## CHEER YOU UP

On a golf tour in Ireland, Tiger Woods drives his BMW into a petrol station in a remote part of the Irish countryside. The pump attendant, obviously one who knows nothing about golf, greets him in a typical Irish manner, completely unaware of who the golfing pro is. "Top of the mornin' to yer, sir," says the attendant. Tiger nods a quick "hello," and bends forward to pick up the nozzle. As he > > does so, two tees fall out of his shirt pocket onto the ground. "What are 'dose?" asks the attendant.

"They're called tees," replies Tiger.

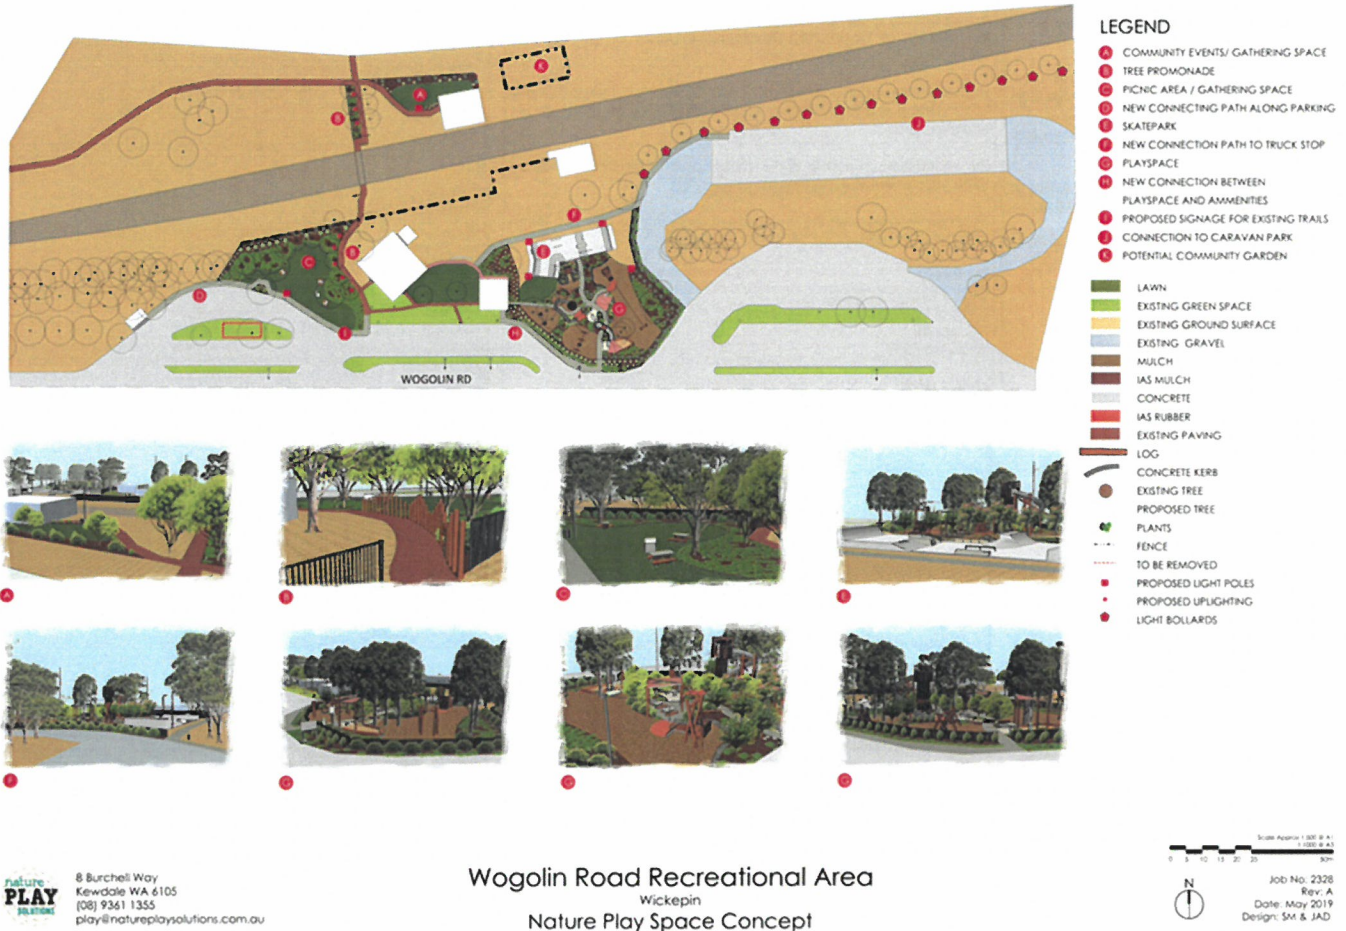

"Well, what on god's earth are dey for?" inquires the Irishman. "They're for resting my balls on when I'm driving," says Tiger.

"Fookin Hell," says the Irishman, "BMW tink's of everyting!"

Local news from...

# WICKEPIN POLICE STATION

Wickepin Police would like to thank community members who attended the recent 'Coffee with a Cop'. It was very pleasing to see so many enjoying a quite cuppa and asking some very interesting questions.

One of those asked was in relation to electric wheel chairs or gophers. Put simply when travelling in outdoor areas under the Road Traffic Code, you must follow the same rules as pedestrians:

- Where a footpath is provided, you must use it,
- If crossing a road, you must use the shortest possible path,
- Before you begin to cross a road, you should make sure that you have a safe entry onto the footpath on the other side,
- Where a footpath is not provided, you may travel along the edge of the roadway, unless the road rules prohibit you from doing so. You must travel along the right edge of the roadway, facing towards oncoming traffic,
- You should not travel along the edge of the roadway unless you absolutely have to and the design of the motorised wheelchair allows it to be safely driven on the expected terrain. Hopefully that clears up any confusion.

We were very lucky to have Rod Thornton from 'Roadwise' along for the morning and he enlightened the 25 plus strong crowd with a humorous overview of recent media advertisements and gave background to some of the important facts and figures.

The one that perhaps stuck in my mind was that sadly the majority of road crashes and the resultant trauma that occurs are generally put down to non-enforceable matters. That means that despite our best efforts the cause of the crash was something we couldn't stop in the first place. If you let that sink in for a moment I'm sure you'd agree, that's really tragic.

Despite that, rest assured that Wickepin Police will be actively patrolling and trying our best to identify and speak with any road users who may need a quiet word or perhaps some other form of education. In particular, 'Hoon' driving is extremely dangerous and annoying to the community so we are happy to receive information that may assist us in prosecuting these irresponsible members of our community. The penalties are significant and may lead to a \$12,000 fine, imprisonment and a lifetime loss of license. Notwithstanding the costs and inconvenience that are associated with vehicle impoundment to top it off.

You may have noticed us out and about on Saturday with some help from our policing neighbours from Pingelly and Williams. We were very pleased to see that of the 110 contacts, no drivers tested positive to alcohol or drugs over the course of the day. The message will continue to be pushed that drink or drug driving will not be tolerated by our community.

Finally, please remember that even if our phone is diverted to Albany, we will always be advised of the job either by a direct phone call to the OIC's phone or if less urgent via an email so please if you think it's worth letting us know, make that call.

You can contact us on 9888 1100. For all other matters that require Police attendance please note the numbers below.

Senior Constable  
Wickepin Police Station

In the calm waters of the marina, the old salt sat in his ageing wooden boat, remembering. His thoughts turned to the long ago when he travelled the world's oceans through wild seas, winds and weather. He had loved the salt air, the spray and the excitement of visiting foreign countries and meeting their people. He was caught up in a war and suffered the results of it for the rest of his life. Ultimately his health failed and he no longer had the energy to go out to sea fishing as he used to do. His one consolation was to just sit alone in the boat on sunny days and feel the gentle rocking of the vessel. Sometimes he did some painting. At other times he would splice some rope or check his mooring lines.

One day a solitary seagull alighted on the gunwale and sat there eyeing him. At first when the man moved, she would fly up, then settle back to her chosen spot.

In the months that followed, a similar pattern developed and the old salt looked forward to seeing the bird. She always came alone.

"I shall call you Annie," he said and one day he photographed her sitting watching him. Later he placed her picture in his album amongst photos of his other friends.

The time came when the man's strength failed and he could no longer visit the boat. Eventually his life came to an end and a few weeks later, according to his wishes, his ashes were scattered out at sea by his boating friends.

During the outward journey to the deeper waters of the ocean, a solitary gull accompanied the large rescue vessel to its destination.

After the simple ceremony, the gull appeared to escort the vessel back to the marina where it alighted on the gunwale of the old wooden boat.

We shall never know, but perhaps it was Annie's way of saying a final farewell.

When they arrive on a lonely hill in northern New South Wales, they have no electricity, no running water, no telephone and no choice but to make this their home. From the eldest of the five kids, comes this extraordinarily vivid and evocative account of the next ten years as they try to tame six thousand acres of bush and navigate the challenges of country life.

## ADULT FICTION - AUDIO

But the carefully constructed world Cara has built for herself is suddenly threatened when she is kidnapped by a man trying to settle a score against her family, setting off a violent chain of events that puts everyone Cara loves in danger. Now, Cara will have to use every instinct she has to stay one step ahead, or else she'll pay the deadly tribute of her family's dark past.

## Chicken, leek and mushroom casserole

## Ingredients

- 8 (about 2.2kg) chicken thigh pieces
- 1 tablespoon olive oil
- 250g rindless bacon rashers, coarsely chopped
- 2 leeks, pale section only, washed, ends trimmed, cut into 2cm-thick slices
- 400g button mushrooms, halved
- 2 garlic cloves, crushed
- 2 tablespoons plain flour
- 250ml (1 cup) chicken liquid stock
- 250ml (1 cup) white wine
- 6 sprigs fresh thyme
- 125ml (1/2 cup) thickened cream
- Mashed potato, to serve

## Method

Preheat oven to 180°C. Heat an ovenproof casserole dish over medium-high heat. Add half the chicken and cook for 3-4 minutes each side or until golden. Transfer to a plate. Repeat with the remaining chicken, reheating the dish between batches. Use kitchen paper to wipe the dish to remove excess fat. Heat oil in the dish over medium-high heat. Add the bacon, leek, mushroom and garlic and cook, stirring, for 5 minutes or until golden brown. Add the flour and cook, stirring, for 1 minute or until well combined. Add the stock, wine and thyme, and bring to the boil. Return the chicken to the dish. Cover and bake in oven for 1 hour or until the juices run clear when the chicken is pierced with a skewer. Use tongs to transfer the chicken to a plate. Transfer the remaining leek mixture to a medium saucepan. Add the cream and bring to the boil over medium-high heat. Cook for 5 minutes or until sauce thickens slightly. Divide the mash among serving plates and top with the chicken. Pour over the leek mixture to serve.

## Maple Glazed Pears

50g unsalted butter, chopped

4 ripe pears halved, cored

1/2 teaspoon cinnamon [https:](#)

1/2 cup maple syrup cream or ice-cream to serve.

Melt butter in large non-stick frypan over a medium heat until bubbling. Add pears cut-side down. Cook for about 3 minutes until light golden underneath. Turn pears over. Sprinkle with cinnamon. Pour over maple syrup. Bring to boil. Gently boil for 3-5 minutes or until pears are tender. Spoon syrup over pears. Serve with cream or ice-cream.

## BUDGET NOTES ROUND 8

Round 7 was played in Wintry conditions at Williams with our Sponsor for the day the "Oasis Hotel" at Harrismith, get down and have a cold one on the wood or a great feed, with Russell and the staff, every chance the No 1 Local, Inzi will be there holding up a bar stool, does his best work after midnight. Thanks Russell and Judy.

The D graders had a tough hit out with the kittens, who proved too strong in the end, Logan Batt won the top award Bryce Pauley the 2<sup>nd</sup> and Baxter Cowcher picked up the 3<sup>rd</sup> award, Coach Owen Cowcher even though sitting at zero and 7, has the full support of the board and President. Keep up the good work.

The B Grade ran out full off enthusiasm and we were just lucky no breath tests were taken pre game, or we may have been reduced by a player or 2, the older heads and bigger bodies of the cats proved too strong for us, going down by 4 or 5 snags, Mitch Walker continued his good form along with Stretcher Angwin, Chrimesy ran hard all day and the Wilson twins didn't get blown away.

The league knew they would be in for a tough afternoon and that's how it turned out, scoring into the breeze proved difficult all day as we only kicked 1 goal 3 to the left of the screen but held Williams scoreless at the same end, we trailed for most of the day hitting the front with 5 minutes to play and hung on for a 9 point victory, Big Ole Brooksy was outstanding with his marking around the ground, Plugga was back to his ball hunting best and Crouchy proved to his B Grade mate that an early night helps, using the 5Ps as his Motto ( Prior Preparation Prevents Poor Performance ). Ryan Duff tasted his 1<sup>st</sup> yellow card,

Coach Manton happy with a 6 and 1 start after the 1<sup>st</sup> round, turned into a great day with the Swannies beating up the Canarys at the SCG.

Our current "Idiot Belt" holder is Fraser Witwer, who did some burning of leaves around his house to wake up the next morning thinking the neighbour had got up early and burnt the paddock right next to him, but Shaggy in the rush to get in the house to watch Neighbours, didn't quite make the fire safe you dead set IDIOT.

Just a reminder that the next function is a fortnight away with The Yabbi Cup on Saturday the 6<sup>th</sup> July, with tap beer available, Get your raffle books back to Rick ASAP too.

Today we welcome the Wagin players and supporters and your all most welcome to stay for some rissoles and mash served by the Wickepin tennis club, enjoy the footy and Belt Up on the way home.

## BUDGET NOTES - ROUND 9

After more rain and a win by both A and B Grade last week things are ticking along nicely.

Last week we were up against Wagin, with sponsors for the day Yealering Hotel, get down for a feed or a cold one with the locals, Panther, Clint and Jimmy and say Gday to Tanya and thank her for the sponsorship. Also sponsoring were Darren and Kate Wilson, whom need a Huge thankyou for their sponsorship and volunteer work around the club Cheers Willows.

The D Grade keep working hard and never give up, just going down again in a close one, Coach Timmy happy with their efforts, awards to Ty Littlejohn, Cooper Bennier and Grayden Bayley, keep up the effort and I'm sure a win is not far away.

Royce and Kenny's B Grade were chasing a spot back in the top 4 and played some good footy in patches, then decided to turn it on with 7 minutes to go kicking the last 4 goals of the game to get up by 5 points, Mitchy Walker was best with Hawk taking the 2<sup>nd</sup> award, Edwards Holden towel went to Chatterbox Matty Whyatt, Just a note to the bloke wearing Anthony Koutoufides number that we have a 6/6/6 rule in play now and also its best to let the full forward take a shot from the goal square, then playing on from 8 metres and kicking a point, This week we welcome back Cockroach Milller after choosing Rugby over football last week.

## Wickepin Football Club - Budget Notes - Round 9 - Cont'd

The league side had a pretty even tough 1<sup>st</sup> half, then found their mojo in the 2<sup>nd</sup> half to pull away from Wagin, Top award went to the 6 defenders, 2<sup>nd</sup> best Dead Eyed Dick Crouch with 6 straight and the 3<sup>rd</sup> to Macca, Edwards Isuzu Ute Towel went to Jacko whom got down on one knee during the week to pat Rex and Katie walked in so he changed tack and asked Katie to spend the next 50 years with him, Congrats to you both !!! Rex was quite happy as he knows he will have a pal in the doghouse.

Pigmy Anthony turn it on again winning the "Mens health" game ball in a super display.

Billy Martin took out the Pullman Bunker bay Resort overnighiter in the members draw.

Troy Smith won the mystery raffle and took home a pair of dirty jocks, yep dirty jocks, this mystery raffle is not going anywhere.

The "Idiot Belt", well this week for the 1<sup>st</sup> time we have a Double Up Idiot, Hawky Boy Angwin, remembered when his bucks show is but somehow didn't let the committee know when Jess hens party was resulting in the wind up being on the hens night. One tip old Buddy Boy, once you have the ring on the finger come October, don't forget any date, anniversary etc or you too will be sleeping with Rex !!!! You Idiot You.

Raffle tickets back to Ricki please and don't forget Next Saturday after footy "The Coonack Cup".  
Cheerio to the Wagin Scribe who's been of sick lately, hope you're feeling better.

Congrats to Rex Doney on 600 senior games of footy last weekend, super effort that !!  
Enjoy the footy at Pingelly today and "Belt Up" on the way home.

Pot Club Bowls Sunday July 7<sup>th</sup>. After a wet week, 11 players turned up to play. Rink Winners were P Stribling (Stribbo) J. Hamilton (Jimmy) and L. Shipley. Final winner for the day was J. Hamilton (Jimmy). Runner Up L. Shipley.

Good to see Kevin Coxon and Graham Poultney back on the green.

Found this and thought it worth a go . All too true.

I THOUGHT this might be of interest to your readers. It concerns the age gap and Dad' knowledge.

At 4: Dad knows everything.

At 7: Dad knows a lot.

At 8: Dad does not know everything.

At 12: Well, Dad won't know anyway.

At 14: Dad is hopelessly old fashioned.

At 21: Oh hell, the man's time has long passed, how would he know!

At 25: Dad knows something, but not very much.

At 30: I'll just hear what Dad has to say anyway.

At 35: Let's wait a while and hear what Dad's opinion is.

At 50: I wonder what Dad would have to say.

At 60: Dad, in actual fact, knew everything.

At 65: I wish I could have discussed it with Dad.

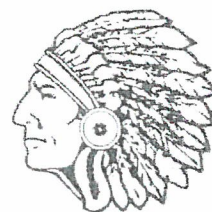

A lot of truth in it – wouldn't you say

Cheers

Jenny

# WICKEPIN NETBALL CLUB

## Round 9 & 10

### Seniors:

#### **A1: June 29<sup>th</sup> - Wickepin v Cuballing - 33 – 27**

Our girls went into the game knowing they had to be on their toes, quick, & ready for a hard tussle. Four quarters of the girls giving 100% saw us come away with a 6 point win.

Outstanding players were Carly Smith, her hands over everything & not giving her players any space had her intercepting the ball at every contest. And also Helen Wyatt, no matter where I put this champion on the court, she gives 100% & goes at the ball with both hands which gets her the possession at every tussle.

#### **June 30<sup>th</sup> - Wickepin v Pingelly - 38 - 44**

Right from the start, the girls agreed that the key to this game was to match the pace, man up & give it everything we have for 4 quarters. Coming out firing in our first half saw us up at half time. A little lull in the third had us chasing tail in the forth and unfortunately we went down by 6 to the top side. Our intensity throughout the whole game showed us that Pingelly are definitely beatable & that we aren't far from being at our best.

Emily Davey's non-stop pressure along with Hilary Wittwer kept us in the game through the whole 4 quarters along with Danni Astbury's guidance through the middle. Also, big mention to Deb who shot like a super star for 4 solid quarters!

#### **July 6<sup>th</sup> - Wickepin v Pingelly -34 - 48**

With only one change to our starting line up from the previous week's game against Pingelly again saw us coming out guns firing.

Ahead at the first break, but coming away at the 2nd with a heavy knock to the scoreboard saw us bring a few off the bench hoping the fresh legs will come out on top. In my eyes the score didn't reflect how well our girls played against Pingelly. Our girls had the man on man pressure down pact & fought hard to keep the intensity up throughout all four quarters.

Our defence, as every week was spot on, they do everything I ask of them week in, week out, which has me giving them best ons each week. Em Davey's pressure & physicality had me in awe from sidelines gaining her a best on along with Sarah Hyde & her constant 'hands over the ball' had Pingelly second guessing their passes into their attacking third. Going down at the final siren, but in high spirits that we aren't far off the mark from being in the mix at finals time.

**Coach - Michelle Miller**

#### **A2: June 29<sup>th</sup> - Wickepin v Waves - DRAW 37 – 37**

A very tight contest from the start, resulting in a draw against Waves. Our mid-courts applied great defensive pressure and we all attacked the ball well.

With 3 minutes to go, Wicky were down by 3 so a great fight to come back! With a shot on the buzzer for the win it was an exciting finish....unfortunately we didn't sink it. However an improvement from our last game against this team, well done girls!

Umpire votes to Morgan Spark and Jo Lewis.

#### **June 30<sup>th</sup> - Wickepin v Pingelly - 45 – 47**

Our second game for the weekend saw us heading to Pingelly. Our shooting combo, Jo and Katie, were on fire and played a solid 4 quarters together, making it extremely hard for the Pingelly defence.

Our fight in the last quarter saw us come from 8 goals down at 3 quarter time to only lose by 2. Hopefully we will get them next week at home!

Thank you to Michelle Miller and Tayla Dawes for filling in this week!

#### **July 6<sup>th</sup> - Wickepin v Pingelly - 43 – 45**

All 3 teams playing at home this weekend and going in we were hoping to get on top of Pingelly after last week's close game!

This was looking possible after a fantastic start, we had the lead for the majority of the game. Pingelly's intensity increased and they slowly gained on us. The whole team gave everything they had left in an exciting last quarter but unfortunately going down by 2 goals again this week.

Be proud girls, the improvement over the last few weeks has been outstanding! Thank you to the supporters and sponsors!

**Coach – Emily Davey**

**A4: June 28<sup>th</sup> - Wickepin v Olympics Royals - 32 – 49**

Everyone gave their absolute best. Olympics are just such a strong team and not to mention it was absolutely freezing Friday night! Excellent work to Chelsea and Jasmine who got the umpire votes well deserved girls! And a big Thank you to Tyler Steere who filled in for us.

**July 6<sup>th</sup> - Wickepin v Flames - 25 – 37**

Our first home game for the season and a great game played. Everyone played very well as a team and we are all improving every week! Special thank you to Tyler Steere for filling in for us again it is really appreciated. Meg Wyllie got our umpire votes this week, well done Meg, very deserved!

***Your support and sponsorship of our club is greatly appreciated!!***

**SET - June 22<sup>nd</sup>**

This was our last game of the season and we were without four of our regular players. However, four of our smaller netball Superstars from Danni's Net team joined us. Thanks so much to Grace Ewen, Lucy Lansdell, Lara Bayley and Annabelle Turner who wore the red and white dress for the first time and played beautifully. We look forward to these girls playing more next year. Some great sportsmanship to all our regular players who welcomed these girls into the team and made sure that they received some passes and helped them with their positions. We were presented with our Net Set Go certificates and medallions after the game. The kids have had a fantastic season, been so enthusiastic and have improved immensely. It has been great to watch them each week and be part of their netball journey. Thanks so much to all the parents who bring them to training and get up super early on a Saturday to get them to the games.

**Coach – Kelly Steere**

## Juniors: - NET

The NET girls had their final session and wind up on July 4. The girls played a full court game against the SET team and were awarded certificates and medallions for their participation throughout term 2.

I have been so impressed with their improvement throughout the term, they should all be very proud of themselves. We started the term with some even being hesitant to catch the ball and we ended with our final session where all the girls are catching and passing strongly and shooting goals!

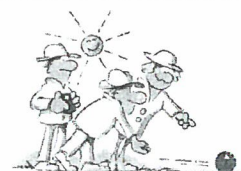

I was super proud to see 4 of our girls, Grace Ewen, Lucy Lansdell, Lara Bayley and Annabelle Turner take to their court in Narrogin in the red and white dress filling in for Kelly's SET team and loved hearing how much fun they had.

Thank you to my little superstars for making our NET sessions so enjoyable and for the parents who jumped in and helped at the sessions.

Coach – Danni Astbury

# RICK WILSON MP

Federal Member for O'Connor

**MEDIA RELEASE**

**July 2, 2019**

## **SMALL BUSINESSES TO BE PAID ON TIME, EVERY TIME**

Small and family businesses in O'Connor will now receive payment for government contracts under \$1 million in 20 days.

Federal Member for O'Connor Rick Wilson said the Morrison Government is backing the 3.4 million small and family businesses that underpin Australia's economy by ensuring they get paid on time, boosting their cash flow and helping them grow.

"We understand the importance of cash flow to small businesses - cash flow is vital to each and every business. That is why we are doing everything we can to ensure businesses are paid on time," Mr Wilson said.

A report from Xero last month found half of all payments from big to small businesses were late, totalling more than \$115 billion a year.

"It is clear big business needs to do more to pay contracts on time and we will also continue to look at ways to improve this delay," Mr Wilson said.

"The Government is working to require large businesses tendering for Commonwealth contracts to match the 20-day payment terms.

"Also in development is an annual reporting framework requiring large businesses with over \$100 million turnover to publish information on how they pay small businesses.

"Our promise to small and family businesses is clear, we want them to pay less tax, cut red tape and have better access to finance to help grow their businesses."
