DON'T FORGET TO TEST YOUR SMOKE ALARMS THIS MONTH!

It is not enough to have a smoke alarm, they need to be tested and cleaned regularly and replaced after ten years.

Research has shown that the majority of people have smoke alarms installed but most do not realise that they need to clean and maintain their smoke alarms regularly. Last year there were 670 accidental or cause unknown house fires in WA and a number of people suffered serious injuries, with one death.

DFES recommends installing smoke alarms in all bedrooms, living areas and along the path to an exit. If you do not have a smoke alarm or are upgrading, DFES recommends installing mains powered photo electric smoke alarms.

For more information about smoke alarm requirements and maintenance visit the DFES website at www.dfes.wa.gov.au.

Firearms Storage

As a rural community we have a large number of firearms licence holders, using them in their day to day business. Sometimes, because of this, we become complacent as to the rules and storage regulations required by law.

The provisions of Regulation 11A(1) of the Firearms Regulations 1974 apply in respect of security storage.

'A person entitled to possess firearms or ammunition of any kind is to ensure that the firearms or ammunition are stored in accordance with this regulation.

Firearms and ammunition are to be stored in a locked cabinet or container that at least meets the specifications described in Schedule 4 or in such other way as is approved".

Tips to remember when considering storage facilities:

- Be mindful of the location for firearm/ammunition cabinets! Do not place them at obvious locations where it is easily identified. A garage IS NOT a recommended location!
- Be mindful of anchoring and fixing bolts when installing firearm storages or containers.
- Consider installing a security alarm to cover the cabinet/storage/container location.

More information on specifications for storage cabinets or containers can be found, as well as on Schedule 4 of the Firearms Regulations 1974, within our Online Services at:

www.police.wa.gov.au/About-Us/Our-agency/Police-Licensing-Services/Firearms/Firearms-storage

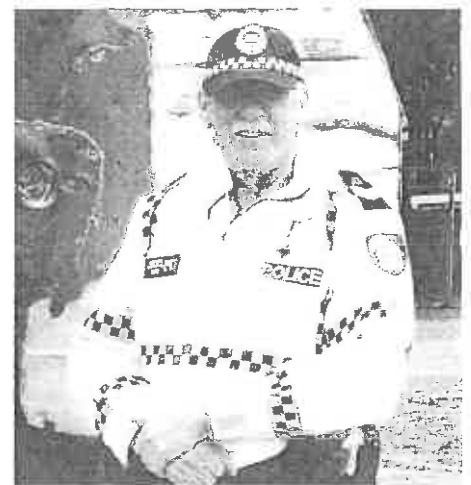

Please remember that safe storage deters your firearm ending up in the wrong hands and being used for criminal activity.

Off to Pastures New

Senior Constable Adrian Hiscock will be leaving Wickepin at the end of the month to take up a new position at the Williams Police Station.

Adrian has worked at Wickepin since June 2013 and will be taking with him some fond memories of the Shire and the people he has had the pleasure of meeting.

I know all of you wish him good luck in his new venture but if you would like to meet up with Adrian before he departs he will be having a cup a tea and a slice of cake on Thursday 23rd March at the Wickepin Newsagency and Lunch Bar around 10am.

Wickepin bowls over Pink Stumps

Brought together over a visit to a BBL final, one with WA winning and the fireworks going off the idea came alive of hosting a Women's BBL in Wickepin as a fundraiser for the McGrath Foundation Pink Stumps Day.

With breast cancer touching many of us the momentum and support grew immensely from the community, to assist in the donation to the great cause of making breast care nurses available to those who need it most.

The date was set, posters out and a hugely overwhelming response from players and people who wanted to be involved came through in just the first 24 hours....and throughout the next few weeks excitement grew.

On Sunday 12th March the Wickepin Oval turned a sea of pink, with ladies from all over the district flooding in, and supporters too.

The game was a Twenty/20 match with modified rules to allow all to have a bat, bowl, field and wicket keep...with many never even watching a game or picking up a bat or ball it did not matter in the name of the cause and to have a heap of fun.

A huge thank you to our sledging but supportive umpires in Ken Mutton and Ken Martin, who in good spirit had to deal with a mass of women.

There were so many contributors to the day supplying raffle prizes - Wickepin Hotel and Harvest Cafe, Wickepin Newsagency, Bronwyn Dew, Cheryl Lang, Michelle Miller and Summit Fertilizers and none the least the Shire of Wickepin who assisted us with the venue, oval and provided us with assistance for catering of the event...plus the many helpers who just dug in and helped out on the day with the bar, cooking and anything else that needed to be done. Thank you to the Cricket Club for the support in the lead up to the event and organising the bar for the day.

The biggest thank you must go to the community for all your support and for assisting us to pull off such a successful day that will be remembered by many and was enjoyed by all.

We are very proud to let the community know that Wickepin have contributed around \$3,000 to the McGrath Foundation with your support (will let you all know final figure once it's all banked).

Maybe not an annual but definitely bi-annual event.

From the WACA to Wickepin we are proud of what we were able to bring together and thank you all....Sarah Hyde and Kerryn Ewen.

2017 Upper Great Southern Cricket Assoc Premiers

On Saturday Harrismith/Dudinin played Williams in The UGSCA A Grade Final at Harrismith. Like in India the toss was very important and when Arron Inzi Quartermaine called correctly he had no hesitation in batting first.

In misty overcast conditions Jimmy Miller and Chaffy Orchard got us off to a great start, putting on 59 before Chaffy was out caught on 34. Jarod Doney came and went caught in slips of the bowling of Julian Chq Book Crudelli, With Jimmy Miller batting well and with a couple of good partnerships Inzi 20 and Cain Taylor 39 we got to 4 for 214. Jimmy Miller batting through the innings to finish unbeaten on 113.

Williams started their run chase well with openers R Rose and B Tiko both making 50s. But on 81, in the space of 6 balls the game changed. Tiko was run out. Chq Book Crudelli was out caught Crouchy bowled Chaffy. First ball next over Rodney Ford was out for a duck. C & B Danny Deckchair Bayley and Williams were 3 for 82 with their 3 best bats back in the shed.

A Rose and L Johnstone both made 30s to keep Williams in the game, but with the run rate required getting above 10 and over and in fading light the Dugites got a strangle hold on the game.

Williams finished on 9/187 - best of the bowling was A Quartermaine 1/22 A Gray 2/52 D Bayley 1/41 and M Orchard 2/43

Jamie Miller Took 2 catches and with 113 not out was named Man of the Match.

Yealering Tennis Club

The tennis Wind-up will be held on Sunday the 26th March. Social tennis will commence at 3pm followed by the AGM, presentations, and a bring and share BBQ.

Tennis players have been very light on for the last two Sundays as some of our members are on the injured list. Best wishes to Maus, Rachael, Natalie and Lindsay for a speedy recovery. Hopefully all the bones, tendons and ligaments that have caused pain and inconvenience will be all mended by the start of next season. New members would be most welcome especially if they are pre-bone replacement age!!!!

All jokes aside the 16/17 season has been very enjoyable and the tennis BBQs very well attended. The outlook over the lake is magical especially this season with it being so full. We hope to have a good roll up at the Wind-up to toast another successful season.
