Thank you to Watershed News and to those who responded with information on the property taken up long ago by the Becker family. I had always wondered about its location within the Wickepin Shire, and now can drive past and identify the block abandoned by the family after the house burnt down. (Southern side of Leeson Road/Boundary Road intersection) It was also good to know my Uncle Harry Becker a Bank Manager in the 1950's was remembered by some.

Best wishes and thanks

Geoff Becker

## A few words from CR Julie Russell about the 2018 Australia Day Ceremony and the 2017 Community Award Winners

### CITIZENSHIP CEREMONY

The Shire of Wickepin held our Citizenship Ceremony in Wickepin on Thursday 18th January, where Leah Taylor took her Citizenship pledge, with husband Caen and mum Lorraine alongside for support.

This would have been held at our Australia Day breakfast, however, Leah and Caen have now welcomed to the world their newborn son, Fergus John Taylor, who was born yesterday morning, and so the ceremony was re-scheduled accordingly.

Hearty Congratulations to Leah, for becoming an Australian Citizen, and to the family on the birth of their son.

**CITIZEN OF THE YEAR 2017** There were 4 nominees for the Citizen of the Year Award. These were: Ian Hills, Raymond Lewis, John McDougall and Helen Sands.

The recipient for the award is:

**JOHN McDOUGALL**— John has been awarded Citizen Of the Year for 2017 for his longstanding contributions to the community, in particular Tincurrin and Harrismith. John has many High Accolades, but amongst them is his Dedication and Honour to serving as a Volunteer Ambulance Officer with St John's Ambulance-Wickepin sub-branch, since January 1983- a span of (now) over 35 years.

He attends many local sporting events as the volunteer ambulance officer on call, and is always actively involved in raising funds for the Wickepin sub-branch Ambulance Centres. Cleaning, Care and Maintenance of the Harrismith vehicle and storage shed is also undertaken by John.

The members of the Wickepin Sub-branch of St John's Ambulance Greatly Appreciate John's excellent mentoring qualities, and his continued encouragement and support to new and old members.

In addition to the Ambulance Portfolio, John was one of the founding members of the KOONAX Band which evolved into The Tinny Band. One of their prime objectives, whilst providing entertainment at local events, was to "bring music to the locals, and to encourage people to Have a Go" at either singing or playing a musical instrument.

John has always been very involved with the Tincurrin Primary School and Community over many years, both as an Official and a Volunteer at hands on working bees, and also training school children in Introductory First Aid - especially teaching them of Ambulance Procedures.

He was very active in athletic training at the school for over 15 years until it's closure, and now assists at Wickepin Primary school. School concerts also benefited from John's "lighting and sound" expertise, and the history of the Tincurrin Primary School will be forever displayed under a commemorative shelter in Keeping Street, where John has assisted in the erection of the school board and sign for photographic memorabilia.

### COMMUNITY GROUP AWARD 2017

#### WICKEPIN COMMUNITY RESOURCE CENTRE

The recipients of the 2017 Community Group Award is the Wickepin Community Resource Centre, who have supported and promoted the Wickepin Community over many years by organising events of different levels throughout our Shire for the benefit of our communities.

In October 2017 the WKCRC took the opportunity presented by untimely rainfall in February which filled the Yealering Lake with water and held the 1st "Yealering Regatta" in over 20 years which attracted over 1000 people throughout the day to participate in the home-made boat races, visit the market stalls, or to just "have a look" at the beautiful Lakeside.

Predominately working with our local volunteers at all times, and amongst other things, they also organise market days, run the annual Photographic Calendar Competition, organise and run the annual Cancer Council Biggest Morning Tea Fundraiser for cancer research and other various small events throughout the shire to promote our Shire to others.

The CRC work with the shire's Community Development Officer on various projects within the shire for the promotion and benefit of Tourism.

The Wickepin CRC is directed by a very small committee of volunteers and are ably backed-up by the equally small, but very efficient Staff.

Congratulations to the WkCRC, and we all look forward to attending and supporting the coming year's event's, organised by the Wickepin Community Resource Centre.

#### **SENIOR CITIZEN 2017 AWARD**

There were 3 nominees for the Senior Citizen Award 2017. These were:

**Frank Bird; Raymond Lewis and Phil Watson**

The recipient for the award is:

#### **RAYMOND LEWIS**

Ray has been awarded Senior Citizen of the Year for 2017 for his Outstanding Contributions to the Wickepin Shire and Town of Wickepin over many years.

Ray has been a long time sponsor and supporter of many local sporting clubs including the Wickepin clubs of Bowling, Tennis and Netball, the Yealering Bowling club, and especially of the Wickepin Football Club, where he has been a main sponsor, providing both jumpers and trophies for awards over many years.

Ray was one of the prime movers in establishing the committee in the year 2000 for the building of the extensions to the Wickepin Community Centre. This created a multi-purpose building that, since it's opening in 2006 by Wilson Tuckey, is widely used by sporting and corporate entities of the region, and is now a huge asset to our Shire.

Previously Ray has been involved in the Wickepin Agricultural Show Committee, and the WA Merino Committee, presided the Wickepin Junior Farmers and played football for Dudinin.

Since 2014 Ray has sponsored the Albert Facey Horse and Carriage Drive, and has provided venues and social events for their evening functions. He has instigated monetary collections for the Telethon Institution and also instigated the 100th Anniversary Celebrations of the Wickepin Agricultural Show in October 2017.

Ray has been involved in Feathers, Sheep and Wool for most of his life, either by breeding, showing, classing or judging at Local, Interstate or Overseas levels and achieving many awards in each at high levels, and at all times is commemorative of "where he came from" – Wickepin is constantly in his conversation.

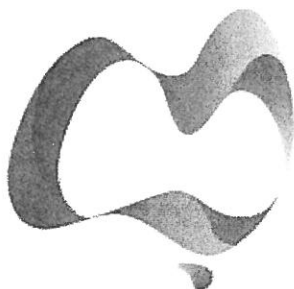

He is a major contributor and a fantastic ambassador for the Agricultural Industry, and is continuously encouraging the younger generation to "get involved" in the Agricultural Industry, in particular the Sheep Industry, which is one of our Shire's main industries.

Ray's merino stud, Lewisdale, continues to put Wickepin on the map with it's Australia wide Merino Achievements.

Never backwards in coming forwards, Ray's energy is unlimited. He has lived in the Wickepin District his whole life and whether he is at a local event or a National event, Ray is always positively promoting Wickepin, even in his general conversations.

Ray is passionate about Wickepin and agriculture, and is Very Proud of where he comes from.

Congratulations to you Ray, on your fantastic contributions to our community.

# Facey Group Progressive Agriculture Award

## Recognising a lifetime of passion and innovation

The Facey Group in partnership with the Shire of Wickepin recognise the importance of sustainability, thinking outside the square and dedication to the rural community and agricultural industry on a whole. To celebrate this, the Facey Group Progressive Agriculture Award is presented each year as part of the Shire of Wickepin Australia Day Awards.

The recipient of this award will have displayed management contribution to sustainable and progressive agriculture in the region; with the 2017 award presented to Stephen Rose.

Stephen has shown a progressive approach to managing and achieving a high production mixed enterprise over many years; with a 60:40 crop:pasture rotation.

Stephen was a founding member of the Facey Group; appointed to the Wickepin LCDC committee in 1991, serving as a committee member, secretary and the Walleminning Catchment Co-coordinator; remaining as committee member in the transition from the Wickepin LCDC to the Facey Group in 2001.

Stephen hosted one of the early lime trials in the shire during the 1990's and has continued to apply lime regularly; having shared his chart on the effect of soil pH on nutrient availability many times; with a strong belief in the effect pH has on plant growth and health. Stephen has focussed on building soil health with yearly applications of super and potash to all pastures to build high density sub clovers for his livestock enterprise and alternatively build up nitrogen levels for the next year's crop. Paramount to this has been high levels of organic carbon showing in his soil test results (with fertilizer representatives noting that these are some of the highest organic carbon levels they have seen in the district).

Stephen coordinated the GRDC Wheat Quality Course in 2001 and was involved within a Wether trial from 2002. In 2005, he became involved in the national Grain and Graze project through the Facey Group and has since then demonstrated a progressive approach to the Grain and Graze mixed farming system.

Stephen has always maintained a productive sheep flock; with evidence in State record sale prices obtained for commercial ewes in 2016 and 2017 in WA. Since 2002 he has purchased rams from East Mundalla Stud at Tarin Rock, selecting sires to breed his own flock of rams. He has concentrated on breeding early maturing, large framed sheep with free growing, white long-stapled wool with good fertility. Following the different genetics at East Mundalla, over the years Stephen has concentrated on the Western Purple bloodline for body size and confirmation and Jonty sons for their wool quality. He has achieved over 100% lambing for many years now, along with top wool prices and excellent sale results with surplus ewes and wether lambs.

Stephen has always strived to produce high yielding, clean cereal crops and has been successful in averaging around 4 tonne in wheat over previous years. He endeavours to always keep up with good practice and is an active member of the Synergy Consulting group, believing that there is a lot to learn from productive fellow farmers. Very evident too is that the majority of the high producing farmers in the district are also Facey Group members.

Stephen has farmed in the district for over 50 years and testament to his passion for agriculture, has been his progressive approach to maximising the potential of his farmland in a sustainable way. While 2017 may have been his last year of farming, he leaves a challenge – especially with his success this year in the sheep industry, with outstanding presentation and State Record prices and the promotion of Wickepin as a top selling centre; as well as his high yielding crops, good soil health and high yielding dense clover pastures.

Stephen has also been an actively involved community member and administrator for tennis and golf over the years.

Stephen has been a bushfire control officer for just over 35 years; and has worked tirelessly in this role and in promoting the Townsendale Brigade as an organised, proactive and family and community orientated group and in more recent years he has spent many hours mentoring younger brigade members.

Stephen is a quiet achiever and humble character and his contributions to agriculture and the community are to be admired. Whilst Stephen is the recipient of the award; a special mention must also go to Stephen's family and his wife Linley; who have undoubtedly been there as a support network and great encouragement for his community involvement and progressive farming practices.

A big thank you to President Julie Russell and fellow councillors at the Shire of Wickepin for their continued support of this award.

Stephen, we can only hope that you can continue to encourage the next generation of agriculture and pass on some of your extensive knowledge.

## Stay Active

We do a warm up, aerobic exercise and cool down and stretches.

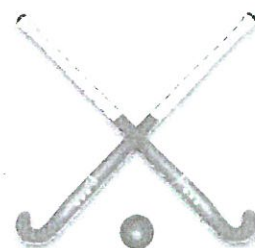

Everyone needs to keep fit to cope with growing older so come along - **YOU'RE WELCOME.**

## **WICKEPIN LADIES HOCKEY CLUB**

Welcome back everyone, hope you all had a safe and enjoyable holiday.

It's now 2018 and we have had our first AGM which was at the Wickepin Hotel on 20th January. Many thanks to Stefie Green, Jade Bushby, Megan Owen, Kiara and Stacey Richards for attending.

Everything went well, positions filled and thank you to those people very much who filled a role.

## EXPRESSIONS OF INTEREST

As it is coming to a Hockey start again, we would like to know if any children years 3 - 6 are interested in playing Junior Hockey. Year 2's are more than welcome to come and have a run.

If anyone is keen, could you please contact Jodie Mathews 0427 562 077 or Jade Bushby 0416 951 511 - not sure when nominations need to be in but soon I would imagine.

Also as the Wickepin Ladies Hockey Club loves to see the little ones learning, we are thinking instead of Hookin2Hockey, maybe running a mini course with BYO equipment. If anyone has any feedback or if any volunteers are out there to help run it please let the Wickepin Ladies Hockey Club know.

Looking forward to a new year !!!!

## WICKEPIN BOWLING CLUB NEWS

The Bowling Club has been a busy place since the beginning of January. Early January Marj White and her family held Norm's Memorial Day and this was enjoyed by all who played both bowls and tennis. Many thanks to the White Family.

Following this the Men's ILRR Fours were held at Wickepin and this was a very successful three days for the club. This was won by Great Southern League. Thankyou to all members and community members who assisted in any way.

Thursday 18<sup>th</sup> January saw many bowlers on the rinks again for the Roger Cook Veteran Pairs Day. Winners of the day were Lindsay Eva and Neil Walker from Brookton Club.

The Mens and Ladies pennant teams have started 2018 well with good results. Social bowls on 25<sup>th</sup> January was a good bowling session with pairs played for practice for upcoming Championship Pairs.

The winners for the day were Ron Timms and Helen Warrilow.

Many members travelled to Pingelly for the Australia Day fours competition and this was followed by the two day Mens Open Competition. Our team of Rex Bergin, Barry McKenna, Peter Mullan and Mark Hook were Runner-up to the Busselton team.

Wednesday 31<sup>st</sup> our club was host to the League for the Triples Championship and there were some very close games and great bowling. Brookton won the day with Pingelly runner-up.

Marj, Glenice, Judy, Kayleen and Robyn travelled to Middleton Beach on the weekend to take part in the ILRR Fours.

Our Men's Championship Pairs were played on Sunday 4<sup>th</sup> February and the winners are Mark Hook and Allan Wylie and Runners-up are Keith Doncon and Robert Bennier

On the 17<sup>th</sup> and 18<sup>th</sup> February the club is hosting the IZRR Pairs so this will be an important event on the calendar.
