The Watershed is always looking for social news from around the community. If you would like to share (cost free) please email information to watershed@wn.com.au or leave a note or copy at the front desk of the Community Resource Centre.

Elaine and Keith Bushby spent a few days in Esperance fur baby sitting for Keith's daughter's two dogs and a cat. They must have passed the test because the animals were still alive when Debbie returned from her work meetings in Kalgoorlie. Although it rained a few times, the weather was picture perfect in the beautiful town.

School holidays commence this Friday, so all drivers keep your eyes open to keep our students safe.

COUNCIL NOTES >>>> 27 JUNE 2017

SOUTH WEST A BUZZ WITH HELICOPTER INSPECTIONS

Western Power are reminding land owners, communities and drivers in the south west of the network that they are currently conducting helicopter line inspections on regional powerlines.

The choppers will be inspecting distribution lines in the York, Brookton, Beverley, Corrigin, Cuballing, Pingelly, Wandering, Warradarge and Albany areas over the coming weeks that cross farms and run along regional roadways.

Western Power's Head of Operational Services, Stewart Furness said that while there will be no impact on power supply, it can be distracting with helicopters hovering at low altitude near poles and powerlines.

"Western Power undertakes regular helicopter patrols throughout the year to inspect and maintain the electricity network when the weather conditions are favourable. Whilst it is a fantastic sight drivers should keep their eyes on the road, not in the sky," Mr Furness said.

"We also want to remind farmers in the areas that some inspections will be near paddocks. So they may wish to consider moving livestock away from pastures near powerlines."

If network maintenance is required during an inspection, highly skilled technicians safely repair the powerline while in the air by sitting on a platform located in the helicopter.

In some circumstances the helicopters may land for closer inspections.

For further information on inspection rosters and schedules customers can visit the Western Power website at westernpower.com.au/support/helicopter-line-maintenance/ to see if they are affected.

THROW SOMEONE OFF THE SCENT

The phrase to *throw (or put) someone off the scent* developed from the idea of confusing a hunting dog or bloodhound.

An untrained or incompetent dog would be confused by a new smell, but a good hound would identify and filter out such interruptions and retain the distinct scent of the prey being trailed.

Many a fugitive, sprinkling pepper on the ground or swimming across a river, must have thwarted his pursuers – both dogs and men – by *throwing them off the scent* in this way.

"The Stella Awards "

It's time again for the annual "Stella Awards"! For those unfamiliar with these awards, they are named after 81-year-old Stella Liebeck who spilled hot coffee on herself and successfully sued the McDonald's in New Mexico, where she purchased coffee. You remember, she took the lid off the coffee and put it between her knees while she was driving. Who would ever think one could get burned doing that, right?

That's right; these are awards for the most outlandish lawsuits and verdicts in the U.S. You know, the kinds of cases that make you scratch your head. Only in America. So keep your head scratcher handy.

Here are the Stellas for this year:

Carl Truman, 19, of Los Angeles, California won \$74,000 plus medical expenses when his neighbor ran over his hand with a Honda Accord. Truman apparently didn't notice there was someone at the wheel of the car when he was trying to steal his neighbor's hubcaps.

Scratch some more...

Terrence Dickson, of Bristol, Pennsylvania, who was leaving a house he had just burglarized by way of the garage. Unfortunately for Dickson, the automatic garage door opener malfunctioned and he could not get the garage door to open. Worse, he couldn't re-enter the house because the door connecting the garage to the house locked when Dickson pulled it shut. Forced to sit for eight, count 'em, EIGHT days and survive on a case of Pepsi and a large bag of dry dog food, he sued the homeowner's insurance company claiming undue mental Anguish. Amazingly, the jury said the insurance company must pay Dickson \$500,000 for his anguish.

We should all have this kind of anguish.

Keep scratching. There are more...

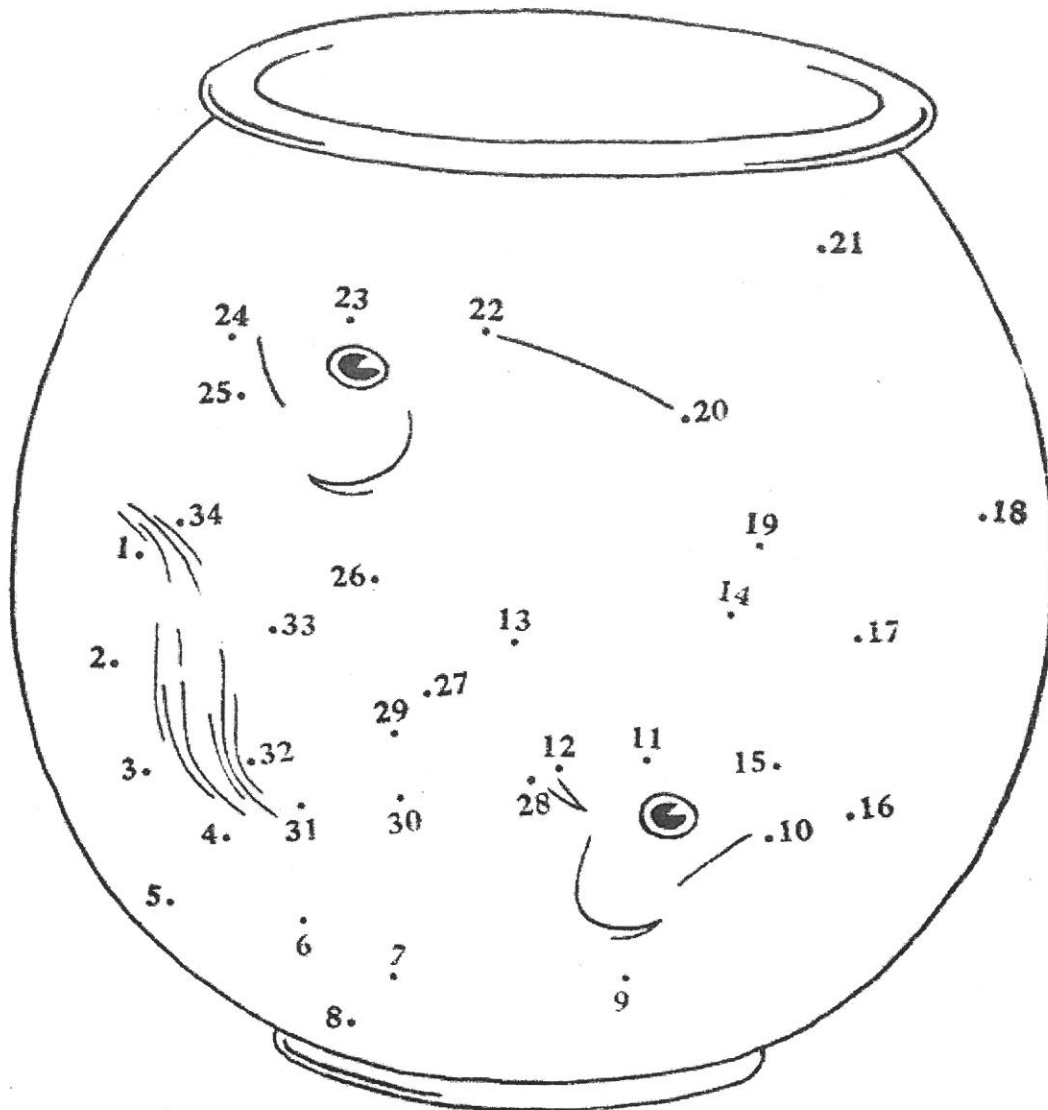

Double hand scratching after this one..

Jerry Williams, of Little Rock, Arkansas, garnered 4th Place in the Stella's when he was awarded \$14,500 plus medical expenses after being bitten on the butt by his next door neighbor's beagle - even though the beagle was on a chain in its owner's fenced yard. Williams did not get as much as he asked for because the jury believed the beagle might have been provoked at the time of the butt bite because Williams had climbed over the fence into the yard and repeatedly shot the dog with a pellet gun.

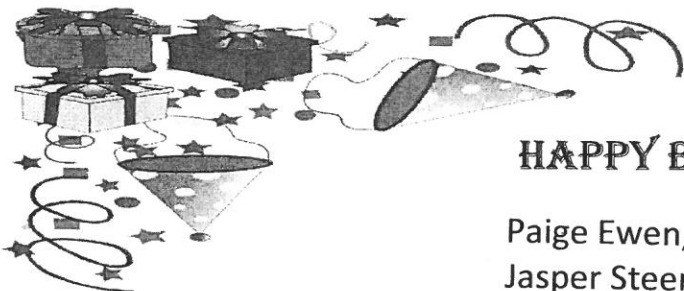

Pick a new spot to scratch, you're getting a bald spot..

Amber Carson of Lancaster, Pennsylvania because a jury ordered a Philadelphia restaurant to pay her \$113,500 after she slipped on a spilled soft drink and broke her tailbone. The reason the soft drink was on the floor: Ms. Carson had thrown it at her boyfriend 30 seconds earlier during an argument. Only two more so
ease up on the scratching...

IN THE KITCHEN

We used baby dory fillets in this recipe but any thin, boneless fillet would be suitable

1½ cups Panko breadcrumbs
1 tblsp cajun spice mix
grated rind and juice from 1 lemon
½ cup mayonnaise
2 tsp chopped parsley
4 x 125g thin boneless white fish fillets
1 x 59g egg, lightly beaten
1 baby cos lettuce
1 lebanese cucumber, sliced into ribbons
4 bread rolls, cut in half

Combine breadcrumbs, spice mix and lemon rind on a large plate. Mix lemon juice, mayonnaise and parsley together in a small bowl and refrigerate.

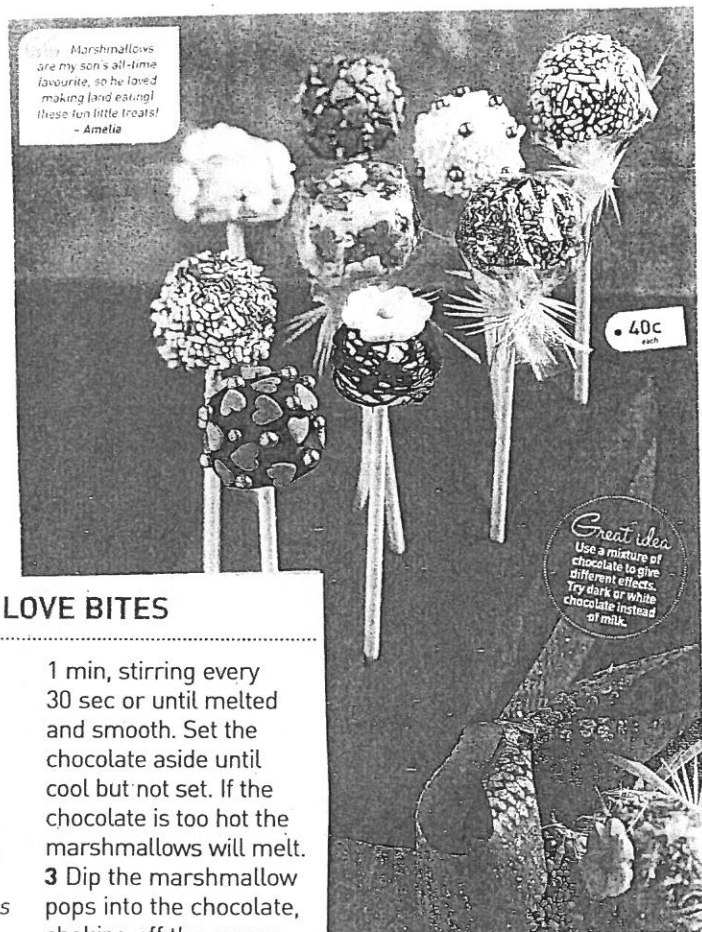

Dip the fish fillets in beaten egg, then coat with the breadcrumb mixture. Shallow-fry the crumbed fish fillets in hot oil in a large frypan for about 2 minutes on each side or until golden. Remove from pan and drain on paper towel.

Layer the lettuce, fish fillets and cucumber ribbons on the roll bases, drizzle with lemon mayonnaise and replace roll tops.

Recipe is best prepared as required.

KIDS' CORNER

Spread a can of **pie apples** (or any type of drained canned fruit) over the base of an ovenproof dish. Crush about 14 **butternut cookies** in a plastic bag with a rolling pin. Melt 2 tablespoons **butter**. Add enough melted butter to biscuit crumbs to moisten, then sprinkle over apple. Bake in a 180C preheated oven for about 15 minutes or until crisp and golden. Serve with **ice-cream**.

MARSHMALLOW LOVE BITES

MAKES 36
TIME 20 MIN, PLUS
SETTING TIME

- 36 lollipop sticks
- 36 marshmallows
- 200g dark, white or milk cooking chocolate, broken into pieces
- pink and white sprinkles
- pink and white lollies, for decorating

1 Push a lollipop stick into each marshmallow and set aside.
2 Place the chocolate into a microwave-safe bowl then microwave on high (100% power) for

1 min, stirring every 30 sec or until melted and smooth. Set the chocolate aside until cool but not set. If the chocolate is too hot the marshmallows will melt.

3 Dip the marshmallow pops into the chocolate, shaking off the excess. Decorate as desired using sprinkles, lollies or cachous. Stick the lollipops into a jar of sugar or a styrofoam box and allow to dry. Wrap each bite in cellophane and then tie with ribbons.

Great idea
 Use a mixture of chocolate to give different effects. Try dark or white chocolate instead of milk.

Marshmallows are my son's all-time favourite, so he loved making and eating these fun little treats!

PETER RUNDLE MLA DEMANDS ANSWERS ON REGIONAL POLICE RESOURCING

The Labor Government has refused to confirm whether it will retain at least two sworn officers at country police stations.

Member for Roe Peter Rundle MLA confronted Police Minister Michelle Roberts in Parliament this week to demand answers on Labor's plan for regional police resourcing.

"The Minister was asked specifically if she would provide adequate resourcing for country stations, including retaining at least two sworn officers at each location, and she refused to directly address the question," Mr Rundle said.

"It appears we are heading back to the dark old days of the previous Labor Government where it shut six country police stations across regional Western Australia, including three in the electorate of Roe."

Mr Rundle said the three stations Labor shut in 2007 – at Cranbrook, Wickiepin and Dumbleyung – were subsequently re-opened by the Liberal-National Government.

"Given Labor has ruled out examining a new revenue source or privatising assets it stands to reason that they will need to make cuts to achieve Budget savings," Mr Rundle said. "Labor's track record shows that when money is running thin they will look to siphon police resources away from the bush."

Mr Rundle said under questioning in Parliament the Police Minister ruled out closing regional stations yet he remained sceptical.

"The Nationals WA will hold Labor to this commitment," he said. "When Labor last shut country stations it caused great concern in the affected communities and it took the hard work and lobbying of The Nationals, along with the local governments, to get these vital pieces of community infrastructure reopened."

Mr Rundle said country police stations did not have the specialist support or back-up enjoyed by the metropolitan area. "This is a key reason why the retention of staffing levels, and in some cases the improvement of staffing levels, is required," Mr Rundle said.

Please contact Peter Rundle MLA for further information.

Pot Club Bowls News:

Sunday 18th June - The weather was good and eleven were there, thank you to all who were there and enjoyed the morning, it was good to see the Narrogin guys come along again. The rink winners were Ron Timms, Eric Fleay and Fred Early. The final play off winner was Eric Fleay. Well done Eric.

Sunday 25th June - It was a bit chilly but it didn't stop the fourteen who came, which was great to have that many there. Once again thanks to the Narrogin guys for coming and as well as our usual ones that are there every week. The rink winners were Steve Strahan (Ngn), Gary Smith (Ngn) and Rex Bergin. The final play off winner was Steve Strahan.

Lake Yealering Bowling Club Inc.

First off many thanks to the lady that retyped my notes for the past two weekends - my computer spat the dummy and I couldn't get to my notes so I used an old type writer to do the notes up - only no one could read my typing [it's old like me], seems it needs a new ink ribbon or something - so my sincere thanks to you and to Stacey (for getting my computer going again with bits from her house) - thank you both.

Pot Club updates for Sunday 18th June 2017.

We had some discussion with certain people and we may decide to try something different next Sunday - if you don't like the change please say so and we will go back and do something else. Mind you, please take note that I will not be here next Sunday - young Carol has agreed to have a go and I sincerely thank you Carol for taking on the responsibility. Thank you, well done and good luck. Have patience you lot okay?? Once again we had fifteen players on the green - weather was a bit cold but the sun was warm - what have you done with the rain???

We had play offs between Graeme Poultney, Shirley Elson, Brian Shipley, Barry Watkins and Sue Richards.

Final play off was between Shirley Elson and Barry Watkins with our young Shirley Elson taking the honours this week - well done Shirley, your turn to come back next week for a rematch - yes ???

All the best to you lovely people - help out where you can please and save me some soup - typical I go away and all the good stuff comes out - nice to know who your friends are eh ???(stir)

Hope the meeting went well - you can tell me about it when I return. Good luck - cheers!!

WICKEPIN NETBALL CLUB RESULTS

Juniors

Round 7 (17/6/17)

10/U

This week we came up against the top team, Pingelly and we managed to score 2 goals! Well done team. This was the best netball we have played this year as we were passing in front and leading to space. Despite being beaten by a few goals the game was well played with our team managing to move the ball down the court really well. This week's star player is Baillee Pike – she played an awesome game at WA and then had the courage to insist that she should be GS and would get a goal – she didn't quite get a goal but a couple of attempts toyed with the ring and nearly had the coach having to reassess her true position. The team will enjoy a few weeks off as we have a bye and then break for school holidays.

Wicki Pings 40 def Williams 3

Congratulations on another win to the team. A bit less pressure from the opposition this week allowed our goalies to 'go to town'. We applied great defensive pressure in the second half to keep the opposition scoreless. Another great game by the whole team – I even got a few comments from outsiders saying how well the team played. I think the next couple of games will be tough – let's keep working hard.

Round 8 (24/6/17)

Wagin 6 27 def Wicki Pings 13

We've been knocked off the top rung of the ladder – but hopefully not for long. A tough game today with a stronger and taller opposition. Wicki Pings tried hard all game, and even won the second quarter convincingly – but the other team was better on the day. Well done girls – you all tried very hard right to the very end. See you after the school holidays.

Seniors

Round 7: 17th June

A3

17th June saw the A3 girls do battle with Olympics Royals. Olympics came out firing & set a cracking pace early in the game. Wicky struggled to get the ball through Olympics strong defence which saw the score line widen in Olympics favour. The girls managed to outscore Olympics in the 3rd quarter with Suzie & Jenna combining well in shooting and a stellar performance in defence by Rachael & Flik. Unfortunately it wasn't enough to get over the line with the final score; Wicky 26 to Olympics 39. Umpires votes went to Virginia Nicholls.

A1

It's good to report that we were able to get a win on the board, defeating Waves by 44 goals 69 – 25. We had the goal this week of keeping up our intensity and being disciplined with our passing and leads for the full 4 quarters. We were able to convert many of our turnovers in the first half which saw us gain a strong lead and playing with just 7 this game allowed our players to settle well in to their positions. Deb had a brilliant game in goals, holding well for the lob passes and again our defensive end was strong. Michelle and Danni also combined well in the mid court with good movement and feeds in to the circle. Umpire votes went to Deb and Hilary. A shout out to Kelly and Helen for being happy to sit out this game and be our scorer and stat keepers, we loved your support on the sidelines!

Round 8: 24th June

A3

BYE

A1

A win on the road – defeating Pingelly by 10 goals! 51 – 41

We knew this game would be a challenge, playing the 2nd placed team on their home turf but we knew that if we played our disciplined game and played tightly on our opponent that we could match them – and we did! We had a 2 goal lead at half time and we finally put together a solid 3rd quarter which won us the game. Every player played their role this week and contributed to this good win. We now have a 3 week break but look forward to taking this momentum from the last couple of games into our first game back from the bye. The umpire votes went to Deb with another super game in goals and Emily for her awesome defensive pressure all 4 quarters.

WICKEPIN LADIES HOCKEY CLUB

First off, congratulations to everyone that was in the UGSHA country week starting 16th June that was held in Perth. A1 teams did exceptionally well, but the Upper Great Southern division 4 team had an immaculate weekend as we came out CHAMPIONS. In the finals we played against Busselton and the score was 1-1 on the end whistle, so 5 chosen people from the team (1 at a time) had to shoot in 8 seconds against the opposing goalie and we did it. Thanks ladies for an excellent weekend and on my behalf (Stacey Richards).

Thank you for letting myself and Kiara Richards to be part of your team.

Saturday 25/6/2017

Wickepin vs. Williams @ Wicky

1.30pm we kicked off on our home field against Williams in which over the country week hockey weekend we played with half these girls. The rain we had prior to this day had made the hockey field rather heavy, making it harder to run on, but we play to conditions.

Williams making it hard down our attacking d plenty of times but not enough to score. Our goalie not getting much of the ball down in Williams attack line. Up and back good work by everyone some nice tackles some passes all in correct positioning but still not enough, oohhh hang on Renae flies down and scores. Whistle is blown half time 1-0.

Well done to everyone but passes ladies we are a team - we don't have to do it by ourselves, something to work on at training as this weekend we have turf game at 1.30pm. This half plenty of shorts, ball in our possession 80% of the game but we just don't seem to be finishing. I lose count of how many shorts given to us. 1-0 final score. Well done to Williams and thanks for following us to the Wickepin Hotel for afternoon tea. Umpire votes went to Renae Bransby, Megan Owen and Steffie Green. Great job girls and game day award sponsored by Yealering Agparts and Repairs went to Stacey Halstead.

Super 66 winners for the last 2 weeks No. 13 Megan Owen and No. 39 Jean Sloan and week 7 were No. 46 Jean Chalmers and No. 18 Holly Eales.

Thursday training at 6pm. Please let Renae know if you can't make it and see you all Saturday 1st July at 1pm on turf in Narrogin. If anyone keen on getting littlies doing hookin2hockey, please contact Steffie Green or Jody Matthews registrations need to be in Friday please and thank you.

Register now for Hookin2Hockey in Wickepin during Term 3. The program for 5 to 10 year olds will run for 8 weeks starting Thursday 27th July 2017 at 3.45pm at the Wickepin Oval. Program cost is \$65 per child and includes all the gear. This is a great program to give your child a taste of the game of hockey.

To register please email Stefanie Green on StefieB@googlemail.com.

Registrations close on Friday 30th June 2017.

Yealering Yarns

All the happenings from the school at the head of the Avon,
Yealering Primary School

School Community Member of the Month

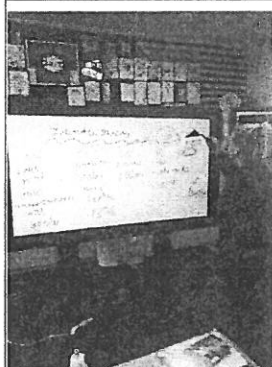

Wickepin Shire

For trimming some of our trees and clearing up a large amount of rubbish from our Term 1 Busy Bee. Thank you!!

Upcoming Dates

- Wednesday 28th June – Reports home
- Friday 30th June - Last day of Term 2
- Monday 17th July - SDD, no school for students
- Tuesday 18th July - First day of Term 3 for students

It's The Future!!!

We are very excited about the recent delivery of our 2 new interactive panels. The panels will connect to all of our iPads and laptops in the classes and will become a completely interactive tool. This advance in technology will allow our students to leap forward in their learning.

Wood Raffle

The wood raffle was drawn on Wednesday at our Term 2 assembly. Congratulations to Michelle Hull (one of our teachers) on winning the trailer of wood. I wanted a re-draw but it was all legit! The students managed to raise over \$1000 to go towards our Beauty and the Beast excursion next term. Well done kids.

Who's This Former Student?

Did you get last fortnight's student? It was Reid Hodgson, one of our amazing parents.

This one is a bit more recent. Although graduated, his family is still part of the Yealering PS family. Can you guess it?
