WICKY LEAKS

Birthday Wishes to Veronica Stacey, Danny Bayley, Colin Lang, Marion Hook, Jake Martin, Hazel Green, Jamie Mutton, Jessica Gray, Shirley Hemley, Griffin Pike, Sandy Williamson, Cath McDougall, Carmen Payne.

Deepest sympathy to Ross Ward and family on the passing of Connie. Our thoughts are with you.

Congratulations to Courtney (Rose) and Kyle Stone on the safe arrival of Isabel Rose - 7lb 2oz - a sister for Archie. All well. Stephen and Linley Rose have welcomed their 7th grandchild.

The Yealering Community Afternoon Teas will commence again on 28th June 2019 from 2.30pm. They will be held on the **4th Friday** of each month and hosted by community clubs. Claire and Lou will host the June afternoon tea for the Yealering Progress Association. In past years, Friday afternoon teas were held at the Yealering Co-op, then the CWA which was a tradition started as the ladies used to come to town once a week to shop and it was a great way for them to socialise.

A new business recently started in Yealering is *THE YEALERING PANTRY*. There is a great variety of products available including cooking, cleaning and most household needs. Customers are asked to take their own containers to have them filled and weighed to cut out excessive packaging.

EXPRESSIONS OF INTEREST

Wickepin Shire Growth & Innovation Steering Committee

Are you passionate about ensuring the growth and success of the Shire of Wickepin for future generations?

Do you have innovative ideas to grow and attract businesses and jobs?

Can you contribute to reinvigorating the Shire of Wickepin?

The Shire of Wickepin are seeking innovative, passionate and proactive community members to join the Wickepin Shire Growth and Innovation Steering Committee.

The Steering Committee will provide context, information and advice on the development of projects, activities and strategies which will support existing businesses, explore options for innovation and promote the development of new business and industry within the Shire.

The Steering Committee will meet on a monthly basis commencing in July 2019. Committee members will be expected to attend the monthly meetings and network with the community to gather feedback and opinions on proposed strategies and ideas. The appointment is for 1 year until the 30 June 2020. This is a voluntary position.

Expressions of Interest should detail why you are interested and what skills/experience you will bring to the Steering Committee. Expressions of Interest can be submitted to Mark Hook at ceo@wickepin.wa.gov.au by Monday 24 June 2019. The Steering Committee Terms of Reference can be provided upon request.

Help to establish the Shire of Wickepin as a thriving locality for future generations.

Local news from...

WICKEPIN POLICE STATION

Wickepin Police Station is now fully staffed for the first time in several months. On behalf of myself and Senior Constable Dorry Grznic, I would like to thank the community of Wickepin for the inviting welcome we have received. I personally have been very humbled by the warm and sincere community members who have made a special effort to meet us.

This is our first contribution to the Watershed so I thought it fitting to let you know a bit about us.

Dorry and his family are already known to some of the community. Dorry transferred to Wickepin from Narrogin Police Station, where he had worked for the past eight years. Dorry has extensive experience in country policing having also worked at Dumbleyung Police Station in 2009. Many of you may already know Dorry's wife, Lana, who up until last year was the nurse at the Wickepin Health Centre.

This is my first Officer in Charge position having transferred from Joondalup Detectives Office. I have been a Police Officer for over 20 years having served in both metropolitan and regional WA. Half of my career was as a detective. I am now looking for diversity in my career and am excited to have been given this opportunity to not only pass on my knowledge but to learn and develop as a member of this community.

We have had the opportunity to speak with a number of you over the past couple of weeks, whether as an impromptu chat in the main street or through other official capacities. We would now like to extend the invitation to have a further chat in our first 'Coffee with a Cop' on Tuesday 18 June 2019 from 10.00am at the Wickepin Community Centre. We would like to use the opportunity to meet those we may not have met (and those we have already met again) and listen to anything that you may wish to discuss.

Otherwise if you would like to contact us to discuss any issues, please feel free to contact us on 98881100. For all other matters that require police attendance please note the below numbers.

Minestrone soup

Ingredients

3 bacon rashers, rind removed, roughly chopped
2 carrots, peeled, chopped
2 celery sticks, chopped
1 desiree potato, peeled, chopped
2 garlic cloves, crushed
1L (4 cups) beef liquid stock

400g can chopped tomatoes
400g can red kidney beans, rinsed, drained
80g (1 cup) small shell pasta
1/3 cup chopped fresh continental parsley

Method

Place the bacon, carrots, celery and potato in a large saucepan and stir to combine. Cook over high heat, uncovered, stirring often, for 5 minutes.

Add the garlic, beef stock, tomatoes and red kidney beans to the pan, cover and bring to the boil. Reduce heat to medium-low. Simmer, covered, stirring occasionally, for 30 minutes or until the vegetables are tender.

Increase heat to high. Add pasta and cook, uncovered, stirring occasionally, until pasta is al dente. Season with salt and pepper. Ladle into serving bowls and sprinkle with fresh parsley.

Apple Pie

- 1 3/4 cups plain flour, plus extra for dusting
- 1/2 cup self-raising flour
- 185g unsalted butter, chilled, cut into small pieces
- 1/3 cup caster sugar
- 2 eggs
- 1 tablespoon chilled water
- 1 tablespoon milk
- caster sugar, to sprinkle

Filling

- 45g unsalted butter
- 1/2 cup caster sugar
- 8 large Granny Smith apples
- Juice of 1 lemon
- 1/4 teaspoon Ground Cloves
- 1 teaspoon ground cinnamon

Sift flours and a pinch of salt into a large mixing bowl. Add butter and rub lightly into flour. Lift mixture high above the bowl as you rub, to incorporate air into the pastry and make it lighter.

Continue until mixture resembles fine breadcrumbs, then stir through sugar. Lightly beat 1 egg with 1 tablespoon chilled water, then drizzle over flour mixture. Start to bring the dough together with a blunt knife, then form into a smooth ball with your hands, adding a little more water if necessary.

Divide dough into two pieces, one slightly larger than the other.

Wrap in plastic wrap, and chill for 30 minutes.

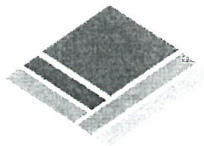

To make the filling, peel and core the apples, and cut each into 8 pieces. Toss immediately with lemon juice in a large bowl, to prevent apples from discolouring. Place the butter and sugar in a large frypan over medium-low heat. When butter has melted, add apples and spices, then stir to coat. Cook, stirring occasionally, for 10 minutes or until apples have softened. Set aside to cool.

Roll out the larger pastry ball on a floured workbench to a 30cm circle (about 2mm thick). Roll pastry around rolling pin, then unroll over a 22cm metal pie dish. Gently press into corners and allow excess to overhang. Place filling in base with a slotted spoon. Roll the small pastry piece to a 25cm circle.

Beat remaining egg with milk, brushing some on rim of the base. Top with small pastry.

Lift the pie dish and cut excess pastry from edges with a sharp knife. Crimp edges of pastry together the tail of a spoon. Chill for 30 minutes. Preheat oven to 180C, place pie dish on a baking tray and cut air vents in the centre of the pie. Brush top of pie with more beaten egg, sprinkle with caster sugar and bake for 45 minutes or until golden brown.

Serve warm or cold with ice-cream or cream.

TERRITORIAL CLAIMS

Thoroughly wash down animal 'claims' around doorways using warm soapy water, then disinfect the area with a solution of 20 drops of lavender oil in 10ml of methylated spirits blended with a litre of tepid water. This solution should be used immediately.

Animal urine and faeces in garden beds smell bad - and they'll probably kill your favourite plants as well. A simple solution is to plant *Solenostemon Canis* throughout the garden in amongst your other plants. This small perennial can be used for border planting and is a very effective repellent to both dogs and cats and you will, however, have to plant it in a clean or sterilized soil because it won't be effective if the area already smells strongly of the scent of the animal who has made a claim.

If the cat next door uses your garden as its toilet, plant *Solenostemon Canis* and discuss the problem with your neighbour. Encourage them to plant the herb (catnip) around their garden and cats love it - will roll on it and even eat it and will be very happy animals. The *Solenostemon* will deter an unwanted cat from your yard and the catnip will ensure it stays where it belongs.

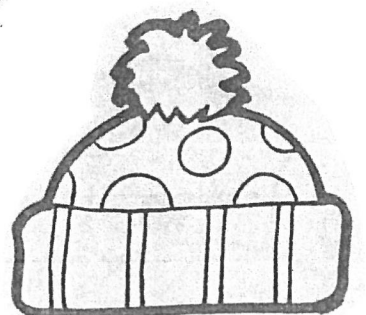

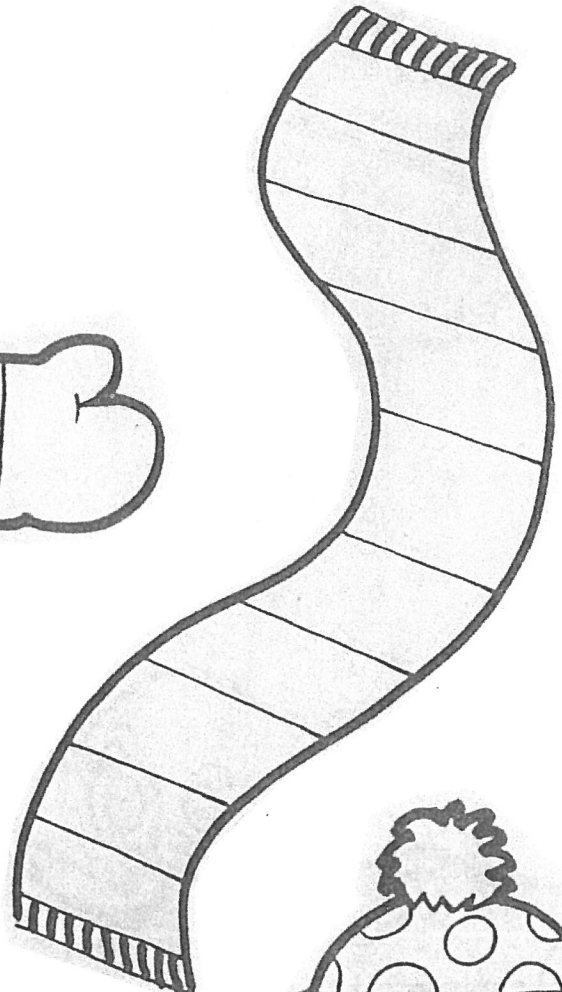

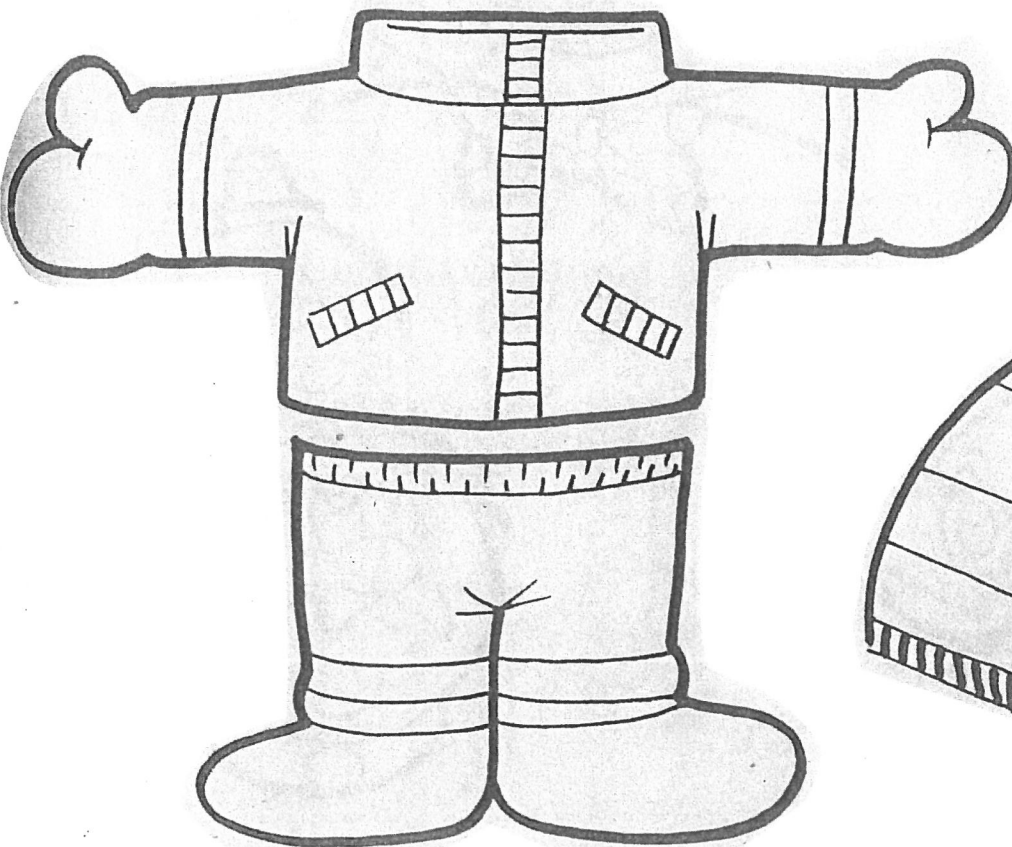

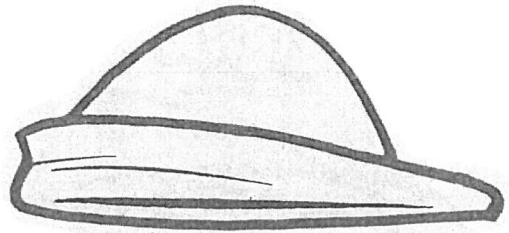

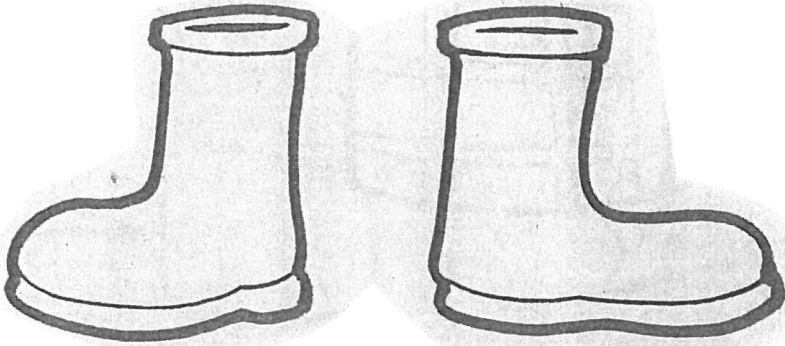

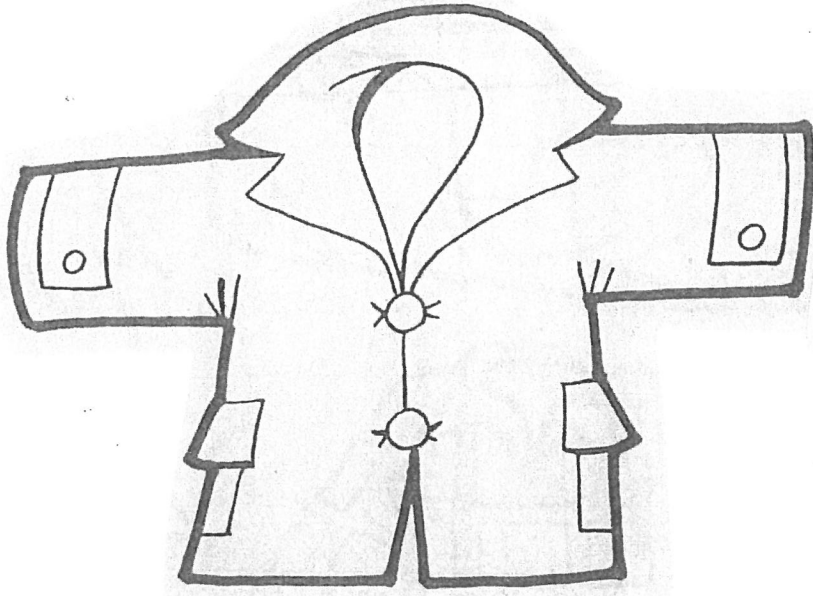

Don't throw out all that leftover wine. Freeze into ice cubes for future use in casseroles and sauces.

Leftover wine??????????? HELLO!!!!!!!

Cure for headaches: take a lime, cut it in half and rub it on your forehead. The throbbing will go away.

ADULT FICTION LARGE PRINT

The Jealous Kind - James Lee Burke ~ On its surface, life in 1950's Houston is as you would expect: drive-in restaurants, souped-up cars, jukeboxes, teenagers discovering their sexuality. But beneath the superficial normalcy, a class war has begun. Against this backdrop, Aaron Holland Broussard discovers the poignancy of first love and a world of violence he did not know existed. When Aaron spots the beautiful and gifted Valerie Epstein fighting with her boyfriend, Grady Harrelson, at a Galveston drive-in, he inadvertently challenges the power of the Mob and one of the richest families in Texas.

ADULT NON-FICTION

GOLDIE - Bill 'Swampy' Marsh ~ And Jack 'Goldie' Goldsmith is as fair dinkum as you can get, with a knack of always finding himself in some strife or other. Born during the worst year of the Depression, he escaped an abusive stepmother and headed out to western New South Wales. Times were tough for a teenager so for the next few years he tramped from place to place, trapping rabbits, picking spuds, working on the always and building fences: anything for a little money and a bit of tucker. After a brief stint in the army during the Korean War he followed his real dream, to work on the big cattle runs in Queensland's Gulf Country. There he made a living from working in the stock camps, horse breaking, droving and cattle duffing. He also made history by becoming only the third person to successfully swim the crocodile-infested river at Normanton.

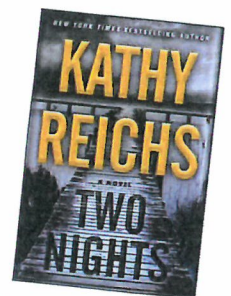

ADULT DVD

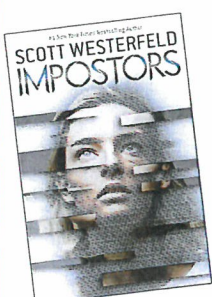

Cedar Cove ~ Judge Olivia Lockhart is considered the community's guiding light in the picturesque, coastal town of Cedar Cove, Washington but like everyone else, Olivia fights the uphill battle of balancing career with family and finding love, all the while doing her best to care for the township she calls home.

ADULT AUDIO FICTION

Two Nights - Kathy Reichs ~ Meet Sunday Night, a woman with physical and psychological scars and a killer instinct.... Sunnie has spent years running from her past, burying secrets and building a life in which she needs no one and feels nothing. But a girl has gone missing, lost in chaos of a bomb explosion and the family needs Sunnie's help. Is the girl dead? Did someone take her? If she is out there, why doesn't she want to be found? It is time for Sunnie to face her own demons - because they just might lead her to the truth about what really happened all those years ago.

YOUNG ADULT FICTION

IMPOSTORS - Scott Westerfeld ~ Frey was raised to take a bullet. She's the body double for her twin sister, Rafia - the precious first daughter of Shreve - and her existence is a closely guarded secret. So while Rafi was schooled to be the perfect heir, Frey was trained to be the ultimate weapon. When their father sends Frey in Rafi's place as collateral in a precarious deal, she must become the perfect impostor, as poised and elegant as her sister. But soon Col Palafox, the son of a rival leader, is getting close enough to spot the killer inside. As the deal falls apart, Frey must decide: can she trust Col with the truth? In a life built out of lies, can she trust anyone?

WICKEPIN NETBALL CLUB

Round 6

Seniors:

A1: June 8th

Wickepin v Wagin 27 - 32

After a slow first half with the girls trying to find their feet, we decided to reset & start again & wowee did the girls come out firing with the goods. 15 points down at half time, we gained 6 goals back in the 3rd & with the way we started our 4th it was looking like the comeback of the season. Just as our girls were getting a roll on in the 4th, Scoring 4 goals to zip in the first 5mins of the 4th, the game came to a sudden halt with a very serious injury to a Wagin player. With the umpires calling the game over, the final scores were Wagin 32 Wickepin 27. The score not doing our girls hard work any justice. A very proud coach here at how our girls held their heads, composed themselves & proved that if you continue to give 100% the rewards will come.

Well done ladies, chuffed!

We are all thinking of you Ata, best of wishes on a speedy recovery, without you in our comp we wouldn't be kept on our toes wondering whether we were going to see a screamer of a grab over someone's head.

Coach – Michelle Miller

A2: June 7th

Wickepin v Williams 42 – 13

A huge first win for the girls which was made possible with the inclusion of some very handy fill-ins as the A2 team found themselves short on players this week following injuries, illness and holidays.

Thank you to the girls who filled in this week and congratulations to Stacey Richards for scoring herself the umpire votes for Wickepin.

Best wishes go to Felicity Taylor who unfortunately has had to call time on her season with injury.

A4: June 8th

Wickepin v Olympics Royals 25 - 53

Well done to everyone, you all gave it your best! Olympics are a very strong team. Last quarter our shooters were on fire so super well done girls. And excellent work to two of our defence girls Amelia Holmes Thorne who got two votes and Meg Whyllie who got one vote you girls played brilliantly.

Allysha Spurling

Juniors:

SET - June 8th

This week we were slightly undermanned with only six players. We played Flames and were so impressed that one of their girls, Emma Warburton, came and joined us. Great sportsmanship from her and our kids to welcome her into our team for the day and encourage her along. We scored some goals and worked hard at our hands over pressure. Player of the Day was Marlo Cowcher for shadowing her player in defense. We have a bye this week so see you on the 22nd June. Training is as normal this week.

Coach – Kelly Steere

GO BYE

U/12's

Under 12's once again doing their club proud by their determination in playing their own game and not getting down while being defeated. I am so proud that the whole team gives it their all, right to the end no matter what the score.

Special mention to Sarah for sticking to her player in defence and Sophie for making space and getting those much needed goals.

Well done to all my girls.

Coach – Megan Pike

WICKEPIN FOOTBALL CLUB NOTES ROUND 6

Our sponsors for Round 5 were Afgri Wagin. Give Travis a call on 0429 688473 for all your John Deere requirements from a ride on mower to a Large S790 JD header. He will look after you. Our other sponsor was Wickepin Newsagency and Lunchbar. Call in and see Jeannie and the girls for lunch, lotto, or a coffee. Thank and support our sponsors when you get a chance.

Round 5, we ventured to Dumbleyung with the D Grade on a high after a close loss last week, unfortunately we didn't trouble the scorers and let a few in at the other end. Coach Cowcher was a tad disappointed and had league star in the Shagmeister to say a few words and hand out the chips and juice boxes. Shaggy souvenired a couple packs of chips to save \$\$\$ on lunch and was last seen trying to sell them to the D graders. Morgan Wilson with another great game was our best with Karli Martin a close 2nd, Lincoln Astbury received the 3rd award with a great game.

Kenny and Rice's B graders came up against an experienced Cougars line up and held sway for most of the game. Brock slotted one after the halftime siren to give the boys a boost and things were looking rosy for a win, until the Cougars stormed home and we hung on for a Gutsy 1 point victory.

Best players Cam, back from a Hammy, Inzi back from the tuckshop, and Mav back from the panel beaters, good work boys 3 wins has equalled last years efforts.

Toads League side welcomed Schoey, Schoey and Schoeys mate D, to the team after months of negotiation, phone calls and the help of an ex VFL star, our recruiter had a head bigger than Phar Laps heart. We started well and continued the form for all 4 quarters running out good winners in a typical tough encounter, Royce was the recipient of 3 consecutive 50m penalties kicking his 1st goal in 2 years. We hadn't seen 3, 50's in a row since Ducky in 2008 (he was giving them away though) Crouchy and Kimmy bagged 4 goals each, in a great team effort. Top award went to Gusto the bus conductor, next best Kimmy Sco on debut with 4 snags also, and the 3rd award went to Port Headland Hally, (will he stay or will he go).

The Idiot Belt was won by Hawk, who got up EARLY at 9 am and went spraying, but due to lack of sleep forgot to disconnect the fill hose before driving off, returning to find 80,000 litres on the ground, he headed to town to get parts and was seen across the road from the Massage parlour knocking down 2 large meat pies, he also had to borrow the runners 40 year old towel after the game, you dead set IDIOT !!!!

To the Wagin scribe, who's best years at school were the 4 years of year 1, if you're going to have a crack at someone at least spell the town they lived in correctly,

Today we welcome Katanning and wish all teams the best of luck in all 3 grades, and remember to BELT UP on your drive home.

WICKEPIN FOOTBALL CLUB NOTES ROUND 7

Round 6 sponsors were TC Williamson & Co, give Tom a call for all your cartage needs, sheep, lime or fertiliser, he will do the lot, also BP Great southern Fuels, give them a call for all your fuel and oil requirements, Thanks Tom and BP.

We welcome Katanning to Wickepin, with the D graders have a great game. THANKS to the KA team who evened the contest up swapping a few of their bigger players for our smaller ones, resulting in a good game KA came out on top. Our award winners were Top Cooper Burrow, 2nd Taylor Mutton (on her birthday) and the 3rd award to Will Lansdale who slotted his 1st ever goal.

Also Congrats to Karli Martin and Tyler Steere whom have been selected in the Female UGSFL development Academy Squad, well done girls.

The B Grade boys had control of the game all day, but unfortunately, Katanning kicked the last 3 goals to get up by 2 points. Awards went to Mitch Walker, Hawk and Jethro, all pressing for league selection. The Holden towel was awarded to Crouchy, it will be seen hanging up in most shearing sheds around the district in the next few months.

The league boys were outplayed by a well drilled side in the early part of the game, our turnovers and lack of composure were costing us, then we unleashed the Pig, who tore the game open with 7 goals and a hard running midfield display to get us back in the game, trailing by 2 points at ¾ time, we kicked 7 goals in the last to run out 24 point victors. Top award went to Grunter Anthony, Big Ole who rucked tirelessly was next best, with Johnsy who's back on talking terms with the missus, was 3rd best, Edwards Isuzu Ute towel went to Hally, who's in rare touch. 3 yellow cards to Plugga, Cam and Scoey, these 3 will be supplying the drinks on the next bus trip, and one of them was found to have left his studs in the B Grade white board, costly day eh Plug ???

Congrats to Hally and Toby, who played their 100th game for the club and Mags played his 50th.

Toby had a great day winning the members draw and Grieco won the meat raffle.

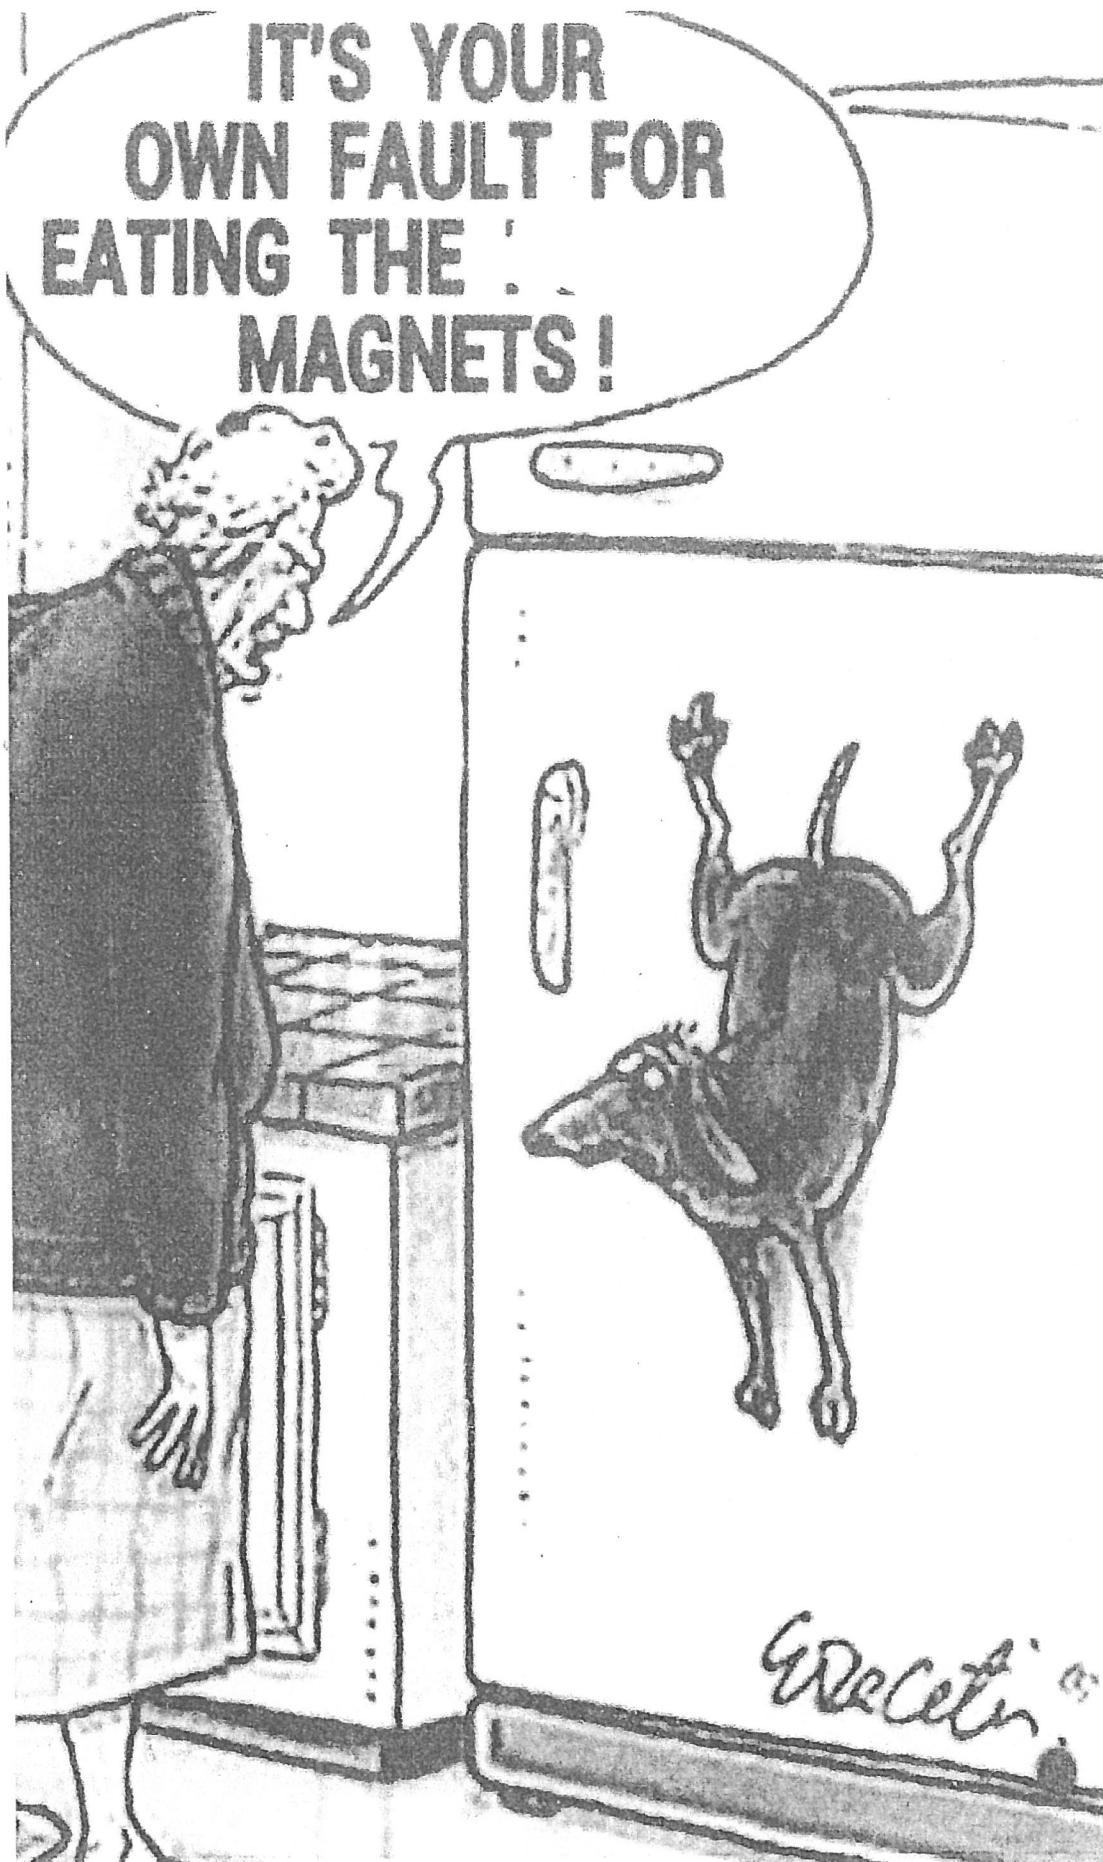

Don't forget to sell your raffle books and hand them back to Ricki ASAP

Social committee members Kenny, Splinters Miller, Butters and Steery, organised the quiz night last Saturday with 168 people attending and was a great evening culminating with Stick em Schorer entertaining the crowd, with his auction skills, the beer tasting was an interesting novelty with Toby getting Export wrong and Ryan Duffy only successful on 1 of the 5 taste plates (should drink more with the father in law) Great job social committee, we look forward to our next function The Yabbi Cup on Saturday the 6th July.

Best of luck to all grades today, and as a bit of a psychic I feel you should have all had 15 + mills when you read this.

Rolling on the Floor Laughing !
