGM the following people were elected to the Management Committee: President & Treasurer - Audrey Bird, Vice President & Secretary - Jody Matthews, Susie McDougall Wickein CRC Executive Officer, Beth & Garry Thompson, Julie Russell, Charlotte Astbury, Jackie O'Neill, Lynda Gaull, Christina Antonie and Pam Carden. Our next meeting is on Wednesday November 23<sup>rd</sup> at 5.30pm and is open to anybody to come along and learn more about what we do.

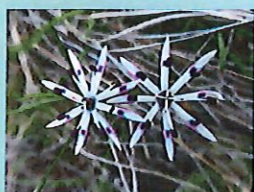

Audrey Bird - Wickein CRC Chairperson
