On the weekend members of the Hotham Cruisers motor bike club visited Wickepin with some staying overnight. They specially made mention of how beautifully clean and tidy our town is.

Don't forget to read Des Pauley's book "*My Ethiopian Family*" which is in the Telecentre library.

THE GREAT OCEAN WALK ON THE OTWAY RANGES, VICTORIA

Along with two sisters and a friend, a local reader recently spent six days walking this amazing coastal walk along the south coast of Victoria. Our walk started at Shelly Beach just to the west of Apollo Bay and concluded at the Twelve Apostles just to the east of Port Campbell. Each day the scenery varied and the coastal scenery was truly magnificent. This was enhanced by the great autumn weather we experienced for the whole period of the walk.

Day 1 we walked through tall timber country going quite a way inland meandering along old logging tracks before descending to the coast at Blanket Bay. **Day 2** was a coastal walk through coastal bushlands and thickets of grass trees glimpsing our destination for the day, being the Otway Lighthouse, now preserved as a tourist attraction, which we explored before walking into Bimbi Park which was our digs for three nights. The café at the light house provided a real treat of latte and cake at the conclusion of this days walk. **Day 3** was a long day, walking along the coast from the lighthouse to Castle Cove Lookout which is the only spot that the Great Ocean Road meets the coast along the walk. Other access points to the walk are by minor gravel roads and tracks. Hence the only way to really get the feel of this part of the south coast is to do this walk. We crossed the Aire River inlet about lunch time – this is accessed via a dirt track and is frequented mainly by fishermen and walkers. There was a spectacular view as we approached the river mouth, feeling totally alone in the world, and, there far below were two beach fishermen, peacefully enjoying their day also.

We stayed three nights at Bimbi Park, just north of the cape Otway Lighthouse. Each day we would take our car to the end of the days walk and were picked up, by prior arrangement, and taken back to the commencement point. The track is "One Way", so met no walkers coming towards us, which enhanced the feelings solitude and peace experienced during this walk.

Day 4 was coastal walking and a section walking along Joanna Beach, where a great surf was roaring at the time, making sitting on the rocks a spectacular spot to enjoy lunch. The track then left the coast and headed steeply inland through farming country for a few kms where we picked up our car and stayed o/n at the tiny village of Lavers Hill, enjoying a good pub meal.

Day 5 – a tough one to The Gables car park, the narrow track winding up and down along this section of rugged coast line with many steps, again spectacular scenery. We drove to Port Campbell for our last two nights. While this little village has grown in the past 50 years and now quite a "yuppy" weekend destination, it has maintained its beauty in the small beach and rugged lime stone cliffs, that I remember visiting many times as a child.

Day 6 we walked through Princetown and onto the conclusion of our walk at the Twelve Apostles. While such a spectacular end to this walk, it was also quite confronting, as after the peacefulness and solitude of our past days walking we suddenly among many hundreds of tourists exploring the area. Coachloads come from Melbourne daily for a day trip only.

We walked around 100kms over the six days, a truly memorable experience, so, I recommend this walk, as a wonderful "holiday with a difference".

WICKEPIN POLICE STATION

AMNESTY - Firearms, Accessories, Parts and Ammunition

1 July 2017 to 30 September 2017

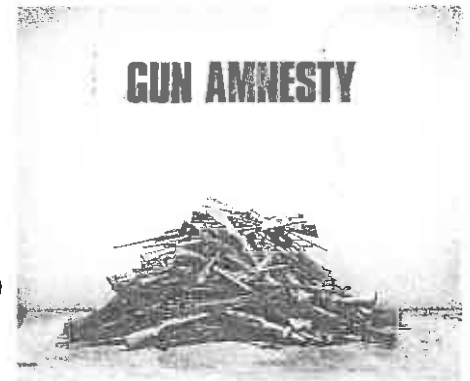

Western Australia Police is a participant in the national firearms amnesty, which will operate in all states/territories from 1 July to 30 September 2017. All police stations will be able to receive surrendered firearms, accessories, parts and ammunition from the community for destruction.

Whilst it is unlikely many residents of the Shire of Wickepin will be holding unregistered firearms, many people do inherit firearms and ammunition from deceased relatives or friends. These items need to be licenced or surrendered to police.

Some will also discover that they still have ammunition for a firearm they no longer own or a part that is no longer of use, which is not listed on their firearms licence.

Please Note - Possession of ammunition or parts without the correct licence is an offence.

If you do have any licenced or unlicensed items that you would like to dispose of please take this opportunity to surrender them legally.

Current Crime Trends - July 2016 – May 2017

Reported offences have dropped from the previous year. Domestic burglary has stayed the same and although this may seem alarming only one burglary has been reported in the Shire this year, the same figure as last year.

Offence	% + /-
Domestic Burglary	+/- 0%
Theft/ Stealing	- 55%
Damage	- 83%
Domestic Assault	- 60%

Shut the Gate!

Paint a picture of a fine Autumn day,
And the farmer's wife doing her duty,
She's out in the ute with the trailer behind,
She's feeding the ewes - she's a bewdy.
If the old man is busy she'll give him a hand,
No matter the time of the day,
She'll tackle most jobs that come on the scene,
She's his partner, and this is the way.

But - there's one thing that riles her and gives her the pip,
It's the largest on her list of hates,
It's the wrestling and tussling and hits-in-the-guts,
That she gets from HIS "Farmers' Gates".
Diabolical setups of wire and barb,
A muddle and maze sort of tangle,
Dreamed up by some sadist or psychopath type
To catch farmers' poor wives in a strangle.

Oh! Come on you blokes - do your best for your mate -
GET OUT AND FIX UP THAT RUDDY FARM GATE!

COUNCIL NOTES >>>> 30 MAY 2017

DRYANDRA COUNTRY ART, FOOD & WINE TRAIL

Wickepin, Cuballing, Narrogin and Williams created a haven of art, food & wine with a big dose of country air and hospitality for the 5th annual art trail held over the recent Mother's Day weekend.

Visitors in huge numbers from around the Great Southern and Perth spent the weekend exploring the region and visiting Wickepin and the Shire as part of the trail.

The Wickepin Town Hall was filled with art displays by Caroline Coate, Mesha Hall and Debra Scidone.

Caroline had us pondering the method of Socrates
 ☼ Mesha painted the hall pretty while we watched
 ☼ Debra chatted to all about her 30 years documenting the landscape near us (and challenged us to the blob test).

Prema Sexton created a perfect photographic portraiture pop-up studio ☼ She Shed He Shed wowed everyone with the diversity and quality of their recycled/upcycled metal sculptures ☼ Silvery Moon created bespoke silver jewellery ☼ Something Painted, TinkerBay Frames and That's Sew Kate showed the region the perfection and depth of local artisans ☼ Selina's Garden was abundant with greenery ☼ Christine Hill Food fed us sumptuously all weekend ☼ Belinda Dycer awed everyone with her floral art ☼ Helen Warrilow's local paintings were equally loved ☼ Photographs by Rachael Guinness and her travels made us stop and think ☼ Not to mention the olives, preserves and other goodies available.

Wickepin Community Resource Centre organised a market day on the Saturday to coincide with the trail.

They had a fabulous street performer and vintage car display along with all the street vendors.

A VERY big thank you to all the volunteers, and shire ground staff who had the town looking so good.

Lake Yealering Bowling Club Inc.

The Lake Yealering Bowling Club Inc held their first Pot Club event on Sunday 21st May. Rather cold and wet but we had ten people in attendance at the bowling club. Rink winners with a play off between Kevin Coxon and Lois Shipley put Lois in front to play off with the other rink winner Spencer Davidson (aka Pom).

Final winner being Lois Shipley.

Well done everyone - thank you for coming out and bracing the weather with open arms and then taking off in a hurry to get home to watch the footy - Cheers!! May the best team win (stir stir).

Thank you to Fran for supplying the snacks to finish the event.

Hope to see you all and more at next weeks Pot Club Event.

Pot Club at Lake Yealering

Yealering held its second game of Pot Club Sunday 28/5/17 with twelve players in attendance - lost some / gained some and had some drop in to have a look at the games, maybe more for next week?

Rink winners this weekend were Lois Shipley, Beryl Poultney, John McKenzie and Colin Coxon.

Play off between Lois and Beryl with Lois the rink winner.

Play off between John and Colin with Colin being the rink winner.

So the final playoff was between Lois and Colin.

Final winner being Colin Coxon

Another great weekend - once again thank you all for coming and having an interesting morning - weather was cool but at least we didn't get wet this time.

Farmers it can rain now - until next Sunday though - okay?

Thanks again to Fran for supplying the nibbles - appreciated by all.

Cheers everyone hope to see you all and your friends next Sunday.

WICKEPIN NETBALL CLUB RESULTS

Juniors

10/U

The last two weeks we have played Waves and Cuballing on the outside courts. There's been a few scraped knees and elbows but we've come out showing what tough stuff are kids are made of. Playing older and taller opposition it has been so great to see that our team is learning to play in front and lead for the ball. Players of the week go to Lexi Mutton for fantastic defensive work against Cuballing and to Matilda Leitch for her movement around the court against Waves. Keep up the great work team, we are working hard on our weekly goals and improving heaps!!

Round 4

Wicki Pings 18 def Olympics Emerald 13

It appeared that Wickepin were half asleep in the first quarter when the opposition jumped out of the blocks and ran away with a five goal lead by quarter time. But this is what I love about the Wicki Pings – they put their heads down and worked really hard to outscore Olympics in the next 3 quarters and come away with another hard fought win. Fantastic effort by all! This was the first time we had all our team members and they are all gelling together nicely. Special mentions this week to Taylor who had too many intercepts to count and Lily who played a fabulous game in defence. Let's keep it rolling team!

Round 5

Wicki Pings 16 def Cuballing 12

This week it was Wickepin's turn to jump to a good start in the first quarter – and luckily they did because the rest of the game was goal for goal! With only 7 on the team (speedy recovery to Lily and Gabby) there were no opportunities for the players to rest so once again they ran hard and earned a well deserved win. Shakira played a fantastic game in defence, Karli ran well through the middle and Billyanna and Tyler played well in goals. Our closest game yet – Well done! I think there are harder ones to come. Enjoy a break for the long weekend.

Seniors

Round 4: 20th May

A3

The 20th May saw us take on Waves, who appear to be the team to beat this season. With both Flik & Suzie out, it was always going to be a tough one.

We had a sluggish 2nd quarter which saw Waves take the lead by 18 goals. To the girls effort & a stirring performance in defence by Rachael Hill, we managed a brilliant last half which saw us only going down by 4 goals in the third quarter. We slowed the game to our pace & focused on good use of the ball & went on to outscore them in the final quarter, a great effort in a trying game. Unfortunately this still resulted in a not so fantastic final score, 48 to Wicky's 22. Umpires votes went to Virginia Nicholls.

A1

Not our best day on court – coming away defeated by 12 goals against Wagin 47 – 35.

Wagin came out fast and we were forced to rush our play and struggled to get the game to our pace. Hilary had a fantastic game in defence and Deb and Katie worked hard in goals against a very tough and agile Wagin defence. We know where we let ourselves down and we will be working hard at training to get back on track! The umpire votes in this game went to Hilary.

Round 5: 28th May

A3

This week saw the A3 girls take on Williams at home. We were evenly matched & level up until our third quarter. The girls concentrated on making good use of the ball by slowing our game with another top performance by our defenders. The shooters also had their eyes in with Jo Lewis rebounding any stray shots. This saw the girls run away with a solid 12 goal win. Umpires votes went to Rachael Hill & Jo Lewis. The fifth quarter involved champagne & a lovely afternoon tea supplied by club members, thanks to Williams for travelling & staying behind for a drink or two.

A1

A very gutsy win at home, defeating Williams by 4 goals 38-34.

We had the focus for this game (to win at home of course!) but to also play at our pace and although we were down at half time by 7 goals, we managed to do this in the second half and worked ourselves in front by the last quarter. It was the first week of having our full 10 player side so we took advantage of bringing on 3 sets of fresh legs in the 3rd quarter and making a few positional changes to gain some momentum back in our favour. All 10 players contributed to this win and being able to comeback like we did showed lots of guts! The umpire votes in this game went to Captain Courageous Kelly.

WICKEPIN GOLF CLUB

20th May winner of The Wickepin Hotel/ Harvest cafe prize was Cam Leitch - you won't be keeping that handicap for too long and runner up was Jenny Hemley on the same score. Well done to both players. We had a good number tee off. We also had two ladies play a few holes just for fun, which I heard they had a bit of a giggle.

Thank you to our sponsors. Without sponsorship running these events are much harder.

We had a good field turn up for Weston's stableford round last weekend. The winner was Warren Thompson with 40 points, great effort for his first game for the year. Runner up was Greg White with 39 points. Third was Steve Hill with 38 points.

This week we have the Ladies open day on the 1st of June and expecting a well supported day as per usual. The preparations are well under control and the golf course may be a little on the dry side. If you have some time spare and would like to help it would be greatly appreciated. Please get in contact with someone on the committee.

Next weekend is a scroungers round being a long weekend. There is still golf on but no sponsorship.

On the 10th June is the Great Southern 4BBB Championship at Lakeview Dumbleyung. We have 6 going at the moment. Please let Killer know as soon as possible if you want play and we will organize a bus.

It will be scroungers at home that weekend too.

Happy golfing

Steve Hill

WICKEPIN LADIES HOCKEY CLUB

Wicky Vs Warriors @ Wickepin 20th May 2017

Warriors not making it easy up and back , all of us playing good hockey with some good hits to our goals but just not enough to score. Wicky needing to play smart hockey, Stefie G, Megan and Renae some brilliant tackles in attack and defensive sides. Few fails, sticks and balls high and low, Warriors playing hard and 3 or more shorts to them played. Great defence Jody, Megan Stefie G, Shirley and our great goalie Kirsten. Half time 0-0!

Renae's ankle getting slammed in first half, she wasn't giving up, still running flat out, Stefie G's german grunt being shown through midfield and some great 1,2's with Shirley and Megan. Few free hits in centre field, just no channelling happening, ball getting through sometimes but just not enough to score. (Where were the wings?) Warriors giving it their all 2nd half Wicky were not going to be beaten. Few more shorts to them (some still don't know how they were received but excellent pressure by wicky and Jody Matthews with some excellent passes out wide. To our attacking end Steph K puts it through into goals, but whistle is blown just before. DAMN! We finally score a short, no luck for goal but great positioning Aleiah ! Next time chick! Jade well done and Kiara great tackling! Stacey H good runs and tackles, well done Shirley. I (Stretch) can say this seemed to be one of the toughest games we have had so far. Congrats on another draw lets break the 3 next week hey girls!!! Umpire votes go to Renae, Megan and Stephie G and a very well deserved spectator votes to Steph Keeble sponsored by Millers Rural Services.

Congrats to Super 66 winners week 2 no. 61 Stacey Richards and no. 71 Jen Smith

HARRISMITH GOLF NOTES

With seeding under way the past couple weeks, small fields of golfers have enjoyed a round at Harrismith.

On Saturday 20th May the 2nd round of the Glen Orrin competition was played.

Others played a stableford competition, with Scott in the men's winners circle with 38 pts from Tim, 36 pts. Helen won for the ladies with 30 pts from Carmen with 21.

Last Saturday members played a stableford in perfect conditions with our course slowly greening up. Men's winner was Gary Waters with 42 points from Scott with 41 pts. Ladies winner was Mary-Ann with an excellent 39 pts. Well done Mary-Ann.

Our Ladies Open Day is on 7th June and the Men's Mid-Week event is on 14th June so keep these dates in mind.

A reminder, next weekend, we play Sunday Golf, starting at the normal time, playing a stableford event and the 3rd round of the Glen Orrin is to be completed.

FACEY GROUP TRIAL UPDATE

Incorporating Lime to Depth on Duplex Wheatbelt Soils

2017 will be the third year of the COGGO funded trial, which focuses on both the agronomic and economic responses from five lime incorporation methods. The trial was installed in 2015 and the treatments include control (nil), top dressed lime, direct drilled Omya Calciprill, deep ripped (top dressed lime, deep ripped) and spaded (top dressed lime, deep ripped then spaded). These treatments are replicated three times on PA scale plots.

This project came about from local growers needing to see a better response from lime applications, as most growers practice no-till seeding and have previously only used top dressing for lime application. There is also a distinct lack of local sub-soil acidity research undertaken on clay/duplex soil types, as most previous research has only focused on sand plain soils.

The first year of the trial showed that the greater the level of soil disturbance, the more reduced the germination was. Yield and quality at harvest did not show any significant difference in 2015, as canola has the ability to compensate for bare areas by closing over the canopy. It is likely that if the trial area was planted to cereals, the variation between yields may have been greater in the first year.

In 2016, after a year of the soil firming, all treatments achieved consistent germination across the trial, which was sown to wheat. The spaded treatment yielded higher than other treatments, averaging 2.45 t/ha and control had the lowest yields with an average 1.7 t/ha. These results are likely due to the spaded treatment having a higher crop nitrogen utilisation, which is likely due to the mixing, aeration and breakdown of the soil organic matter which results in increased mineralisation of nitrogen; the possibility of improved root growth and access to nutrients due to the deeper tillage technique loosening the soil; as well as the mitigation of any water repellence through soil inversion. The spaded treatment also had the highest protein average and it also saw all plots grain quality assessments reach APW1 specifications. In the control treatment, there were large variations in the grade specifications, with one of the control plots even being graded to AGP1.

Over the two years the trial has run, the economic analysis shows that the spaded treatment had the highest gross margin, followed by Calciprill, deep ripping, control and lastly top dressing. The highest return on investment (ROI) was Calciprill followed by top dressing, deep ripping and then spading, which is likely due to the large upfront expense of implementing the treatment. The control was excluded from the ROI as it has no implementation expense.

The trial was sown this year on the 18th May to oaten hay and it is expected that this year will begin to balance out the full benefits and return on investment of each treatment in this trial, given the results from applying lime are expected to last for many years. Having this information at a local level will allow growers to integrate the results into their own farming systems to achieve greater yields and increase on farm productivity and profitability.

RUN YEALERING, RUN!!!

On Friday 26th June, we sent a select few of our Year 4 and 5 students to compete in the Interschool Cross Country race. The Year 4 students ran 2km and the Year 5 students ran 2.5kms. They were absolutely amazing and ran the entire race without any complaints (which I must say, their Principal would struggle with). Well done to the students that competed and represented YPS.

Wood Raffle

Look out for our students around town and at some sporting events selling tickets for the P&C Wood Raffle. It will be drawn at the end of term assembly on Wednesday 21st June. The winner will be notified. The tickets are \$2 for one or \$5 for 3.

Who's This Former Student?

Did you get last fortnight's student? It was Michael Lally from 1993. This fortnight's student is a rather hard one. Clues below:

1. This photo is of a 12 or 13 Year old boy (strapping young lad) in 1966.
2. He was a Champion athlete in his day.
3. His family has a very strong link to Yealering Primary School and still farms in the area
4. His initials is CW
