A NEW LOOK FOR OUR SCHOOLS

Wickepin and Yealering Primary Schools have both transformed their front entrances. If you are passing by, take the time to stop and have a look as they are both fantastic.

Jerome Davenport has painted a mural in his very artistic way using spray cans, on the front wall of Wickepin Primary. The artwork created, features a collaboration of the children's art work they designed, as well as incorporating the fauna and flora of the district. This masterpiece took less than a week to complete. Jerome is a former student of Wickepin Primary School so it was lovely for the students of the school today to see a well known, successful artist at work. Jerome is currently residing in London. To fund the mural costs, the Wickepin P&C submitted a community grant proposal and the Shire of Wickepin approved the grant and funded the project.

At Yealering a garden committee was formed to update the school yard to make the garden more water-wise, colourful and to add interactive play spaces. This group includes Tina Simpson, Karen Jespersen, Tracey Hodgson, Scott Tapper, Marion Hook, Stacey Richards and Andrea Goldman. They have worked tirelessly on weekends and at other times, to beautify the front entrance with lots of planning, shovelling, digging and planting.

To add funds to this project the committee organised a Safari Night which was enjoyed by all who attended and was a great success socially and financially thanks to the generosity of donations to the silent auction and the beautiful catering done by Anita De Bruin who was assisted on the night by Stacey Richards, Bronwyn Pockran and the year six leaders; Timothy Bennier, Cobus De Bruin, Jorja Hill, Adam Jespersen, and Ty Littlejohn. The garden is still a work in progress but it is coming together beautifully.

Well done to the committee for all the hard work and extra hours that you have put into this project.

COUNCIL NOTES »»»» 18 September 2018

Changes to the Scheme

- Changes have been made to continue allowing 'First and last' mile access on roads between the paddock and the nearest road approved for RAV Network access. The changes ensure there are no adverse effects on road safety and Main Roads legal obligations are met.

Register for HMMS

- If you wish to participate in HMMS, continue to register your vehicles with a participating Grain Receiver.
- If RAV access is required on roads between the paddock and the nearest road approved for RAV Network access under HMMS, you must apply to Main Roads by submitting a HMMS Road List form to advise us of the RAV combination & roads being used.
- Your HMMS Road List must be endorsed by Main Roads before starting HMMS operations on these roads. Apply now to avoid delays.

Processing Your Application

- Main Roads will check the nominated roads between the paddock and the nearest road approved for RAV Network access to ensure they are safe for the proposed RAV combination.
- If deemed safe, your HMMS Road List will be endorsed and any additional access conditions specified (if necessary).

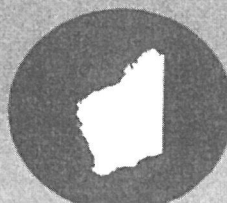

Harvest Mass Management Scheme

What you need to know for 2018-2019 Harvest Period

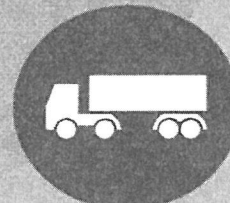

Access Conditions

- The Main Roads endorsed HMMS Road List must be carried in the RAV.
- The most direct route must be used between the paddock and the nearest road approved for RAV Network access.
- The RAV combination being used must not be a higher RAV category than the nearest RAV Network.
- When travelling on the roads between the paddock and the nearest road approved for RAV Network access, the maximum speed is 40 km/h and you must display an amber flashing warning light.

Future Planning

- Main Roads will use the HMMS Road Lists to prioritise onsite route assessments, with the aim of adding the roads to the relevant RAV Network.
- This will eliminate the need to continue providing the HMMS Road List in future.

Other Access Options

- Use a Category 1 RAV vehicle combination that is 20 m or less in length and 60 t or less in gross mass.
- Use a RAV that is greater than a Category 1 RAV vehicle combination on approved RAV Network roads.
- Apply to have my road (s) added to the RAV Network through the standard process.

SEMI FINALS ON TURF AT NARROGIN AT 4-05 PM
PINGELLY VS WICKEPIN.
2ND SEPTEMBER 2018.

Jaimee in goals. Holly & Megan full backs. Caitlyn & Kirstin half backs. Kiara & Stefie centres. Stretch & Halstead inners with Aleiah, Amelia & Keeble wings. Thank you to Jessica Hughes for being here again & even bigger thanks to injured players Renae & Jody who came on field & played when needed. Hope you haven't pushed yourselves too far.

Pingelly coming out like blazing guns (other things could have been said).

Pingelly taking the ball and they want it all! Rough play been seen by many, they have a strong "everything". Pingelly score 2 or 3 starts in the first 15 minutes. The first 2 saved by goalie Jaimee, beautiful save, well done to Holly & Megan & Hallstead for cleaning it out a few times.

Wickepin had it defensive but running ragged quickly, not enough attack and going to the ball!!

Pingelly had most of possession the first half, then unfortunately down their attacking D, they score another short, this time they score. Pingelly 1-0 Wickepin.

Wickepin giving it their all. Megan & Holly save awesome tackles, well done to Aleiah & Halstead for some good play, unfortunately Pingelly in the way. They're making a great blocking wall.

Renae plays wing & full back on few occasions, some great tackling & hits love. Excellent Stefie & Kiki, playing & passing into the midfield together. Amelia & Steph Keeble some beautiful runs, unfortunately Pingelly blocking us from scoring on many occasions. On 16's we were lacking open spaces for anyone to hit to, although there were some beautiful hits from Megan & Holly. A couple more shorts handed to Pingelly, saved by Jaimee both times & Holly Eales took one to the head, First aid kit raced from the side lines. Many Wickepin players helping out. Well done for the team support. Jaimee feeling terrible, everyone, including umpires reassure her it wasn't her fault. Thanks to Dr Comparti who attended to Holly & fixed her at the hospital. Okay everyone worried to hear the outcome.

We play again. A short is played twice, Wicky just couldn't score.

Raymond doing a great job.

We get a run down, we need to get past Pingellys wall. Many aren't going to the ball. Wickepin not gelling like last weeks game against Pingelly.

First half was a shimozzle.

Go back out for 2nd half & both teams playing hard now up & back. On Wickys defensive hits out beautiful. Jody & Megan & Renae straight up field. Kiara & Stefie & Keeble getting the passes a few times & bringing into our D just not enough to finish off. Pingellys defense not laying low, Wicky players getting doubled up on, getting belted with balls in feet, shins & hands, even getting tripped over on various occasions, this is making a few of our players a little wild. Pingelly score more shorts & some great play Wicky players trying to keep up back to their attacking and they have a few more pushes around & score again.

WICKEPIN VS PINGELLY

WOW it's HOT, everyone feeling it, most of us sweating as we line up. Pingelly winning toss & start with the ball.

A lot of up and back but everyone playing stupendously and all gelling as a team, this was a blimmin great game. Pingelly playing hard, but Wickepin playing even harder, our defence consisting of Jaimee our goalie, Jody, Holly, Megan, Kirsten and Jessica Hughes, wow just beautiful! Couldn't fault anyone today. Pingelly score a goal off a short just before the whistle goes for the end of first half. Unlucky Wickepin. Half time score Pingelly 1 – Wickepin 0.

Wickepin coming out harder tackling every moment they could, controlling the ball, and communication especially by Jaimee and others was golden.

Jody takes a run controlling the ball, hitting off to Stefie and Kiara, great work, then into the D by Stretch who takes a shot near miss, then deflected again, Stefie has a chance also near miss. Pingelly deflect it again, a little chook scrap in there and Jade from the right pushes it in. There is lots of determination from all players today.

Jade Bushby trying to save opposition from hitting her head against goals & putting arm out, didn't quite go as easy as she had planned, something happened & she took a roll over onto opposition too. People say Wickepin don't look out for others! Keeble pushed in from opposite side into goals in which came from Stretch outside of D on left field.

Wickepin 2 – 1 Pingelly.

Umpire votes went to Stacey R, Megan & Jaimee.

Well deserved spectator votes went to Kiara sponsored by T.C Williamson & Co and also an extra spectator vote today went to Jaimee sponsored by Jeans Wickepin Newsagency.

Coaches Award from Megan Owen was awarded to **Stacey Richards**, for doing as she was told and always offering to help. Last but not least, the **Players Choice Trophy**. This is an award, in which at the end of each game, players individually vote on 2 people who have played great, improved, been consistent, done something outstanding etc...

Renae Bransby as captain presents this trophy and it is awarded to

Kiara Richards – Players Choice

Due to a mishap at Country Week Renae Bransby was injured and Kiara was devastated her words were “I hope she will be back to play hockey soon, I'm lost without her, Renae is the one I follow.” Kiara looked up to Renae and others, but Kiara feared something. Kiara was lost without Renae the game after country week, she did not know her place and many Wickepin players gave Kiara the confidence and boost she needed. Kiara ran her long legs out in centre forward and inner and showed no mercy. Well done Kiara you will go long ways if you stick at it. Kiara thanks everyone this year for a great season and giving her the confidence and she will be back next year!

Thankyou card and gifts were presented also by Megan Owen to

Stefie Green for being treasurer,

Stacey Halstead for doing umpiring roster and other commitments,

Stephanie Keeble for being the sponsorship coordinator

Jade Bushby for being President

Stacey Richards for doing write ups and uniform coordinator,

Jade presented thankyou gift to Megan for being Secretary and COACH

Renae Bransby for sideline coaching and being Megans assistant

Raymond Matthews for helping on the sidelines and coaching

Kathy Bushby for driving, tech bench, bar duty and everything

A **big thankyou** to **Jean** from Wickepin Newsagency who donated money to the Club in which was used for the bar tab on this night. We concluded the meal with some black forest cheesecake and icecream for dessert!
