June 29th.

To all staff and students enjoy
the winter break !

WICKY LEAKS

Birthday wishes to: Judy Lock, Cejay Hill, Daniel Fleay, Ruth Bailey, Jacqui Martin, Kyle Flavel, Travis Talbot, Aiden White, Jade Bushby, Phil Watson, Leah Taylor, Catlin Pauley.

A huge thank you to Kathy Bushby for being our typist for a few months while Elaine and Claire were away.

Welcome back to Watershed, Elaine. We missed you while you were away and very happy to see you here today

On Saturday 16th of June family and friends of John Bushby and Peta Robinson helped celebrate their engagement at the Wickepin Community centre. Everyone had a great evening.

Congratulations and best wishes to Scott and Caitlyn Dicks of Yealering on the recent birth of their son Alexander David at Narrogin Regional Hospital. A little brother for Keira.

Craig, Clara and Thomas are sending happy 30th birthday wishes to Sarah Woods for 1st July.

Telstra is erecting a very large new tower in Tincurrin that will boost mobile phone coverage out that way.

School holidays commence next week Friday the 29th June, being the last day of school for Term 2.

Thursday is last school assembly of the term.

We wish Peter Bransby all the best as he recovers from a work accident.

Do you have any tea towels that you will never use?

The Town Hall would appreciate some for the occasions when the hall is used.

Do you have any equipment including tea towels that you have taken home to wash and not yet returned to the Community Centre or Town Hall? Please make an effort to return them.

People donate items only to find them disappear.

If you have any baking dishes, trays or saucepans that you no longer require they would be appreciated for the community centre and hall kitchens.

Congratulations to Lee Parker for her coordinating of the weekend just gone. It is fabulous to see so many people come to our town for a really fun filled time.

The people who come are so energetic. They start dancing on Friday night and go through to after lunch on Sunday. There are line dancers and square dancers joining the old time and new vogue dances with plenty of tuition available throughout the weekend.

Put FRIDAY JUNE 21 2019 on your calendar to come and join with the visitors and former residents.

Birthday greetings to Len Lewis who had a birthday on Saturday. He spent some of the day driving around his old home district with younger brother Murray and his wife Pamela, who were visiting for the weekend.

Deepest sympathy to the family of Rodger Watson who died following illness on Sunday June 17 in hospital. Rodger with siblings Gordon, Noreen and Penny went to school in Wickepin. He was a cousin to Phil and Jean. His funeral will be on Wednesday 27th at Bussleton.

The Wickepin seniors have been looking forward to lunch at Kulin on Tuesday 26th. The Kulin ladies visit us every month and this month we are visiting them.

Shedanigans - Acknowledgements edition

The She Shed He Shed has had a successful and progressive first half of the year. Thanks again to Tom Sands and John Meddings for being our all knowing and all helping workshop people which we held in March, attracting participants from Narrogin, Darlington and locally.

The Shedders then directed their attention to creating for the Market day for the Makers trail last month. This was a very successful event for us again raising around \$1500.00. Thanks to those who supported us over the weekend and the organisers.

The long awaited addition to the shed was finally installed during May. We now have a door. The ingenious and skilled team of Rex Bergin, Bob Porter and Dave Astbury had our long awaited door installed in what appeared to be mere moments which means after 2 years of wistful hoping and planning we have a lockable shed. We can now leave tools and equipment in place ready for the following week, without extensive packing up. Thanks must go to the Hemley family for their kind donations of the frame and rollers and to the shire for support yet again. Special mention to Peter Bransby, James Matthews and Chris Lozenicins for their assistance.

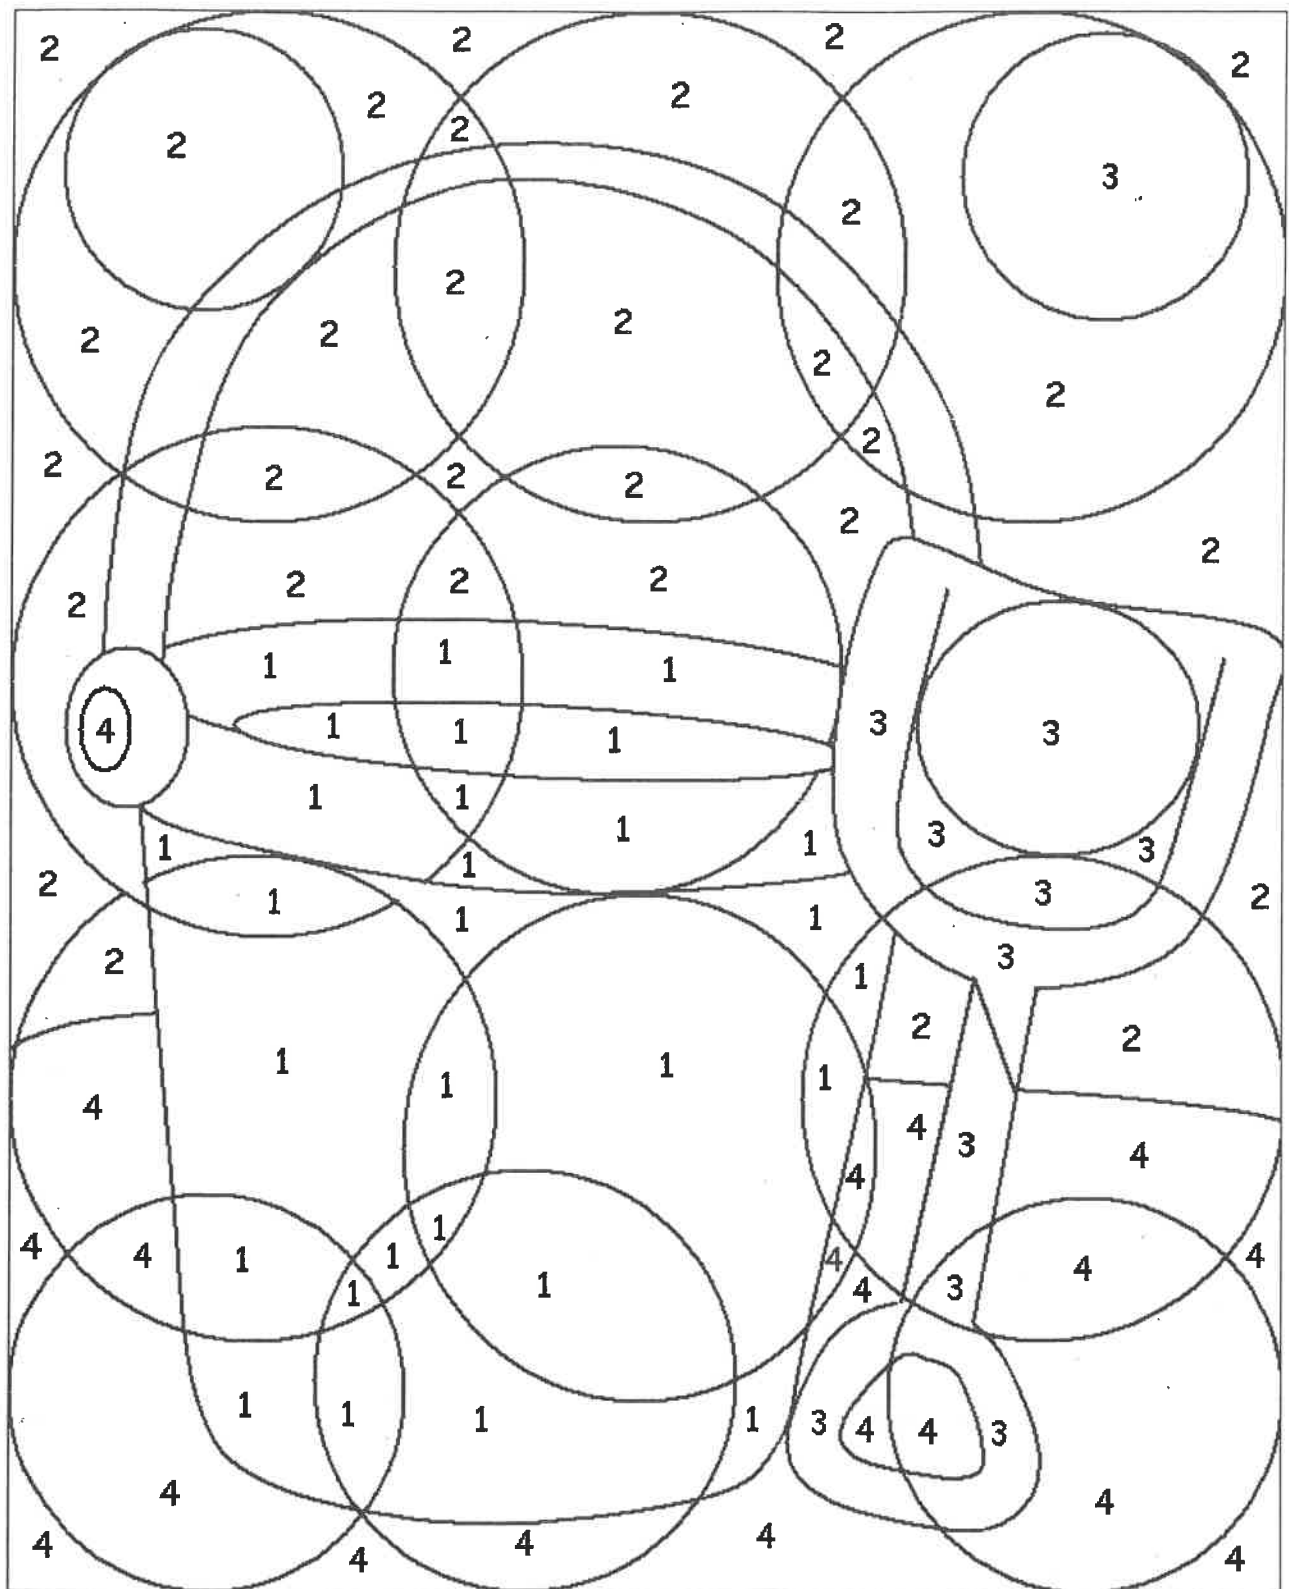

Thanks also to Phil and Hazel for their kind donation of a BBQ, which was christened shed style to celebrate the shed door protecting us from the shocking wind last Tuesday.

The next big date for the Shed is the Projects weekend which is open to anyone who has a new idea and needs help to get started or needs help with the next stage. More details will be sent out by the CRC but it will be in July.

Best wishes to Carol McDougall and Laurie Steele who have had injuries in the name of creativity in the last few weeks.

This is the Shedanigans Thank you edition, proving again we would be lost without our members, supporters and Shire.

But before numbers are exchanged, Alice is whisked off by her demanding boss. 20 minutes later: Alone in her office toilets, Alice looks at herself in the mirror and desperately searches for the beauty Ben could see in her. Meanwhile, having misunderstood a parting remark, Ben is already planning a trip to Glasgow where he believes Alice lives, not realising that they actually live barely ten miles apart. Beef casserole with parmesan dumpling

Ingredients

- 1kg gravy beef, cut into 2cm chunks
- 1 tablespoon olive oil
- 1 onion, chopped
- 6 bacon rashers, chopped
- 500g button mushrooms, halved
- 4 whole garlic cloves, peeled
- 2 tablespoons plain flour
- 2 cups (500ml) Massel beef stock
- 1 cup (250ml) red wine
- 2 fresh thyme sprigs
- 3 bay leaves
- 50g butter
- 2 cups (300g) self-raising flour

Method

Brown 1kg gravy beef, cut into 2cm chunks, in 1 tablespoon olive oil over medium heat. Transfer to plate. Add 1 onion, chopped, 6 bacon rashers, chopped, 500g button mushrooms, halved, and 4 whole garlic cloves, peeled and cook until soft. Stir in 2 tablespoons plain flour.

Add 2 cups (500ml) beef stock, 1 cup (250ml) red wine, 2 fresh thyme sprigs and 3 bay leaves. Bring to the boil. Reduce heat to low, add beef and simmer covered for 1 1/2 hours. Spoon into a 2 litre (8 cup) ovenproof dish.

Preheat oven to 200°C. Rub 50g butter into 2 cups (300g) self-raising flour. Stir in 1/2 cup (45g) parmesan and 3/4 cup (185ml) milk. Bring together. Roll into 20 balls. Place on beef. Bake for 20 minutes.

\$270kg

Orange Marmalade

Ingredients

- 1.2 kg oranges, scrubbed, halved lengthways, thinly sliced crossways
- 8 cups water
- 8 cups white sugar, approximately

Place orange and water in a large glass or ceramic bowl. Cover with plastic wrap and leave to stand overnight. Transfer to a large saucepan. Bring to the boil over medium heat. Reduce heat and simmer for 1 hr or until reduced by about one-third.

Cool slightly, then measure the mixture and add 1 cup of sugar per cup of fruit mixture. Stir over low heat until the sugar dissolves. Increase heat to medium-high and bring to the boil. Cook, skimming any dense froth from the surface with a large metal spoon, for 45 mins or until setting point is reached (see tips).

Spoon into warm sterilised jars(see tips). Seal and label.

To sterilise, wash and drain jars and lids. Heat on a tray in oven at 100°C or 80°C fan until dry. To test, chill a saucer in freezer. Remove marmalade from heat. Place a tsp of mixture on saucer, then return to freezer for 1-2 mins to cool. If it doesn't crinkle when pushed with your finger, cook for another 5 mins, then repeat. Store jars in a cool, dark place for a month, then store unopened for up to 12 months.

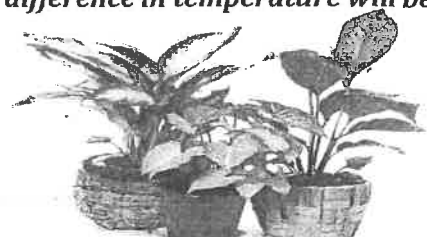

Once opened, store in fridge for up to 6 weeks. Other citrus fruit can be substituted or mixed with oranges.

Gardening jobs

Give autumn flowering natives a tip prune and fertilise after. They will love the rainfall and will put on new growth!

Transplant deciduous shrubs, perennials or trees while dormant. Prune off roots with secateurs to make clean cut before replanting

Don't be tempted to put indoor plants outside to get the rainfall, the difference in temperature will be too much for them.

The Survey

Peg Vickers

He was doing some kind of a survey
Of women who live on the land –
He carried a leather-look briefcase
And a biro was held in his hand.

He came up the drive to the homestead
Where the farmer's wife answered the door
And wanted to know who he was
Because she hadn't seen him before.

Said he, "I'm conducting a survey
And talking to ladies like you,
In order to then ascertain
The value of work that you do."

She told him, "I started at five
Though I'm usually never that late,
I milked seven cows before breakfast
Then fixed up the cow yard gate."

"After I finished the housework
I went out to help with the sheep,
Then I made up some apricot jam
While the baby was having a sleep"

"After that I went digging the garden
Pulled the weeds out of the drain
Then when I had chopped enough wood
I milked all the cows once again."

Well he wrote something down with his biro
Then said with the trace of a smirk,
"Tell us then since you've been married
Have you done what we call *real* work?"

It would be a complete understatement
To say that the lady was vexed,
Though it never was truly recorded
Exactly just what happened next.

They found him alongside the driveway
An absolute gibbering wreck,
His biro was shoved up his nostril
And his briefcase was wrapped round his neck.

Then ever so faintly he muttered
As he fingered the side of his head.
"I can't understand why she did it,
Do you think it was something I said?"
