## History snippet

### Excerpt from The Talking Timeline

#### Peter Bird, 1960's

One day there was a very memorable incident on the cricket pitch south of the school. Roger Cumbers (whose family owned Cumbers' store, stocking groceries and hardware and was located where Williamson's shed is now) hit the cricket ball very hard about 100 meters straight along the ground. The ball hit the drain and flew straight up and smashed through the headmaster's office window. Well it scared the living daylights out of him. All the boys thought it was a cracker of a shot but the headmaster wouldn't believe it was not deliberate. Ten of us tried to defend Roger but he got the cane anyway.

To this day it remains one of the great injustices of this life.

One lunch time some of the boys, including me, tipped the monkey bars over and made our very own space capsule in which we decided to travel to the moon. We were happily playing in outer space when along came Mr Flynn the headmaster.

I remember thinking he'd be really pleased we were using our imaginations. Well Mr Flynn was not happy at all and did not appreciate our creativity.

We were suddenly all brought down to earth with a sharp crack of the cane.

## **Bike Proficiency at Wickepin Primary School**

On Friday, Wickepin Police attended the Primary School to teach the children about road safety whilst riding a bike. We had a small classroom input, followed by a quiz, before heading outside with the children and their bikes for a practical lesson. I'm happy to say that the weather just about held up and all the children passed the course with flying colours. As a reward, all Year 3 children who participated will soon be presented with certificates to say they have reached 'Level 1 Cycle Proficiency' and a small goody bag containing, amongst other things, a helmet. Finally we would just like to say a massive thank you to all the parents and carers for arranging for all the children to have bikes available that day and to Wickepin Primary School for their time and resources, without your involvement it wouldn't have been possible.

## **Truck Stops**

Some of you may have noticed us in and around town with Main Roads Traffic Inspectors and a Livestock Compliance Inspector last week. As a town that has a lot of trucks passing through, from time to time we like to check that everything is in order and source the help of experts in order to do that. For the most part, the trucks we stopped were all in good order and those that weren't were either cautioned or if necessary issued work orders and/or tickets.

If there's anything as an individual or a town that you would like to see us doing please get in contact and we will see what we can do.

### ADULT FICTION

**A Country Escape - Katie Fforde** ~ Fran has always wanted to be a farmer. And now it looks as if her childhood dream is about to come true. She has just moved in to a beautiful but very run-down farm in the Cotswolds, currently owned by an old aunt who has told Fran that if she manages to turn the place around in a year, the farm will be hers. But Fran knows nothing about farming. She might even be afraid of cows. She's going to need a lot of help from her best friend Issi, and also from her wealthy and very eligible neighbour - who might just have his own reasons for being so supportive. Is it the farm he is interested in? Or Fran herself?

### ADULT FICTION - AUDIO

**Wired - Julie Garwood** ~ Allison Trent is a computer genius recruited to work for the FBI. She is finding it difficult to keep her guard up around FBI agent Liam Scott. After a year in the bureau, someone has stolen the program Allison set up. Will they find who did it and still keep their hearts?

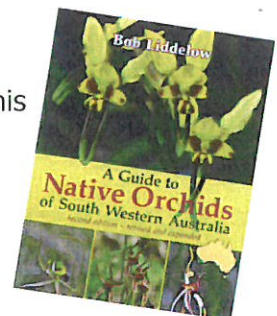

### ADULT FICTION - DVD

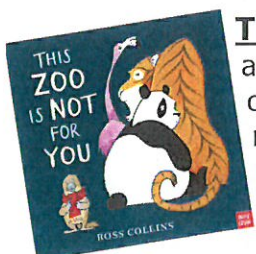

**Tommy's Honour** ~ Tommy's Honour is based on the powerfully moving true story of the challenging relationship between "Old" Tom and "Young" Tommy Morris, the dynamic father-son team who ushered in the modern game of golf. As their fame grew, Tom and Tommy, Scotland's Golf Royalty, were touched by drama and personal tragedy. At first matching his father's success, Tommy's talent and fame grew to outshine his father's accomplishments and respect as founder of the Open Championship in 1860 with a series of his own triumphs. But in contrast to Tommy's public persona, his personal turmoil ultimately led him to rebel against both the aristocracy who gave him opportunity and the parents who shunned his passionate relationship with his wife.

### ADULT NON-FICTION

**A Guide to Native Orchids of South Western Australia - Bob Liddelow** ~ This is an Orchids Guide with a difference. Instead of covering all species with total distribution areas, this book treats a very representative collection of orchids in great detail. The specific sites for each orchid are illustrated with 'mud maps'. The book also cross-references some 239 orchids with about 200 sites in the greater south-west of Western Australia. Every orchid is illustrated fully in colour. There are also comprehensive Indexes, a Glossary, Author's Notes and more.

### CHILDREN'S FICTION

**This Zoo Is Not For You - Ross Collins** ~ When a small platypus applies for a vacancy at the zoo, he is taken on a rigorous interview process. But he's far too bland for the chameleons, not nearly graceful enough for the flamingos, and his tricks, quite frankly, will never impress the monkeys. So, disappointed, he leaves. But soon the animals regret being so unkind and join together to welcome him to the zoo. Leading to a very fun party on his Platypus!

### BRAIN-FAG ©

A crossword teaches many things;  
New facts not learned at college.  
It introduces strangest clues  
Not part of general knowledge.  
What does it mean to sibilate?  
And what on earth is teasel?  
And how is one supposed to know  
A synonym for weasel?  
Where does one find a furbelow?  
And what is obfuscation?  
It takes a while to make a search  
To find the information.  
There's numismatic, enigmatic,  
Flitch and epsilon,  
A muse or two, a rendezvous  
And where's Mount Helicon?  
And have you heard another word  
To use in place of griddle?  
These crosswords really drive one mad  
With all their tarradiddle,  
But when you think you'll give them up  
To have no more disquiet,  
Another "crossy" blank appears  
And you just have to try it.  
You chew your pencil, rack your brain.  
Just what's a geomancer?  
You write a word, then rub it out  
To try another answer.  
So face the fact that you are hooked  
In small or greater measure,  
But ask yourself just why it is  
That brain-fag gives you pleasure.

### Jobs to do in the garden

Time to plant bare rooted fruit trees.  
Also plant cabbage, cauliflower, spinach, silverbeet, turnip, carrots, leeks, potatoes, onions, cineraria, & everlastings.  
Pick citrus fruit as it ripens & pick up the fruit that has fallen on the ground.  
*Quite a bit after the strong winds!*

### Handy Tip

#### Eliminate fireplace odours

To get rid of the unpleasant smoke smell throw a few pieces of lemon peel into the fire. Do this each time you light the fire because lemon peel is a good preventative measure against excessive smoke. Add to your firewood when you set the fire.

## **Round 4 - 18<sup>th</sup> – 20<sup>th</sup> May      Seniors:**

### **Wickepin Warriors A1: 18<sup>th</sup> May**

A complete team effort with strong defence pressure all down the court finishing off with excellent shooting from the shooters. Final score saw us come away with a strong win 54 defeating Olympics 39. Umpires votes went to Helen Wyatt (3) and Deb Patmore (1). Unfortunately Emily went down with injury early in the game and we wish her a speedy recovery.

A big thank you to mumma Hyde (Heather) for stepping in as coach.

### **Wickepin Warriors A1: 20<sup>th</sup> May**

A tough battle we faced....unfortunately we got ourselves stuck within the mid court which didn't help us. We had a strong goal line and defensive line up. Within reach for a majority of the game, the end result really didn't show the true colours. Unfortunately we went down 50 to 34 against Wagin; umpires votes went to Helen Wyatt (1). Coach – Sarah Hyde

### **Wickepin Red A2: 18<sup>th</sup> May**

Our first Friday night game for the season we came up against the team on top of the ladder, Olympics Turquoise. We welcomed Jo Lewis into the team and what a welcome addition she was combining extremely well with Jenna in goals. Reports from Coach Rach – the girls had nerves going into the 1<sup>st</sup> quarter but quickly stepped up to the challenge and finished with a ripping 4<sup>th</sup> quarter. A very clean and great game to watch! Well done girls on a great game and thanks to Rach Hill and her assistant Claire Dawes for taking on the coaching job for the night! Final score was Olympics 33 to Wickepin 26.

Umpire votes to Hilary Wittwer (3) and Felicity Taylor (1) Coach - Emily Davey

### **Wickepin Red A2: 20<sup>th</sup> May**

With the home crowd behind us and the 2<sup>nd</sup> time taking on Wagin, the girls came out charging and were in front by 4 goals at the half time break. Unfortunately we couldn't hold onto the lead and went down by 11 goals. A huge difference to our 35 goal loss in round 1 and this just shows how much the team has improved in a few weeks – keep pushing and next time we will get them, we are heading in the right direction. Final score Wagin 42 to Wickepin 31. Umpire vote to Lewanna Lally (1)

Coach – Emily Davey

### **Wickepin White A3:**

Wickepin White played Pingelly 3 – This was a great game by our girls, they are improving each week and playing well together, we were in the lead for the whole game and each quarter increasing our lead with great team work, winning margin was 6 goals up. Final score Wickepin 32 def Pingelly 26. Umpires votes Chelsea Rushton (2) and Allysha Spurling (1).

Coach – Marion Hook

## **Juniors:**

### **Wickepin Woodpeckers:**

What a game, we started our first quarter strong in our goals with Harmony scoring 4 straight up against Waves Fever. A very hard fought game played by Olivia and Bailey down in defence, staying close to their players and quick hands worked a treat. I'm very proud of my girls on how they kept their arms down with lots of pivoting and hardly any stepping.

My star of the week goes to Sarah, she ran so hard in her first half as centre and always lead into space and made sure she spread out by clearing out and reoffering at every pass. This week will be focusing on leading into space and cutting in front.

Coach – Michelle Miller

### **Wickepin Wagtails:**

Wagtails had their work cut out for them, coming up against a very hard Waves team. The defence saw much of the ball with an excellent effort by Kirstie, Ainslie and Kate, proving to be great defenders! We have 1 more round to complete before we start our round robin competition. Coach – Andrea Cooke-Bennier

### **Wickepin Wallabies:**

Wallabies 17 def Waves 3, 11. A fantastic fast competitive game. Again we got out to a great lead and were then held scoreless in the third quarter, but a super effort in the last saw us hang on and win by 6. Well done team – a well deserved win. Well done Abbey for her consistent effort, Jorja being versatile in goals and centre, and Sam running into space all over the court. Cheerio to Taylor who is recovering from injury. Coach – Jo Doncon

## **Round 5- 26/5/18      Seniors:**

### **Wickepin Warriors A1: BYE Warriors Red A2:**

After some really strong games we had high hopes going up against Waves. We made some poor choices but so did our opponents, going goal for goal in the 1<sup>st</sup> quarter. In the 2<sup>nd</sup> quarter Waves got their eye in and we didn't take advantage when we were in possession. We had moments that worked well, Flik played a strong game in WA and Susie taking some great grabs in GS. A game I know we can win if we put 4 quarters together! Final score Waves 36 to Wickepin 28. Umpire votes to Hilary Wittwer (2) Enjoy your weekend off and bring on the second round! Coach - Emily Davey

### **Warriors White A3:**

### **Warriors White A3:**

Wickepin White played Flames 2 - Everyone played extremely well, you could see them combining well as a team, there was a huge step-up in the game by all players. As the game went on the game got very physical, the girls played really well putting in a great effort and applying pressure all the way down the court. With a great contest all game we only went down by 6 goals, final score was Flames 35 def Wickepin 29. Umpires vote Alyce Donaldson (1) Coach – Marion Hook

### **Juniors:**

#### **Wickepin Woodpeckers:**

Our first game outside & boy was it brrrrrrrrrrrrs. Girls you handle the winter conditions so much better than I thought & took into account that you had to stay on your feet this game instead of scrambling for ball (with the exception of my little bull terrier Bailee who couldn't help but fight for ball & skinned her elbows) Girls, I'm completely gob smacked, what an amazing defensive effort this week keeping Wagin to only 9 girls. Your shadowing, 4ft hands up & quick intercepts left me with a lump in my throat that's how proud I was. So you actually are listening at training ☺ Special mentions this week to Claudia & Kiesha. Kiesha your reading of the play & clever last second intercepts shows how much you've developed in your defensive skills. Claudia your ability to find space & grab that loose ball is spot on, especially your pressure as WD around the circle. My star of the week is Sophie, Soph I think you've found your calling, your shadowing of your GA was exceptional, one eye on the ball one eye on your player worked so well today & resulted in heaps of intercepts. Bye next week girls, rest up & I'll see you at training in a couple of weeks. Coach – Michelle Miller

#### **Wickepin Wagtails:**

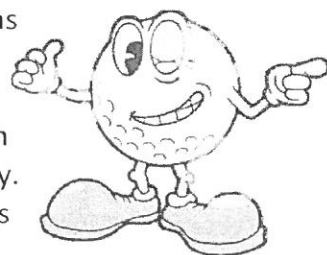

With some smooth passing down the court by our attackers Kirstie, Ainslie, Hannah and Justin, the Wagtails scored themselves another victory 9-2 against Pingelly. Zoe, Aleisha, Kate and Emily H were strong in defence, keeping the ball well away from the Pingelly shooters. Emily B played a solid game in Centre in the second half. A week off now for us followed by a series of round robins. Enjoy your week off - the coaches will! Coach – Andrea Cooke-Bennier

#### **Wickepin Wallabies:**

Cuballing 5, 37 def Wallabies 24. Although we lost this game, I am super proud of the Wallabies who really stepped up against this strong, tall team. Again there were many opposition players that were taller than our tallest player (and also twice the size of some of our smallest players!!), so our jumping and intercepting skills were tested (and executed well!!). Tyler was outstanding in goals and again Jorja was versatile in goals and centre. Lexi played a great game and everyone put in a great effort at the end – winning the last quarter!! Thanks to Anj for umpiring. Also thanks to the extra spectators for coming to watch – we really appreciate it. Enjoy your week off. Coach – Jo Doncon

## 19th May 2018 @ 4.05PM WICKEPIN VS WILLIAMS on turf

Sorry for my tardiness for this report, I have lost my usb stick so the full report will be put in next watershed. What a spectacular game! In defence, Jamie our goalie, Megan and Jody full backs and Shirley and Caitlyn as half backs. In forward line we had Renae, Stefie G, Kiara, Stace H and Stacey R inners and wings Steph K, Amelia, Jade and Aleiah. Don't know what happened at training but it was working. Everyone was attacking the ball like there was no tomorrow, everyone positive and having a FAT time. There was laughter and it just seemed stress free. Wickepin having possession ALOT, Jade and Aleiah great placing down there on wing sides many times, just not enough to score. Kiara some great defending and runs on tackles.

Renae, Stace H and Stefie (I'm speechless) exceptional work through midfield, trainings are paying off and team work by everyone defence and attack was beautiful passing to each other and the team attitude by everyone was remarkable. Stace H plays and scores our 1st goal. We score many shorts in which Stefie G scored 3 goals and 2 by Renae. Something must have rocked Stefie G's boat before the game, she was on fire, nothing was going to stop her wherever wicky players weren't she was. Stefie G impeccable playing, goal after goal Williams has the ball and they score 1 goal off short and the other with a long corner. Half time score 6-2

Jody, Megan, Caitlyn and Shirley you were all amazeballs clearing out the ball plenty of times. I think Jamie was a little bored down there in goals. Wickepin score a short again, Stunning Stefie G hooks the ball with a back swing and score. Now this was little cheeky but amazing. Williams in possession and gets another goal. Shirley comes up from half back and plays in forward line for the last 10 minutes of the game. Wicky has play and Shirley takes it in and smashes the ball to hit the back of goals. Great work now this is a great way to finish playing. Everyone in happy places! A big tally of 11 goals scored Stefie G-5, Renae-3, Shirley 2 and Stace H 1. **Final score 11-3** **Umpire votes went to Renae, Stefie G and Megan.** **The green machine we are calling Stefie G now took out spectator votes sponsored by T.C. Williamson & Co**  
**Super 66 week 2 winners were no. 36 Ken Whiteman and no. 22 Kayla Dixon**

## SATURDAY 26TH MAY 2018 BROOKTON VS WICKEPIN @ BROOKTON 2PM

It always seems to be a long way to Brookton, players becoming very restless before we even start. Many people are happy as they have had some rain, which will help the farming processes. It was quite a warm afternoon like normal and more rain possibly to come, this happens every year.

Brookton looking bigger in numbers we knew it was going to be a rather tough game. Thank you to Jessica Hughes for filling in for us today. Jamie Warner our goalie is raring to go (having received an injury at training involving ball and her knee). Sorry, I hope it doesn't get hurt today Stretch says. Jodie Mathews, Megan Owen fullbacks, Caitlyn and Renae half backs. In the centre half we have Stefie Green and Kiara Richards steps up into centre forward while waiting for Stacey H to arrive. Inners Amelia Burrows, Stacey H, Stretch (Stacey R) and wings Jade Bushby, Steph K and Aleiah.

Jessica Hughes played a mix of inner and half back. There was a lot of tension on the field, not sure why, but some of us get quite intimidated by Brookton players. They are a strong team and challenge us immensely. I (Stretch) say that we confronted this game with high determination and no one seemed to be intimidated.

## WICKEPIN HOCKEY CLUB NEWS cont

It was like a game of table hockey up and back both teams with tight defence not letting players through to goal areas. Brookton has the ball, some of us a bit weary, but not giving in, they get to their attacking D great save by, Megan and Jody clears it out, Stefie G, Stacey H and

Kiki did some beautiful passing, Renae's hitting to Keeble who takes it into D, but Bookton gets out wait a second stick, ball, stick, ball. Nuh!!! Brookton in possession again and turned over by Kiki (a road runner with a stick), passes to Stefie to Renae, who dodges a couple of Brookton players into the D and bang score 1-0. WOW!! This seems like a long first half.

Steph K, Aleigh B, Jade B and Amelia had some great plays + tackles, Stacey H, Stefie G + Kiki great work through midfield, great passing, tackling and runs. Great work Jamie, kicking the ball out on a few occasions, even when the pressure was on for a couple of shorts that Brookton received to the end of second half. Jody, Megan, Caitlyn + Jess some super moves and hard tackles. Second half Brookton has possession through centre towards their attacking line and a big hit into Renae's ankle. Penalty shot outside the D gets taken, Renae deflects it and takes one to the head. OUCH!! Renae took a minute on her knees. Pink power ranger is back, she shook it off and there was no stopping her. Renae, Megan, Stefie and Kiki up through midfield, Renae hits ball from outside of the D and hits the back of goal. Wicky excited, unfortunately umpires say no goal.

**Final score 1-0.** Thanks Brookton for the afternoon tea.

Umpire votes went to Stephie Keeble, Stacey H and Renae. The spectator votes kindly sponsored by Kirstin Rigby and Mark Quartermaine went to Kiara Richards, for a stupendous game.

Super 66 week three winners: No 88 Peter Bransby, No 49 Jean Sloan.

Training this Thursday at 6pm, please let Megan know if you cannot make it.

No game this weekend, have a safe long weekend and good luck to all who are attending the Bunbury carnival. Kindly sponsored by Progressing Shearing.

## SENIOR ADVICE

I was working out at the gym when I spotted a sweet young thing walking in.....

I asked the trainer standing next to me, "which machine should I use to impress that lady over there?"

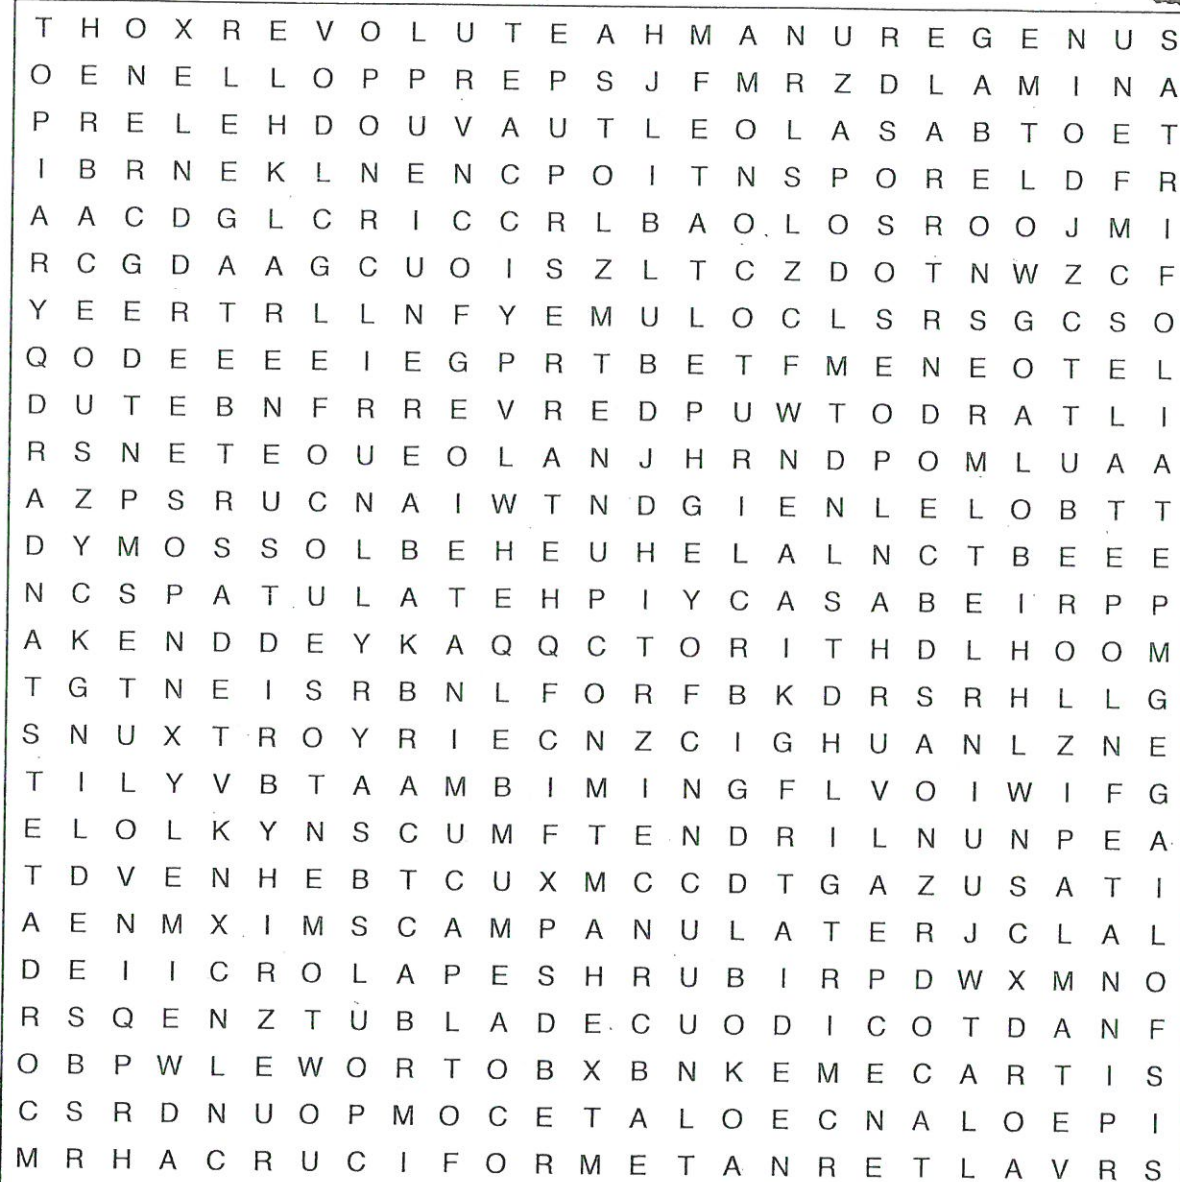

The trainer looked me over and said: "I would recommend that ATM in the lobby."

## Peter Rundle MLA

Member for Roe

16 May 2018

### **CRCs ARE THE ANSWER: RUNDLE**

Member for Roe Peter Rundle says the Regional Development Minister's plan to pit Community Resources Centres against each other to fight for funding will ultimately fail regional communities.

Mr Rundle's comment comes as last week's State Budget confirmed the Community Resource Network will have 40 per cent of its funding slashed from 1 July 2018.

Labor's proposed two-tier funding model, announced last month, will see some CRCs lose more than half their operational funding, with the Minister preying on those that have said they will no longer be sustainable under new arrangements.

"The Minister is on the record saying CRCs that want to increase funding under the proposed new arrangements could do so at the expense of another centre's allocation," Mr Rundle said.

"She is attempting to divide and conquer individual centres by saying there is room for negotiation but additional funding will only come at the expense of another."

The Department of Primary Industries and Regional Development will finalise a review of the Network mid-year; a review which did not commence until after funding cuts were outlined. CRCs have until 20 May 2018 to respond to Labor's proposed two-tier funding model.

In Parliament today Mr Rundle referred to the recent discovery that the Wandering CRC had been incorrectly categorised, a mistake that would have seen them given less funding, and asked what the Government would do to ensure there were not more mistakes like this.

"In his response the Premier demonstrated his lack of knowledge on this issue, and continued to demonstrate his disregard for the vital role CRCs play in their communities," Mr Rundle said.

Mr Rundle urged the Minister and her Department to closely consider feedback from centre managers, saying harsh funding cuts to 105 CRCs across WA had left a bitter taste in the mouth of many regional communities.

The Nationals WA Leader Mia Davies said the McGowan Government undervalued the role CRCs play in maintaining healthy, connected communities and providing a shopfront for vital State and Federal government services.

"Across WA they provide services for youth, the elderly, people living with disability, professional development, traineeships, employ hundreds of people and are supported by more than 1000 volunteers," she said.
