

**Bush Fires Act 1954**  
**Shire of Wickepin**  
**Annual Firebreak Notice 2019/2020**

Action is required by owners and/or occupiers of all land in the Shire of Wickepin. Please read this notice carefully. Any queries should be directed to the Shire of Wickepin Administration Centre or Local Shire Bush Fire Control Officer. Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, owners and occupiers of property within the Shire of Wickepin are hereby required on or before 1 October 2019 and thereafter to 14 April 2020 to plough, scarify or otherwise provide and maintain firebreaks clear of all inflammable material at least 2.5 metres wide as follows:

**Rural Land**

Inside the boundary of all land held by each owner or occupier, their firebreaks need not follow the perimeter of any paddock but will be acceptable following land contours in an endeavour to overcome water erosion;

- To subdivide each holding into lots of no greater than 200 hectares; and
- To surround the homestead, out buildings and fuel storages on any such land.
- That from 15 October all harvesting and baling (including cutting and raking) operations, there shall be an operational mobile engine powered firefighting unit with a minimum capacity of 400 litres of water located in or immediately adjacent to the paddock being harvested and/or baled. The responsibility to supply the firefighting unit is that of the landowner/occupier.

**Townsite Land**

All lots within the townsites of Harrismith, Tincurrin, Toolibin, Wickepin and Yealering are required to be cleared and maintained free of all debris or inflammable material. Failure to comply with these requirements renders the owner or occupier liable to a penalty not more than \$400.

**Clearing of Fence Lines**

When clearing for new fence lines adjoining road reserves, you must have written approval from the Shire of Wickepin prior to commencement of clearing works. Landholders are asked to consider locating the fence three (3) metres inside their boundary to avoid any clearing on road reserves. Old fences should first be removed. If landholders wish to place their fence on the boundary, they may clear no more than one (1) metre beyond their boundary. This may be varied in special circumstances at the discretion of the CEO and Manager Works & Services. Any timber removed from the road reserve is to be pushed onto the owner's property.

**Fencing of Road Reserves**

Council encourages farmers to fence off road reserves running through their properties to protect trees on these reserves and to allow new growth of vegetation.

**Burning on Roadsides**

Should property owners wish to carry out burning of the road reserve adjacent to their property, it is necessary to obtain council approval prior to any burning taking place.

**Burning Periods**

Restricted Burning – 1 October 2019 to 13 November 2019

Prohibited Burning – 14 November 2019 to 7 February 2020

Restricted Burning – 8 February 2020 to 14 April 2020

**Harvest and Fire Ban 2019/2020 Season**
