# WICKYLEAKS

Birthday wishes to Caleb Murray, Elly Dowdell, Leonard Bushby, Stacey Halstead, Gemma Pauley, Ellie Read, Jared Wing, Tatum Anderson, Lara Marchei, Sarah Butler, Lauren McColl.

A big welcome back to our Sandra who has been away for the past two editions. Missed by us all at the Watershed News.

A sincere thank you from the Watershed Team to the gentleman who phoned in and complemented the Watershed News publication. He says he enjoys the read and the jokes and it keeps him well informed of what is going on.

For those who have been wondering, CBH has advised the following will be happening between 15th and 24th May:

*\*Blast last of foam from west end gable \*Repair internal wall \*Wash external roof cladding  
\*Paint external roof cladding \*Bag and clean-up remaining foam\* Site clean up.*

On Thursday 27<sup>th</sup> April, 12 caravans from the Busselton Caravan Club pulled in and set up camp at the Yealering Caravan Park.

Many wandered around the town, visited Steve and his sculptures, kayaked on the lake or just grabbed their camp chairs, cuppa and admired the view overlooking the lake & the wildlife.

90% were ex farmers, but one gentleman had never been in a vehicle bigger than his friends land cruiser, so a ride on a tractor made his day.

Friday night was music and casserole tea around the fire, Saturday saw them all venture to the grassed area at the lake where the Yealering Playgroup supplied afternoon tea.

\$200 was raised, great job ladies. A few locals and a few ladies from Corrigin even came down.

Saturday afternoon the men cooked up a bucket of yabbies (which was supplied by a local), and Saturday night the Yealering Hotel provided their evening meal.

Half enjoyed their evening even more when the Eagles won.... Division in the camp...

By 9am Sunday the park was empty...

The district was saddened to hear of the passing of Gwen Knox. John & Gwen have farmed in the Toolibin area for many years. Our deepest sympathy to John and the family.

## **WICKEPIN BIRD PARK OPENING**

The Wickepin Sculpture Project engaged artist Neil Elliott in a 6 day residency based in Wickepin between September and October 2016. Neil facilitated a series of weekend sculpture workshops with local residents using repurposed wood, found objects, farm junk and recycled materials.

The workshops were held at a project art space created in the Wickepin She Shed He Shed community space. The art space was open to visitors and provided inspiration and the sharing of ideas between participants as well as a central place for discussions with the artist-in-residence. A key component of the project was to motivate and inspire those in the community and to create engagement and conversation.

Participants were able to work on their own individual sculpture project and a community sculpture component of the project. An important element of the sculpture residency was to create a community sculpture. Using the skills developed in the workshops, community members collected materials and used these to create an outdoor sculpture.

The community sculpture created has been called the 'Bird Park' and has been installed along the Wickepin Heritage Walk Trail. A series of local 'birds' has been created from the found and recycled objects. They have been attached to salvaged Western Power poles creating a striking upright sculpture.

Neil Elliott, artist-in-residence, provided a brief to the participants prior to the workshop explaining the focus on regional bird life and the idea of creating fun sculptural pieces. He encouraged community discussion on the subject matter. Neil provided photographs of completed projects to inspire community thought and interaction on an outcome. Neil worked closely with workshop participants and Shire of Wickepin staff throughout the weekends to help refine ideas and assist in determining the form of the community sculpture.

Shire would like to acknowledge the funding support of Community Arts Network WA.

## Spinach & Feta Snail

SERVES 6

PREP 25 MIN • COOK 50 MIN

- 1 tablespoon olive oil\*
- 1 red onion, finely diced
- 1 bunch silverbeet, stems removed, leaves shredded
- 2 eggs\*, lightly beaten
- 120g reduced-fat feta, crumbled
- 240g low-fat cottage cheese\*
- 2 tablespoons chopped fresh dill
- ¼ teaspoon nutmeg
- 12 sheets filo pastry\*
- olive oil spray\*
- 2 teaspoons sesame seeds
- 3 cups mixed salad leaves, to serve
- fresh mint leaves, to garnish

### LEMON SOUR CREAM SAUCE

- ½ cup extra-light sour cream
- 2 teaspoons lemon juice
- 2 tablespoons water

1 Preheat the oven to 180°C (160°C fan forced). Line the base of a 24cm round springform pan with baking paper. Heat olive oil in a large non-stick frying pan over medium heat. Add onion and cook for 3 min. 2 Add silverbeet and cook for 2 min or until just wilted. Remove from heat and cool.

3 Meanwhile, combine eggs, feta, cottage cheese, dill and nutmeg in a bowl. Add silverbeet mixture and stir until combined. Divide the filling into 6 portions.

4 Place 1 filo sheet onto a clean surface, lightly spray with oil and place another sheet on top. Put one portion of the filling in a thin line, lengthwise, 4cm from the long pastry edge and roll up.

5 Starting in the centre of the springform pan, carefully coil the filled filo length, seam-side down, to make a snail shape. Repeat with remaining pastry and filling, joining each roll to the end of the last and coiling it around until the pan is filled.

6 Spray the pie top lightly with oil and sprinkle with sesame seeds. Bake for 45-50 min or until lightly golden.

7 To make Lemon Sour Cream Sauce, place all ingredients in a bowl and stir until combined.

8 Transfer pie to serving plate and drizzle with Lemon Sour Cream Sauce. Serve with mixed salad leaves. Garnish with fresh mint leaves.

### *Odd Jobbing*

"What ya been doing?"

I say to the blokes.

"Mucking around"

they reply.

This is the way to describe all the jobs  
that are done  
in this long distance dry.

There's melons, they're picked,  
Machinery maintained,  
and animals hand fed  
each day,

"Have you worked hard?"

I asked.

"We've just mucked around"

'swhat they say.

Planting the seed, shearing the sheep,  
later on harvesting  
grain.

These are REAL jobs -  
the rest are just chaff  
and "mucking arounds"

the refrain.

## **ADULT NON-FICTION**

**My Ethiopian Family - Des Pauley** ~ This is a transcript of Des Pauley's Ethiopian trip in April taken from his Whatsapp messages. His reactions which Siri kindly recorded for him, are raw and spontaneous which gives you a real feel of his involvement on a daily basis and also the physical conditions that these people face.

## **ADULT FICTION**

**Unbroken - by Laura Hillenbrand** ~ In 1943, a bomber crashed into the Pacific Ocean. Against all odds, one young lieutenant survived. Louis Zamperini had already transformed himself from child delinquent to prodigious athlete, running in the Berlin Olympics. Now he must embark on one of the Second World War's most extraordinary odysseys. Zamperini faced thousands of miles of open ocean on a failing raft. Beyond lay only greater trials in Japan's prisoner-of-war camps. Driven to the limits of endurance, Zamperini's fate, whether triumph of tragedy, would depend on the strength of his will...

## **YOUNG ADULT**

**Tinder - by Sally Gardner** ~ Wounded in battle Otto Hundebiss defies Death and finds himself on a journey to a realm of dark magic and mystery... He meets Safire, brave of heart and pure of spirit, and learns the powers of the tinderbox and the secrets of the wolves.

## **CHILDRENS FICTION**

**I Want My Mummy! - by Tracey Corderoy & Alison Edgson** ~ It's Arthur's first day away from his mummy and he really misses her. Even his fantastic dragon costume and favourite toy don't help cheer him up! "Raaargh!" he roars grumpily. But luckily Granny knows just what to do...

## LEST WE FORGET

In Week 1 we held our ANZAC Ceremony to respect and recognise the fallen diggers from Australia and New Zealand. Our students showed poise during the ceremony which included poems read out by our student leaders. We also had Jorja Hill and Ty Littlejohn represent the school during the Wickepin ANZAC Ceremony. Both student read the poem 'Not a Hero' by Clyde Hamilton. Many people commented on how respectful they were. Well done Ty and Jorja

## Beauty & the Beast

No, I am not talking about the beautiful staff and beastly Principal, I am leading to the fact that we will be taking all of our students to Perth in September to see the stage production of Beauty and the Beast. All of the students are incredibly excited and are going to work hard to raise the funds to get there. They will be selling chocolates and wood raffle tickets during the term in an attempt to reach the total required. Keep an eye out for them and buy lots of tickets!!

## Who is This Former Student?

Did you get last edition's student? It was Clint Hill, owner of Hillco Transport and proud Yealering community member. Can you recognise this student?

### Hints:

- He attended YPS in the late 80's/early 90's
- His parents still volunteer at

YPS with the breakfast club and technology projects.

- He currently lives in Paraburdoo, WA.

# WICKEPIN LADIES HOCKEY CLUB

**13th May 2017**

*Mothers day weekend the Wickepin Ladies hockey club held their cake stall outside the Wickepin Harvest Cafe, with Jody setting up bright and early( can always count on you to be organised) we started bringing in customers early. It was a lovely day and a great success in our fundraising. Special thanks to Jody Matthews, Kirsten Rigby, Shirley Ahrens and Renae Bransby for your valuable time in making this day happen. Of course thankyou to all for all the dishes/trays of foods that everyone contributed there was definitely some quick sellers. We packed up by 1.30pm and didn't have much left to sell. Thankyou to everyone who supported the hockey club cake stall on the mothers weekend. Also congrats to raffle winners Kiara Richards, Kailey, Sandie O'Brien and Carmen Payne.*

## **Wicky vs Brookton @ Wickepin**

Run, run, run all you seen in attack line is black and yellow everywhere. Today we have recruited Jess Hughes so a big thanks to her and Stretch(aka Stacey Richards) put in half back being a little lost at first! Up and back not talking to start, great tackles and controlling of ball shown by everyone down our attack line renae hits, MISS DAMN! Couple of shorts to both teams played. 0-0 half time.

We all playing good defense and attacking is great but not enough to score. Jess shouting from sidelines, but we won't repeat what she said to some but thanks for your positive reinforcements. Up and back no-one holding back, brookton gets a run down their D and two or three shorts in a row. Stretch( scared s\*\*tless they were going to score) excellent work by all defence and Kirsten whom took position of goalie for the day great work girls. Few rough plays, sticks locking together, few falls to ground some of us shaking our heads in confusion on callings, Brookton taking it up their attack line to their D and great skills in comes Jody Matthews takes it out wide controls the ball half way and clears it out. Great work! Whistle blows! Final score 0-0

Excellent game to all players, umpire votes go to Renae, Stacey R and Megan. Spectator votes to Steph K sponsored by Wickepin Newsagency. I would personally like to say a BIG THANKS to everyone for playing as a team and holding their mind set. "Brookton Voodoo maybe broken"

Training Thursday night 6pm @ wicky oval and our next game is also at home @ 2pm against warriors if anyone can't make it to training or the game please let Renae know by facebook or her mobile.

Congratulations to the week 1 winners of our super 66 competition: no. 40 Jayden Ewen and no. 68 Glen Spark

**6th May 2017**

## **Williams vs Wicky @ Williams**

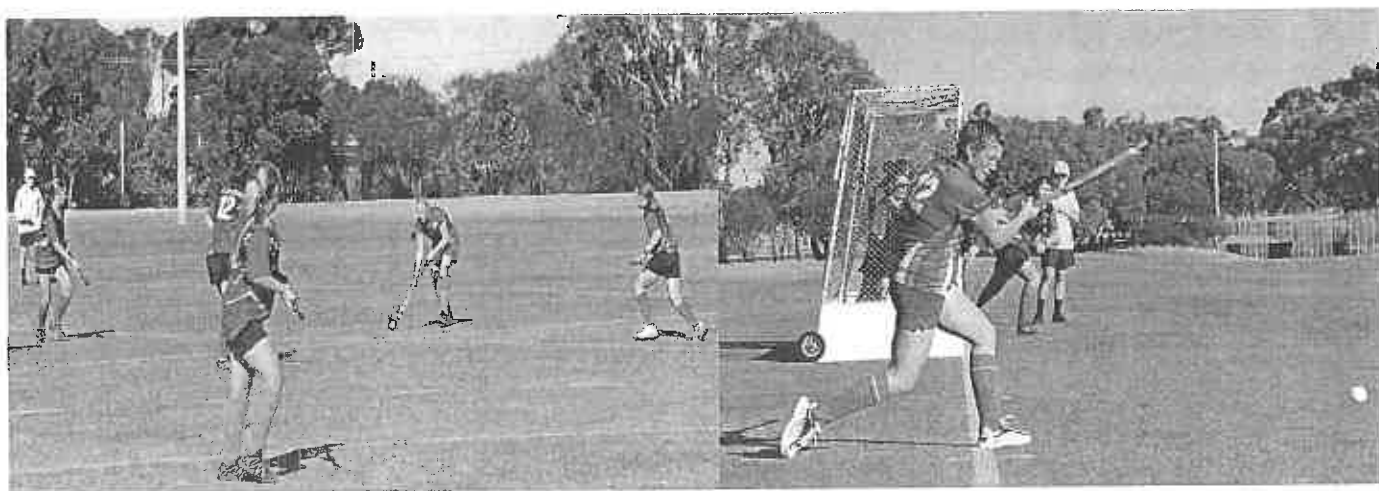

*Another hot day at 3pm we play hockey (der) with Jody sitting out resting her ankle from prior week, alot of play down our attacking end but Williams making it tough. This game was like a ping pong competition. Everyone was tiring easily due to the heat, up and back tackling hard, Williams A grade goalie just not letting any balls pass. Score 0-0. To be honest I'm not sure what else to say about this game even though its only Sunday 7th and this is all I can remember. Sorry girls!! Well done to Renae, Stacey R and Steph G for receiving umpire votes and Megan on getting spectators award sponsored by Wickepin Rural Services.*

## Wicky vs All Blacks @ Wickepin 29/4/2017

Stretch(aka Stacey Richards) running 5 minutes late into the game, it was going to be a tough one. With everyone running vigorously back and forward the team just wasn't clicking! For the first half all were moving very fast we seemed to hang our heads low and we were all hot and bothered but time wasn't on our side that went slow! Back and forward great tackles repeated in midfield (Steph G, Renae, Shirley, Megan, Stacey H) keeping the ball in our attack zone but just not enough to score. Much more back and forth frequently rotating on positions so we had recovery breaks finally Renae gets a run to the d and she scores. 1-0 oh no apparently NO GOAL! Still nil all. Some of us still lost and heads not in the game All Blacks were not laying off! Few hockey balls to and fro little high little low out wide Renae fires up on the line through the mid field around All Blacks players in our attacking zone and bang we score, now we are 1-0. Coach Renae says "come on girls lets make this 2 so we can rest a little" (I think, sorry if i got this wrong). Back and forth we go again it seems like forever. Their defense not holding back and nor are ours down our end and Jody running hard towards right wing and forces her stick to the ball around All Blacks player and scores (great job Jodes) connected with another All Blacks legs, Jody has taken leap up but into the ground oh s#\*t ump calls time. We try and help, we politely get told to leave her, we go back on field and Jody goes off to side. Not long after the whistle is blown! This second half is like a yo-yo both teams relentless in their attack and huge amount of turn overs in the centre on both sides. I think there may be a few bruises on a few from this game. Up and down through to defense, back up to our attack plenty of times, but not close enough to score. Few shots in our favor but All Blacks defense sticking tight still no score. Halleluiah whistle goes 2-0. A couple with major "owies" and a few with some aches and pains (to all hope you recover) Well deserved umpire votes go to Stephanie Green, Renae Bransby and Shirley. Spectator votes donated by Yealering Agparts & Repairs went to Stretch.

Thursday is still training 6pm sharp please and for anyone that can't make it to training or the games please text Renae on her mobile or facebook messenger needs lifts etc please arrange.

## 22/4/17      Robins Red vs Wicky @ Wickepin

Sunshine when I left Yealering, clouds coming over very quickly. Get to Wickepin and it starts to spit heavy drops of rain. We lost toss, Robins start with the ball and it starts pouring down with rain. Hayley Hill and Renae Bransby running round the centre field sticks wet, we are wet, feels like we have elephants on our shoulders (WELL I DID).

Down our end, heaps of hits in but not enough to score. Their defense very strong.

Couple of shots, still no score! Up and back not much training put into our game to start off with and everyone a bit confused on positioning (probably due to rain) even though there was good tackling and Renae swoops through mid field, around the top of the d and big hit past the goalie and we score. Back down our end again Stacey H has the play running hard has confrontation with opposing player and goes down. She did her ankle in and with her stubbornist she stays on. Our defense keeping strong Stephie G, Megan, Jody + Kirsten(goalie) great tackles and passes, we have passes 1-2's through the field good control and runs from Aleah, Kiki, Stacey H, Shirley, Steph K, Renae and Hayley(good work girls). Renae zooms through midfield she yells "Richards turn around" I do 180' slide my stick and ball goes in! 2-0. Whistle blows half time. The rain has well and truly eased off into 2nd half. Opposing team getting more of the ball now, Wicky tackling harder, training is definitely coming out in the game now passing direct to players talking, confidence boosts, positioning was a lot better Hayley Hill, Aleah great running and control to Steph K who pushes into d and Kiara off the left wing down to the ground and pushes the ball in for another goal. 3-0 (I know I was really excited for her first goal). Back to the centre, Wicky girls giving it their all. Trainings are now well seen. Renae dodging through opposing players, little one on one action at top of our forward line on the d, hit bang and boom GOAL SCORED. Great defense, great attacking, control and determination by everyone on Wickepin hockey team we aim to score again Steph G great hit to Steph K who receives the pass out wide of our goals she pushes ball to Stacey H and Stacey scores from the right. Few minutes to whistle blows final score 5-0. Congrats to everyone, it was said by many that this game was a delight to watch! Well done to Stacey Richards, Hayley Hill and Renae Bransby for umpire votes and also to Renae Bransby for being awarded spectators votes kindly donated by Jean at Wickepin Newsagency.

# WICKEPIN NETBALL CLUB RESULTS

## Juniors

### 10/U

What a fantastic start to the season for our 10 & Under team who have made the move from Net-Set-Go to this harder competition. These little stars have shown in the first two games that they can string a series of passes together up and down the court and have even scored a few goals in the process. This is an amazing effort for them as they are coming up against older and taller competition each week. They work hard at trainings on Thursdays and are super keen on learning and improving. Keep it up team, you are doing a great job.

### Round 2

*Wicki Pings 27 def Olympics Cobalt 19.*

Wow! What a fantastic way to start the season. These girls played a hard fought, competitive game for four quarters and came away with a great win. Way too hard to pick best players as everyone played well – Jorja, Tyler and Billyanna were very accurate in goals, with Hayley, Taylor, Lily and Shakira intercepting well in defence and Gabby very quick running through the centre court. Great work girls – you’ve set the bar high but I know we can keep it up – especially as this was the first time they had played together as a team. Thanks to the spectators that came along. Bring on the next game!

### Round 3

*Wicki Pings 18 def Flames Fireflies 10.*

As we warmed up we looked over at the opposition – they were GIANTS!! So we put a plan in action and another fast and furious game was played. A fantastic effort from the whole team once again who worked really hard to achieve another win. The goalies had their work cut out for them getting the ball past long arms and into the goal circle, while the defenders had to position themselves in front of their players and jump really high! The ever reliable mid court worked in over time as the ball went from one end to the other numerous times before goals were scored. Great work team and also a wonderful attitude to the game. Keep it up.

## Seniors

### Round 2: 6<sup>th</sup> May

#### A3

The A3 girls faced Narrogin Flames & came out with a great win, 61 to Flames 31. Despite the strong win, the team kept up a solid 4 quarters of effort. Great defensive pressure was applied in Sue Spark, Suzie McDougall & Felicity Taylor. Our centre court also contributed to the win greatly with numerous intercepts & tip offs. Umpires votes went to Virginia Nicholls & Suzie McDougall. Great effort ladies!

#### A1

We won!

As the saying goes “train like you play” and we all felt that this week with everything we worked on during the week being implemented in our game. Our focus was on our attacking play and the strong drives and holds by our shooters, Deb and Katie, and the leads and positioning of our mid court all played a big factor in our 57 – 36 win. It was another huge effort by our defence in this game, applying pressure all the way down the court and creating numerous turnovers and a shout out to Andrea for donning the WD bib for a half. The umpire vote in this game went to Danni.

### Round 3: 13<sup>th</sup> May

#### A3

This week saw the girls play against Olympics in a narrow contest. We were very strong in defence and with 2 minutes to go were leading by one. Unfortunately we couldn't quite hold onto the lead & went down by 3 goals. With a few more games under our belts & a bit of polish to our game, we should get them next time!

## A1

In a really enjoyable, hard fought game against Olympics we came away defeated by just 3 goals, 44-41. We had our positive pants on this week and started the game strong with our shooters, Deb and Anj, combining well to convert in the circle and our defenders playing their roles beautifully and we lead at half time by 3 goals. Their defensive pressure and shots on goal increased in the second half and they took the lead but we still managed to create our share of turnovers and run with strong passages of attacking play getting the score back to level in the final term but unfortunately they didn't miss on their opportunities and finished the game just in front. The umpire votes in this game went to Deb and Kelly.

## WICKEPIN GOLF CLUB

6th May golfers played for the Patrons Trophy. Jenny Hemley won the day with +6 and gets her name on the Patroness Plate. Cam Leith also with a +6 gets his name on the Patron's Putter. Very good scores.

Thank-you to the patrons Frank Bird & Cyril O'Brien for supplying the prizes for the day. Sunday we had a busy bee which was well attended. There was lots of raking, burning, mowing, marking fairways and seeding clover. Thank you to all who attended. As they say *Many hands make light work*. The course is looking great.

On Friday night at the volunteers night Frank Bird was nominated and recognised from the golf club for all the hard work he does on the course. At a spritely 92 he still mows and helps out where he can. Thankyou Frank- well deserved.

13th May Twaddle's Amcal Chemist. A field of sixteen teed off in perfect conditions on Saturday on a very dry hard course. Ros Wyllie won the Ladies prize with 43 points having some very good shots.

Rex Bergin was the men's winner with 41 points, good hitting Rex.

It was also good to see some new faces and some old ones for their first hit for the year.

A wood raffle was held over the market day week-end. Thanks to all that came to cut and split the wood. We got Frankie Bird to draw out the lucky ticket. The winner was Carleen Hill from Perth. When I phoned her to tell her the good news she donated half the wood back, so we drew another name which was Bree Short from Wickepin. Very lucky Bree!

Thank you to all who supported us by buying tickets.

This week-end we play for the Wickepin Hotel & Harvest Cafe trophy. It's our second qualification round with some very good prizes supplied. See you on the course.

Cheers Steve Hill
