WICKY LEAKS

Birthday wishes to Ben Mutton, Rex Bergin, Anika Mullan, Lance Sutherland, Ross McDougall, Corey Dougall, Ricky Dougall, Cheryl Groom and Chris Ewen.

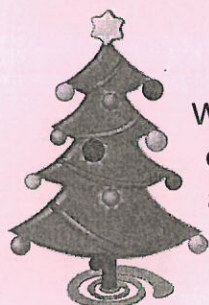

Belated Happy Birthday wishes to Judy Gray who celebrated a very special birthday with her immediate family in Perth over the weekend. They enjoyed the luxury of the "Burswood" and dined in style.

A film crew have made a couple of visits to the Yealering Hotel to film scenes and talk to locals for a pilot of a new series about Country Pubs. They have been gathering information about events and the importance of the hotel to the community, and would like to invite anyone who would like to be part of this event to celebrate Yealering's rich past and vision for the future, to meet with them when they return.

They would also like to hear from anyone who has old photos or videos of events held at the hotel and of the Yealering fire in December 1994, when the trees in the lake were alight.

Contact Andrew Pheasant (Director) 0439 962 803 or Karen Hudson (Producer) 0411 115 655

We are still seeking expressions of interest for new volunteers to assist to organise the Shire of Wickepin Christmas Luncheon. Think about coming along to help make this a fun event for the seniors of our community.

Well done to the Wicky Warriors on their massive win over Brookton-Pingelly on Sunday. So many goals were kicked, with the score board was constantly flashing, putting the Eagles and Dockers to SHAME.

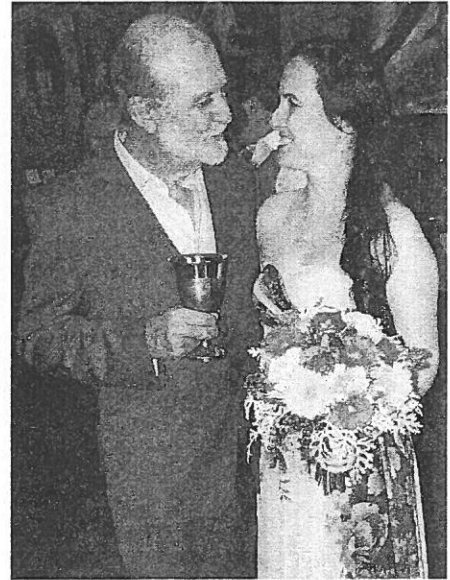

Wedding Bells

Congratulations to Tony and Amanda Smith who were married on Saturday 8th July at the "Mean Fiddler Restaurant" in Albany. Tony's brother came from Queensland, and his son from Canberra, was his Best Man.

Amanda's sister, still recovering from surgery on Thursday 29th June, capably filled the position of Bridesmaid. The ceremony took place at lunchtime, so the small harmonious gathering enjoyed the occasion, tucking into a sumptuous feast before the cutting of the beautiful Black Forrest Wedding Cake.

The happy couple will spend their honeymoon in Queensland, later in the year.

Congratulations to Nathan and Meidy Astbury who were married in Bali on 7th July. Nathan should have no trouble remembering this special anniversary date (7/7/2017). Some locals who attended this wedding were Zen and Ben Mutton, Kerryn and Jayden Ewen, Ammers and Jake Martin and Danelle and Daniel Bird. Sarah Hyde babysat Ollie for the Birds.

LOCAL GOVERNMENT ELECTIONS 2017

Local government elections play an important role in our democratic system and are an excellent opportunity for people to contribute to, and be involved in their local community.

Ordinary local government elections are held on the third Saturday in October every two years, generally for 50% of the members of every council.

There are many benefits of being involved in your local council, the main benefit being the sense of satisfaction you will gain from serving your community.

Being involved in local government will also give you the opportunity to increase your knowledge about the operations of all levels of government, improve your confidence in public speaking and play an important role in the changes occurring in your district.

If you want to make a difference in your community and have a say in local decision-making, vote or stand for election as a councillor in your local government elections. For further information please visit www.dlg.wa.gov.au.

THANKYOU TO THE COUNTRY CAMPFIRE AND COMMUNITY

Funds raised from the Country Campfire event held in June were donated to the

Wickepin St John Ambulance.

This donation combined with donations from other members of our community has enabled us to arrange for the purchase and installation of two AEDs.

These are intended to be installed at the Wickepin Town hall and Tincurrin Rural Supplies.

To the Wickepin Community:

Hi ..It is that time again!

I would like to introduce to you **THE SAMARITANS PURSE : " OPERATION CHRISTMAS CHILD."**

This organisation provides Christmas boxes to needy children in slums, extreme poverty, famine areas and war zones. In New Zealand and Australia our boxes generally go to South East Asian areas.

I am asking YOU to help: by filling a box for a child less fortunate than your own.

If you would like to help: **Please see staff at Resource Centre for instructions on how to fill a box.**

You have until October to fill a box and leave it with me or at the Health Centre.. and I will deliver them to Perth.

Thank you and God Bless.

Music Magic!!

We are very happy to announce that Yealering Primary School has now employed a Music Specialist to provide a very integral part to the Arts Curriculum. Karen Jespersen has many amazing plans for our students and based on the enjoyment from this week's first lessons, the students are going to love their music. There are many proven reports that link music to improved focus and memory so we can't wait to see how the students progress!

Talk4Writing

Yealering Primary School has introduced a new English program called Talk4Writing. T4W is a unique process that uses spoken activities to develop writing skills. It has the potential to dramatically improve students' writing. The

approach also offers students with learning and language difficulties an opportunity to develop stronger writing skills. Feedback from students indicates that they find T4W 'fun, engaging and motivating.'

Who's This Former Student?

Did you get last fortnight's student? It was Matthew Poultney, another YPS success story!

This fortnight's student is from 1960. He is still a proud Yealeringite and has won a few of the YPS

HARRISMITH GOLF NOTES

On July 8th, eight men travelled to Yealering for their Men's Open Day. By reports, all had a good day out. Mark and Aaron came fourth net, with their golfing skills proving better than their navigation skills on the way home!!!

Six ladies and two men enjoyed a round at Harrismith, playing a Stableford, with it being a Hidden Hole competition.

Winners were Judy on a c/b from Donna, and Judy won both "nearest the pins".

Saturday 15th July - 10 golfers played a Par in delightful "Scottish" weather. Congratulations to the winners Adam and Mary-Ann.

Last Saturday the first round of the Championships were completed and a casserole tea was enjoyed by those present. By discussions around the bar following play, some solid golf was played. In their match, followed by a small lively gallery, Mark and DK played onto the 20th hole before Mark won, Winners of the Stableford competition were Scott 41 pts and Claire 35 pts.

Next Saturday, it is hoped that many of our men will travel to Wickepin for their Open Day. There will be a Stableford event for those playing at Harrismith.

Please note that the 2nd Round of the Championships is brought forward to the 5th August due to the date of the State Sand Greens at Brookton being played from 10th to 13th August.

Kim Melvin (Yogi) and McIntosh & Sons are sponsoring our golf day on 19th August so make note of this on your calendar.

Happy Golfing.

Pot Club Bowls News:

Sunday 16th July- Fifteen were there for a game which was great to have that many. As always it's lots of fun and thanks to all who were there. The rink winners were Ron Timms, Rex Bergin, Steve Strahaun, Pat Kealy and Barry McKenna. The final play-off was between Rex and Ron and the winner was Ron Timms.

Sunday 23rd July- Only six came and I can understand why many didn't, as the weather was not good. Anyway we played on! The rink winners were Rex Bergin and Eric Fleay. The final play-off winner was Eric Fleay. Hopefully next Sunday the weather will be better.

Juniors

Round 10 (22/7/17)

10/U

After three weeks off netball the kids were keen to get back into it and they played a ripper game against Flames. All girls were finding space and re-offering their leads. Some very exciting moments when we got four goals for the game and narrowly missed winning by one goal. Fantastic game girls, you impressed your coach and the spectators!! Players of the week go to Harmony Flood for her great effort and dodging and to Jordee Pike for moving into space. Keep up the great work everyone.

Wicki Pings 25 def Wagin 7 9

What a fabulous game after a few weeks off. The team jumped out to a good lead after the first quarter and were able to maintain and extend that lead for the rest of the game.

Another great TEAM effort – everyone played a great game and the coach is impressed at how well everyone is playing their positions! This is the end of the first round and now all teams have played each other once. You should all be very proud as we completed the round with only one loss!! Now we will go into a 'finals' round where the top four teams play off for first place. Good luck girls – I know you will all give it a good crack! Thanks to Anthia for umpiring.

Seniors

Round 10: 23rd July

A3

A home game to kick off our season again after the bye but unfortunately the result didn't go in our favour, defeated by Olympics Royals by 13 goals.

We had a much stronger second half of the game, outscoring our opponents and making a few positional changes, and hopefully we can take this momentum in to our remaining games. Suzie played a fantastic game in defence with Rach and Lew running hard all game also. The umpire vote went to Felicity for her strong efforts in GK and WA.

A1

After enjoying a couple of week off and a scratchie against Narembreen last weekend, we were all looking forward to getting back on court and to take on the top side at home in Wickepin. A great result for our team to defeat Olympics Gold by 7 goals, 43 – 36.

We knew we needed a strong start to the game to give ourselves the best chance and we were able to do this and keep it up all game. We made a conscious effort to play tightly on our opponents, work hard to lead at the right time and in front and using the best options to feed in to our shooting circle. A strong effort by all 7 players on the day with special mention to Em in defence for her hard work and pressure all game and to Deb for her fantastic positioning and shooting. The umpire votes for this game went to Deb and Danni.

GG FUNDING CUT A BLOW TO GROWER GROUPS

WA agricultural grower groups are the latest victim in Labor's war on Royalties for Regions, after it was confirmed \$6 million would be cut from the Grower Group Research and Development Grant (GGRDG) program.

The Royalties for Regions-funded GGRDG program was initiated by the previous Government, and championed by The Nationals WA as part of the Seizing the Opportunity in Agriculture initiative.

Member for Roe Peter Rundle MLA said the decision by the Perth-based Minister for Agriculture illustrated Labor's lack of understanding on the social and economic benefits grower groups such as South East Premium Wheatgrowers Association and Southern Dirt had throughout Roe.

"Grower groups play a central role in increasing the productivity and profitability of farm businesses by adapting research to farmer-member needs to deliver locally relevant research projects, technology and information in various zones across the State," Mr Rundle said.

"The industry-led research, development and extension undertaken by grower groups is invaluable and ensures WA farmers remain competitive in an ever-changing market.

"Grower groups also provide local employment opportunities, and serve as important social hubs which encourage farmer-to-farmer education and community engagement."

The Nationals spokesperson for Agriculture Hon Colin de Grussa MLC said grower groups were being punished so Labor could fund election commitments in Perth.

"The State Government claims to be focused on job creation, yet it is slashing funding from a program that facilitates local employment, training and development," Mr de Grussa said.

"When questioned in Parliament the Minister has continually said all Royalties for Regions projects are under review but it is now clear the McGowan Government has already decided agriculture is not one of its priorities.

"The Nationals WA will hold the Labor Government to account to ensure agriculture is not put on the back burner."

ENDS.
